One Killed, Two Wounded.

Bristol, Va., June 1.—Deputy Sheriff Ham Phipps was killed and Roby Wallace and a man named Potter were perhaps fatally wounded in a pistol duel at Trade, Johnson county, Tennessee, according to advices from there this evening.

Arthur and Ira Stansberry, brothers, from North Carolina, are said to have done the fatal shooting.

The Stansberry brothers are said to have been firing their revolvers near the public school building at Trade, while a school commencement was in progress. Deputy Sheriff Phipps and Roby Wallace undertook to arrest the brothers so this brought on a pistol duel.

Phipps was shot six times in quick succession, three bullets penetrating his breast and three his abdomen. Wallace was also badly shot and a man named Potter was fatally, if not dangerously, wounded.

The Stansberry brothers escaped and are believed to be in hiding in North Carolina mountains.

Charged With Assault.

Abingdon, Va., June 1.—Lee Pennington, who was arrested near Kelley's Chapel last week charged with an attempted assault on a young girl that was staying with Mr. and Mrs. Jeff Doss, was given a preliminary hearing before Squire Wilson, at Glade Spring and bound over to the grand jury in the sum of five hundred dollars. In default of bail he was brought to Abingdon and placed in jail.

Democrats May Reverse Policy of Free Sugar.

Washington, June 2.—The administration, facing a Treasury deficit, and fearing destruction of both cane and beet sugar industry through free sugar, is about to reverse its free sugar policy by amending the Underwood tariff law to retain a duty of 1 cent a pound on sugar.

It is estimated such a duty would yield to the Federal Treasury annually about \$37,000,000. The Treasury is now running short on revenues about \$500,000 a day, while awaiting collections from the income tax and other sources. It is the opinion of both sugar and cane growers in Louisiana, and beet sugar growers in Colorado, that the 1 cent a pound duty will permit those industries to survive. It is contended still that they will not be profitable except under the more favorable economic conditions.

Acting for the Democratic administration, Secretary Redfield has had experts make a study in Louisiana of the actual cost of raising of cane and its reduction into raw sugar. The Louisiana sugar planters insisted that free sugar would make it impossible for them to compete with Cuban-grown sugar cane. Many of them went out of the sugar cane growing business, and sugar plantations are now on the market, selling at low prices.

The old tariff duty on sugar ran from \$1.65 to \$1.95 per 100 pounds. From this duty the government received a revenue annually of about \$50,000,000. To offset the loss in revenue from removal of the duty on sugar there was passed an income tax law from which it was hoped to realize about \$75,000,000 a year. This revenue will come into the government July 1, and serve to cover temporarily the loss in revenue, but it is realized by the Treasury officials that the income tax receipts will not serve to hold the Treasury balance on the right side.

Cures Stubborn Itchy Skin Troubles.

"I could scratch myself to pieces" is often heard from sufferers of Eczema, Tetter, Itch and similar skin eruptions. Don't scratch—Stop the itching at once with Dr. Hobson's Eczema Ointment. Its first application starts healing; the second, itching, itchy skin is soothed by the Healing and Cooling Medicines. Mrs. C. A. Einfield, Rock Hill, after using Dr. Hobson's Ointment, writes: "This is the first time in three years I have been free from my skin troubles." Chamberlain's Eczema Ointment. For sale by all dealers.

Locust Due to Arrive Soon

Washington, D. C., June 1.—Brood 5 of the periodical cicada, commonly known as the seventeen-year locust, is expected to make its reappearance in Ohio, West Virginia, Virginia and Pennsylvania early this month. This is the territory which brood 5 of these insects visited in the summer of 1898. The insect when it appears causes considerable damage to newly planted orchards and shade trees in this territory.

The locusts are due to appear in forty counties of Ohio, forty-one in West Virginia and in only four in Virginia.

Cummins Named.

Des Moines, Ia., June 1.—Senator A. B. Cummins was today nominated to the United States Senate by about 40,000 over A. C. Savage, according to estimates based on early returns tonight from the primary election.

Sails For Spain.

