Virginia Press Association
 The annual meeting of the Vir-
 ginia Press Association was held at
 Blue Ridge Springs Tuesday, Wed-
 nesday and Thursday of this week.
 The attendance was unusually large.
 Thursday afternoon and night the
 editors were entertained by the Pub-
 lishers' and Printers' Club, of Roan-
 oke, the visitors being given an au-
 tomobile ride around Roanoke and
 being served with luncheon on the
 portico of the Rockledge Inn on the
 top of Mill Mountain. The address
 of welcome was made by M. T. Har-
 rison, of the Bedford Democrat, and
 the response was by Allen Poits, of
 the Richmond Times-Dispatch.
 After from the annual address of
 Walter E. Addison, president of the
 association, A. B. Williams, of the
 Roanoke Times, and R. P. Barham,
 of the Petersburg Index-Appeal and
 other editors addressed the associa-
 tion.

By an act of the last legislature
 all deaths should be reported to the
 Local Registrars, when burial or re-
 moval permits will be issued; and
 every birth must be reported, giving
 the name of child before it is ten
 days old. The Justice of Peace as
 well as Mayor R. T. Greer, are Local
 Registrars for Marion Magisterial
 district to whom reports should be
 made. This law was effective on
 and after June 14, 1912, and if
 properly obeyed will guarantee a
 permanent and correct record of our
 people. A penalty of \$10.00 is fixed
 for neglecting these reports.

L. P. Summers, of Abingdon, un-
 der recently collector of internal reve-
 nue for the district embracing Vir-
 ginia, was in Washington Monday,
 in response to an invitation from Presi-
 dent Taft, who, it is said, desired a
 conference with Mr. Summers. It
 is understood that at the time he
 handed in his resignation as collec-
 tor that he had something better in
 view, and the impression among his
 friends is that the President will of-
 fer him something better than what
 he has surrendered. It is also inti-
 mated that the President may ask
 the assistance of Mr. Summers in
 managing his campaign, in view of
 the fact that the latter has been re-
 commended to the President as a tact-
 ful organizer.

THE PLAIN TRUTH.
 How Many More Can the Marion People Ask?
 When well known residents and high-
 ly respected people of Marion make
 such statements as the following, it
 must carry conviction to every reader:
 John H. Rider, West Main Street, Ma-
 rion, Va., says: "I am always telling
 other people what Doan's Kidney Pills
 have done for me. The cure they made
 in my case has been permanent and I
 have had no occasion to use them since
 I gave my public statement some years
 ago. My back often troubled me and
 at night I felt lame and sore. Fre-
 quently there were sharp pains and kid-
 ney weakness set in. I saw Doan's
 Kidney Pills advertised and thinking
 they might help me, I got a box from
 the Carson Drug Co. They soon relieved
 the pain and corrected the difficulty
 with the kidney secretions."
 For sale by all dealers—Price 50 cents.

HOW HIS Salary.
 Bristol, Va., July 11.—It is an-
 nounced that a majority of the
 board of education of Virginia Bris-
 tole will oppose allowing Superinten-
 dent S. Rhea McChesney, of the city
 schools, his salary of \$1,400 per an-
 num for the coming year. A major-
 ity of them do not want him for
 superintendent, owing to a grudge
 of long-standing, and it is declared
 that they will hold out positively
 against supplementing his salary of
 \$200, the amount the State pays
 him. Members of the board who
 oppose him, declare that if the State
 fastens him upon them against their
 will, he must look to the State for
 whatever pay he gets.

\$100 Per Plate
 was paid at a banquet to Henry Clay
 in New Orleans in 1842. Mighty
 costly for those with stomach trou-
 ble or indigestion. To-day people
 everywhere use Dr. King's New Life
 Pills for these troubles, as well as
 liver, kidney and bowel disorders.
 Easy, safe, sure. Only 25 cents at
 Carson Drug Co.

Lands in River.
 Wytbeville, Va., July 11.—Calvin
 Sexton, a prisoner in custody of an
 officer of Carroll county, who be-
 ing transferred from Wytbeville jail to
 Carroll, jumped from the train into
 the river and being handcuffed was
 drowned. Sexton, who was under
 sentence of Carroll court, was ar-
 rested in Wytbeville on April 28th and
 committed to jail to answer an in-
 dictment for burning Dix's barn on
 Cripple Creek, and had been held in
 jail since. He was delivered to the
 officer of Carroll on a capias that he
 might serve his term in Carroll, as
 owing to disorganization of the court
 by the death of Judge Massie, there
 has been no grand jury term.

