### St. Albans' Sanatorium.

Radford Va., Jan. 22.—St Albans Sanatorium was opened on Monday, although the main buildings which are undergoing extensive repairs are not as yet complete. The house recently occupied by Mrs. F. V. Miles on Second street has been fitted up temporarily for the immediate needs of the patients who have begun to arrive. Dr. J. C. King, formerly at the head of the State hospital at Marion, Dr. J. E. Donit, of Salem, and five nurses are in charge.

In several weeks the work on the buildings will be finished.

St. Albans years ago was a boys' school run by Col. George Miles, who built it, later by Mr. John Einstein as a girls' school under the name of "Riverside," and lastly as a boys' school again. The site is a very desirable one; it lies on the north bank of New river overlooking Radford. The buildings are large and are connected by a sun parlor.

The people of Radford are pleased at having the only sanatorium in the State of its kind.

### Educational Conference.

The Joint Education Conference for the Sixth and Ninth Congressional Districts and Carroll and Grayson Counties will be held at the Radford Normal March 2-4. This date has been fixed by Prof. R. T. Stephenson, of Abingdon, President of the Ninth District Teachers' Association, and Prof. W. M. Black, of Lynchburg, President of the Sixth District Teachers' Association. The territory served by this Conference includes twenty-two counties of Southwest Virginia and the four cities of Lynchburg, Roanoke, and Bristol. All grades of institution from the one-room school to the college and university will be present.

The program will be ready for distribution at an early date. Reduced railroad rates will be offered.

One way to relieve habitual constipation is to take regularly a mild laxative. Doan's Regulets are recommended for this purpose. 25c a box at all drug stores.

### Suing for Divorce.

Bristol, Va., Jan. 24.—Married on last Friday week, when he claimed Josie Statzer as his bride, Magistrate W. L. Cunningham, for many years in official and other positions of trust in Washington county, Virginia, has filed suit here for divorce. Cunningham claims he was drugged and knew nothing about the marriage contract until the following day. He has retained counsel and will fight for his release. It develops that he was married by the Rev. A. H. Burroughs, of the Bristol Green, now in his 83rd year. In view of the circumstances, Judge Roberts, of the corporation court, has summoned the aged minister to appear in court and show cause, if any, why his license to marry persons in Virginia should not be revoked. Josie Statzer, to whom the magistrate was married, is the widow of Frank Statzer. She is employed as a cook for the prisoners in Bristol, Va.

In his own defense, Parson Burroughs said that although Cunningham is a man who drinks, he stood and walked perfectly straight on the day of the marriage, and took from his pocket and handed it to him the marriage license, acting in every respect as a man who knew full well what he was doing.

Itching piles provoke profanity but profanity won't remove them. Doan's Ointment is recommended for itching, bleeding or protruding piles. 50c at drug store.

### For Rheumatism.

As soon as an attack of Rheumatism begins apply Sloan's Liniment. Don't waste time and suffer unnecessary agony. A few drops of Sloan's Liniment on the affected parts, is all you need. The pain goes at once.

A grateful sufferer writes: "I was suffering for three weeks with Chronic Rheumatism and Stiff Neck, although I tried many medicines, they failed, and I was under the care of a doctor. Fortunately I heard of Sloan's Liniment and after using it three or four days am up and well. I am employed at the biggest department store in S. F. where they employ from six to eight hundred hands and they surely will hear all about Sloan's Liniment."—H. B. Smith, San Francisco, Cal.—Jan. 1915. At all Drug stores.

### Rockbridge Republicans Favor Hughes.

Lexington, Va., Jan. 25.—The Republicans of Rockbridge met in their county convention to-day and elected delegates to the district convention to be held at Buchanan March 28th and State convention in Roanoke March 29th.

Resolutions were adopted commending the efficient services of State Chairman Slemey and National Committeeman Martin, as well as of State Secretary Hart and R. A. Fulwiler; also that the two wings of the party come together in peace and harmony at the Chicago convention. Judge Hughes seemed to be the choice for President. The delegates go uninstructed but to vote as a unit.

### 21,988,000 Milch Cows.

Washington, Jan. 18.—The Department of Agriculture's annual estimate of farm cattle in the country January 1, issued today, shows 21,978,000 milch cows, an increase of 3.4 per cent over 1914; 39,453,000 other cattle, an increase of 6.4 per cent; 49,162,000 sheep, a decrease of 1.6 per cent and 68,047,000 swine, an increase of 5.3 per cent.

### Tattle Branch Items.

Death visited our community recently and took away our dearest neighbor, Mrs. Charlie M. Reedy aged 30 years, 7 months and 19 days. She left to mourn their loss a husband and four small children. We extend our heartfelt sympathy to the bereaved.

Mr. T. J. Eads has been to Tazewell looking for a mill. We have not learned what success he had.

Mr. Tom Hayes has been down near Glade peddling glasses.

Mr. and Mrs. Miller have moved into the house recently vacated by Mr. Robbins and family.

Mr. Charlie M. Reedy has just arrived from Bristol and Kingsport where he has been hunting a job.

Misses Wayne Buchanan and Sadie Eads were the guests of Miss Ethel Reedy recently.

Mr. Jack Dungan, of Seven Mile Ford, was calling on friends here a few days ago.

Mr. Everett Hale, who guards the convicts near Marion has had a short vacation.

