## Great Road Convention to Be Held in Bristol Next Week.

Bristol, Va., Sept. 28.—The annual convention of the Southern Appalachian Good Roads Association, to be held in Bristol October 6-9, will be the greatest road convention ever held in the South, to date. Not only will the attendance be the largest, but the program will be the strongest of any meeting ever held by this association.

Hon. E. J. Prescott, chairman of the board of supervisors of Wise county, Va., will be chairman of the Wise delegation at the convention, and he reports that in addition to those who come by railroad Wise county will send ten or more motor car parties to tell about Wise county's million dollar road system.

A. H. Pettigrew, assistant State Highway engineer of Virginia, has just returned to Bristol from Blount county, Bluefield and Russell county, where he has been on road work, and he reports that Bluefield and Mercer county, under the leadership of Chief County Engineer W. I. Lee, of Princeton, will send a delegation of fifty or more; that Blount will be represented by ten or more; that Wazewell will have a large delegation present, and that Russell will send a delegation of sixty or more.

Reports from eastern Virginia, Kentucky, east Tennessee and western North Carolina indicate that large delegations will attend from these sections.

## Tea Club Entertained.

Miss Hallie Fell entertained the afternoon tea club on Thursday from three to six. The guests were met at the door by Misses Sue Hallie and Florence Fell, and ushered into the parlors where the forty-two tables were placed, each table bearing the name. "Fell" outlined in dominoes. After several games the following refreshments were served: Chicken salad, sandwiches, apricot ice and macaroon. Miss Fell was assisted by her mother and sisters, by Mrs. Ben Haller, of Memphis, and Misses Miles and Shaffey. Besides the club members, a number of guests were present, among them being Mrs. Matson, of Brookville, Penn., and Mrs. Mable Craddock, of Texas.

## Cross-Ties for Germany.

According to a member of a large lumber concern of this city, the war in Europe has touched Staunton directly. Questioned by a German firm, the local company company replied that it could possibly supply several million railroad ties for export to Germany. Within the past day or two, an order has been received for 500,000 ties, and the German firm stated that it might take the entire output of the Staunton lumber people. The order is said to have contained the stipulation that the ties were to be delivered on board a boat in American waters, the foreign firm taking the responsibility of the safe conduct across the Atlantic.—Staunton News.

## Killing at Pocahontas.

Pocahontas, Va., Sept. 28.—Angello Santala, an Italian, shot and killed another Italian named Franco Ellet, in an Italian restaurant, after Ellet had stabbed an Italian named Dominic Phone.

It seems that Ellet and Phone were fighting and Ellet was getting the best of the stabbing match, when Santala interfered. He tried to stop the scrap and in doing so Ellet tried to stab Santala, who drew a gun and killed him.

Santala is in jail; no bond. No coroner's inquest has been held yet.

Santala bore a good reputation in Pocahontas, and has been in the employment of Joe Matz for many years.

## Hopeless Lung Trouble Cured

Many recoveries from Lung Troubles are due to Dr. Bell's Pine-Tar-Honey. It strengthens the Lungs, checks the Cough and gives relief at once.—Mr. W. B. Wilkins, Gates, N. C., writes: "I used Dr. Bell's Pine-Tar-Honey in a case given up as hopeless and it effected a complete cure." Get a bottle of Dr. Bell's Pine-Tar-Honey. If your cough is dry and hacking let it trickle down the throat, you will surely get relief. Only 25c. at your Druggist.

## Villa Asks Carranza to Resign.

Chihuahua, September 27.—Immediate resignation of General Venustiano Carranza from the supreme command of the Constitutionalists is General Francisco Villa's only basis of adjustment of the present differences, according to his reply to messages from officials in Mexico City, who protested against Villa's defection from his former chief. General Villa declared he would never accept Carranza as head of the republic.

General Villa's complete reply, as given out here to-day, follows: "I lament the circumstances which have brought about grave danger, but sincerely protest that my sole ambition will be to arrange existing difficulties without shedding blood, if possible. I emphatically state, however, that the only move which can bring about cessation of hostilities on my part is that Venustiano Carranza deliver supreme command to Fernando Iglesias Calderon, so that, in the shortest possible time, elections may be called.

"At the same time, I declare that I shall not accept Carranza as President or Vice-President, or President ad interim, or Constitutionalists of the republic. I shall prove the rectitude of my intentions and the disinterestedness which animates the forces of this division. Later the world will realize where rests true disinterestedness and abortive ambitions."