During the summer months moth-
 ers of young children should watch
 for any unnatural looseness of the
 bowels. When given prompt atten-
 tion at this time serious trouble may
 be avoided. Chamberlain's Colic,
 Cholera and Diarrhoea Remedy can
 always be depended upon. For sale
 by all dealers.

They Gotta Quit Knockin' the Tariff Down.
 (THE OZARK "ZINC" SONG.)
 Statesmen, when they get to town,
 Start a kickin' the Tariff 'round;
 They're runnin' it 'way into the ground;
 They gotta quit knockin' the Tariff down.
 They knock, and knock, and knock it 'round,
 Ad valorem and by the pound;
 Makes no difference tho' our doctrine's sound,
 They gotta quit knockin' the Tariff down.
 Business they are tryin' to down,
 With lies and arguments unsound;
 The Tariff gives us 'nuff to go 'round;
 They gotta quit knockin' the Tariff down.
 Traitors to American ground,
 Who treat their best friend like a hound,
 Will sure get theirs in the rebound;
 They'd better quit knockin' the Tariff down.

A Ready-to-Lay Roofing
Made of Solid Rock Fibres
 J-M Asbestos Ready Roofing is literally made of solid rock fibres!
 Its base consists of felt made of stone—pure Asbestos. And Asbestos
 is a natural rock formation. Like all rock or stone, practically everlasting.
 And known the world over as fire-proof. It is the same material that is
 used to hold the flame in gas grates—the same material of which we make
 Asbestos Theatre Curtains. You know Asbestos Curtains are required by
 law, as protection against fire, in the theatres of nearly all cities.
 So no wonder this Asbestos or stone roofing never catches fire, even
 when neighboring buildings burn to the ground.
J-M Asbestos Roofing
 Several layers of this Asbestos or stone felt are used in this roofing and
 cemented together with genuine Trinidad Lake Asphalt—that wonderful
 mineral cement which, in Asphalt pavements, stands the grinding of wheels
 and the hammering of hoes for 40 years.
 With such indestructible materials as these, do you wonder that J-M
 Asbestos Roofing often outlasts the building it covers?
 This all-mineral roofing will never need a single cent's worth of paint to
 keep it from rotting, decaying or otherwise deteriorating.
 Write or call for Samples of this Roofing and free Booklet.

Marion Celebrates.

One of the greatest celebrations ever held here took place Thursday. At 9.40 the trades parade started from the east end of the city and owing to the size of some of the floats had to go to the extreme west end of Main street before they could be turned. It was almost impossible to decide which was the winner of the \$5.00 premium. The parade was led by the Marion Concert Band in white uniforms on a beautifully decorated wagon. This was followed by a number of ladies and gentlemen on horseback. Then came the advertising floats, all lines of business being represented. Numbers of people from other cities declared it as good as they ever seen elsewhere. The procession then went to the fair grounds where the committee reviewed it awarding the prize to Collins Bros. Mrs. J. O. Stephenson won the prize for the best decorated buggy. The ladies riding contest, riding astride, was won by Miss Mattie Meek first and Miss Kathleen Keller second. Mrs. Will Hayes, of Chatham Hill, was first and Miss Lula Hayes second, riding side saddle. The best saddle horse under 4 years old was won by D. K. Buchanan, with Stephen Meek second. Best gentleman rider Stephen Meek. The best saddle horse over 4 years old went to Stephen Meek and Douglas Keller won second. In single driving contest R. L. Keller won first. At this time a hard rain came up and all other contests were called off.

At 12 o'clock a game of ball was played between Saltville and Marion with the score of 8 to 3 in favor of Saltville.

Although there was a very large crowd in town and at the fair grounds there were no disturbances and only one arrest made during the day. There was very little drinking and all were in the best of spirits and thoroughly enjoyed the day, even though rain stopped the biggest part of the contests. All during the day delightful music was rendered by the Marion Band.

Hal K. Brown Killed by a Fall.

While removing the Fourth of July decorations from the Richardson building on Main street last Thursday night, Mr. Hal K. Brown fell head downward from a second story coping. He was picked up in an unconscious condition and was taken to Dr. Sberill's office, where every effort possible was made to restore him to consciousness, but these efforts were unavailing. At about six o'clock Friday morning he was taken to the home of his aunt, Mrs. W. V. Birchfield, where he died a few hours later.

Young Brown was just twenty-one years old, and was a son of Mr. Jno. H. Brown, who now resides in Missouri. Hal had many friends in Marion who were deeply shocked and grieved over his untimely death. He made his home here for several years, but recently has been living with a married brother at Charleston, Mo. About three weeks ago he came to Marion to visit his aunt.