New York, June 1.—Theodore Roosevelt, accompanied by Philip Roosevelt, a cousin, and his eldest daughter, Mrs. Nicholas Longworth, sailed for Spain Saturday on the steamship Olympic, to attend the wedding of his son, Kermit, in Madrid, on June 10 to Miss Belle Wilard, daughter of the American ambassador to Spain.

W. & L. Gets \$100,000.

New York, June 1.—The general education board, which administers the John D. Rockefeller fund, has announced appropriations totalling \$1,400,000 to universities and colleges and for the purpose of carrying on farm demonstration instruction and boys and girls clubs in Maine and New Hampshire. The college and university appropriations include: Washington and Lee University, Lexington, Va., \$100,000; Wofford College, Spartanburg, S. C., \$33,000.

Piedmont Items.

The Piedmont Civic League met May 30th with a pretty good attendance. One of the most important features of business attended to was the preparation for a play and Ice cream supper to take place some time in the near future. Eight new members were received making the present membership total forty.

Mrs. William Bailey, of near Chilhowie, who is a sister of Mr. Dinkins and Mr. and Mrs. James T. Dinkins, of Eastern Virginia, made a weeks visit at the home of her daughter, Mrs. S. M. Rouse returning to their home Tuesday.

Mr. George Hopkins was visiting homefolks Saturday night and Sunday. He is a son of Mr. R. Hopkins. Equire McClure and wife were visiting W. Z. Blankenbeker Sunday.

Mrs. Noah Blevins and daughter, were guests of Mrs. J. R. Dolinger Sunday night.

Miss Flora and Netta Williams were guests of Miss Sallie and Emeline Shupe Sunday.

Miss Fannie Hopkins has returned home after a pleasant visit with her sister at Glade Spring.

Mr. John Debusk and family, of near Glade Spring and Mr. and Mrs. Robert Elswick were guests of S. M. Rouse Sunday.

Mr. John Surber has completed a good wire fence between his land and the north side of the school ground.

The League has set next Saturday June 6th, for working on the ground. The ladies will serve dinner and every body is invited to come and help.

Get Rid of Your Rheumatism

Now is the time to get rid of your rheumatism. You can do it if you apply Chamberlain's Liniment. W. A. Lockard, Homer City, N. Y., writes: "Last spring I suffered from rheumatism with terrible pains in my arms and shoulders. I got a bottle of Chamberlain's Liniment and the first application relieved me. By using one bottle of it I was entirely cured." For sale by all dealers.

Has Medical Science Baffled.

Abingdon, Va., June 2.—Miss Nonnie Ashley, daughter of Joe G. Ashley, who lives near Shallow Ford, a short distance from here, has medical science baffled. She returned recently from a sanatorium where she underwent treatment for tuberculosis, in an improved condition. Last Sunday she was feeling unusually well, and after eating a hearty supper, she was resting on a porch. She was found a few minutes later by an uncle, speechless and apparently dying. By the time the physician arrived, life seemed almost extinct.

Monday she rallied slightly and made signs she wished to write. A pencil was given her, and she wrote that she wished to be baptized. A message was sent to the Rev. S. B. Vault, of the Methodist church here, although it seemed impossible for her to live until he could get to the home. When he arrived with the expectation of baptizing her in the Methodist faith, she arose from her bed, walked unassisted to the creek, fifty yards away, and requested the Rev. Mr. Vaughn, in her usual voice, to immerse her in the creek, which he did. Since that time she has been in full possession of all her faculties although considered very ill, and is thought to be improving.

The Rev. T. O. Beckner, pastor of the Peters Creek Dunkard church, and one of the most prominent farmers of Roanoke county, died at his home at Cave Spring last Wednesday morning at the age of 73 years.

Dr. A. S. Priddy, superintendent of the Virginia State Epileptic Colony, has been elected president of the National Association for the Study, Cure and Treatment of the Epileptic, which has just ended its annual meeting in Baltimore.

On last Thursday Margaret D. Catron, wife of Senator John H. Catron, of Wise county, died at her home at Big Stone Gap after an illness of seven years. Mrs. Catron was in her forty-fifth year and was the mother of eleven children, six of whom preceded her to the grave.

