### Found Dead on Railroad Track.

Gate City, Va., July 31.—George W. Wolfe, a prosperous merchant, farmer and real estate dealer of Speer's Ferry, was found dead by the side of the Virginia and Southwestern railroad, near Clinchport, last week. There are several theories as to how he came to his death. Some think he was struck by a train; some that he was murdered and placed by the track, while others think he may have been stricken with apoplexy. Mr. Wolfe was about forty-eight years of age and leaves a large family. He was the father-in-law and mercantile partner of Ingle Jennings who committed suicide three months ago.

The following dispatch is sent out from Bristol: At eleven o'clock on the morning of August 11th there will be held a meeting for the purpose of organizing what shall be known as the Bristol-to-Washington Highway Association. ### Rural Retreat Incorporated

A case of much interest to the citizens of Rural Retreat was heard one day last week before Judge T. L. Masie on the question of incorporating the town of Rural Retreat. There were two factions, one in favor of incorporating and the other opposed to the measure.

Mr. A. A. Campbell represented those in favor of incorporation and Mr. W. B. Kegley represented the anti incorporators. The case was in court last year and those in favor of incorporation lost. Under the law the order of the court incorporates the town and an election will have to be held to elect officers.

At Lebanon last Friday Judge Burns handed down a lengthy written opinion in the poll tax case, which has been pending there for the last two weeks, holding that the applicants, to the number of about seven hundred and fifty should be placed on the voting lists.

Instead of reducing the cost of living, the Democrats have reduced the earning capacity of the working people of the country by halting business. Instead of lowering the cost of the necessities of life, they have enforced upon the working people of the country a condition that makes it impossible for thousands of them to purchase those necessities at any price.—Trenton Gazette.

Passed Forged Check.

A man purporting to be E. L. Jones, of Atkins, came to Marion Tuesday and went to the store of Mr. C. C. Whitworth where he purchased some shoes and tendered in payment a check for \$27.30 signed by I. T. Mercer. On inquiry at the bank it was learned that I. T. Mercer's check was good so Mr. Whitworth gave him the shoes \$14.00 in change and his check for \$7.80, which the party promptly took to the store of J. M. Brisco and had cashed. On investigation it was found that the signature of I. T. Mercer was a forgery. A warrant was issued for E. L. Jones and placed in the hands of Sheriff Rouse who promptly went to Atkins and arrested E. L. Jones, brought him to Marion and lodged in jail. When Jones was faced with his accusers they promptly declared he was not the man wanted. Another arrest was made but he also proved not to be the proper person. Death of Aged Colored Citizen.

John M. Davis, aged seventy-two years, died at his home in Knoxville on July 26, 1911. The deceased was a native of this county, where he resided until about twenty-five or thirty years ago. He was reared by the Davis family in the east end of the county, and later belonged to Edward Scott, sheriff of the county. He was an intelligent and most respected citizen, and was held in esteem by both white and colored. He was a member of the Methodist church and a Mason. His remains were brought here last Friday and were taken to the Colored Methodist church where a funeral service was conducted by Rev. J. B. Greiner, after which his remains were laid to rest in Round Hill cemetery.

Death of R. R. Cassell.

Mr. Rufus R. Cassell died at his home on the South Fork in this county last Sunday. The deceased had been in delicate health and practically an invalid for many years. He had, however, improved in health during his later years until a few days ago he suffered a severe stroke of paralysis from which he never recovered. He was seventy years old and a most highly esteemed citizen. He was a devout christian, having long been a consistent member of the Baptist church. He was a Confederate veteran and his death takes another from the fast thinning ranks of the survivors who wore the gray. He leaves no family except a widow who is now quite ill and not expected to live but a short while. His remains were laid to rest on Monday in the old cemetery at River Bend school house in sight of the house where he lived for many years. Peace to his ashes.

\$100 REWARD \$3100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