The American Realty and Auction Company will conduct a sale of lots at Suiter, Blount county, Saturday. Suiter is the terminus of the new railroad recently completed to that point.

According to D. E. Spangler, superintendent of transportation Norfolk & Western Railway, the goal haulage over the N. & W. during the month of September is the largest in the road's history, running between 650,000 and 675,000 tons. In the past two or three days, however, there has been a slight falling off.

Mrs. Nellie Robinson, of Blacksburg, announces the approaching marriage of her daughter, Susie Howe, to Lieut. J. F. Ware, of the fifth regiment, U. S. A. Miss Robinson is a great social favorite in Blacksburg and will be missed by her circle of friends. Lieutenant Ware has just concluded his appointment as commandant of cadets at V. P. I., where he served for the past three years with distinction. He is now located at Plattsburg Barracks, N. Y. The wedding will take place next month.

## Toned Up Whole System.

"Chamberlain's Tablets have done more for me than I ever dared hope for," writes Mrs. Esther Mae Baker, of Spenceport, N. Y. "I used several bottles of these tablets a few months ago. They not only cured me of bilious attacks, sick headaches and that tired-out feeling, but toned up my whole system." For sale by all dealers.

## Married in Overall.

Wedding ceremonies have been made the medium of many strange fancies, but it has been left to a Rishton (England) bridegroom to stand before the altar with his bride in motoring overalls. Both bride and bridegroom reached the parish church by motorcycle, and the 35 guests were conveyed in a similar manner. The couple were Miss Mary Perrier and Mr. Charles Cartwright. The procession of gaily-decorated motorcycles scurrying along the streets with the bride party provided a pleasant spectacle. This motoring marriage is to be carried through thoroughly, for even the honeymoon trip to Scotland will be done in a cycle and side-car.

## Ruskin's Grocery Adventure.

From time to time in the last few years various men and women of prominence have gone into the grocery business to give the poor a chance to buy small quantities at the same rate as those for which their richer brothers buy large quantities. Usually these plans have failed, for some reason or other. This was the case with Ruskin's grocery, for Ruskin himself found it expedient to close it. For, said he, the poor like their groceries "brilliantly lighted and eloquently ticketed," and he would compete neither with "gas nor rhetoric."

## It Always Does the Work.

"I like Chamberlain's Cough Remedy better than any other," writes R. E. Roberts, Homer City, Pa. "I have taken it off and on for years and it has never failed to give the desired results." For sale by all dealers.

## State-Wide Expenses, \$72,500

Richmond, Va., Sept. 26.—The campaign which the State Anti-Saloon League waged for prohibition in Virginia cost \$72,500. All of this money has been paid by voluntary contributions except that there is a balance due of \$24,000. That is the sum and substance of a statement issued by the executive committee of the league. This sum includes all that was paid for getting the lists of voters, the signatures to the petitions, the costs of speakers, the printing and the distribution of campaign literature and every other expense incident to the conduct of the campaign. The league has asked that October 11 be set aside as a day of thanksgiving for the deliverance of the State from the liquor evil appeals to the Sunday schools, the churches and to individuals to make contributions to raise this fund at that time.

Secretary E. L. Brandis, of the State Board of Pharmacy, is issuing notices for a meeting of that board in Richmond on October 20. It will conduct the quarterly examination of applicants for license to practice pharmacy in Virginia.

The Wytheville public school record is the highest enrollment of its history, 560 pupils. The high school department alone furnishes a class of one hundred and thirty-eight. The Marion public school has an enrollment of 533 pupils.

Charles Sisk, the Blue Ridge desperado, who had been on trial at Madison Courthouse charged with the murder of William Dodson about one year ago was found guilty Friday and sentenced to 18 years in the penitentiary. This is the second murder charge that has been brought against Sisk.

Mr. T. F. Topham, of Wytheville, and Miss Ozella Catron, of Rural Retreat, were quietly married in Bristol on Wednesday last week. The groom is the son of Ben Topham, prominent merchant of Wytheville, while the bride is the daughter of Mr. C. C. Catron, a well known merchant of Rural Retreat.

Glenn Felts, the 16-year-old son of L. C. Felts, who was shot on Thursday of the Galax fair, died at a Roanoke hospital last week. Peritonitis developed in a few days and he was taken to Roanoke and operated on but it was to no avail. The shooting, which was accidental, was done by Bryan Phipps, a young boy who formerly lived at Independence.