The Chilhowie correspondent to the Glade Spring Vidette says: "We are reliably informed that Mr. F. P. McCrady, of Chilhowie, will take charge of the hotel at Saltville on June 19. It is really with a feeling of sorrow that this announcement is made for Frank McCrady and his very interesting family have endeared themselves to everybody in this town. As yet he has made no disposition of his property here. We wish him and his every possible success in their new field of endeavor."

Killed by Falling Tree.

Millard McClanahan, aged 15 years, son of Shaek McClanahan, of Stacy, was killed late Wednesday evening by a falling tree. He and his older brother were riding after the cows. Just as they were passing the tree, which had in some way caught fire, it started to fall. His brother called to him to look out. He jumped off his mule and while trying to get it out of danger, was struck by the tree. His neck, one arm and one leg was broken. His brother was unable to remove the tree from off his lifeless body and had to go some distance to secure assistance.—Pennington Gap News.

Children Cry FOR FLETCHER'S CASTORIA

Over 950 Lost When Liner and Collier Crash.

Empress of Ireland with 1,367 Persons on Board Sinks in St. Lawrence in 15 Minutes After Being Rammed.

Rimouski, Quebec, May 29.—Sinking in ninety feet of water within 15 minutes after being rammed amidships in the upper reaches of the St. Lawrence river early today, the Canadian Pacific liner Empress of Ireland carried down with her more than 954 of her passengers and crew. Of the 1,377 persons on board the liner, only 433 are known to have been saved, making the probable death list 934.

Looming up through the river mists, as the Empress of Ireland was lying to, waiting for the fog to lift or day to break, the Danish collier Storstad crashed bow on into the side of the big Canadian liner, striking her about midway of her length and ripping her side open clear to the stero.

The crash occurred not far from the shore of Father Point, 150 miles from Quebec, which the Empress of Ireland left yesterday afternoon bound for Liverpool, and ten miles from this point on the St. Lawrence. In reality, therefore, although the liner was heading for the sea and the collier coming in from it, the disaster was not one of the ocean but of the river. Unlike the Titanic's victims, the Empress of Ireland's lost their lives within sight of shore—in landlocked waters.

Accounts agree that in the brief space of time—not more than 15 minutes—between the shock of the collision and the sinking of the liner there was little chance for systematic marshalling of the passengers. Indeed everything indicates that hundreds of those on the steamer never reached the decks. Few women were among the saved, not more than a dozen, the lists make it appear.

"It all happened so quickly we did not really know what was going on and nobody had time to cry 'Women first,'" one of the passengers told Captain Bellinger, of the rescue boat Eureka.

"The stewards did not have time to rouse the people from their berths," the survivor added. "Those who heard the frenzied calls of the officers for the passengers to hurry on deck and rushed up, piled into the boats, which were rapidly loaded and sailed away. Many who stopped to dress were drowned."

Gets \$13,000 Verdict.

Bluefield, W. Va., June 2.—In the circuit court of Mercer county, at Princeton, a jury last Friday awarded Mrs. Abbie Culp and her three children a verdict of \$13,000 against the Virginia Railway Company for the alleged negligent killing of her husband, Harry C. Culp, at Hotchkiss, W. Va., on September 1, 1912.

Mr. Culp was employed by the company as a conductor and ran between Roanoke and Page, W. Va. On the morning of Sept. 1, 1912, while running around some cars at Hotchkiss, W. Va., a following train collided with his car, demolishing it and many cars, instantly killing Mr. Culp and his brakeman, H. H. Hull. The suit was brought under the federal employers liability act of 1908. In August, 1913, a trial was held and the plaintiff confessed error and requested the trial judge to set aside the verdict and award a new trial. This was done and on the second trial the above amount was awarded, and apportioned as follows: Mrs. Culp, \$8,000 and her three children \$3,000 each.

This is the largest verdict ever rendered by a Mercer county jury.

Miss Myrtle Gertrude Wolfe, of Charlottesville, and Mr. Iry Kubler Rhea, son of Judge William F. Rhea, of the State Corporation Commission, were quietly married on last Saturday afternoon in Washington.

John W. Rogan, a pioneer of Bristol, died at the family home on Locust street, that city, died Saturday afternoon. He served as a lieutenant in the Confederate army during the civil war, and near the close became the captain of a company.

