

Dr. L. E. Jarrett Is Hospital Head

Dr. L. E. Jarrett, a son-in-law of Mr. and Mrs. J. L. C. Anderson, has been appointed superintendent of the hospital division of the Medical College of Virginia. Dr. Jarrett succeeds Dr. J. L. McElroy and has already entered upon his new duties. He is a native of Lexington, graduated from Lexington high school, attended Washington and Lee University for a year and entered the school of pharmacy at the Medical College of Virginia and graduated in 1922. Dr. Jarrett is well fitted for the position, having had teaching experience. He is also familiar with the work of many of the leading hospitals of the country.

Adding To The Overhead

It seems that on Tuesday night six of our officers, armed with search warrants, descended upon the homes of Aunt Fannie Bowser and Lucy Martin, both colored and both living near the N. & W. south from the Main street crossing.

It was shortly after 8 o'clock. Sheriff Sam Dillard, Chief Gord Snively and Deputy Bill Holmes made their call at the Martin home and Jailor John McGhee, Deputy Jim DeBord and Sergeant Otho Snider paid their respects at the Bowser residence.

Well, Sheriff Sam and his bunch got 5 gals, 3 quarts and a half pint at Lucy's and John and his gang found Aunt Fannie very cool and calm. "Just a moment, gentlemen," says she, "my daughter is dressing in this room." She disappeared into the room. John hesitated for a moment and then followed her. And there was Aunt Fannie with a five gal can of daughter in her arms, just starting to pour the daughter down the sink. Six little daughters, in the shape of full half pints, were also in the room.

Both of the homes raided are connected with the Idle-White Tea Room on Broadway.

The overhead was up Wednesday night. Lucy, Fannie and John were taken to jail. Henry Martin through their attorney, L. P. Collins, fined each \$100 and costs of \$40 and gave 30 day suspended jail sentenced.

Light Brigade Rally

On Thursday, August 17th, a group of about 250 children and leaders will gather at Rural Retreat Lutheran Church for a Light Brigade Rally. The Light Brigade is the children's missionary organization of the Lutheran Church.

The Rally is under the direction of Mrs. J. P. Killinger, Conference Light Brigade Superintendent, who has prepared a very interesting program.

Pageants will be given by various groups. The Marion Brigade, trained by Mrs. Hugh J. Rhyne will present a pageant depicting the world wide work accomplished by the Brigades of the United Lutheran Church.

The outstanding speaker of the Rally will be Mrs. A. J. Fenner of Philadelphia, who is the Executive Secretary of the organization. She will speak to the children in the morning, and will hold a leaders discussion group in the afternoon.

Miss Robena Anderson, of Richmond, is spending her vacation with her parents, Mr. and Mrs. J. L. C. Anderson. She has just returned from Chicago where she attended the Century of Progress Exposition.

The Misses Virginia King, Loraine King and Helen Louise King are visiting Mr. and Mrs. H. P. White.

Harve White and son, Gene, went to the circus in Roanoke last week.

Hound And Horse Show Program Announced For Sept. 23

The Southwest Virginia Foxhunters Association, which this year is enlarging its annual bench show into both a hound show and a horse show, this week announces the program of events to be held Saturday, September 23rd, at the Smyth County Fair Grounds.

The Association's annual hound show has grown in its few years into one of the best events of its kind in the country and this year's show is expected to be bigger, more varied and more hotly contested than any show of the past.

The addition of the horses brings a number of regular horse show classes and, as an added attraction, a special drag hunt to be run over natural obstacles on grounds near the Fair Grounds is being planned and will be carried out if permission to use lands for the course can be obtained. The drag hunt race will be followed by the horn blowing contest.

Mr. Samuel L. Woodrige of Versailles, Ky., will be judge of both hound and horse shows and W. R. Dudley of Tom's Creek, Va., will be ring master for the hound show. Dr. George Wright of Marion is president of the association and Mr. J. W. Williams of Chilhowie is secretary. Membership is scattered over all the counties of Southwest Virginia.

All hounds to be shown must be registered with the secretary of the association by 10 P. M. of the show day.

Winner in each class will receive a handsome silver challenge cup, with ribbons going to second and third place winners. Classes in the hound show will be:

1. Dam and offspring (3 or more pups under 6 months.)
2. Sire and offspring (3 or more pups under 6 months.)
3. Female pups under 6 months.
4. Male pups under 6 months.
5. Female pups over 6 months under 1 year.
7. Pair of pups under 1 year.
8. Derby matrons (under 21 months.)
9. Derby males (under 21 months.)
10. All age Matrons.
11. All-age Males.
12. Couple.
13. Two couples.
14. Pack (6 or more hounds owned by one man or partnership.)
15. Sweepstakes (best hound of show and best of opposite sex.)

Arrangements for the horse show are being made by Mr. R. R. Madron of Tazewell, Va. Entries close September 18th and should be made to Mr. Madron on blanks he will furnish.

Horse show classes and premium list will be:

Class 1, best pony under 58 in. Entry \$1. Trophy and two ribbons.

Class 2, best plantation mare or gelding. Entry \$3. First, \$15, second \$10, third \$5.

Class 4, 5-gaited open. Entry \$3. \$15, \$10 and \$5.

Class 5, best lady rider. Entry \$1. Trophy and two ribbons.

Class 6, best gentleman rider. Entry \$1. Trophy and two ribbons.

Class 7, green hunters, for horses that are hunters, not high jumpers. Entry \$3. \$15, \$10, \$5.

Class 8, high jumpers, to start at 3 1-2 ft. Entry \$3. \$15, \$10, \$5.

Class 9, model horse shown to halter. No entry fee. Purple ribbons and permanent trophy.

The horse show will start at 1:30 p. m. on the 23rd.

Better And Better

Marion's old third ward has been on a building, fixing up and beautifying spree for about a year now. The latest improvement is one of the best.

The big W. C. Seaver & Sons building, which in the past was covered with unsightly tin, is now being brick veneered from top to bottom, and a noble looking job it is, too. The job is almost done and will be completed very soon. This makes two big Main street improvements the Seavers have to their credit during the past few months, the other being the fine brick veneering and interior rebuilding job done just across the street.

Mr. and Mrs. William Ellis Francis have returned to Baltimore, after spending a week with the former's parents, Mr. and Mrs. Everett Francis.

Huge Crowd Sees Wedding And Fashion Show At Fair

At least five thousand persons, jamming the grandstand, the judge's pavilion and the track, on Wednesday night, the 16th, saw the public wedding and the Collins-Weiler fashion show—two of the leading features of this year's fair.

For the first time in the history of Marion a traffic jam almost a mile long was experienced from seven o'clock until after eight as hundreds of cars fought their way off Main street and up fair grounds hill.

The public wedding came first, and saw united Mr. Robert W. Woodson, of Roanoke and Miss Sallie Totten of Marion, daughter of Mr. and Mrs. J. N. Totten of Old Chilhowie.

The stage was beautifully set for the two events. Across the back was a heavy screen of fragrant evergreens. Before this ran a low brick wall, with a pretty gate in the center. On each side of the stages were flanking floral arrangements.

Miss Totten was beautifully gowned in white satin with an unusual veil constructed so that the head piece was in the form of a hat. Her bouquet was white gladiolas with large double baby's breath.

The bridesmaids and groomsmen entered first. These were Helen Copenhaver, Ellen Meade Wilson, Mary

Henry A. Wallace, Secretary of Agriculture, Looks At Smyth And Grayson

President Roosevelt's Secretary of Agriculture, Henry A. Wallace, with his son Bob Wallace and Doctor Schofield, also of the department of agriculture, came on an unannounced visit to Smyth and Grayson counties on Thursday and Friday of last week.