Mr. C. R. Buchanan was called on Mr. Willie Reedy, who is afflicted and confined to his home, a few days ago.

Mrs. Floyd Rector and two children, and Mrs. George Heninger and little Miss Margaret Rutland, of Chilhowie, recently spent the day with Mrs. C. R. Buchanan.

Mrs. Ruth Bonham is suffering from a severe case of poison.

### 1600 DELEGATES EXPECTED

Prompt Registration for Laymen's Missionary Convention.

The Virginia convention of the Laymen's Missionary Movement will be held in Richmond, February 13 to 15. The meetings will be for men. Every Protestant church in Virginia is invited to send representatives. Church officials, Sunday school superintendents, men's Bible classes, young men's societies, men's missionary committees and kindred organizations should be represented.

To meet convention expenses there will be a registration fee of one dollar required from each delegate. These fees will meet the expenses of the convention without great expense to a few men or the churches. It is expected there will be an enrollment of 1600 delegates.

If the enrollment fees more than meet the convention expenses, the surplus will be used in the conservation and extension of the interest created by the convention.

### Prompt Registration Urged

Ministers and laymen are urged by the convention committee to fill out their application blanks at once and send them in through a member of the enrollment committee in their church, or mail them properly filled out, with registration fee accompanying, to David H. Brown, executive secretary, 215 American National Bank Building, Richmond.

On receipt of applicant's application with proper fee, credentials will be mailed from headquarters (or delivered by a member of enrollment committee).

Only registered delegates will be admitted to the convention, and as such they will be extended the privileges of the convention.

### Roanoke Girls Lose to the Marion Team.

Unnecessary roughness on the part of both teams marred a lively game of basket ball at the Y. W. C. A. Saturday afternoon, when the girls' team of Roanoke and Marion high schools met, the game going to the Southwest Virginia girls by a score of 19 to 8.

Marion took the lead at the beginning and never relinquished her advantage. In little Miss Mary Atkins, Marion has a player of no small ability. Miss Atkins scored 11 of Marion's 19 points. Slowness on the forwards cost Roanoke the game. Misses Cook, Meadows and Hase played well, but Misses Williamson and Franklin, the usually fast forwards, did not show anything like their accustomed work. Outside of the ability to shoot goals, almost at will and an abounding enthusiasm the visitors had little on Roanoke.

### The line-up follows:

Roanoke—Williamson, l. f.; Franklin, r. f.; Cook, c.; Meadows, l. g.; Hase, r. g.

Marion—Harris, l. f.; M. Atkins, r. f.; E. Atkins, c.; Fry, l. g.; Williams, r. g.

Summary—Field goals, Williamson, 1; Franklin, 1; Harris, 4; M. Atkins, 5. Foul goals: Williamson, 4; M. Atkinson, 1.

Refsree—Mr. Speece. Time of halves, 15 minutes.—Roanoke Times.

### Where Tuberculosis Comes From.

Where the first Tuberculosis germ came from no one knows. But it is common knowledge where the germs come from that are killing Virginians to-day. It is proved that people do not "inherit" tuberculosis. They must "catch" it. The world no longer doubts that people "catch" things. We now know most of the methods of contagion and also the methods of prevention. We rarely catch diseases in hospitals, because everyone there knows how to prevent the spread of disease and to control the infection through the millions of germs which are constantly present. Out in the world, where people do not think of germs and consciously combat them we catch diseases.

Every case of consumption in Virginia was "caught". It was "caught" because of the presence of tubercular bacilli. If there had been no germs there would have been no disease; 50 per cent of the people who die of other causes have had a tubercular "infection", but have been able to shake it off and have not had "consumption". It may be said that very few city dwellers escape attack by tubercular germs. Whether it results in recovery or death depends upon the resistance put up by the body or the promptness with which you get treatment. There are over 20,000 people in Virginia to-day who did not have the strength to resist the attack of tubercular germs. These 20,000 people are daily coughing up millions of fresh-born germs which seek fresh fields in which to plant themselves and grow—and what is growth to them is disease and death to those they fatten on.

Where does tuberculosis come from? In every case from some other living body. It comes out in sneezes and spits and mouth spray. It lodges on dust particles and wall paper and table utensils and drinking cups. Every case of consumption came from some other case of consumption. Do you not think that each case should be taught to protect other people. Do you not think you should protect yourself? Should not Virginians protect Virginians?

### WEAK, SORE LUNGS

Restored To Health By Vinol. Camden, N. J.—"I had a deep seated cough, was run-down, and my lungs were weak and sore. I had tried everything suggested without help. One evening I read about Vinol and decided to try it. Soon I noticed an improvement. I kept on taking it and today I am a well man. The soreness is all gone from my lungs, I do not have any cough and have gained fifteen pounds."

### Oil Can Explodes; Mother and Three Children Dead

Chatanooga, Tenn., Jan. 21.—Mrs. Mallis wife of Will Mallis, a farmer near Lytle Station, Chickamauga Park, Georgia, and three small children are dead, and an eighteen-year-old daughter perhaps fatally burned as the result of an explosion of a can of oil, with which Mrs. Mallis was attempting to start a fire in her kitchen stove. The three children died within a few hours after the accident, but the mother lingered until last midnight. The 18-year-old daughter, who attempted to save her mother and sisters, was so badly burned that she is not expected to live. Mr. Hallis was absent from home at the time of the accident.