Prof. F. B. Kegley returned the latter part of last week from attending the commencement exercises at Marion Female College and Rural Retreat High School. He states that the exercises were of a very high order and well attended and showed marked improvement over previous years.—Wytheville Enterprise.

Mr. James W. Crockett died at the home of his son in law, S. K. Brame, at Floyd, Va., after a long illness of heart trouble last Friday. Mr. Crockett was a gallant Confederate soldier, serving for the first year and a half of the war in the Fourth Virginia Infantry, Stone wall Brigade, until he was elected a lieutenant in Company E. Twenty first Virginia cavalry regiment, with which command he served the rest of the war. He was seventy-three years of age.

Rye Named for Governor

Nashville, Tenn., June 1.—The Democratic State convention adjourned last Friday after nominating Thomas C. Rye, of Paris, for governor, and George N. Welch, of Nashville, for railroad commissioner. Welch was nominated over the incumbent, Frank Arant, by a large majority.

The nomination of Rye was the result of three days of close fighting, that began Tuesday in the State judicial convention. With the contest over Davidson county's ninety-five votes and the fight for temporary organization decided against him, General Rye fought his way up steadily from the first ballot. Nine ballots were taken.

Whitman for Governor.

New York, June 1.—District Attorney Whitman, of New York, tonight announced his candidacy for the Republican nomination for Governor. It was learned also that a movement had been launched with the design of procuring Mr. Whitman's nomination on both the Republican and Progressive tickets.

Bristol Autos Win Prizes.

Bristol, Va., June 1.—The winners in the decorated automobile parade held in connection with the closing session of the Grand Council, United Commercial Travelers of Tennessee, were: Mrs. J. C. Layman, \$30; Mrs. T. W. Preston, \$25; Miss Gene McGoldrick, \$15; Miss Bessie Cox, \$10; Mrs. S. T. Copenhaver.

"There will be one of the largest hay crops in the valley this year that there has been for a long time if conditions continue favorable," said a tiller of the soil, the other day. Not only is the grass looking well, but also gives promise of a bountiful harvest. It is well set on the ground and the stalks are tall enough to bend gracefully before the wind as it sweeps over the valley. The wheat harvest, according to Noah Soure, of the Morning Star section will be two or three days earlier than last year, when the first wheat was cut about June 20th.—Page Courier.

Radford Normal Notes.

Dr. E. G. Williams, State Health Commissioner, spent Thursday at the normal school. He was here in connection with the work of the Appalachian School Improvement Foundation and inspected the normal school.

Rev. J. O. Gray of Wytheville who is conducting Evangelistic services in the Presbyterian Church at Radford recently addressed the faculty and students of the normal school.

Miss Ruth Halsey, of Grayson County, spent Thursday night at the normal school with friends. Miss Halsey was a student in the normal school during the first and second quarters.

Mr. L. N. Froy, of Bland County House this week visited his daughter who is a student in the normal school.

Miss Maude Moss of Burke's Garden, spent the night at the normal school recently on her way home from the South where she taught last session.

Mrs. Hortense Ropp, State organizer of the W. C. T. U. recently delivered an address before the students of the normal school.

"Radnor" the student annual has been received. This book shows the various organizations, activities and interests of the normal school during the current session. The annual is pronounced by all who have seen it an unusually fine piece of work.

Big Fire Near Wytheville.

Wytheville, June 2.—The store of M. S. Bennett & Company, at Wyrick's Healing Springs, near Crockett station, this county, was burned this morning about 1 o'clock. The fire is of uncertain origin, though indications are that it was the work of an incendiary. The building and entire stock of were destroyed. The discovery of the blazing building was made too late to enter the store and remove any of the stock, and a bucket brigade to successfully combat fire which had the start it had, could accomplish nothing. The stock was estimated at from \$2,500 to \$4,000 upon which there was an insurance of about \$2,000. The building was worth about \$1,200 and the amount of insurance on this was \$800. Stores and store buildings seemed to be fated in that section of the country. This makes the fourth fire destroyed by fire in the past few years. The three other fires were at Crockett depot, while this was only a short distance away at what is known as Wyrick's Healing Springs.