The Secretary had been on an unannounced tour of the counties in the late afternoon of Wednesday. Bob Wallace had got a wrap in somewhere down in Mississippi and was anxious to get a snake and possibly a few arrow heads. Bob

The Secretary and his party dined with Mr. and Mrs. B. E. Copenhaver and immediately after dinner left with Mr. and Mrs. Sherwood Anderson for Mr. Anderson's farm in Grayson county. The party spent the night with Mr. and Mrs. Anderson and left early on Friday morning to meet President Roosevelt at Harrisonburg, Va.

We understand that the Secretary was much taken with both Smyth and Grayson counties but didn't speak too highly of Sherwood Anderson as an agriculturist and, also, Bob Wallace got no snakes and no arrow heads.

P. S.—Ye editor, Bob Anderson, is going to send Bob Wallace a snake as soon as some energetic reader brings a long, black uninjured one into the print shop and Frank Copenhaver is sending him a hand full of our best Smyth County made arrow heads.

Main Street Dry Cleaners Join Up

Marion's three Main street dry cleaning plants this week announce their joining up with the N. R. A. movement.

They are: Service Dry Cleaners and Dye Works, Orfield The Cleaner and Marion Dry Cleaners.

All three have pledged their best efforts in the national fight to higher wages and more employment. Price scales for these three cleaners are now uniform and they are bidding for your patronage as NRA establishments.

A three will be represented within the next few days at Radford when cleaners and dyers from all Southwest Virginia will gather there at the call of Mr. Garland, of the state organization, to fix prices and a code of fair competition effecting every cleaner and dyer in this territory in accordance with the terms of the national cleaners code now being adopted at Washington.

League Pageant Called Off

The Pageant which was to have been given this coming Sunday night at the Lutheran Church has been called off until a later date.

Crowds Welcome Mrs. Roosevelt To White Top

Folklore lovers gathered on White Top Friday, August 11th, the first day of the folk festival, to listen to the descendants of pioneer settlers play and sing the old traditional ballads.

Old and young alike participated in the preliminary contest Friday, playing to an audience of more than 6,000 people gathered from all over the United States.

Mrs. John Buchanan organizer of the festival and her helpers were kept busy all day deeping things in order. Friday night, Percy McKaye, who has been spending some time in the mountain regions this summer, led the telling of folk tales.

On Saturday everything was ready to welcome Mrs. Roosevelt who arrived Saturday morning to enjoy the festival for a few hours. On her way to Abingdon, she spoke from the platform of her coach at the station at Marion for a few minutes to the people who had gathered there that morning to see her go through. Her great friendliness and charm as she greeted them won the hearts of all of them.

When she arrived in Abingdon, she was driven to the scene of the festival by Sheriff S. K. Bordwine and in the car were her father's old friend, Mrs. Bessie Watson, Mrs. Nellie Buchanan Starcher, and John Blakemore, manager of the festival. Her aides were Mrs. Harry C. Stuart, of Elk Garden, Mrs. B. C. Broughton, of Laurel, N. C., and Mrs. Nat Copenhaver, of Bristol.

Mrs. Roosevelt said that she was glad that she could be present as this was the first folk festival which she had been able to attend. Her interest in the event was heightened by her desire to visit the country where her father, Elliot Roosevelt, had lived for some time. Following her arrival, she and her party went to the top of the mountain to enjoy the view and then she was conducted to the pavilion where the contestants from Virginia, North Carolina and West Virginia were to be

special program arranged for Mrs. Roosevelt included the following: Jesse Johnson of War, W. Va., as a soloist, and with the West Virginia Ridge Runners' band, last years' Marion; Jack Reedy, banjost of Marion; Texas Gladden, ballad singer; G. T. Stroop, Harrisonburg fiddler, playing "Devil in the Woodpile"; the Council Cruise band playing "Frog Went a Courting"; Mrs. William Galwin, singing "Pretty Polly"; J. T. Chisholm, ballad singer; Lloyd Fitzgerald, Jack Wohlford, fiddling; Abner Keese, Altavista, and John Morris, Harrisonburg, playing "Leather Britches"; Horton Barker, Chilhowie, singing "The Farmer's Cruel Wife," the Shenandoah Mountain Rangers' band and the winners of the contests.

After the decision of the judges had been announced by John Powell, she congratulated the winners and presented the awards.

George C. Perry, Democratic nominee for governor, was among the distinguished guests Saturday, as was Richard Halliburton, author. Mr. Halliburton, at work on a "Royal Road to Romance in America," was seeking impressions. "Its too bad this sort of thing couldn't have happened 10 or 15 years ago," said Mr. Halliburton.

John Powell, in presenting Mrs. Roosevelt just before she awarded the prizes to contestants, said, "the great proof of the importance and significance of this great musical heritage of our people is in the fact that Mrs. Roosevelt should come."

Percy McKaye, dramatist, said, "We are making history which is eternal from the material of the mountains. These mountain people, by returning to their rich heritage, are splendid. The future promises very much progress along this line."

Those who performed in the final contests were:

Banjo: Jack Reedy, Marion; Pat Marshall, Bristol; Karl Cruise, Crandall, Tenn.

Dancing: Square dances—Cruise brothers, Crandall, Tenn.; the mast group, Damascus; the Sheetz dancing group, Konnarock.

Clog Dance—H. G. Sheetz, Konnarock; C. W. Billings, Troutdale; Vernin Baldwin, White Top; W. T. Spencer, Rugby; Hobart Smith, Saltville; Wade Barker, E. S. Marshall, Jack Reedy, Marion; Clate

Marion Takes Double Header From Mt. Airy

Marion made two uphill fights Wednesday, the 16th, at Wright field and finally emerged victor in both ends of a double header by scores of 9-4 and 5-4. The two victories moved the local team into second place in the Blue Ridge League, a game ahead of Wytheville and a half game behind Galax. While Marion was trimming Mt. Airy, Galax held its top position by trimming Bluefield 6-4 and Wytheville was defeating Fries 8-6.

Marion goes to Wytheville Friday to attempt to move that team down another notch in the standing. The two teams went three scoreless innings at Wright field Tuesday, the 15th, the game being halted by rain. When the down pour started, Marion had a man on third, two out, and Lefty Flick at bat had three balls and no strikes and things were looking pretty good for a score. On Saturday Marion journeys to Mt. Airy.

Wednesday, the 16th, Mt. Airy tapped Jug Handle Johnny Morrison pretty hard in the first frame and collected two tallies. Johnny pitched himself out of this hole and out of one in the second. After that he was most of the time long way from serious trouble. Marion finally got it tied up in the sixth. Then came two local runs in the seventh and four more in the eighth and all was joy. John gave up 15 hits and struck out 5. Specs Harkrader, pitching for Mt. Airy, gave up 13 hits and struck out 7.

Spud Query took over the hurling for Marion in the second game but young Mr. Harkrader, who seemed to be getting better as the shades of evening crept on, stayed right out there in defiance of all N. R. A. regulations against pitchers working more than 40 hours a week and proceeded to pitch a mighty nice second game.

Neither team scored in the first two frames and then trouble came in a big gob in the third when some dizzy work by the locals and a couple of hard slams gave Mt. Airy a 4-0 lead. Marion runs in the third, fourth and fifth whittled away at it, however, and fans were leaving the one town in the

of the 7th, Cecil Stone hit a public shot over first that wen for two bases. Lefty Flick promptly obliged by scoring him with a single and joy was, as they say, once again rampant.