Postmaster C. N. Otey has been officially notified that the contract for a public building in Wytheville has been awarded to W. H. Fissell & Co., of New York for \$51,273. The building will be two story with basement and strictly up-to-date in every respect. The work is to be completed in fifteen months from the 19th day of Sept. 1914.—Wytheville Enterprise.

The evidence that Abingdon is enjoying a season of good business can herein be noted. On Monday and Tuesday of last week forty-nine cars of merchandise were handled at the N. & W. station here, twenty-nine of these cars were for Abingdon proper, such as flour, wheat, oats, corn, hay and fertilizers. On these two days twenty-two cars were handled for Virginia-Carolina stations and connecting points, ten of this number were steel for the new V. C. extension being built through the White Top region and North Carolina counties.—Abingdon Republican.

## House Passes War Revenue Bill by Big Majority.

Washington, Sept. 29.—The administration revenue bill, imposing additional taxes on beer, domestic wines, gasoline and special taxes on theatres and certain dealers and stamp taxes, all estimated to produce \$105,000,000 within a year, was passed late last Friday by the House 234 to 135.

The bill now goes to the Senate. All the Republicans and the Progressives except representative Copley, of Illinois, voted against the bill. They were joined by the following eleven Democrats:

Representatives Calloway, Texas; Church, California; Hobson, Alabama; O'Hair, Illinois; Ragsdale, South Carolina; Sisson, Stephens and Witherspoon, Mississippi; Stevens, New Hampshire; Thompson, Oklahoma and Wingo, Arkansas.

The bill was under discussion in the House two days. Republican leader Mann assailed the measure as due to the Democratic tariff rather to the war and as a novel proposition to tax the people's pocket books while the government has \$75,000,000 on deposit in National Banks.

Representative Hobson Democrat, declared the temperance forces opposed any tax on beer on the principle that the government should not be dependent in any way on alcohol.

The bill would impose an additional tax of 50 cents a barrel on beer, twenty cents a gallon on gasoline, 20 cents a gallon on sweet wines and 12 cents on dry wines, stamp taxes on railway and steamboat tickets, brokers contracts, insurance policies, mortgages, telegraph and telephone messages, and special taxes on theatres, brokers, bankers, tobacco dealers and others.

Secretary McAdoo wrote Representative Underwood that total treasury receipts for the present fiscal year up to last Wednesday exceeded those for the same period a year ago \$734,904, but that the increase was accounted for by the \$12,000,000 derived from the sale of two battleships to Greece and by the fact that \$5,782,255 of the corporation and income tax for the previous fiscal year was not paid until the first ten days of July, 1914.

The actual increase in ordinary internal revenue collections for this fiscal year to August 31, compared with a year ago was \$2,139,648. There was a decrease of \$588,166, in July, of which \$429,336 was on distilled spirits. In August there was an increase of \$2,727,809 over the corresponding period, the increase in revenue from distilled spirits aggregating \$3,326,602.

"The increased revenue on distilled spirits in August," Secretary McAdoo added, following decreases in preceding distillers that the rate of tax on distilled spirits would be increased."

Mrs. Geo. W. Weaver and Miss Nina Graybill, of Marion, were Thursday guests of Miss Lytton, Pulaski Times.

## Ohio Campaign Opens.

Akron, O., Sept. 29.—The Republican State campaign was officially opened here Saturday afternoon. Warren G. Harding, Republican candidate U. S. Senator, and Frank B. Willis, Republican candidate for Governor, were the principal speakers.

At a meeting of the board of supervisors for Wise county recently the following was adopted: "Whereas, the general assembly of Virginia, on March 21st, 1914, passed an act to prohibit the running at large of dogs, and to provide a penalty for the violation thereof, but not to be effective until adopted by the board of supervisors of each county.

"Be it resolved that the board of supervisors of Wise county adopt said law to be effective and in force on and after the first day of Oct., 1914. The clerk of this board is directed to mail a copy of this order to the several newspapers of this county as a news item."

## What Would You Do?

There are many times when one man questions another's actions and motives. Men act differently under different circumstances. The question is, what would you do right now if you had a severe cold? Could you do better than to take Chamberlain's Cough Remedy? It is highly recommended by people who have used it for years and know its value. Mrs. O. E. Sarge, T. Peru, Ind., says, "Chamberlain's Cough Remedy is worth its weight in gold and I take pleasure in recommending it." For sale by all dealers.

## Ohio Opens State-Wide Fight.

Cleveland, O., Sept. 28.—The campaign to add a State-wide prohibition amendment to Ohio's constitution at the general elections in November was formally opened here Saturday when "wet" and "dry" speakers clashed in joint debate before the City Club of Cleveland.