Porter-Staley.

A quiet, but beautiful marriage was celebrated at the station Methodist parsonage Wednesday evening at 7 o'clock. Mr. Charles D. Porter of Bluefield, W. Va., and Miss Marie Blanche Staley, of Rural Retreat, were happily united in matrimony by Rev. J. R. Brown, D. D. The couple were attended by Miss Staley, sister of the bride, and Mr. Clويد Hankins, of Marion, and Mr. Clويد Porter will make their home in Bluefield.—Wytheville Enterprise.

To Build a Railroad to Sparta, N. C.

News comes regarding the building of the Elkin & Alleghany Railroad which starts at Elkin, N. C. across the Blue Ridge to Sparta, N. C., and with an objective point ultimately in Tennessee. The assured building of this road is made so by the purchase of a controlling interest by I. M. Taylor & Co., a large concern having offices in Boston, New York and Philadelphia, who will complete the work started by Mr. John A. Mills and his associates and finish it at present to Sparta, N. C.

It is understood that the company will be reorganized and arrangements have been made to have a State convicts supplied under contract as before which will greatly facilitate the construction work. The completion of the road over the Blue Ridge Mountains will be hastened. The road has now been built to Doughton, and will be built over the Blue Ridge to Sparta. It has been built for a distance of sixteen miles and thirteen miles more will carry it to the top of the mountain. Regular schedules are now being maintained on the road.

The purchaser, I. M. Taylor and Company, is a firm that handles large investments with many offices in the nation and is composed of men of highest character and ability. The company is represented here by Mr. C. B. Penny, who has had wide experience in big business affairs.

The territory which the Elkin and Alleghany Railroad service consists of Alleghany county, portions of Wilkes, Surry, Watauga and Ashe counties, and the greater part of Grayson county, Va., constituting a territory of about 1,600 square miles. This territory is almost altogether undeveloped, having no transportation outlet except the road now being constructed and it is one of the most fertile and wealthy sections of the State.—Grayson Journal.

Earnestly soliciting the support of all the voters I am,
 Very respectfully,
 CLAUDE B. McCRAID.

To the Voters of the Town of Marion:
 I take this method of announcing myself as a candidate for Sergeant and Collector of the Town of Marion. I feel that I am capable of performing the responsible duties of the position and earnestly solicit your support. Election June 9th, 1914. Respectfully,
 J. OSCAR STEPHENSON.

FOR COUNCILMAN
 To the Voters of the Town of Marion:
 We are authorized to announce W. E. Hodges a candidate for town councilman. He promises if elected to look after the interest of the entire town irrespective of location. Election Tuesday June 9th, 1914.

Republican Mass Meeting.
 The Republicans of Smyth County, are requested to meet at the Court House on Saturday, June 6th, 1914, at 11 o'clock, for the purpose of electing Delegates and Alternates to the Republican Congressional Convention of the Ninth District of Virginia, to be held in Bristol, Thursday, July 9th, 1914, to nominate a candidate for Congress and transact such other business as may come before the meeting. All persons who believe in the principles of the Republican party are requested to attend this meeting.
 Very respectfully,
 JOHN A. GREENWOOD,
 County Chairman,
 H. L. KENT,
 Secretary.

Marion College News.

The College office is a busy place now, even though the students have gone home. The President and Secretary with several assistants are mailing the new catalogue, and the mail is being taken away from the College in U. S. mail sacks. The College is advertising this year extensively, and the office will be a busy place all the summer. Students already are applying for rooms, last year's students are writing about their friends coming with them in the fall, and the new teachers are writing hopefully about new students being secured from the circle of their friends.

REGISTRATION OF COLLEGE.

From every source there come encouraging responses to the news that the College is being standardized to take a place with the best colleges of the country. With the installation of the new entrance requirements at the beginning of next session Marion College will become a recognized Junior College. This will mean a great deal for those who in the future will complete the two years of standard collegiate work offered in the College, above the four years of High School work offered. The State Board grants to graduates of recognized Junior Colleges a five year's teachers certificate without examination.