A funeral service was conducted from the residence of W. V. Birchfield Sunday morning at 9:30 o'clock by Rev. T. C. Schuler, assisted by Rev. J. J. Scherer. The remains were then taken to Round Hill cemetery and laid to rest. The pall bearers were eight young men, as follows: Messrs. Harvey Apperson, Glenn and Marvin Anderson, Scott Sprinkle, Frank Williams, George Brooki, Fred Greever and Denny Culbert. The flower bearers were Misses Hulah Fodge, Alice Lincoln, Emma Showalter, Ruth Seaver and May Greiner. His brother, John Brown and wife, were delayed and did not reach Marion until Sunday afternoon, too late for the burial.

The Allen Trial.

Wytheville, Va., July 11.—The Wythe Circuit court, on opening yesterday morning in the trial of Oland Allen, charged with the murder of Commonwealth's Attorney Foster, of Carroll county, delivered an opinion excluding a plea offered by the prisoner's counsel in the nature of an estoppel on the part of the Commonwealth. This plea raised the point that the finding of a verdict of murder in the second degree in the former trial was necessarily an acquittal of the conspiracy charge in the present indictment. The court held that the charge of conspiracy in the indictment was merely "an inducement," and declared that the former verdict was not "res adjudicata" as to the pending charge. The plea, therefore, was excluded.

Floyd Allen, who has been found guilty of murder in the first degree, seemed weak and sick, and once broke down when referring to his boys.

Obituary.

Mary C. Hubble (nee Anderson) was born July 5, 1852; died at her home, near Chatham Hill, Smyth county, Va., May 13, 1912, aged 59 years, 10 months and 8 days. She was the daughter of James C. and Margaret C. Anderson. She was married to Geo. C. Hubble July 19, 1872. Their union was blessed with six children, two sons and four daughters, and, with the exception of one daughter, who out-ran mother, all of these survived.

She professed faith in Christ about eight years before her death, under the ministry of Rev. J. S. Henley, who was then her pastor, and at the same time joined the M. E. Church, South, at Goodman's Chapel, where she lived a consistent member 'til death set her free from serving in a temple made with hands and she was called to serve in other realms. Her last years brought to her serious affliction—of a paralytic nature—but even while the hand that afflicts rested heavily upon her, she was not in the habit of murmuring, but a patient sufferer was she, and being persuaded of the many rich promises of God, she embraced them and waited patiently 'til the time of her departure, when she would be freed from all that here disturbs, and go to meet her risen Lord and receive the blessings held in reserve for the final faithful. She was a true wife, a patient and tender mother and a good neighbor. The funeral service was conducted some time after her death by the undersigned, her pastor, of a large congregation, among whom was the husband and four of the surviving children, who said, by an act, "I'll meet wife and mother again."

Geo. T. JORDON.

Adwolve.

Saturday afternoon a very interesting and exciting ball game between Adwolve and Seven Mile Ford was played. Loose fielding and heavy batting was due to the great number of scores of both teams. The score was 18 to 22 in favor of the visiting team. The Adwolve people should feel proud of their team, although they have lost a few games this season.

Mr. Roy Copenhaver, who has been spending some time with his mother, left for Harrisonburg, Va., Sunday.

Mrs. Jennie Wolfe and Mrs. W. H. H. Snider were visiting Mrs. E. J. Anderson Sunday.

Mrs. L. H. Copenhaver and daughters, Misses Susie and Grace, Miss Mattie Meek and Mr. Joseph Henry Meek dined with Mrs. Ella Copenhaver Friday.

Misses Lottie, Hattie Belle, Nannie Kate and Ella Mae Hughes spent Friday afternoon with Miss Hattie Copenhaver.

Mr. C. B. Rosebaum and family, of Chilhowie, were visiting Mr. and Mrs. V. B. Copenhaver Sunday.

On last Sunday morning at seven o'clock Mrs. Luther Delp, daughter of Mr. J. W. Daniel, died at her home in Princeton, W. Va. She had been ill for two months, and as her death was expected a number of her relatives from this place were at her bedside. On Monday her body was brought to Laurel Springs cemetery to be buried, Rev. Jones conducting the services.