John Wingfield, first up in the sixth inning, worked Harkrader for a walk. Bax Williams sent him down to second with a nice sacrifice. Warren Wright hit one on the nose for a line single over short and several hundred joyful fans went home to very late suppers.

High spots of the afternoon included Wright's final hit, Bailey's triple which went for a home run in the first game when the Mt. Airy relay got crossed, Atchley's roaring triple in the second game and Flick's wonderful throw home which, beautifully handled by Atchley, cut Harkrader off just as his foot was coming down on the plate and shut off a dangerous Mt. Airy rally. Bailey, with a homer and three singles;

John Powell Recital Pleases Audience

John Powell played to a large audience at the Lincoln Theatre Thursday night, August 10th, when he gave a recital in connection with the White Top Folk Festival. Celebrities from various parts of the United States and people from all over southwest Virginia were present to hear well known pianist.

The program included selections from Beethoven, Chopin and Liszt as well as some traditional folk music. In the latter group, Mr. Powell played three selections composed by himself using old Virginia country dances in developing the theme.

Mr. Powell played to a very appreciative audience who gave him much applause at the end of each selection. He delighted them very much when he gave them three encores and still the people were loth to let him go. But all good things must come to an end and so ended a pleasant musical evening.

Miss Byrda Echols returned home Saturday from Wythe County where she held a study class in Baptist Young People's work at Liberty Grove Baptist Church at Foster Falls. While there she was a guest in the home of Mr. and Mrs. J. W. Jackson.

Dickinson Defeats Summers 3-1 For Senate Seat

Burt Dickinson of Marion was swept into the vacant 15th Senatorial district seat in the upper house of the General Assembly last Thursday, August 10, by a three-to-one vote over L. P. Summers, Abingdon Republican who ran independently.

Mr. Dickinson takes his seat on Thursday of this week when the special session of the legislature convenes at the celated call of Governor Pollard to consider the beer, prohibition referendum and public works problems.

Smyth county gave its native son 1430 votes to 365 for Summers and one each for George Warren and P. R. Frye. Summers carried only one precinct in Smyth, that being Blue Springs, which went for him 50 to 20. He lost his home precinct in Washington county, carried none in Bristol, and few in Washington.

Incomplete and unofficial returns for the whole district gave Dickinson 3,222, Summers 1,116 with 11 out of 34 precincts in Washington county not reported.

Summers ran as a very dry dry. Dickinson, in accepting the nomination of the Democratic party, announced himself as for beer and for a referendum giving the people the chance to vote on repeal of the 18th amendment.

S. Bruce Jones of Bristol, Democratic nominee to represent Bristol city and Washington county in the house of delegates, was not opposed and polled a sturdy vote.

The vote in Smyth county was about one-third of what is generally cast in a hotly contested regular election.

The official vote of Smyth county follows:

Lloyd Moxley was gathered in Thursday, the 10th, by Sheriff Sam Dillard and John McGhee and pleaded guilty to drink before Squire Johnston, getting \$10 and \$5.75 costs. Otto Snider brought in Marvin Seaver, same charge, and after three or four days in jail Marvin was released by Mayor Greer.

On Monday Mayor Greer heard charges against 14 young men, for whom warrants were got by the management of the Marion Baseball Club when they entered Saturday's game late without paying. Fines of \$2.50 each, all suspended on request of the management, were recorded by the Mayor.

Richard Braxton, colored C. C. boy in the camp at Konnarock, was released in late Saturday night in condition.

Squire Johnston, getting \$10 and \$5.75 costs. Sheriff Dillard, John McGhee and Jim DeBoard were hunting for some stolen property up at the head of Nick's Creek Sunday and also had an old warrant for Estil Jones. They jumped Estil but he outran them. Then they separated to continue hunting the stolen goods and Jim, who went down the road alone, suddenly had Estil, who thought the coast had cleared, descend on him from the laurel.

The charge against Estil was indeed a compliment to his fortitude. He was charged with stealing three hives of bees from a Mr. Vipperman. Before Squire Johnston he got 90 days, \$25 fine and costs. Katie Smith of Saltville, a man, was found Monday by Bill Holmes and John McGhee sleeping one off on the auditorium steps in the court house on the second floor. He is awaiting trial.

William Jackson Phipps

Again the death angel has spread its wings and hovered over a peaceful home, and taken away a dearly beloved one, and another spirit took its flight and went back to the God who gave it.

William Jackson Phipps was born April 4, 1864, died August 4, 1933, age 69 years, 4 months. He was married to Henrietta Hoffman, November 26, 1890. To this union were born eight children. Six surviving, as follows: Charles, Vance and Fred Phipps of Fox; Mrs. Louise Hash of Fox; Mrs. W. A. Anderson of Kindrick and Mrs. Hoke Fields of Mouth of Wilson. Three sisters, Mrs. Troy Phipps and Mrs. Joseph Phipps of Independence, and Mrs. F. J. Hamm of Rising Sun, Maryland, two brothers, Steven Phipps of Mouth of Wilson and Jonce Phipps of Mountain View, Okla., also survive.

For years Mr. Phipps had been a consistent member of the Missionary Baptist church at Fox. He was always true to his church, his country, to his friends and to his duty as he saw it. Not only was he devoted to his church and country, but he was a tender, kind and loving husband and father.

One cannot understand why this happy home was made desolate, but

we must believe: "God doeth all things well," and some day we shall understand.

Funeral services were conducted from the Fox Baptist church, Sunday, August 6th, at 10:30 A. M. by the pastor, Rev. A. F. Miller, assisted by Rev. W. A. Hash, both of whom paid beautiful tributes to the memory of the deceased.

Interment was in the church cemetery.

Pall bearers were: Charlie Hash, R. S. Kirk, Sherman Anderson, Garnet Hash, Paul Phipps, Charles Stanford, Z. M. Halsey and Walter Halsey.

Flower bearers were grand-daughters and nieces of the deceased, as follows: Misses Mattie and Lois Phipps, Wilma and Ruth Hash, Hazel, Ethel and Joanna Anderson, Mary Lee Hoffman, Loretta Hutton, Mrs. Donna Ward and Mrs. C. E. Keesling.

Mr. John P. Kelly

Mr. John P. Kelly 85, died at his home near Attaway, Tuesday night August the 9th at 9:45 o'clock after an illness of several months. He was the son of the late Judge and Mrs. John A. Kelly of Marion. Mr. Kelly, a native of Tazewell county, was married twice. His first wife who preceded him in death was Miss Mary Ellen Groseclose, of Groseclose. His widow, who was Miss Lura Woodyard of White Gate, Va., survives together with the following children, Mrs. J. P. Killinger and Miss Willie Kelly, of Marion; Mrs. James McGavock of Thaxton, N. C.; Josephine Baker of Burlington, N. C.; Mrs. F. R. Payne, of Newport; Mrs. John Echols of Ironto; Mrs. Ellis Hill of Fries; and Mr. Charlie Kelly, Albert Kelly and Mr. James Kelly of Bristol, Mr. George Kelly of Erie, Pa.; and Gradydon Kelly of Chicago. Two sisters, also survive, Mrs. R. M. Copenhaver of Marion and Mrs. Ellen Gilmer of Lebanon and one brother, Mr. James Kelly of Iowa.

Funeral services were held Friday afternoon August 11th at 2:00 o'clock at the Attaway Lutheran church. The services were conducted by the Rev. Kenneth G. Killinger assisted by Rev. Hugh J. Rhyne.

Interment was in Round Hill cemetery.