A GREAT STEP FORWARD

In arranging a faculty and equipment for junior college work Marion College is making a great forward step, and one that means much for the future of Marion College and the community. But, to maintain such a college, a greatly increased enrollment is necessary. The President and the Board of Trustees intend to make Marion College an efficient institution, and it is hoped that all the friends of the College and all the people of the county will aid in securing that increased enrollment that is so necessary to the maintenance of the college along the progressive lines advertised. The President will be glad to mail from the College office the new catalogue to any addresses that may be mailed or telephoned to him.

THE FACULTY.

The Faculty for next year is able to do the larger work projected. In the teaching force are representatives of the University of Chicago, Yale University, Cornell University, Berlitz Pensionnat in

Switzerland, University of Grenoble, France, Ohio State University, Boston Conservatory of Music, the New England Conservatory of Music, and other famous institutions of learning. In the Faculty are representatives of the Episcopal, Methodist, and Presbyterian denominations, in addition to the Lutheran, and arrangement in this way will be made to chaperon students on Sunday to the church of their own faith. This is in line with the policy of the majority of colleges for women.

HENDERSON N. MILLER.

An Anti-American Policy.

We have a competitive Tariff that prevents Americans from competing. Facts knock all the theory in the world to pieces. In addition, Congress is preparing to decapitalize our industries. We shall have to fight German trade dreads with gunboats. We have thrown aside every safeguard of high wages and we have invited no wages at all. If this is not an anti-American policy, what is it? The nation would go to war to prevent such penalization of our enterprises as our own Congress has put on us. The results are just beginning to be felt. The Mexican situation may not be so vital to us as our own. —Philadelphia Public Ledger.

HOW TO GET STRENGTH

after any sickness is purely a matter of nourishment, whether the attack was an ordinary cold or severe illness; the weakened forces cannot repulse disease germs, and this is why a relapse is so often fatal or why chronic weakness often follows sickness.
 Restoring strength to millions of people for forty years has proven the real need for taking Scott's Emulsion after any sickness; nothing equals it—nothing compares with it. Its pure, medicinal nourishment, free from alcohol or opiates, promptly creates rich blood, strengthens the nerves and lungs to avert tuberculosis.

Birthday of Jefferson Davis Observed.

On Wednesday the ladies of Holston Chapter U. D. C. gave their annual luncheon to the Confederate Veterans of the county. They select as the day for this token of esteem and high regard—June 3rd—the birthday of Jefferson Davis, President of the Confederate States.

This annual meeting of the veterans is looked for with much pleasure by all the survivors of the Confederate army in this county. The good ladies of Holston Chapter likewise look forward with pleasure—consider it a privilege to entertain the old soldiers, and thus add a day of joy and contentment to their declining years.

Early in the morning a goodly number of those who wore the gray were seen on the streets greeting each other and relating incidents of those dark and troublesome days of fifty years ago.

After spending a few hours in a social way, at 12:30 dinner was announced. A well prepared and bountiful luncheon had been spread on the beautiful court green and was served to all veterans and visitors with that good style and care characteristic, especially of the excellent daughters who compose Holston Chapter.

After dinner at 1:30 all repaired to the auditorium of the Court House where an excellent program was rendered. Judge G. H. Fudge presided. Then after music by the Pendleton Workman orchestra, Prof. B. E. Copenhaver introduced Rev. F. Y. Jackson, pastor of the Methodist church, who took for his theme "Stonewall Jackson," and emphasized the Christian side of the life of the great commander. Mr. Jackson was happy in expression and much pleased all who heard him. He was followed by Miss Kathleen Keller, who sang an old Confederate tune which delighted the veterans and the entire audience. Miss Virginia Buchanan gave an appropriate recitation, which was well received, and Mrs. Hodges sang a beautiful solo. Judge Fudge then presented Prof. Moncure, who delivered a short, but stirring address on our Southern Women. He was frequently interrupted with applause as he eloquently portrayed the undying deeds and noble acts of Southern womanhood. Prof. Moncure was followed with a solo by Miss Ruth Seaver, who charmed all with her tender voice. Mrs. John R. Sexton then announced the bestowal of crosses to four veterans; namely: E. F. Groseclose, S. N. Copenhaver, Opie M. Watson and G. B. Ashlin. Only Squire Groseclose was present to receive cross in person. Thus closed one of the most successful and pleasant occasions the old soldiers ever enjoyed in Marion. They all left merry and feeling good.