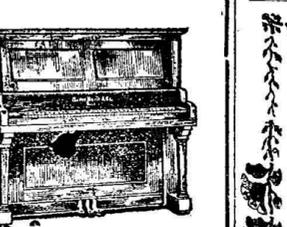

Little Miss Frances Anderson entertained a number of her little friends in honor of her third birthday. A number of games were played, after which delightful refreshments were served. "They cured me of kidney trouble and chills," he writes, "after I had taken other so-called cures for years without benefit, and they also improved my sight. Now, at seventy, I am feeling fine." ICE ICE ICE

I want to say to every person in this town that I have the very best to make the prices on all things right. I will say here that it is impossible for me to sell ice in small lots for less than a hundred pounds, but will sell it in 100 pound lots a cents or by taking a 300-pound block for \$1.00. As it is reasonable for you to say that I can not do business for nothing. It is understood that there will be no more retailing of ice from the factory. As I have commenced will try to supply my trade this season, but will say that I would not sell next season at any price as the ice costs more than it did if it came from Bristol and you will have to dig the other fellow not Brinkley.

Don't Suffer!

"I had been troubled, a little, for nearly 7 years," writes Mrs. L. Fincher, in a letter from Peavy, Ala., "but I was not taken down, until March, when I went to bed and had to have a doctor. He did all he could for me, but I got no better. I hurt all over, and I could not rest. At last, I tried Cardui, and soon I began to improve. Now I am in very good health, and able to do all my housework."

TAKE The CARDUI Woman's Tonic

You may wonder why Cardui is so successful, after other remedies have failed. The answer is that Cardui is successful, because it is composed of scientific ingredients, that act curatively on the womanly system. It is a medicine for women, and for women only. It builds, strengthens, and restores weak and ailing women, to health and happiness.

If you suffer like Mrs. Fincher did, take Cardui. It will surely do for you, what it did for her. At all druggists.

FARM NOTES

Paint the silo. Is the seed corn safe? Let the wind or gasoline pump the water.

With no cellar available, roots may be stored in pits.

City people, not re-enforced from the farms, would soon run out.

When alfalfa is used properly in the rotation it is beneficial to the soil.

According to those who have used them, the machine husker is a success.

Alfalfa from northern grown seed is hardy, yet it needs winter protection.

See that the winter grain is not pastured too close. Winter killing is the result.

Alfalfa will produce more digestible nutrients per acre than any other agricultural crop.

It is cheaper to keep three or four cats around the premises than 300 or 400 rats and mice.

The best method of storing roots for winter use is in a cellar to which daily access may be had.

The United States hay crop this year is only 74 per cent as big as the average for five years past.

The United States has only three-quarters as large a potato crop this year as last, and only about four-fifths as large as it has averaged for the past five years.

Will Fight Program Advertising.

The Lansing (Mich.) Clothiers' association has appointed a committee to consult with business men engaged in other lines of trade and secure their co-operation in the elimination of all advertising, except that inserted in publications which appear at regular intervals. It is estimated that more than \$10,000 was spent last year in Lansing for advertising in programs for church and fraternal organizations, from which no benefit was derived.

A WOMAN'S WISDOM.

The worried mother wakes up to hear her baby's heavy breathing—a little cough—perhaps the croup or whooping cough. She does not want to send for the doctor when perhaps the trouble does not amount to much. Finally she thinks of that medical book her father gave her, The Common Sense Medical Adviser, by R. V. Pierce, M. D. She says "just the thing to find out what is the matter with the little dear." Two million households in this country own one—and it's to be had for only 31c. in stamps—1,000 pages in splendid cloth binding. A good family adviser in any emergency. It is for either sex. This is what many women write Dr. Pierce—in respect to his "Favorite Prescription," a remedy which has made thousands of melancholy and miserable women cheerful and happy, by curing the painful womanly diseases which undermine a woman's health and strength.

Mrs. Zuber and Baby.

"My desire is to write a few lines to let you know what your valuable medicine has done for me," writes Mrs. MARGARET ZUBER, of 23 S. Benton Street, Baltimore, Md. "Before the store came to our house I was a very sick woman. I wrote you for advice which was kindly given and which made me a different woman in a short time. After taking the first bottle of 'Favorite Prescription' I began improving so that I hardly knew I was in such a condition. I did my own housework—washing and ironing, cooking, sewing, and the worst of all nursed three children who had whooping cough. I hardly knew of the advent ten minutes before—so easy was it. The baby is as fat as a butter-ball. Dr. Pierce's Favorite Prescription is the best medicine for any woman to take when in this condition. I recommend it to all my friends."

Mrs. Zuber and Baby.

Cholera Infantum Can Be Prevented.

Do not allow your baby to suffer when your valuable medicine has done for me. Cures Cholera in ten minutes. Renders teething time safe and easy. Can be given to babies one day old. Keep the bowels healthy. 25 cents at druggists. Trial bottle free if you mention this advertisement.