### Mallet Engine for N. & W.

Bristol, Va., Jan. 24.—The Norfolk and Western Railway Company is experimenting with the use of the Mallet type of locomotive on its Roanoke-Bristol line. The first of this type of engine pulled a long train of cars into Bristol Friday. It is said that the company's smaller type of engine is being eliminated from the freight service as fast as possible. To this end the company has recently had a large number of the heavier locomotives built, and is giving orders for still others.

### \$100,000 Damage Results.

Hopewell, Va., Jan. 21.—A 150,000 gallon acid tank fell and exploded in the DuPont Powder Company's plant here early today, resulting in a \$100,000 property loss and the injury of a workman, who was burned by the acid. The accident was caused by the supports on which the tank stood giving way. Windows and doors were blown from many of the building nearby.

### Confederate Re-union to Be Held May 16.

New Orleans, Jan. 20.—The 26th annual reunion of the United Confederate Veterans will be held in Birmingham, Ala., on May 16, 17, and 18, next. Official announcement of the date and place of the reunion was made here today by William E. Mickle, adjutant-general of the Veterans' organization.

### Death of Samuel Dillman.

Samuel Dillman was born February 6, 1837, and died Jan. 13, 1916, aged 78 years, 11 months and 7 days.

He joined the Evangelical Lutheran church in 1862, and was ever ready to do what his church required of him. His health failed only a short time ago. He was taken very ill on Sunday, Jan. 9, and died the 13th without a struggle.

Mr. Dillman was one of our Confederate Veterans, having enlisted in '62 and remained a faithful soldier until the end of the war. On October 19, 1867, he was married to Mary E. Wyrick and this union were born twelve children, five of whom preceded him to the spirit land, leaving a faithful wife and seven children to mourn the loss of a loving father.

### RESOLUTIONS OF SYMPATHY.

Whereas, it having pleased Almighty God to take from the midst of the living and transplant in a heavenly country a christian father from his wife and children who may join him again. Therefore be it

Resolved, 1st, That we the Brothers of Olympia Lodge No. 409 I. O. O. F. tender our deep sympathy to Brothers Bud, Joe and Kinley Dillman, and the other children on their sad bereavement and loss of a dear father.

Resolved, 2nd, That a copy of these resolutions be published in the Marion News and Rural Retreat Times, also that a copy be sent to his sons and daughters and read upon our minute books.

### Will of Jas. H. McGavock.

Wytheville, Jan. 24.—The will of the late James H. McGavock, who died last week at his home, Fort Chiswell, was admitted to probate in Wythe county circuit court last week. The will deals with the largest estate in Wythe county. In minute detail it sets forth the testator's disposition of the property, with alternate disposition as to some subjects. Dr. E. P. McGavock, the testator's oldest son, is appointed executor with full and discretionary powers as to selling all or any portion of the estate. He is also appointed as trustee for certain purposes and guardian of the testator's infant son, John Fulton McGavock. Provision is made for the widow to reside at, and be mistress of the house at Fort Chiswell during her widowhood or until the same is sold, or until the youngest son becomes of age; and also for the testator's son, Cloyd McGavock, to have a home there.

Russell Farrington, white, was brought here last Friday and lodged in jail charged with having been implicated in the robbery of the depot at Troutdale the week before Xmas. We are informed that some 43 gallons of whiskey was stolen. Other parties are suspected of having been implicated in the robbery.—Grayson Gazette.

### Yankees Get Cullop.

New York, January 21.—The New York Americans purchased three more Federal players to-day. The star of the trio is Nick Cullop, who ranked fourth in the Federal twirling averages last season. The other two players are Joe Gadeon, a hard hitting second baseman, and Herman Schaefer, a valuable utility infielder and coach.

### Bad Habits.

Those who breakfast at eight o'clock later, lunch at twelve and have dinner at six almost certain to be troubled with indigestion. They do not allow time for one meal to digest before taking another. Not less than five hours elapse between meals. If you are troubled with indigestion correct your habits and take Chamberlain's Tablets, and you may reasonable hope for a quick recovery. These tablets strengthen the stomach and enable it to perform its functions naturally. Obtainable everywhere.

### Hill Collapsible Turntable.

After about a year's careful work Dr. J. P. Hill has completed and patented a device for lifting heavy motor cars from railroad tracks. Doctor Hill has succeeded in interesting the Norfolk and Western officials in his invention.

The railroad has purchased one of Dr. Hill's turntables, which will be shipped tomorrow to Roadmaster R. H. Smith at Christiansburg. It is there to undergo rigid tests in order to determine its practical worth to the Norfolk and Western. The motor cars now used by section foremen are so heavy that much difficulty is experienced in manipulating them. Dr. Hill's invention is a great labor and time saver.

This turntable is a collapsible steel framework which revolves upon a pivoted base of the same material. When extended and set, the base of the pivot rests between the rails on a tie. The framework tilts down to the track, and its sides lock securely against the rails, making a sloping addition to them. Up this the car may be run until it reaches the balancing point where it is checked by two steel blocks which are clamped to the framework and may be adjusted to fit any desired type of car. The entire device does not weigh more than 150 pounds and may be folded very compactly in a few seconds.—Pulaski Times.

### Stephen Clark Dead.

Stephen Clark, ex-sheriff of Grayson county, died at his home at Cedar Springs, Smyth county, on Sunday, January 9th. We did not learn the nature of his illness. Deceased was about 70 years old.