Thirty thousand dollars has been raised to conduct the temperance fight in Cleveland and Cuyhoga counties alone. In nearly every county in the State both factions have their central committee with ward and precinct captains to canvass every voter.

Although both "wet" and "dry" forces declare the fight is non-political, Governor Cox, democratic candidate for re-election, is said to have "wet" tendencies, while his progressive opponents, James R. Garfield has joined the "drys." The republican platform refused to take a stand on the question, but Congressman Frank B. Willis, candidate for governor, is known to have strong "dry" sympathies.

Mr. Arthur Sutherland and Miss Nellie Armbrister, both parties well known and popular in Wytheville, were quietly married at the Methodist parsonage in that city last Wednesday. Rev. Peery performing the ceremony.

L. M. Preston, president of a furniture factory at Christiansburg, Va., was killed outright and his wife died soon afterward, by a Southern railway train near Mebane, N. C., last Thursday when their automobile was struck by a passenger train at a crossing.

Miss Kate Edmondson, of Meadow View, and Mr. Cohard, of New Mexico, were married in Bristol one day last week. Miss Edmondson was born and raised at Lodi and has hosts of friends in that part of the county who wish her success and happiness in her wedded life.

On Saturday Governor Stuart ordered pardons issued to Elijah Brown, of Pulaski, serving one year in jail for unlawful shooting; Bishop Hayes, of Russell county, serving one year in jail for wife desertion, and Jeff Milliner, of Bedford county, serving one year in the penitentiary for malicious wounding.

Mr. John Robinson, of Grahams Forge, sustained a very serious financial loss last Friday by the burning of a barn on his farm. A spark from an engine which was used in filling a silo fired the barn and contents of feed, 350 bushels of corn, a lot of oats, the silo, engine and other machinery was destroyed, inflicting a loss of \$2,500 with no insurance.

Cleveland and Lester Baldwin, brothers living in Grayson county, were arrested Saturday on the circus grounds at Bristol Saturday by Policeman Crosswhite, charged with being fugitives from justice. They are wanted in Grayson county, charged with felonious shooting and wounding. An officer from Grayson went to Bristol and assisted the police in locating the men. They were taken to Grayson county Monday.

During the month of August Virginia had less typhoid than in the same month of any previous year since the State Board of Health was organized, according to a bulletin just issued by the board, except during the year of 1912. The health officers hope to close the current year with a low record for typhoid. During August of this year 870 cases of typhoid were reported, against 1,442 August, 1913. The health officers are of the opinion that the cool weather during the second week in September will reduce the typhoid record for this month.

## Old Estate in Wythe Sold.

Wytheville, Va., Sept. 26.—The thirteen hundred and forty-four acre tract of land near Austinville, known as the "home place" of the late Capt. William J. Raper, was sold at auction last Wednesday by the Southern Realty and Auction Co., of Greensboro, N. C., acting as agents for the heirs of Captain Raper. The place was cut up into tracts of various acreage and brought about \$81,000. Mr. Ben R. White, of Hillsville, was the purchaser of the largest portion, 879 acres, including the dwellings, while Mr. D. A. Smith, of this place; J. F. Allison, of Austinville, Va.; H. R. M. Lovell, of Lone Ash, Va.; R. E. Gallimore, of Monarar, Va., and G. R. Harris, of Rural Retreat, became purchasers of small portions.

This farm has been in the Raper family for more than a hundred years and lies about two miles from the famous lead mines, which for a long time were owned in part by members of this family and is still in operation after more than a century of heavy production. The old "shop tower," where bullets were cast for the soldiers of the Revolution, may be seen from the railroad up New River, still rearing its heavy head as if unaware of the passage of time.

A valuable barn on the farm of Mrs. J. S. M. Simmerman, near Ivanhoe, was burned to the ground last week. The barn was fully insured, but a lot of fertilizer was lost.

A pretty church wedding was solemnized in the Methodist church at Bridal Creek Wednesday at 6 p. m. when Miss Nannie McLean Bryant became the wife of Mr. Andrew Marion Bruce. The marriage ceremony was performed by Rev. C. C. Weaver, president of Emory and Henry College.—Grayson Gazette.

This week Mrs. J. K. Burgess had an offer of \$1.50 per bushel for her wheat, which she recently threshed from her 1914 crop, aggregating more than two thousand bushels, but she refused the offer on the grounds that on account of feed being scarce she will require all she will have left after sowing her fall crop to feed her cattle. She expects to sow at least a hundred and fifty acres this fall and will also put in considerable rye.—Graham Banner.