The following is a roster of those present: G. H. Fudge; W. F. Wolfe, A. H. Gibbons, J. W. Duncan, Wm. Hays, Wm. E. Thomas, E. F. Groseclose, M. D. Wilson, Levi Cole, J. T. Henshaw, Samuel Henshaw, Robert Aker, W. P. Francis, Geo. R. Rider, J. M. Boothe, W. C. Pendleton, Tolbert Etzwick, E. J. Haller, John S. Copenhaver, Wm. Urps, Martin Peck, A. J. Harris, H. T. Killinger, F. S. Snively, W. J. Vaught, Henry Savers, Jas. S. Savers, J. A. Golliber, J. M. McIntyre, Jas. M. Wheeler, Frank Hawks, Jacob Rowland, John R. Tilton, Wm. Poston, W. R. Henegar, C. S. Copenhaver, John N. Hill, D. D. Paul, T. C. Oakes, John H. Folds, E. W. Copenhaver, J. W. Mitchell, Taylor Totten, J. M. Jones, Wm. Martin, Jesse Anderson, C. H. Carper, Bedford Overbey, J. H. W. Snider, Daniel Copenhaver, G. K. Carico, Mike Neff, T. H. Samuel, S. P. P. Bondy, W. H. Byrd.

The greatest sale ever known in Marion is now going on at the D. H. Mitchell Co., stand. Opening days are Friday and Saturday, June 5th and 6th. This great bargain trade will last only 30 days.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedy. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or tinnitus hearing, and when its entire lining is closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; pain ceases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, Ohio Sold by Druggists, 75. Take Hall's Family Pills for constipation.

Colored School Closes.

The closing exercises of the Marion Colored School took place Wednesday evening in the auditorium of Court House. The program consisted of Recitations, Declarations, Orations, Music, both vocal and instrumental, was most admirably rendered. There were two graduates in the High School department, Misses Irene Richardson and Esterline Cooley. The certificates were awarded by Prof. B. E. Copenhaver who gave the school and the patrons some timely advice as well as encouragement. Rev. F. Y. Jackson was then introduced and delivered a most excellent and instructive address which was much appreciated by all his auditors. The school has been under the efficient management of Rev. R. W. Wade, as principal and Miss Francis Cooley assistant for the past year.

The D. H. Mitchell Co's stock and a big lot of new goods shipped from Pulaski, Va., all amounting to \$10000, is now at your disposal. Big job lot of Clothing, Shoes, Dry Goods and Groceries at sacrifice prices.

Marion High School on Accredited List.

Supt. B. E. Copenhaver, Marion, Va.

Dear Sir:

Mr. Worrell has just referred to me your telegram to him of June 1st. I have conferred with Mr. Worrell relative to the result of his inspection of the Marion High School and he will recommend that it be accredited provided the amount of high school work is reduced. He is of the opinion that two much work is being attempted for the number of teachers and that too much work is being required for graduation. From an examination of the reports, I thoroughly agree with him in this criticism. I can assure you, however, that the Marion High School will be accredited and I trust that our recommendations concerning the reduction in the amount of work of ferred will be followed next year.

Yours very truly, JNO. B. TERRELL, State School Inspector.

The above letter placing Marion High School on the accredited list means that her graduates will be entitled to a teachers' certificate for two years without examination. The letter emphasizes the fact that the school is doing too much rather than too little work a very unique compliment from the state school authorities.

FARMERS WANTED!

All eyes on Maryland, the land of the evergreen, where sunshine and showers meet—home for the farmer—land fertile, grows all kinds of money crops; best markets, near ten million people fed from this section; clear of rocks and stones, good Schools and Colleges, net work of railroad lines, steamboat lines—gas has been discovered, getting ready to drill for oil—farms cheap; stock and truck farms at bargain prices and easy terms. Farms all have good buildings; located near schools and churches, on good roads. Inland farms and water front homes. Write J. A. JONES, Salisbury, Md. Bureau of Information.