Mr. Clark was high sheriff of Grayson county some fifteen years ago. About ten years ago he moved to Smyth county where he has since resided. He is survived by his widow, who was a Miss Hale.

Interment was made at Cedar Springs.—Grayson Gazette.

### The Campbell Monument.

We publish an article in this issue from the Roanoke Times over the signature of our countyman, John M. Preston, Jr., of Seven Mile Ford regarding the location of the proposed monument to General William Campbell. Mr. Preston very pertinently asks why should the monument be erected at Abingdon. From the standpoint of family history we see none. At Aspenvale, Seven Mile Ford, where lie the remains of this Revolutionary hero, is the logical place, but if there is any good reason why the monument should be located in a town then it should be placed in Marion, the county seat of the county which contains the dust of General Campbell, and the farm which was once his property. We hope Senator Martin and Representative Slemm, who have charge of the bill, will be apprised of the facts and when the monument is erected have it located on the site, or near the place, where rests the ashes of the hero of King's Mountain. Let it point to the grave and speak to the present and future generations.

A Washington dispatch says in the event Bascom Slemm should run against Swanson for the Senate the Republicans would make a "still hunt." Not if Slemm is the candidate. He is not a still hunter. Bascom goes after things with gloves off. If you don't believe it ask Governor Stuart, General Ayers, R. Tat. Irvine and the rest of them.

### The Co-ordinate College.

One of the most important bills to come up before the present Legislature in Virginia is the Co-ordinate College bill. In a pamphlet set out by the Co-ordinate College League the following letter from a distinguished Virginian who was born and reared in Marion is published by request:

Richmond College, Richmond, Va.  
 December 8, 1913.

My Dear \_\_\_\_\_:  
 In response to your inquiry about the suggested woman's college at Charlottesville, co-ordinate with the University of Virginia, I am glad to give the proposal my cordial endorsement. I assume that the State ought to provide educational facilities for women equal to those offered to men. In addition to the large saving in expense, a new college for women co-ordinated with a well-established university for men will share from the beginning the traditions and fame of the older institution. This will be a great advantage, and will in some measure atone for previous neglect. Everybody knows that the co-ordinate college has its own institutional life and enjoys the advantages of the separate college for women, with none of the disadvantages of co-education. I hope to see the proposed co-ordinate college established in Charlottesville.

Yours sincerely  
 F. W. BOATWRIGHT,  
 President

In this connection we desire to say that the News is opposed to the establishing of a Co-ordinate College in Virginia at this time. If the State is able to spend more money in the cause of education let it go to the Public School System.

### Villa and 1,000 Men in Mexican Canyon.

El Paso, Texas, Jan. 25.—Francisco Villa with a force estimated at 1,000 men, has been located, according to advices from the South, in Santa Clara canyon, on the Santa Clara ranch of the Terrazas family, about 45 miles west of Chihuahua City.

Carranza officials here, while admitting the probability of Villa being at Santa Clara, asserted that he could not have more than a few hundred men. Three Americans arriving today from Chihuahua confirmed previous reports of the murder by Mexican bandits of five Americans between December 22 and January 2.

### Republican Committee to Meet in Bristol Feb. 5.

Having as its business the calling of a convention for the election of delegates to the Republican National Convention from the Ninth District, the Republican Executive Committee of the Ninth which will meet in Bristol on February 5 will also decide when and where the Ninth District Congressional Convention will be held. The meeting was called by Chairman C. S. Pendleton, of Hill Station, Scott county.

The committee will meet in the parlor of the Holston Club at 1 p. m.

The members of the Committee are: C. S. Pendleton, chairman; George F. Cook, Marion, secretary; J. D. Honaker, Rocky Gap, Bland county; W. A. Daugherty, Grundy, Buchanan county; Dr. W. H. Reed, Clintwood, Dickenson county; A. P. Strother, Parisburg, Giles county; L. B. Howard, Pennington Gap, Lee county; John W. Eckman, Po. aski county; J. A. Pruner, Lebanon, Russell county; P. A. Richman, Gate City, Scott county; R. A. Anderson, Marion, Smyth county; R. O. Crockett, Tazewell, county; L. P. Summers, Abingdon, Washington county; W. B. Hamilton, Wise county; J. W. McGavock, Max Meadows, Wytbe county, and H. R. Shipley, Bristol, Va.—Herald Courier.

### Regarding the Proposed Campbell Monument.

Seven-Mile Ford, Va., Jan. 20. Editor, The Roanoke Times:

In your paper of the 19th inst., I see an article relative to the proposed monument to General William Campbell, at Abingdon—and it has occurred to me to question the propriety of placing this monument at Abingdon.

Why should the bill call for Abingdon as the town to have this honor?

Your paper states that it is because he was a resident of Abingdon. Neither history nor tradition bears out this statement. General Campbell never lived in Abingdon—he did not die in Abingdon—he never owned any property in Abingdon—nor is his last resting place here. He left few descendants—not one single one of whom live in or near Abingdon. I am full aware that the claim has been repeatedly made that Abingdon is the home of Campbell's descendants. This is a mistake; Campbell left but two children, a son who died in infancy and a daughter, who married General Francis Preston.