Mr. John A. Currin, Mrs. Fannie Currin, Mr. John F. Hutton, Mr. and Mrs. S. C. Hutton, Miss Loretta Hutton, Mr. and Mrs. Scott Meek and Mr. and Mrs. C. E. Keesling attended the funeral of Mr. W. J. Phipps at Fox, Sunday, August 6th.

Mrs. Polly Phipps

Mrs. Polly Phipps was born July 8, 1837, and departed this life July 28, 1933, age 96 years, 20 days. She was married to Jackson Phipps, and to this union eight children were born, six surviving as follows: W. J. Phipps, Fox, Va., Mrs. F. J. Hamm, Rising Sun, Maryland; Mrs. Troy Phipps and Mrs. Joseph Phipps of Independence; Jonce Phipps of Mountain View, Oklahoma and Steven Phipps of Mouth of Wilson, Va.

She remembered her Creator in the days of her girlhood, made a profession of religion, and joined the Primitive Baptist church seventy-eight years ago.

During this long life, almost five score years, Mrs. Phipps labored, she rested and waited, and in an expectant moment, the heavens opened and her soul took its flight.

In the later years of her life she was sorely afflicted and a semi-invalid, but no one heard her complain. The tender devoted and sympathetic care, which Mrs. Etta Phipps gave her made it possible for her to pass down through the declining years in comfort and ease.

Mrs. Phipps served well and long and as a fitting tribute she is entitled to have inscribed upon the stone that marks her last resting place, "Well done good and faithful servant." She had no fear of life, and could have had no fear of death.

"It is sweet to go when the Master calls, If your work is all well done, It is sweet to rest when the day is past, If that rest has been fairly won."

"It is sweet to stand on the river's brink, So close to the other side, That you see the loved who are coming, Down to cross with you, the tide."

Funeral services were conducted from the Primitive Baptist church at Fox on Sunday July 20th, at 10 a. m. by Rev. Spencer of Grassy Creek, N. C., and Rev. W. A. Hash, of Kindrick.

Burial was in the church cemetery.

Mr. and Mrs. Tyler Frazier had as guests last week: Capt. and Mrs. John B. Maxwell, Charlottesville; and Mrs. D. D. Staley and Dr. Staley, Marion; Miss Caroline Gwyn, New Orleans; Mr. and Mrs. Jack Warner and son, Dr. H. B. Frazier and daughter, Miss Virginia Frazier of Bluefield; Mrs. J. A. Coleman, Norfolk; Floyd and W. B. Farrar of Dalton, Georgia.

Mrs. Edgar Greever of Tazewell with a party of friends were recent guests of Mr. and Mrs. A. C. Beatie.

Mrs. Mary Lee Jeffrey and Mrs. Paul Hunter of Roanoke and Mrs. Lewis Ingles of Radford are guests of Mr. and Mrs. James D. Tate.

Mrs. James Tate was chairman of the committee in charge of Mrs. Roosevelt's entertainment during her visit to the White Top Music Festival.

Mrs. William Dyer of California, is the guest of Mr. and Mrs. B. B. Huff. Miss Margaret Williams entertained Tuesday afternoon with a luncheon for Mrs. Huff and her guest.

Mr. and Mrs. John Liles and daughter, Sara Agnes, of Hendersonville, N. C., were guests of Dr. and Mrs. G. D. Pettit the past week-end.

Miss Marion Singeltary of Washington, D. C., is the guest of Miss Alize Cole.

Mrs. Patty Darby of Atlanta, Ga., is the guest of Miss Ada Sanders and other relatives here.

Miss Eunice Wilcox of Roanoke is the guest of Mrs. G. C. Bundy.

Misses Dixie Pollard of Norfolk and Billy Maxwell of Tazewell are guests of Miss Mary Taylor Frazier.

Mrs. Gibson Vance and daughter, Patricia Anne, of Brookhaven, Miss., are guests of Miss Mabel Smith.

Miss Betty Campbell of Alderson, W. Va., spent several days with Miss Frances Eller. Miss Eller was hostess at a contract bridge party Thursday afternoon complimenting Miss Campbell.

Dr. and Mrs. Deane Cole of Richmond and Mr. and Mrs. Fred Cole of Pulaski were guest of Mrs. Henry Cole and Mr. Levi Cole during the Festival.

Mrs. Frank Lowry of Kingsport and Mr. and Mrs. Will Wren of Bristol were guests last week-end of Mr. and Mrs. W. T. Smith.

Mrs. Frank Allen of Roanoke is the guest of her parents, Mr. and Mrs. Fount Greever.

RESOLUTIONS

In as much as the Young Peoples' Institute for the Broadford Charge, held at the Rich Valley High School July 31, August 3rd, 1933, has been a great success in attendance, interest, and quality of work accomplished, as well as the number of credits awarded; and furthermore, that there are those who have indebted the young people to them by faithful and efficient service; and also that there is already expressed a demand for the Young Peoples' Institute to become an annual feature of the communities cooperating.

Be It Resolved, First, That we express heartfelt gratitude to our pastor and his good wife, Rev. and Mrs. F. B. Jackson, for their untiring zeal in proposing, planning, and largely carrying out the Institute;

Second, That we thank our visitors from Glade Spring, Rev. and Mrs. M. S. Kincheloe and four Leaguers for their help in class and in the recreation and inspiration period and that we cordially invite them to return;

Third, That we convey to the Smyth County School Board, through Mr. Archie Buchanan, our appreciation for the use of the High School building and equipment, which have added so much to the success of the Institute;

Fourth, That to each chapter cooperating the gratifying results of the School be brought as an incentive to continue this fine work;

Fifth, That we think those who have assisted with the problem of transportation, and also those who have walked long distances in order to be in attendance.

Sixth, That we pledge ourselves to cooperate in providing other such opportunities for play, knowledge, and inspiration, in making this Riverside Institute an annual affair; and

Seventh, That a copy of these resolutions be forwarded to our Christian Advocate, to the Smyth County papers, for publication; and incorporated in a report to our Mason-Warren Union.

GUY CLEAR, Charge Lay Leader Broadford Charge, Abingdon District.

Henrietta Bennett.

Mr. and Mrs. J. F. McIlree of Washington, D. C., are guests of relatives in Chilhowie and Marion.

Sam Bonham and M. L. Pierce with their families were camping last week on White Top mountain.

Miss Pansy Lee Ratcliffe is spending some time in Roanoke, the guest of her aunt, Mrs. E. C. Ratcliffe.

Miss Lucille Christian is the guest of Mr. and Mrs. Verdon Wyatt in Philadelphia.

The two week's revival at Grosset Point Baptist Church closed last week.

Folk hymns: first, W. E. Adderman and son; second, Cruise family.

A special prize was awarded to the old harp singer of Nashville, Tenn.

John Powell presented a special prize to Abner Keese, of Altavista, in appreciation of his singing of ballad tunes.

Richard Crane, of Westover, president of the Virginia Choral Society, spoke briefly at the conclusion of the program expressing pleasure that it was possible for him to attend.

A large number of distinguished guests reached Marion Thursday in time to attend the concert of John Powell at Lincoln Theatre, Friday evening.

Among those who remained for the White Top program are Mr. and Mrs. John Powell, Mrs. E. J. Ottaway, Michigan, former president of the National Federation of Music Clubs and music chairman of the national council of women.

Mrs. J. A. Jardine, president of the National Federation of Music Clubs; Phyllis F. Hoyt, composer, Chicago; Mr. and Mrs. DuBose Heywood; R. W. Gordon, archivist, library of congress; Jean Thomas, Ky., founder of American Folk Song Society; Miss May Gadd, president, English Folk Dance Society of America; Harold Dyer, dean of music University of North Carolina; Erich Rath, dean of music, Hollins college; Miss Alfreda Peel, folk collector, Salem.