## Why Not Publish It?

When you want a fact to become generally known, the right way is to publish it. Mrs. Joseph Kallias, Peru, Ind., was troubled with belching, sour stomach and frequent headaches. She writes, "I feel it my duty to tell others what Chamberlain's Tablets have done for me. They have helped my digestion and regulated my bowels. Since using them I have been entirely well." For sale by all dealers.

## Providential Harvest.

It is fortunate for the country that in a year of Democratic misdeeds Providence has so bounteously blessed the soil that a near-billion-bushel wheat yield is probable, with a total crop production to the value of \$19,000,000,000. That business has been disturbed greatly under the Wilson regime cannot be denied, even though the president still persists in declaring depression purely a psychological condition. Tariff revision has been without beneficial result to the consumer and has injured American industry by diminishing the domestic market for home products. The reaction has been felt by labor and has extended to every branch of commercial activity.

## Democratic Failure.

The question of the high cost of living, on which the Democratic party bases its plea for power in 1912, will not down. If the cost of living has been reduced the party candidates might easily have explained away any impairment of employment or wages. Even with financial and business conditions at their best, however, the question might still be asked: "What was gained by lowering the tariff?" The answer that the Democrats expected to give us was: "The cost of living has been reduced." Unfortunately, however, it has not been reduced, and a European war will not tend to reduce it.

## Keep Your Stomach and Liver Healthy

A vigorous Stomach, perfect working Liver and regular acting Bowels is guaranteed if you will use Dr. King's New Life Pills. They insure good digestion, correct Constipation and have an excellent tonic effect on the whole system.—Purify your blood and rid you of all body poisons through the Bowels. Only 25c. at your Druggist.

## Strict Liquor Law May Be Enacted by Next Legislature.

Richmond, Va., Sept. 28.—In a letter addressed to a friend in this city one of the foremost of the State-wide members in the Legislature says that when the next Legislature comes there will be changes in the liquor laws, which will be even as radical as the sentiment of the people of Virginia regarding the sale of liquor. The laws, he says, will be so framed that they will have the effect of deterring those who have been proclaiming that "prohibition will not prohibit." An effort is to be made to provide that those who violate the law go to the roads for the first offense, possible for as much as six months. A second conviction will mean as much as five years on the roads. Fines will not be imposed.

What is more to the point, the opponents of prohibition, the men who fought for local option, have openly declared that they will do their very best to make the laws as stringent as possible.

"The prohibitionists cannot make the laws so stringent that they will not find me supporting them in every way," was the declaration made on the streets here by one opponent of State-wide. Other gentlemen who opposed prohibition said they would do the same and that the laws would be made as tight as possible.

That element which engages in the manufacture of liquor in the moonshine fashion will also come in for severe arraignment. The State will take a hand in the game and the forces on every side will be assigned to make Virginia dry in fact as well as in name.

## Big Crowd Attend Circus.

Bristol, Va., Sept. 28.—The coming of Ringling Bros. brought to Bristol on Saturday a crowd of ten thousand visitors. The big tents entertained 16,000 persons on Saturday afternoon. The day was orderly, except for the operation of pickpockets. Three negroes were arrested, having been caught red-handed. Two white men, arrested as suspects, were released.

The saloons were liberally patronized, but the crowd, for the most part, kept sober, and there were comparatively few arrests for drunkenness, the number put in on both sides of the city probably not being more than twenty.

## Death of Mrs. Davis.

Mrs. William A. Davis died on last Saturday at the home of her daughter, Mrs. M. O. Humphrey, near Glade Spring. Her maiden name was Sarah Emeline Williams, and she was born at Knoxville, Tenn., of David and Jane Staley Williams, Aug. 5, 1830. Her ancestors had settled in Rye Valley, Smyth county, about 1790 and her parents returned to Smyth when she was seven years of age. She married William A. Davis, Sept. 22, 1853, and to this union were born three children, the daughter at whose home she died, Robt. Bragg Davis, who died in 1862, and Mrs. A. V. McClune. Her husband died Aug. 29, 1907.—Glade Spring Vidette.

## Rhudy--Delp.

The home of Mr. and Mrs. J. F. Delp, of Elk Creek, Grayson county, was the scene of a pretty fall wedding on Tuesday of last week, when their daughter, Laura Freece, became the bride of Mr. William F. Rhudy.