In Virginia today, there are but three families who represent his lineal descendants. They are the families of Mr. Campbell C. Cochran, Big Stone Gap; Captain Charles Preston, of Front Royal and Captain John M. Preston, Seven-Mile Ford. A farm which was the property of General Campbell and on which is the grave yard in which Campbell is buried. These men will gladly donate the land in the cemetery for the monument, the only logical, reasonable and proper place for it.

It strikes me that such intelligent men as the introducers of this bill must know the facts. Then why Abingdon? What is the pie that Abingdon is holding out as an inducement? Why should our nation spend vast sums of money erecting in Abingdon a monument to the memory of a man to whom congress voted \$10,000 for his services in the King's Mountain campaign—to whom Virginia for the same reason gave a sword, a horse with caparisons, and a public vote of thanks. While the grave of this hero is laid in a tangle of honeysuckle and clematis, in the family graveyard at Aspenvale.

Why should this monument be placed in the crowded streets, or jammed into the narrow confines of the government land in Abingdon when this graveyard—the proper place for the monument—lies on the top of a beautiful ridge overlooking the green fields of what was once Campbell's estate—accessible to train and automobile—a splendid place for a small governmental park.

Would it not be well to think about the ludicrousness of General Campbell's monument being in Abingdon before such a mistake is made in reality.

JOHN M. PRESTON, JR.

### How to Cure Colds.

Avoid exposure and drafts. Eat right. Take Dr. King's New Discovery. It is prepared from Pine Tar, healing balsams and mild laxatives. Dr. King's New Discovery kills and expels and expels the cold germs, soothes the irritated throat and allays inflammation. It heals the mucous membrane. Search as you will, you cannot find a better cough and cold remedy. Its use over 45 years is a guarantee of satisfaction.

### Slemm for the Senate.

Washington, Jan. 24.—It is said here that Congressman Bascom Slemm, Republican, will be a candidate for the United States Senate against Senator Swanson, Democrat, whose term will expire March 3, 1917. The Republican campaign is to be a "still hunt."

It is pointed out by Republicans that the Ninth Virginia district, the mountain stronghold of the lone Republican Representative of the Old Dominion, cast about 30,000 votes, as against from 3,000 to 5,000 votes in each of the Eastern Congressional districts of the State. It is also recalled that the Fifth Congressional district, the home of Senator Swanson, came within ninety-one votes in 1908 of being carried by the Republicans, and the Republican would have been seated had not a Democratic House come in. The Republicans say they are going to elect young John Paul in the Seventh district.

Ardent Republicans declare that Slemm could emerge from his mountain fastness in a senatorial campaign with 10,000 majority, which they assert, would be hard to overcome if the Republicans were to gain in other scattered Republican counties of the State and if the other congressional districts should cast no more votes in a senatorial campaign than they have in past congressional campaigns.

### U. S. Continues to Offer to Help in Fire Protection.

The State Forester announces the continuation of his agreement with the U. S. Forest Service, whereby the Government offers to send \$1848.34 on patrol work on privately owned land in Virginia during the inevitable spring danger season. This is sufficient to pay the salaries of 25 or 20 men to spend their entire time during the two driest months this spring traveling over their districts on the watch for forest fires, and investigating the causes of those that occur.

The patrol-work will be done by cooperation between the U. S. Forest Service, the State Forester, and either County Supervisors or the land owners. Two patrolmen paid by the Government, are to be employed on the same basis as last fall, in Smyth, Crayson, and Washington Counties, in the neighborhood of White Top Mountain. These districts were selected because the Douglas Land Company, of Marion, Va. and the Hassinger Lumber Co., of Konnarock, Va., owners of most of the land included in the patrol districts are cooperating by building a fire line 40 or 50 feet wide, along the top of Iron Mountain to prevent fires crossing the mountain. They are spending on this improvement work a sum at least equal to the patrolmen's salaries. Cooperation on this basis is offered to land owners or groups of land-owners anywhere in the State.

These Counties have appropriated \$200, \$175, \$75, respectively, for this year, to pay one half of patrolmen's salaries, the other one-half to be paid by the Forest Service.

Other Counties are now cooperating with the State Forester as to the details of the plan. There is still money available to pay about 20 more patrolmen this spring, and the good work can be continued thereafter if an appropriation is made by the Legislature to support the work begun by funds put at the disposal of the State Forester by the University of Virginia.

### Killed by C. & O. Train.

Buchanan, Va., Jan. 25.—Mr. Joseph Kenney, of Glen Wilton, a mail carrier on the rural route going out from Lock Run, was struck by Chesapeake and Ohio passenger train No. 32 eastbound, about 5:45 o'clock yesterday afternoon and instantly killed.

Mr. Kenney was returning to his home at Glen Wilton in his automobile when the accident which cost him his life occurred. He is survived by his widow.

### To Build a Highway.

Christiansburg, Va., Jan. 25.—The county board of supervisors met with a mass meeting of citizens of Christiansburg district today and decided to invite bids for the construction of the highway for which a hundred thousand dollar bond issue was authorized at a recent election.

## LOCAL ITEMS

Messrs. A. T. and C. C. Slomp, of Sugar Grove, were visitors to Marion Wednesday.

Miss Mattie Scott returned home last Friday after a month's visit to her sister, Mrs. Mary Sale, at Roanoke.

Miss May Lovelace, of Chilhowie, has returned home after a pleasant visit to friends and relatives in Saltville and Rich Valley.

Mr. D. V. Wolfe, one of the thrifty Seven Mile Ford farmers, was in Marion Wednesday and left his subscription for the News.