Dr. and Mrs. Lloyd Newcomb, University, Va.; Dr. George Pullen Jackson, author, Vanderbilt university, and his old harp singers; Miss Bruce Crane, Westover; Paul Green, dramatist; Phillip Russel, writer; Sarah Gertrude Knott, St. Louis, Mo., director, national folk festival; Mrs. Albert Morrill, Cincinnati and Albemarle county, Va., and others.

White Top visitors danced in the pavilion after the close of the program Friday until 4 o'clock Saturday morning. Many slept in the pavilion after the dance. Dancing held sway until midnight Saturday.

Six national folk organizations and representatives of seven universities conferring on White Top Saturday night agreed to encourage festivals throughout the United States similar to the one which closed at White Top Saturday.

They praised the folk festival as important in the preservation and restoration of American music appreciation and said it was the most outstanding event of its kind ever held in the United States.

Representatives of a St. Louis folk art group sponsoring a national folk festival in St. Louis in February recruited mountain musicians to go to St. Louis and represent Virginia there.

Mrs. J. B. Francis and her son and daughter were in Roanoke, Thursday for the big circus there.

The Map Is Blank

What road do you take to White Top and Mount Rogers, which is sitting on top of Virginia?

If you pick up a map of the state you do not find a road that leads to this beautiful spot where so many distinguished people have visited in the past week. I have had a number of inquiries as to how to get to White Top. There is a road shown on the map from Chilhowie to No. 12, but from there where do you go? There is no road shown on the map at all. From Chilhowie South to White Top should be shown on the map.

To have this done we will have to get this road put into the state system and then we will have a road shown on the map for the tourists and traveling people to be guided by.

Chilhowie should be interested in this as I feel they will and all of the people of Southwest Virginia are interested. Why not get this road a Federal road? Now is the time to ask for enough funds from the Federal Government to make a state and federal road to White Top and Mount Rogers and sit on the top of Virginia.

We are proud of this spot and congratulate those who took part in making the Folk Festival such a wonderful success.

Why not suggest the name of the Father of the First Lady of the Land, Elliot Roosevelt as a name for the road. Would it not be appropriate and would we not be proud to have a state and federal road in

Husband Pleased After Wife Lost BULKY FAT

REDUCED 21 POUNDS—SKIN CLEARER AND FEELS MUCH BETTER

"I've lost exactly 21 lbs. with 3 jars of Kruschen and am so happy to get rid of that bulky fat. My husband is very pleased with me. My skin is clearer and I feel so much better since I'm not so heavy on my feet. Friends say I look much better." Mrs. Norma Spickler, Maugensville, Md.

To get rid of double chins, bulging hips, ugly rolls of fat on waist and upper arms SAFELY and without discomfort—at the same time build up glorious health and acquire a clear skin, bright eyes, energy and vivaciousness—look younger and feel it—take a half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast.

One jar lasts 4 weeks and costs but a trifle at City Drug Store or any drugstore the world over. Make sure you get Kruschen because it's SAFE. Money back if not satisfied. —Adv.

our section named Roosevelt.

Let us have an association. Chilhowie will entertain us and we could meet at Chilhowie and all the citizens of Smyth County can join in forming a road association and name it and put it over, a state and federal road which will show on the maps and the people from other sections of the United States can enjoy with us this beautiful spot.

When will we have our meeting and when will we have our road will depend on the citizens of this section.

We are with Chilhowie in putting this road over.

Five Big Projects And Marion Will Be A Modern Town

If the citizens of Marion will act, five big projects will make Marion one of the foremost towns of Southwest Virginia. A High School building, electric power plant, sewage system, reservoir and municipal building, each one of these projects will be self-sustaining and the money can be secured on the basis of 30 per cent straight out gift and 70 per cent to be returned within

twenty-five years at 4 1-2 per cent interest. A modern town encourages people to come to live in it.

This must come from the citizens. The town council will accept a recommendation from the citizens of this project and if a citizen's meeting was called in conjunction with the town council, we could consider these projects and a committee would be put in charge to secure the funds from the Federal Government at this time, to make Marion a modern town.

We are now paying a large sum of money for electric current that would carry a power plant and would leave all of the money now being paid out for current in Marion. It is said of a town in Virginia where they have their own power plant that they are now carrying their obligation and putting \$15,000 in the treasury each year. This means we will have the surplus money that is created by the power plant left to assist us in other projects and still beautify the town.

The sewage project could be worked out in connection with the state Hospital and would make a healthy town.

By putting in a reservoir we would have sufficient water at all times for everybody.

The high school building would

mean better citizens for the town of Marion and would put us in a modern school building.

The municipal building would give us housing for our Fire Department, a Jail, modern rooms for the Council and Mayor and Secretary and Treasurer. We are now paying out \$50.00 per month for rent and this would easily carry the interest and sinking fund to do these projects.

If the citizens of Marion would get together and have a meeting and discuss these matters we could make our town a modern one.

I understand that engineers are working on a survey that we could use in presenting this project to the committee that have been appointed by the Governor for this Public works program. We are entirely within our rights now, and if we act promptly as a unit all of the improvements can be secured and only 70 cents on a dollar returned which we can bond for.

We do not have to have an election to do this. The Council will act for the citizens. The citizens will have to instruct the council how they wish them to act and I feel that the entire matter will be carried out and the money secured and Marion will be a modern town. Lets have a meeting Saturday

night, August 19th at eight o'clock, in the court house auditorium.

An Impression On White Top

The Parsees say that mountains are the heads of long pines that bind the world together. Geologists assure us that they are merely wrinkles on the face of Mother Earth.

Standing on the summit of famous old White Top Mountain last Saturday it seemed to me that nature wore a freshness and a glory that can never fade.

As the sun and breezes scattered the vast diaphanous clouds of spray and fog into thousands of fantastic wreaths it resembled a transparent veil of silver lace woven into all the colors of the rainbow fluttering from the tops of the fir-clad lashhorn and balsam. As I gazed out over those illumined mountain peaks into the far distance rising out of the sea of clouds with the mist half veiling the mountains from my sight it seemed at length however noiselessly but stealthily; a hidden hand drew back the clouds of mist fading away and the giant forms molded themselves into a sea of sunshine and shadows, the whole seemed covered with a luxuriant vegetation like an emerald carpet. My mind went back two decades ago when others of by gone days climbed those trails with me, of whom my friend and author wrote:

Mount Balsam
 I stand upon heights beneath the torn blue wide sunlit spaces of a sky cloud torn.

Below, far ranges on my vision drawn, transfused in soft and amethystine

The association with a lineage of people who led the great out-doors and saw God in the vast universe, who could see good in every one; who was a friend to the poor as well as the rich; who never hesitated to befriend those who needed friends; who sympathized with those in distress; who saw visions of vast possibilities not only in humanity, but in developments of one of the most picturesque spots of Virginia with the blood of ancestors, who have talked with crowds and kept their virtue, who have walked with kings nor lost the common touch the "First Lady of the Land" visited the scenes where forty years ago others of her name were known and loved.

In her presence I found the utmost ease a human personality at its admirable best, a product of life, long training and of an inherited tradition made up of certain fine grained reactions towards life and particularly towards other people's point of view and to what will legitimately please and gratify and satisfy other people.

I think one of the things that made the strongest impression on the mind of the vast throng that surged around her for the few hours she spent with us on Saturday was an element of good humor, of amiability, of being at ease in contact with people, a simple natural and gracious gesture of being herself unchanged by circumstances.