The drawing-room was handsomely decorated with potted plants, mountain laurel, goldenrod and autumn leaves.

Lohengrin's wedding march was played by Miss Clara Mitchell. The ceremony was performed by the Rev. Geo. T. Jordan.

The groom was attended by his brother, Dr. G. G. Rhudy, of Richmond, while Miss Blanche Welsh was maid of honor.

The bride entered the room on the arm of her father who gave her in marriage. Among the out-of-town guests were Mrs. C. C. Lincoln, Mrs. Minnie Dickenson, Mr. and Mrs. J. Ellis Dickenson, of Marion.

 FOR CONGRESS

 OF WISE COUNTY

**Politics Again.**

Now that the State-wide election is over, our people will turn their minds to National politics. Business conditions in the country are not good. This is admitted by most every one, from the President down to the humblest citizen.

The Democratic policy and theory is on trial and certainly none can say that times are better than when the Republicans were in power. Few believe they are as good. Many industries are at a standstill or working on short time. A congressional election will be held on November 3rd, and the voters will then have a chance to say whether they are satisfied. We freely predict a gain for the Republicans in the next congress and if the forces, who believe in protection, unite the democratic majority will be wiped out. Here in the Ninth District, under the splendid leadership of our efficient and popular congressman, Bascom Slemp, republican success is most certain. Mr. Slemp is waging an aggressive campaign and his majority is most sure to be larger than two years ago when he defeated General R. A. Ayers.

"For the seven months of this year ending with July 31, before the war began, our imports from foreign countries were 122 million dollars more than they were for the same period last year, while our exports were 126 million dollars less. That is caused by the Underwood tariff. The balance of trade in our favor for these seven months in this year was 60 million dollars. For the same seven months last year, the balance of trade in our favor was 308 million dollars. This shows a falling off in the balance of trade in our favor in seven months before the war commenced of 248 million dollars. That is equivalent to a demand on us of 248 million dollars in gold. That is one of the main troubles with the country now and is the result of the new tariff law.

"If we were manufacturing the goods we use instead of importing them, we would have prosperity, and if we had a sufficiently high import duty on the goods we bring in from abroad, we would have sufficient revenue without question. What we need now is economy and not new taxes. What we have under the Democratic administration is extravagance and additional taxation."

**Slemp Attacks Tariff in Abingdon Speech.**

Abingdon, Va., Sept. 28.—The Republicans held their rally meeting in the town hall this afternoon. In addition to Congressman C. B. Slemp and Hon. Tom J. Muncy, the latter of Bland, who were advertised to speak, Dr. William Carter, of New York, a friend of the Congressman, arrived, and also made a speech.

Representative Slemp, following out his idea of doing things with a vim, in addition to circulars announcing the speakers, arranged for the local band to discourage stirring airs to call the people from the streets to the town hall.

While the building was not filled, a representative crowd of country people listened to the speeches, and frequent applause indicated that those present were much pleased with the points made by the speaker.

Dr. Carter, who spoke first, resigned the Democratic Administration for its tariff policy, declaring that the new law had heaped burdens upon the people, instead of giving relief.

Congressman Slemp attacked the tariff with a rather striking line of argument. He declared that present high prices, such as that of shoes and other articles for wear, and sugar and other articles for the table, had advanced because of the change in

the tariff system. He said that the Democrats were no doubt honest in their conviction that such legislation would have a good effect for the masses, but that instead, they now must see that they were badly mistaken.

The congressman argued that the war-tax measure, now about to be enacted, was not, as the Democrats contend, made necessary because of the European war, instead, because of conditions brought about by the new tariff law. He asserted that the custom house reports show that im-

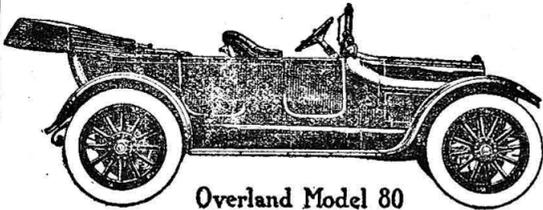

ports fell off during July only about 6 per cent while, compared with two years ago imports have come back to normal. He insisted that these things are convincing that the war tax is not due to any decline in imports, but rather to the decline of revenue on imports, due to the operation of the new tariff law.

Don't fail to see "Peck's Bad Boy" at the Picture Show Friday, Oct. 3.