Mr. J. L. Dickinson, of Little Switzland, N. C. was here the first of the week, the guest of his parents Dr. and Mrs. S. W. Dickinson.

Rev. E. M. Harris left Tuesday for Saltville where he went to conduct a series of meetings. He will be assisted by Rev. J. C. Cox, of Grayson county.

Harvey Apperson, the Roanoke attorney, came out Monday on a business trip and to visit his mother, Mrs. John S. Apperson. He returned Tuesday.

See what Geo. F. Cook, executor of the late Geo. H. Philippi estate, has to say in this issue of the News. The sale takes place next Friday, the fourth day of February.

Mr. John S. Copenhaver, accompanied by his niece, Miss Sue Copenhaver, of Marion College went down to Bristol Wednesday to visit his brother, Mr. L. H. Copenhaver.

Messrs. J. T. Calhoun and S. H. Medley, of Sugar Grove, were in Marion Wednesday attending as witnesses in the preliminary hearing of the case of the Commonwealth against Joseph Baker.

Mr. J. W. Starritt, manager of the Marion Foundry & Machine Works, left Wednesday for the hospital at Roanoke. Mr. Starritt is afflicted with a heart trouble and his condition is serious.

Boys! Boys! Are you interested in them? Then come to the school house on Friday night at 7 o'clock. Frank C. Wood, former National Scout Commissioner, will speak to parents and public in general on the Boy Scout Movement. Come! Excellent music for the occasion.

Joseph Baker, charged the killing of Jackson Greer, near Sugar Grove, last week, was given a preliminary hearing Wednesday before R. T. Greer, Esq. The Commonwealth was represented by Geo. F. Cook and the prisoner by Messrs. Waddy and Goolsby. The case was sent on to the grand jury.

As we go to press we learn of the death of Mrs. Margaret Jane Lundy, wife of Glenn S. Lunday which occurred at her home on Broadway Wednesday night. She was nearly 37 years old and is survived by her husband and six children. The deceased was the eldest daughter of Mr. and Mrs. E. H. Davis. Funeral and burial will take place Friday.

Miss Verna Peery gave a birthday party to a number of her little friends Tuesday afternoon at 3:30. After a number of games refreshments were served. Those present were Misses Bessie Waddy, Bessie Mitchell, Louise Mitchell, Evelyn Anderson, Janie Anderson, Mary Copenhaver, Evelyn Sprinkle, Kathleen Gwyn, Francis Lincoln, Margaret Atkins, Helen Atkins, Mattie Preston Wassum, Katherine Eller, Bessie Hash, Francis Whitworth and Rosalind Peery.

Dr. George Stuart, of Knoxville, Tenn., one of the most noted conference speakers of the United States, addressed a very large and appreciative audience at the Court House last Monday afternoon at 3 o'clock. He spoke on Nation-wide Prohibition and it is needless to say that he knows how to handle his subject. He told of the great progress of Prohibition in the past few years and predicted a dry nation within the next ten years. Mr. Stuart is one of the most entertaining platform orators in the country and always gets a warm welcome and a big house when he comes to Marion.

The Woman Missionary Society of the Baptist held a special meeting Wednesday, Jan. 26th in the prayer-meeting room of the church. An interesting program with the Judson Continual Fund as its central thought was carried out, and good sum in cash and pledges raised.

Afterwards coffee and sandwiches were served.

The House by a vote of 49 to 44 passed the bill providing for the election of school trustees by the qualified voters of the districts.

The bill does not change the selection of teachers by councils of cities but takes from the district school electoral board the power of naming the school teachers.

The minority members all supported the bill which now has to run the gauntlet in the Senate.

The Home Economics Committee will have charge of the next meeting of the Womens' Club, Feb. 4th, which will be a public meeting. A novel feature of the program will be a contest describing or exhibiting time savers, labor-savers and money-savers for the home makers. The club will vote by ballot as to which of these devices is best and a prize will be given. In addition to this there will be a most interesting program of music and helpful papers. A chorus of children from Miss Helen Morris' classes will render two or three numbers. Mrs. Frank Copenhaver will give advice to house keepers; Mrs. E. H. Copenhaver, Mrs. J. C. King and Dr. Clark will also talk on vital subjects relating to this meeting is extended to all.

## The School at Greenwood

Forty five promising children, under two teachers—Mrs. Rebecca Wheeler and Miss Louise Miller—are now busily at work in the new school house at Greenwood.

The house—a very handsome, three room building, well equipped with modern school furniture, was turned over to the school the first of last week. Appropriate dedicatory exercises were held on the opening day. The meeting was presided over by the division superintendent of schools, and after a short address by him, very interesting talks were made by the principal of the school, and by practically all the patrons present. The exercises were followed by the service of the proverbial basket dinner for which the Greenwood ladies have always been famous.

The people of this community contributed very liberally to the expenses of erecting the new school. They have exhibited a splendid spirit of community enterprise; and now they richly deserve the for their children the blessings which the new school promises.

## Emory News Letter.

Emory and Henry College has always maintained an excellent standard of Public Speaking. This department has been one of the principal features since the foundation of the institution. There are scarcely any of the alumni but who can relate some of their Literary Society experiences and recall many pleasant memories of some speech which they made while in school at Emory. The Hermesian and Calliopean Literary Societies have always sent out men to the various sections of the country who have been able in a more or less degree to lead their respective communities in public speaking.