Mrs. Roosevelt's attitude was just as considerate and gracious to the lady who came up unannounced and in a timid manner said: "Mrs. Roosevelt I am just a poor woman living up here in the mountains, but I want to have the honor of shaking the hand of the wife of the best president this United States has ever had," as she was to the one-time Ambassador to Czechoslovakia who acted as her escort throughout the day.

As I sat by her side during the cheerful luncheon hour we talked of many personal affairs, a note of pathy was felt in her voice and session as we spoke of the memory of "Yesterday." She expressed appreciation and admiration of the hand-painted views of places of interest to her father, and the sentiment attached to them.

She expressed her regrets in not being able to accept all the kind invitations which had been extended to her on this trip, and said that it would have been impossible to visit them all, so in order not to hurt any one's feelings she thought it

best not to accept any. She has promised to come back sometime, and ride horse-back over the trail and "Climb the dappled pathway toward the misty mountain height, Balance on your saddle, right to left, and left to right—

For the branches stoop and press you as a lover would caress you, Begging only you confess you greet their ardor with delight.

August Crop Report

Crop conditions improved rapidly following general rains the latter part of July, and on August 1 prospects were much better than a month earlier, according to the Federal-State Crop Reporting Service. Corn, tobacco, peanuts, cotton and late hay crops made rapid growth after the rains and these crops now promise good yields.

The wheat yield turned out a little better than was expected, and the reported average yield this year of 13.5 bushels compared with the low yield of 10.8 bushels last year and the ten-year average yield of 13.8 bushels. The total production is estimated to be 7,425,000 bushels, which is about 19 per cent greater than last year's crop. The United States production of winter wheat is estimated to be 340,355,000 bushels as compared with last year's production of 461,679,000 bushels and the five-year average (1926-30) of 589,733,000 bushels. Production of all wheat is forecast at 499,671,000 bushels, an increase of about 1 per cent over last month's forecast, and compares with 726,283,000 bushels

Early corn in the southern and southwestern districts was injured by dry weather, but generally corn has made wonderful improvement since the rain, and the yield will probably be above average. The August 1 condition of 77 per cent of normal indicates a production of 34,385,000 bushels compared with 26,388,000 bushels last year and 32,873,000 bushels the average for the five years 1926-30. Corn production for the United States is forecast at 2,273,019,000 bushels, a decline of 111 million bushels from July 1 forecast and compares with 2,875,570,000 bushels last year and the five-year average of 2,511,991,000 bushels.

Late hay crops improved the latter part of July and on August 1 the condition of alfalfa, soybeans, cowpeas, millet, etc., indicated above average yields. Early hay crops were better than expected so the total supply of hay will be greater than last year. The production is estimated to be 858,000 tons compared with 772,000 tons last year. For the United States the production of all tame hay is forecast at 64,910,000 tons, which is the smallest crop in 20 years with the exception of one drought year, 1930.

Tobacco prospects improved during the latter part of July and the condition of all types except burley was better on August 1 than last month. The total production is forecast at 77,510,000 pounds compared with 53,084,000 pounds harvested last year. The approximate production of the various types, based upon the August 1 condition, compared with last year, is as follows: Flue-cured, 48,200,000 and 31,772,000 pounds last year; Fire-cured, 20,450,000 and 13,280,000; Burley, 12,250,000 and 6,840,000; and Sun-cured, 1,610,000 this year against 1,192,000 last year. The total flue-cured production for the United States is forecast at 622,829,000 pounds against 373,631,000 pounds last year. The total production for fire-cured is forecast at 131,272,000 pounds compared with 126,167,000 in 1932.

The condition of pastures was very poor during July until the last week when general rains caused rapid improvement. The August 1 condition was 73 per cent of normal compared with 76 per cent in July and 74 per cent, the ten year average for August.

The peanut crop made little growth until the last week of July because of dry weather, but growers were able to cultivate thoroughly, so the fields are free of grass. The condi-

tion improved rapidly after the rain, and on August 1 was reported to be 82 per cent of normal compared with 79 per cent last year and 78 per cent the ten year average August condition. No estimate of production will be made until the acreage that will be harvested can be determined.

The yield of early commercial potatoes was greatly reduced by the hot, dry weather in June and shipments were less than had been expected. Prices improved considerably and averaged more than twice

as much as last year. The condition of late potatoes improved during the latter part of July. The total production of both early and late potatoes is forecast at 8,742,000 bushels, compared with 9,682,000 bushels last year. Potato crop prospects for the United States dropped about 14,000,000 bushels during July due to the intense heat and lack of rainfall in many northern states. The production is now forecast at 292,668,000 bushels which compares with 357,679,000 bushels produced last year.

The condition of sweet potatoes on August 1 was 72 per cent of normal and indicated a production of 4,255,000 bushels compared with 3,610,000 bushels last year and 4,602,000 bushels the five-year average. The United States crop is now forecast at 67,083,000 bushels compared with 78,484,000 bushels last year and the five-year average of 62,483,000 bushels.

The Virginia cotton crop, based upon the August 1 condition and on indicated area for harvest of 67,000 acres, is forecast at 45,000 bales. The indicated area for harvest is the

estimated area in cultivation July 1, less the probable removal of 10,000 acres reported by the Agricultural Adjustment Administration. The total crop for the United States is forecast at 12,314,000 bales, compared with 13,002,000 bales last year. The condition of other crops on August 1, compared with last year is as follows: Buckwheat, 69 per cent and 69 per cent; soybeans, 76 and 72; alfalfa, 70 and 65; apples, 48 and 33; peaches, 53 and 19; pears, 43 and 15; and grapes, 76 and 70.

THRIFTY CAR OWNERS WROTE this CODE

THE MASTERPIECE OF TIRE CONSTRUCTION

THE New Firestone SEALTYTE Leakproof TUBE

Regular tubes are porous and gradually lose air. Firestone Seal-tyte Tubing is a process which makes them "Leakproof." The rubber is "sealed" against air loss — the rubber valve stem is vulcanized into the tube. Constant inflation of tires is no longer necessary — mileage is increased.

Firestone SPARK PLUGS

Old worn Spark Plugs waste gasoline and cause power loss—Firestone engineers have developed new processes of manufacture and construction advantages that assure greater power and more dependable service. FREE Spark Plug Test

Firestone BRAKE LINING

Smooth, worn brakes are a great risk. Firestone engineers have developed a new brake lining in the Firestone Brake Lining Factory that is moisture-proof — gives smoother braking action and wears longer. Free Brake Test.

Firestone BATTERIES

"Half-dead" batteries are troublesome. Batteries built in Firestone Battery Factories have EXTRA Power—are more dependable—and last longer—Why? Because of new Firestone construction features. FREE Battery Test.

The Thrifty Code for Tire Buyers

I hereby promise to trade in my thin, worn, dangerous tires today and equip my car, before prices advance again, with the Safest and Most Dependable Tires I can find.

They must have:
 Every fiber in every High Stretch cord in every ply saturated and coated with pure liquid rubber to give me Extra Blowout Protection.

They must have:
 Two Extra Gum-Dipped Cord Plies Under the Tread for Greater Strength and Blowout Protection.

They must have:
 Scientifically designed non-skid tread to give me EXTRA SAFETY.

Mr. Car Owner

MAKE the Thrifty Code—your Code. Raw materials, commodities and wages are up—and going higher. When you know tire prices are going higher—it's smart to Buy Now and Save.

REMEMBER—Firestone Gum-Dipped Tires hold all world records on road and track for Safety, Speed, Mileage and Endurance.

Drive in today—we will save you money and serve you better.