**Great Baby Show at State Fair.**

One of the chief features of the 1914 Virginia State Fair, which opens in Richmond on Monday, October 5, for six days and six nights, is to be the grand baby contest and better babies health exhibit, both arranged and conducted by the Federation of Mothers' Clubs of Richmond. The contest will take place in special tents to be erected adjoining the Administrative Building. The object of the better babies health exhibit, which is to be run as an adjunct of the baby contest, is to give expert instruction in how to care for and what to feed young babies in order to best encourage mental and physical development.

Thousands of visitors from all sections of the State are preparing to come to Richmond during the State Fair Week. Reduced railway fares is an added attraction. More than \$25,000 has been spent by the management in the free shows which are to take place daily and nightly in front of the grand stand. Two fine bands and three vocal stars will render daily three concerts in the grounds and the Administrative Building.

**Happenings at the Woman's Club.**

After a brief vacation, the executive board the Woman's Club met early in September to plan for the work of the next year.

In view of the various enterprises proposed, the program committee request that every member of the club suggest subjects in which she is particularly interested. This method will greatly assist the committee in arranging programs which shall be representative of the strongest interests of the Club.

The next meeting will be on Friday, October 2nd, at 3 o'clock and it is important that the meeting be largely attended.

**DON'T TAKE WRONG MEDICINE**

If your liver gets lazy you need a liver tonic, not merely a laxative for the bowels. Many people take a simple laxative when the liver gets sluggish rather than take colomet, which they know to be dangerous. But a mere laxative will not start a sluggish liver. What is needed is a tonic that will liven up the liver without forcing you to stay at home and lose a day from your work.

You have such a tonic in Dodson's Liver Tonic. Dodson's Liver Tonic is all that is claimed for it, because the druggists who sell it agree to hand back the money with a smile, to any person not satisfied with the relief Dodson's gives.

Dodson's Liver Tonic is a vegetable liquid with a very pleasant taste and is a prompt and reliable remedy for constipation, biliousness, sour stomach and torpid liver.

D. M. Smith Drug Co. and Marion Drug Co. give it their personal guarantee. Large bottle of Dodson's Liver Tonic is only 50 cents. For children or grown people it is the ideal medicine. Try it on the guarantee.

**W. C. T. U.**

On the night of the 24th, a praise meeting was held in the Baptist church. Owing to the fact that it was not generally known, the attendance was small but an enthusiastic programme was rendered, which was much enjoyed by the fortunate audience. Addresses were made by Hon. A. T. Lincoln, Local Supt. of the Anti-Saloon League, Revs. F. Y. Jackson, Harris, Kern, Mr. R. A. Anderson, of the Marion News, and Dr. Dickenson, Prof. Moncure was chairman of the meeting.

"A Saloonless Nation in 1920," sung by fifty children of the High School, was one of the most pleasant features of the meeting.

The W. C. T. U. was represented by the President, Mrs. S. E. Moorman, Mrs. W. L. Lincoln, treasurer and Mrs. John Hull, who occupied seats on the rostrum.

The work of the W. C. T. U. was wonderfully successful during the last campaign, and all over the State their labors were recognized as being a powerful factor in the Statewide canvass.

In the only "taxless" town in the State, whose revenue was derived from a dispensary, the W. C. T. U. ladies served hot coffee, chocolate and hot lunch on the streets at noon hour, to the laboring class in order that they might have time to vote.

County President of the W. C. T. U., Mrs. A. T. Lincoln, accompanied by Miss Kate Broseaus, left on Sunday night to be present at the conference of the W. C. T. U. in Newport News, Virginia.

—Press Supt.

Don't forget the Rally day at the M. E. Church Sunday. Everybody cordially invited, and scholars who have been delinquent in attendance are urged to be present.

Mrs. Virginia Cash, of Lynchburg, is visiting her sister, Mrs. W. H. Jones, of this place.

Paul J. Rainey's African Hunt, in Six Reels, made in the wilds of Africa at a cost of \$250,000, will be shown at the Pastime Theatre Monday night. Positively the most marvelous pictures ever made. Six months at the Lyceum Theatre New York at \$1.00 per seat. Adults 20 cents; children.

**Packed and Jammed.**

Greater Richmond College and Westhampton Woman's College have begun their work for the session. It is the first at the new home of the educational institution of the Baptists some seven miles west of the city. President Boatwright is so pleased at the matriculation so far that he hardly knows what to do. The capacity of the college for boarders is filled. There are more in the dormitories than was ever contemplated at the opening of the session. Already many of the young men have been forced to take lodgings in the city and to get board in private families near the college. The Westhampton College for Women is well filled, with new arrivals almost every day. The total matriculation by the end of the week is expected to reach not less than 450. —Richmond Press Correspondent.