It is the desire of these Societies to promote the art of Public Speaking in all the high schools through out this section of the country. In pursuance of this desire there will be held at Emory and Henry College on February 22 an Inter-High School Declamation Contest under the auspices of the Hermesian and Calliopean Literary Societies. Any regular student from an accredited high school will be eligible to participate in this Contest. Letters have been sent out to the principals of all of the high schools in this section of the country urging them to this Contest. Already a large number of these high schools have responded and an excellent Contest is already assured. A medal valued at \$15.00 will be given to the winner in this Contest. Beside this the young man who is so fortunate as to win this trophy will have had the satisfaction of competing with the representatives of some of the strongest high schools in this section of the country. It is yet not too late for some of the high schools who have not signified their desire to enter this Contest to send in the name of their representative if they take the matter up at once. It is to be hoped that all of the high school men in this section of the country will co-operate in making this Contest one of the principal events of the year and thus encourage the cause of Public Speaking by creating an additional interest along this line among the high school students.

## Marion High School Junior League.

The Marion High School Junior League held a meeting on Tuesday, January 18th. In the future the League will hold its regular monthly meeting on the first Wednesday in every month.

The following officers were elected: President, Harry Tarter; vice president, Julia Higginbotham; secretary, Charles Lincoln; treasurer Josephine Anderson.

The League believes it has very capable officers. With these officers as leaders and the other members of the league to find with them the Marion High School Junior League hopes to accomplish some things worth while.

Wytheville.—It has just come to light that the postoffice at Barren Spring, in the extreme eastern section of this county, was robbed a few nights ago of \$253.18 in stamps and \$152.82 in cash. The office is an isolated building. Joseph Stephenson is the postmaster. The robbery was kept quiet, hoping to make an arrest of suspected parties but no arrests have been made, the clue failing.

## Copenhaver-Dutton.

On Sunday afternoon immediately after services at Fulton Church, near Groseclose, Miss Bonnie Dutton and Mr. Pearl Copenhaver were united in marriage. To the strains of the wedding march rendered by Miss Fisher, the bride and groom entered the church by the middle aisle. They were unattended. Rev. J. A. H. Shuler officiated, using the simple and impressive ceremony of the Methodist church. The bride wore a navy blue costume with accessories to match. Mrs. Copenhaver is the youngest daughter of Mr. and Mrs. W. J. Dutton, while the groom is the son of Mrs. P. A. Copenhaver. After congratulations they drove to the home of the groom, where a supper was tendered them.

## Parker's Branch.

We are having some nice weather at this writing. Mrs. R. J. Tilson was the dinner guest of Mr. N. A. Debord Sunday. Miss Virgie Williams is on the sick list at this writing. Misses Nannie Debord and Nannie Graybeal spent Thursday night with their friend, Miss Mary Williams. Miss Pearl Roten was a visitor on St. Clair creek Saturday. The Sunday School at New Bethel is progressing nicely. Mr. and Mrs. William Roland made a business trip to Chilhowie Friday. Our hustling merchant, Mr. C. B. Rouse, is doing a fine business. Oak Grove School is progressing nicely under the care of Miss Nellie Debord. Misses Gracie Williams and Lillian Grinstead were calling on Mrs. Belle Williams Sunday evening. Mrs. Cole and grandson were the guests of Mr. and Mrs. C. T. Rouse Sunday. Mr. Glenn Rouse made a flying trip to town Monday. Mrs. Edd Freeman was the dinner guest of her son, Mr. Will Freeman last Sunday. Quite a number of the young people of this community have been attending the meeting St. Clair Creek, conducted by Revs. C. T. Rouse and W. B. Wyatt. We are sorry to note that Mr. William Freeman has been on the sick list for some days. B. E.

When You Call At Our Drug Store

Mr. Robert H. Norris, No. 1333 Henry St., North Berkeley, Cal., writes: "We have never had any other medicine but Peruna in our home since we have been married. I suffered with kidney and bladder trouble, but two months treatment with Peruna made me a well and strong man. My wife felt weak and was easily tired and was also troubled with various pains, but since she took Peruna she is well and strong."

## Farmers Meet.

The Smyth County Farmers' Union met at the Court House last Saturday. The meeting was called to order by one of the district managers, Mr. Geo. A. Lambert, of Wythe county, who introduced Professor Hutchinson, of Blacksburg. After a few preliminary remarks on the importance of the Union and the cooperation of the farmers Mr. Hutchinson spoke largely on the benefit of silos. He showed from actual demonstration at Blacksburg that silo feed was cheapest and best for cattle. His second, and to our mind, the most important suggestion he made was the necessity of the farmers of every county improving the breed of their cattle and the way to do this was to select some leading strains, such as Short Horns, Herefords or the like and unite on this breed. He also advocated the appointment of a county agent for farm demonstration work, etc., the salary to be paid by the Board of Supervisors. Mr. Hutchinson was quite practical in his address which was appreciated by the farmers present. He was followed by Prof. Kegley, of Wythe county, who spoke on the educational feature of the farmers' work. In the afternoon the Union went into executive session. The attendance was representative but not large.

## Notice!

There will be a meeting of Gibson-McCreedy Camp, No. 65, at the Court House, on Saturday, Feb. 5, 1916. Members of the Camp are requested to attend as business of importance is to be attended to—election of officers and re-organization of the Camp. W. E. COPENHAVER, Lieut. Commander. W. P. FRANCIS, Adj.