THE NEW Firestone SUPER OLDFIELD TYPE

Built to equal all first line standard brand tires in quality, construction and appearance, but lower in price—another Firestone achievement in saving money for car owners.

Saltville Sports Column

Tazewell Wins Posponed Game From Damascus
On Wednesday after noon of last week, Damascus and Tazewell of the bluegrass League met and played a game that was put off from July 29th on account of rain. Tazewell took the big end of this game by the score of 10 to 3. This win put Tazewell in the lead for a minute, but lets see what the regular August 12th games tell of the standings. Look at the head of this page.

Bluefield and Saltville Split On Even Terms on a Pair of Exhibition Games

On Wednesday afternoon Bluefield played host to the Saltville Blue Grass League team and defeated them in a one sided game by the score of 14 to 6. Saltville had to resort to every available mound man to finish the game. Then, on Thursday Bluefield came to Saltville for a return game which terminated with Saltville the winner by the score of 6 to 4. This was a good game to look at. The Bluefield set started out with a bang to get 2 in the first and 1 in the second and then Saltville stepped on it in the third for 3 runs. By the great aid of one "Lefty Jones" of Mountain City, Saltville held the sluggers from over the border to six hits. Lefty is one good pitcher. He had everything and control.

The following score by innings tells it:

	R	H	E
Bluefield	210	001	000
Saltville	003	030	00*

Batteries, Bluefield—Bowman to Reading. Saltville, Jones to DeBusk. Umpires: Holm and Sam Hurt.

Richlands Defeats Saltville In Exhibition Game

Although we are unable to get full particulars of the game, it is one of the Saltville tribe that was not to their liking. This in an exhibition game played last week in Richlands. Just why the quiet attitude we cannot tell but we are free to think that it was a bum stunt.

Notes of Late Games

Speaking of umpires in general and one who participates in some of our local games, we wish to hand it to one Mr. Holm of Plasterco. He knows the game, to start with. He has good eyes, good sense and accepts no suggestions from disgruntled players. This was shown in the Bluefield-Saltville game here on Thursday last when the visiting pitcher, manager and field captain tried to tell him things. They quieted down when told to and that was that. We wish we had more ump's like Mr. Holm.

Our sports column did not appear in last weeks Democrat, but being ignorant of reasons for absence have nothing to say.

Damascus at North Holston.

Games of The Past Week

Saltville Aug. 12th.
Damascus defaulted to Saltville Saturday afternoon and lost their game by a score of 9 to 0. Up to the hour of play, the Saltville team and a good sized crowd of fans awaited the arrival of the Damascus outfit. Then Pete Sullins telephoned Damascus, only to learn that they could not scrape up a team, on account of most of their men had gone to White Top to see the great even there. This, in itself was commendable, but to disappoint a team on the schedule without any kind of notice was anything but sportsman like. The best Saltville could do was to accept the 9 to 0 score and a promise of an exhibition game on

Thursday the 17th of August at Saltville. This, if played will give Saltville the gate receipts, without which we cannot run a ball game.

Lebanon, Saturday, Aug. 12th.
Lebanons ball team defeated North Holston here this afternoon by the score of 5 to 2. The game was close until the fifth inning when a combination of hits by Lebanon produced two runs. Harding was at his best and deserved his win.
Batteries—Lebanon, Harding to Puckett. N. Holston, Crenshaw to DeBusk.

Tazewell August 12th.

Brailey struck out 13 men and shut out Meadowview in the Bluegrass League game here today. Helton for Meadowview allowed only 7 hits, but his team was charged with two errors which counted much towards their defeat.

Notes Of The Games

Would it be asking too much of the management of each team of the league to report to the Bristol Courier Herald, their score by innings. Batteries and some particular feature of the game. This to be phoned in, in a reverse message every Saturday night (early) by the manager of the home team. This is of much interest to the base ball lovers all over our section of the country and Walter Crockett of the Herald is only too glad to publish for our information all the news we send in.

North Holston plays Damascus at the Saltville park next Saturday. Come, turn out and see a good game. The boys from up the creek say they are going to down Damascus. Damascus is occupying a new position, in the cellar, in company with Damascus and Meadowview. Lets see who crawls out next Saturday.

It Takes More Than Salts, Calomel, Mineral Waters, Oils, or Laxative Pills to Arouse a Sluggish Liver

Don't be misled any longer. There are only two generally recognized substances which actually stimulate a sluggish liver to increase its production of bile. Sargon Soft Mass Pills contain both of them. Take Sargon Soft Mass Pills and watch constipation, gas, sour stomach, headaches, nervousness and dizzy spells vanish.

MARION TAKES DOUBLE HEAD-ER FROM MT. AIRY

(Continued from page 1)

Atchley with a triple, double and two singles; Flick with a double and three singles and Wright with four singles led the Marion batting attack for the afternoon.

Harkrader and Query each gave up 8 hits in the second game and Harkrader struck out 5 and Query 1.

On next Tuesday Marion goes to Bluefield, on Wednesday the league leading Galax team comes here, on Friday Bluefield is here and on Saturday Marion goes to Galax.

SPLITTING EVEN

day Aug. 11, to Galax here 6-5 and winning handily 7-5 at Fries Saturday, Aug 12, climbed to within a half game of first place in the Blue Ridge League.

Marion engages Wytheville in two crucial games this week, Wytheville playing here Tuesday, the 15th, and Marion visiting Wytheville on Friday the 18th. On Wednesday Mt. Airy plays here in a double header beginning at 2 p. m. and on Saturday the locals go to Mt. Airy.

Friday's game saw Lefty Sauerbrum off to a rough start. He retired in the second after Galax had collected five tallies. At this point Spud Query took up the task and went 7-2-3 innings allowing only four hits and one run, the run being much unearned.

Archer was pitching beautiful ball for Galax until the fifth. In this inning Hutton led off with a single and was forced at second by Query's grounder. Stone singled, sending Query to third. Flick struck out, Stone stealing second on the play.

Bailey doubled, scoring Query and Stone. Miller singled to score Bailey. Wingfield drove a long one to left center which Bill Berry captured after a long gallop. In the sixth, Atchley, in for Williams, who was taken ill, singled. Wright flied to short. Hutton singled, sending Atchley to second. Query flied out to Berry, who made a wonderful catch of a long high drive. Stone singled, scoring Atchley and sending Hutton to third. Stone stole second. Flick singled to score Hutton. The centerfielder's throw was perfect and Stone was out sliding for the pan.

Lanning replaced Archer and did a nice job of relief pitching, allowing but two hits. Galax scored the winning run in the ninth. Harris was out, Bailey to Hutton. Berry flied out to Stone. Brummitt hit to Bailey, who threw it away, and Brummitt went to second. Hill singled through short, scoring Brummitt. Vanoski went out, Miller to Hutton.

Bailey with two doubles and Stone, Miller and Hutton with two singles each led the Marion hitting in this game.

Saturday Skipper Frank Moffet put a revised line-up on the field at Fries, with Williams on first for Hutton, who has been in a hitting slump, and Atchley catching. In the fourth inning Marion broke loose against Carroll and scored six runs. Wingfield led off with a triple, Williams hit a homer. Wright tripled. Atchley tripled. King flied to short. Stone singled. Flick lined out to center. Bailey tripled and Carroll went to take his Saturday night ablutions. Miller singled off Porter. Wingfield flied to short. The other run came in the seventh when Harry Phipps errored on Millers smack and Miller stole second. He went to third as Wingfield was thrown out at first and scored when Williams bunted down the third base line and the Fries infield did some proud ignoring of the ball.

Fries got a run in the third, one in the fourth and three in the sixth off Carl King. He struck out six, three in the ninth, the last strike out coming with men on third and second.