Marion High School Closes.

The Commencement Exercises of the Marion High School were ushered in upon us last Saturday evening when the Primary and Intermediate grades gave their annual entertainment in the Court House Auditorium. This consisted in class songs, drills and plays, chief of which, was the reproduction of Cinderella by the little folks in Miss Lynn's grade. The program of the entire evening was full of interest and held the close attention of one of the largest audiences ever assembled in Court Square Auditorium.

On Sunday evening at 7 o'clock at the Methodist Church the commencement sermon was preached by Rev. Dr. J. L. Rosser, pastor of the First Baptist, of Bristol. His sermon was excellent and well delivered. Delightful music was furnished by the Marion Choral Society under the leadership of Rev. R. E. Kern.

On Monday at 3-30 p. m. Senior Class Day Exercises took place. The program was opened with a High School Song composed by a student, Miss Lucile Wright. The Salutatory address was delivered by Mr. Ralph Stone, Valuedictory Address, Byron Anderson, Class History, Alexander Apperson, Class Prophecy, Gladys Clark, Class Poem, Annie Tarter. The Junior choral society interspersed the exercises with songs. The exercises were presided over by Mr. Preston Collins. Many pronounced the Class Day Exercises as the best feature of the commencement. It gave evidence of much originality and would have reflected much credit on older and more experienced heads.

The final exercises took place Monday at 8 p. m. when the address before the school and senior class was delivered by Rev. Dr. John M. Crowe, of Pulaski. He took for his theme "Heroes and Heroines." Dr. Crowe's address was a masterpiece and one of the most eloquent and practical gems of oratory ever delivered in Marion. Dr. Crowe is not only an orator but a genius full of wit and good humor. It was highly appreciated by a large audience of Marion's most cultured people. The diplomas were presented to members of the class by Superintendent Copenhaver in his usual forceful and pleasant manner. We desire to praise and compliment the good work done during the past session of the school by Prof. Moncure and his entire faculty. New features have been added that have done much to improve and stimulate the entire student body to a greater interest in school work. We are pleased to state that Prof. Moncure will remain another year and continue the good work. With a new High School building, fully equipped, and a live progressive faculty, Marion will continue in the lead and to excel in the great cause of public education.

GRIFTON CLOTHES

\$15.00 TO \$30.00

It isn't wise to pay less than \$15.00--while it's positively wasteful to pay more than \$30.00 for a suit or overcoat. Under \$15.00 you can't be sure of quality. Over \$30.00 you don't get value. At \$15 to \$30 our stock of Griffon Clothes will astound you with its immense assortment of styles and patterns and the sterling qualities of its fabrics and tailoring. x x

Wood's Seeds

Seed Potatoes FOR FALL CROP.

The planting of seed potatoes in June and July is increasing to a wonderful extent. A great many farmers claim that they give better crops planted at this time than they do when planted in the spring. Potatoes planted in June and July mature in the cool weather of the fall, at a time when they can be harvested to best advantage.

The Seed Potatoes we offer are put in cold storage early in the season, so as to keep in first-class, vigorous condition.

"Wood's Crop Special" giving prices and full information about Late Seed Potatoes and all other Seasonable Seeds, mailed free on request.

DON'T LET CONSTIPATION RUIN YOUR HEALTH.

It Deadens the Brain and Weakens the Body. Nature Needs Real and Harmless Aid to Overcome It.

Nature does her best to fight constipation and its evil effects. She fights to the last atom of her strength but usually she has to have assistance.

To avoid the sluggish brain and weakened body, the sick headache, coated tongue and biliousness, it is unwise to use unpleasant calomel, a medicine so strong that it leaves most people "all knocked out." Don't take chances with your health.

A great number of people have learned that Dodson's Liver Tonic (50) makes one brighter, healthier and happier in a perfectly easy and natural way, with no pain nor gripe and no bad after effects.

The D. M. Smith Drug Co. and Marion Drug Co. guarantee it with our condition and will refund purchase price if you are not entirely satisfied. Dodson's Liver Tonic is an absolutely safe, pleasant tasting vegetable-liquid and a wonderful liver stimulant which takes the place of calomel, but be sure you get Dodson's.