**Local Druggist Makes Many Friends**

The Marion Drug Co. reports they are making many friends through the QUICK benefit which Marion people receive from the simple mixture of buckthorn bark, glycerine, etc., known as Adlerika. This remedy became famous by curing appendicitis and it is the most thorough bowel cleanser known, acting on BOTH the lower and upper bowels. JUST ONE DOSE of Adlerika relieves constipation and gas on the stomach almost IMMEDIATELY.

**Irvine and Slem speak in Dickinson.**

Clintwood, Va., Sept. 29.—Large crowds were here today for the Democratic and Republican speaking. Hon. R. Tate Irvine, Democratic candidate for congress and Congressman C. B. Slem, Republican nominee for re election, each addressed large audiences. Judge Samuel W. Williams, attorney general of Virginia, and Ex-Senator R. P. Bruce spoke for Irvine also. Hon. Thomas J. Manney, former district attorney and Senator John C. Noel, of Lee spoke for Slem.

**Advocates Slem.**

Bristol, Va., Sept. 29.—Dr. William Carter, of New York, a retired minister, spoke to Bristol voters at the city hall in the interest of the candidacy of Congressman C. B. Slem. He told of Mr. Slem's accomplishments and of how loyal he had been to the people of his district, and urged the Republicans and Progressives to get together and send him back to Congress. From here Dr. Carter went to Scott county, where he will speak for the Congressman.

Only one year gone. Six years saved. \$8,295.50 saved. Six years in which to gain experience in business. Six years to get a start in life. Six years association with business men. Six years to take advantage of opportunities. Six years to get established. Think of it! Doesn't it really look foolish to spend six years at a cost of \$8,295.50 in preparing for professions that are already crowded? There are enough doctors in Roanoke to doctor the entire State and enough lawyers to keep the entire State in trouble. ## Children Cry for Fletcher's

# CASTORIA

The Kind You Have Always Bought, and which has been in use for over 29 years, has become the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

### What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhoea. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

### NEW WAY TO CRACK SAFE

Carry It Off as These Burglars Did and Then Drill Lock, and the Rest is Easy.

It's a hard job for a good burglar nowadays to crack a safe, even in a private residence, without making such a noise that somebody wakes up and sickens a pet automatic on him. And as far as solving combinations like Jimmie Valentine did, most modern crooks have calluses—not nerves—on their finger tips.

The police in New York, however, discovered a brand-new method of opening a safe—a way by which the toughest strong box may be opened without disturbing anyone. This method wouldn't awaken a person who went to bed right next to the safe.

The police discovered all this when Charles and Jacob Richter, small brothers, led them to woods off Old Bowers Bay road, near North Beach. In the woods was a safe. It was a perfectly good safe, except that a half-inch hole had been drilled through to the lock.

There was absolutely nothing inside the safe. After thinking it over a while the detectives decided that burglars had broken into somebody's house and had stolen the safe. Then they put it into an automobile, covered it with canvas and took it to the woods, where they looted it at leisure.

If its owner had chained the safe to his bed this probably wouldn't have happened without waking him up.

**Apply Sloan's Freely For Lumbago**

Your attacks of Lumbago are not nearly so hopeless as they seem. You can relieve them almost instantly by a simple application of Sloan's Liniment on the back and loins. Lumbago is a form of rheumatism, and yields perfectly to Sloan's, which penetrates quickly all in through the sore, tender muscles, limbers up the back and makes it feel fine. Get a bottle of Sloan's Liniment for 25 cents at your druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

## It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill. I wish every suffering woman would give

### DOING THEIR DUTY

#### Scores of Marion Readers are Learning the Duty of the Kidneys.

To fit the blood is the kidneys' duty. When they fail to do this the kidneys are weak. Backache and other kidney ills may follow.

Help the kidneys do their work. Use Doan's Kidney Pills—the tested kidney remedy.

Marion people endorse their worth. H. W. Wheeler, carpenter, Cheery St., Marion, Va., says: "The public statement I gave some years ago, praising Doan's Kidney Pills was correct. I always have this remedy with me and am continually telling my friends how good it is. One of my family suffered for a long time with disordered kidneys and had frequent attacks of dizziness and complete fainting in her back and shoulders. Doan's Kidney Pills were finally procured from the Carson Drug Co. and their use as directed, gave prompt relief."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wheeler recommends Co., Props., Buffalo, N. Y.