## TRIBUTE OF RESPECT.

Whereas, on Jan. 18, 1916, God in His infinite wisdom removed from our midst our beloved member, Mrs. W. E. Repass. Therefore be it resolved,  
1st. That we the members of the W. C. T. U. of Atkins, Va., bow our heads to a wise and loving Saviour who doeth all things well.  
2nd. That in her death the Union has lost a faithful and consecrated member.  
3rd. That a copy of these resolutions be recorded in our minutes, a copy be sent to the bereaved family, and a copy be sent to our county papers.

**How Edward Can Draw.**  
Edward was showing Miss Brown how well he could draw a cow. As he drew, he glanced from time to time at a cow grazing in a nearby yard. "This is her nose," he said, drawing a curved line. "Here's her body," he explained, and after a look at his model he added another curved line. "Now here's her tail," and he placed a curved line opposite the so-called nose. As he held the finished drawing up for inspection, an embarrassed smile spread over his countenance. "Perhaps we'd better call it a pump," he said.—Youth's Companion.

**Nothing to Worry About.**  
The man who had been eating oysters of the half shell stopped long enough to eject a hard substance, which dropped to the floor and rolled under the counter. "What's that?" asked the man on the next seat. "A pearl!" And the other nonchalantly replied: "Nope; tooth!"—Judge.

**How Appendicitis Can Be Prevented.**  
Marion people should know that a few doses of simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, often relieve or prevent appendicitis. This simple mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. A short treatment helps chronic stomach trouble. Adler-ika has easiest and most thorough action of anything we ever sold. The Marion Drug Co.

**FOR THE SAKE OF OUR BOYS.**  
A mother having expressed her regret at the lukewarmness of a certain preacher on the prohibition question, received the reply, "But, my dear woman, it is not necessary to urge it. It is right and is sure to come. It may be twenty or, perhaps, ten years, but what matters a few years, more or less?" "What matters a few years?" replied the mother with deep feeling. "If your boy or my boy are to be among those who will be ruined in the saloons in these ten or twenty years, it would seem a matter of infinite importance how soon the liquor traffic was exterminated."

**The Habit of Taking Cold.**  
With many people taking cold is a habit, but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed—not ice cold, but a temperature of about 90°F. Also sleep with your window up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. Obtainable everywhere.

**White House Has No Code.**  
The White House, curiously enough, has no private code. A copy of each departmental code is issued officially to the secretary to the president, and on the rare occasions when a government telegram is sent directly by the president, it is coded in the departmental code best adapted to its nature and the addressee. Most of the president's official telegrams are sent in the name of the department concerned, the recent Lusitania notes, for instance, being signed "Lansing, Acting," and coded in the state department code.

**River Pilot Tells How Relief Came.**  
Louisville Steamboatman Describes Recovery Via Tanlac.  
Louisville, Ky., Jan. 27.—Capt. T. J. Oatman, one of the oldest and best known river pilots in Louisville, who resides at 308 South Sixth street, this city, adds his testimony to the hundreds of others in Louisville, who have gained relief by the use of Tanlac, Captain Oatman said:

"I have been afflicted with stomach disorders and catarrh many years. My condition became so serious that I lost my appetite, foods of a solid nature always causing great discomfort and pains in the abdomen. "My catarrh also became worse, and every damp, cool morning I would get up with a choking sensation in my throat and a fullness of my head. I coughed up mucus and went about sniffing most of the time. "I tried Tanlac and found it was the best thing I had done in many years, as it helped me from the first dose. My catarrh has virtually disappeared and my stomach is strong and feels right. I cannot praise Tanlac too highly."

Tanlac, the premier preparation, is now obtainable in Marion at D. M. Smith Drug Co.

**Would Connect Chicago With New York.**  
The Type Used in One Year to Publish the Endorsements of Doan's Kidney Pills.  
Of the many kidney remedies on the market today, none has been recommended like Doan's Kidney Pills. Thirty-five thousand benefited people testify in the newspapers of their own case. Forty-five hundred American newspapers publish this home proof of Doan's merit. The type used in one year to tell this wonderful story would make a solid column of metal twice as high as the world's highest mountain. Place end to end the lines of type would reach from New York to Chicago. These miles of good words told by 55,000 tongues sound glad tidings to any Marion sufferer who wants relief from kidney and bladder ills. Here's a Marion case. Don't experiment. Use the remedy endorsed by people you know. Miss Hallie B. Pannill, Broadway, Marion, says: "I had occasion to use a kidney medicine some time ago and as Doan's Kidney Pills were highly recommended, I got some. I found them to be a mighty good medicine. I gladly advise their use to anyone troubled with weak and disordered kidneys." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Pannill had. **GALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES**

"Dodson's Liver Tone" is Harmless To Clean Your Sluggish Liver and Bowels.  
Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.  
Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out" if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight on my guarantee. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

**Saved Girl's Life**  
"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught," writes Mrs. Sylvania Woods, of Clifton Mills, Ky. "It certainly has no equal for la grippe, bad colds, liver and stomach troubles. I firmly believe Black-Draught saved my little girl's life. When she had the measles, they went in on her, but one good dose of Thedford's Black-Draught made them break out, and she has had no more trouble. I shall never be without

**THEDFORD'S BLACK-DRAUGHT**