Lacy Scott

Mr. Lacy Scott 33, died at his home near Mount Carmel Monday evening August 7th, at 6:30 o'clock after a brief illness. Funeral services will be conducted at the home Wednesday afternoon at 2 o'clock by Rev. J. M. Burris of Marion church, assisted by Rev. George Musser of Atkins and the Rev. Mr. Smith of Centenary church.

Mr. Scott is survived by his widow and three small children Evelyn, Beatrice and Helen. His parents, Mr. and Mrs. Stuart Scott, four sisters and four brothers, Mrs. B. H. Morris, of Rural Retreat, Mrs. Walter Daughy, Alma, Ruth, Garland, Guy, Jean and Charlie Scott of Marion.

Social Life Among The Intelligentsia

Marion was host Friday and Saturday to Tom Tanenbaum and Frank Lowry, Paramount News cameramen from the Paramount office in New York City who stopped here to be on hand to "shoot" Mrs. Franklin D. Roosevelt and the festivities on White Top. They brought with them a fully equipped sound truck and left here for Norfolk where they boarded a destroyer on a rush trip to Cuba to cover the recent revolution.

On Friday night Harley Davidson, whose guests the two cameramen were, together with Pat Collins, Doc Bill McCarty, Johnny Wingfield, Frank Lemmon, and Doc Charley Baughman and Charles Lincoln entertained the visitors at the monthly supper of the Walkers Mountain Spaghetti and High Thought Association. The spaghetti was prepared by Chefs Pat Collins and Frank Autheriet and was served at Lake Forest by a bevy of mermaids.

The topic of discussion for the evening was presented by Mr. L. P. (Can't I Be Heard?) Collins and elaborated on by all present. It was not only elaborated on, it was embroidered on and also cross-stitched some. Topics of this club are always kept a deep secret from the press.

"We never heard such high thoughts so nobly expounded," Mr. Tanenbaum and Mr. Lowry exclaimed after the meeting. "New York can offer nothing like it."

HUGE CROWD SEES WEDDING AND FASHION SHOW AT FAIR

(Continued From Page One)

Campbell Cook, Elizabeth Holmes, Mary Sue Carter, Margaret Trimble King, James Thompson, Bill Killinger, Justin Scott, A. B. Graybeal, Clark Goolsby and Charles Jennings. The maids wore deep pastel shades and carried large gladiola bouquets in contrasting colors. The grooms-men wore dinner coats.

The flower girls were Joan Dickey Lincoln and Edith Culbert, dressed in pink, and little Frankie Lemmon, in a white satin Lord Fauntleroy suit, carried the ring on a white satin pillow. Betty Birchfield and Peggy Wilson, two diminutive colonial misses, were the guardians of the gate for both the wedding and the fashion show.

The maid-of-honor was Miss Virginia Boney, who wore blue georgette with a cape of georgette ruffles and carried a muff of flowers, and the best man was June Rosser. The bride entered on the arm of Mayor R. T. Greer and the Mayor, the groom and the best man were each resplendent in full evening dress.

The Rev. Kenneth Killinger, in robe, performed the ceremony. At its conclusion the groom, a little nervous perhaps at being married in the presence of five thousand people, failed to kiss the bride—but the omission was nobly and lustily re- paired by our guest Mayor.

After the wedding party left the stage they received an enthusiastic invitation from Mr. Cetlin, one of the proprietors of the shows on the midway, to be guests of his organization for the evening and the invitation was heartily accepted by the younger members.

Then came the fashion show, and we venture to say to that few and far between are the shows anywhere that can surpass it. Collins Brothers and the Weiler Department Store Company, Inc., both did themselves proud, so too did the models and so too did young Alice Claudia Culbert, who patrolled the stage as page.

The quality, style and variety of the garments shown was exceptional, and the grace, beauty and flair of the models was splendid.

The fashion show lasted for more than an hour and its variety and brilliance held the crowd right there to applaud the creations shown. The Collins garments were shown first and Mr. George Collins took his bow; then came the Weiler garments and Mrs. Walter Stern took her bow. Tonight, Thursday night, comes the Bathing Beauty Contest, in which 17 girls from Smyth and neighboring counties will compete, and Friday night comes the American Legion Sham battle with fireworks.

A good deal of credit for the smooth presentation of the program on Wednesday night should go to Mrs. Willard Horne of Marion who is managing the entertainment features this year.

Models in the fashion show were: Collins Brothers: Mrs. Frank Copenhaver, Miss Maggie Blackwell, Miss Virginia Brockman, Miss Ruth Bagwell, Mrs. W. W. Scott, Jr., Miss Sallie Holmes, Miss Betty Boney, Miss Beulah Witt and Miss Carolyn Sheffey of Marion; Miss Francis Tillman of Saltville, Miss Rachel Sanders of Chilhowie, Mrs. Carlton Eller, Culpepper, Miss Lillian Hendricks of Glade Spring and Miss Margaret Humphrey of Rural Retreat.

Weiler's: Miss Helen Miles, Mrs. R. G. Goolsby, Miss Margaret Atkins, Miss Mary Jane Copenhaver, Miss Ann Ellis, Miss Eleanor Buchanan, Mrs. Leon Beville, Miss Evelyn Wassum, Miss Emma Mae Umbarger, Mrs. James M. Thompson, Mrs. Lee Cole, Mrs. George Holland Miles, Miss Martha Sprinkle, Mrs. Edwin Seaver, Miss Virginia Sheffey and Miss Josephine Sheffey of Marion; Miss Vernon Keys of Glade Spring; Miss Grayson Pratt of Chatham Hill, Miss Mary Pette-

Commercial Apple Report

The commercial apple crop is es-
timated to be 2,265,000 barrels, com-
pared with 1,963,000 barrels last year
and 2,720,000 barrels the five-year
average production. The actual pack
will be smaller than last year because
the poor quality of the fruit in
many orchards will necessitate a
much larger percentage than usual
being sold in bulk. Injury from aphid
and scab is probably the greatest
on record, and will result in a very
small percentage of the apples mak-
ing No. 1 grade. In a few sections
and in some well cared for orchards
in every district the quality is fair-
ly good, while in most farm or-
chards and in many commercial or-
chards where spraying was not thor-
ough, so much of the fruit has been
damaged that only 10 to 20 per cent
will be suitable for sale in com-
mercial channels.

Recent rains have caused much
improvement in size and with con-
tinued favorable weather apples will
be larger than usual except where
aphid and cedar rust has been severe.

The North Valley district has a
lighter set than last year, and as
the quality is generally not as good,
total production is estimated to be
only about 70 per cent of last year.
In the South Valley district there
are more apples than last year, but
heavy damage from aphid, scab and
cedar rust will reduce the crop to
about 95 per cent of last year. The
North Piedmont district has some
good crops in Fauquier and Rappa-
hannock where the apples are attain-
ing good size, but this district as
a whole will harvest about 80 per
cent of last year. The Piedmont dis-
trict, especially Albemarle county, has
a much better crop than last year.
Pippins set well, and while Wine-
saps are scattering, the fruit will
be large. As the quality is good,
the crop will pack out better than in
other districts. The Roanoke dis-
trict as a whole will have about 175
per cent of last year, although some
sections are light. Quality is also
above the State average. Patrick
will have about 130 per cent of last
year. Throughout the Southwestern
district production will be much
heavier than last year when the
crop was short.

The commercial crop for the United
States based upon August 1 con-
dition is forecast at 28,371,000 bar-
rels as compared with 28,645,000 bar-
rels last year and 32,605,000 bar-
rels, the five-year average (1926-
30).
