Smyth Added To Disaster Relief List

County Must Now Get Federal Approval

Smyth County, along with seven other Virginia counties, today was recommended for disaster area designation which makes them eligible for Federal drought help.

The State Agriculture Mobilization Committee made the recommendation. The counties now will have to be considered and approved by the US Department of Agriculture before any actual aid is forthcoming.

A prolonged drought has made the cattle and sheep feeding situation acute in the county.

Virginia's Commission of Game and Inland Fisheries has gone on record as approving proposed legislation providing for a \$1 trip license for three days successive fishing by non-residents in publicly owned impounded waters.

I. T. Quinn, executive director, this week wrote James F. Tindall, chairman of a committee which appeared before the commission last week in regards to this matter. This Wednesday a letter was received from Mr. Quinn stating that this was granted.

The commission further approves of residents of one county being provided a trip fishing license in another county under the same conditions as such licenses are issued to non-residents of the state.

The commission accepted a proposal which provides for all year round fishing in all impounded public bodies of water within the state. This includes Hungry Mother Lake, South

Smyth Polls Will Open at 6 and Be Open for 12 Hours

Election points in Smyth County will open at 6 a. m. next Tuesday for the General Election, closing at 6 p. m. Anyone desiring to vote may do so at anytime between these hours, election officials announced this Thursday morning.

Voting in the various precincts will be at the usual places, except as follows: Broadford; Voting at Broadford will be in the new county erected building for this purpose. Voters at Atkins are to go to the new Smyth County Produce Building, Rt. 11, instead of the school, the place for voting last year.

W. RAY ROUSE

W. M. SCLATER JR.

Smyth County citizens next Tuesday will go to the polls to pick their House of Delegates member and indicate to the state their preference for governor, lieutenant governor and attorney general.

A record off-year vote is expected. Incumbent W. Ray Rouse is the Republican's choice for the house post, while the Democrats have picked W. M. Sclater Jr. as their candidate.

With only one county office at stake, politicians have put all their efforts behind their respective candidates. Last minute plans by each party began to unfold late this week. The drive this year by each party has followed definite trends.

The Democrats have based their platform on sending a member of their party to Richmond, stating in all their campaigns that a member of this party can secure more benefits for Smyth than a Republican.

A minority member, they claim, cannot be of great benefit to the county, being unable to get on any important commissions. The Republicans have driven hard on breaking up the what they term "air tight machine government" of Virginia by sending Republicans to Richmond. They have defended their candidate by pointing out road and state hospital achievements in the county during his tenure of office, as compared with that of previous Democrats who have served as Smyth's delegates. They also have worked on unseating the Democrats for what they term a "Two Party System" of government for Virginia.

Both candidates are natives of Smyth County and are well known throughout the county. Their family and old family friend connections are expected to result in much "crossing the line" voting. Both are business men and have records of honesty and interest in civic affairs.

Jaycees To Sponsor Vote Plan Tuesday

Car, Baby Sitting Services Offered

The Marion Junior Chamber of Commerce, newly organized, is taking on a project of helping voters get to the polls next Tuesday as one of its first civic jobs.

Bill Hubble, president of the Jaycees, announced this week that the group is organizing a car pool and baby sitting service for those who desire this type of help in getting to the polls.

"We will have automobiles ready throughout the day for those who cannot get to their respective voting places in Marion, Hubble announced. This service will be free. In addition, we will have women on duty throughout the day to baby sit while mothers vote. This baby sitting service will be available for homes, or in automobiles while mothers go to the voting places."

Anyone desiring either or both of these services is asked to call 3-5821 and a vehicle will be dispatched at once.

In addition to this service, the Jaycees are having printed lapel cards which will be placed on those who vote, stating that they have done so and asking others to go to the polls during the day.

"We firmly believe that it is a responsibility of each and every eligible citizen of our nation to cast his or her vote." Pat Jennings, chairman of this committee in charge stated, asking all to go to the polls some time during Tuesday.

Marion Chest Campaign Hits \$4,000 Mark

Half of Workers Turn in Reports

About \$4,000 has been turned into the Marion Community Chest drive, Thad Harris, campaign chairman, reports.

Only 50 per cent of the solicitors have been heard from, however, and Mr. Harris feels there is still a fighting chance of reaching the \$9,963 quota.

Twenty out of 33 teams making the difficult house to house canvass have reported to the Junior Woman's Club chairman. All captains are urged to check their teams and get complete reports to Mr. Harris within the next week.

Halloween Carnival Planned for Marion Recreation Center

A big halloween carnival will be held at the Marion Recreation Center Saturday night starting at 7:30 o'clock.

There will be free prizes given for the best dressed boy and girl. A program of games will follow the judging of the costumes with prizes given to the winners of the games.

Refreshments will be served by the Junior Woman's Club. The games that will be played include bingo, dart throwing, apple bobbing, fortune telling, and the ghost house.

All children are invited to attend the big halloween carnival, Jack Musten stated this week.

HEY, KEEP MY FEET OUT OF THAT STUFF — D. W. Conner and his son, Harold, Sniders Branch, near Marion, along with all farmers of Smyth County this week welcomed the long due rains to this area. Working around in the barn they noticed a young pup who was just a little bit befuddled about the whole matter. "That stuff is supposed to be in a creek or watering pan. What's it doing coming down out of the skies?" appeared to be his ideas. Hovering in the barn with Mr. Conner and his son, the drenched pup didn't like it at all when attempts were made to put his feet in a mud puddle.

LIFE IN SMYTH COUNTY

Ray Rouse Is Vice President of Club

Howard Williams

Howard Williams this Tuesday night was elected president of the Marion Kiwanis Club to succeed Dr. Emmett Richardson.

W. Ray Rouse is the new vice president, and directors are Dr. O. O. Smith, John Fisher, James W. Ritter, E. G. Lauridsen, Robert C. Wolfenden, W. A. Wolfe and Dr. Charles G. Thompson.

The election was the principal business of the weekly meeting held at Hotel Lincoln.

Smyth Farmers To Attend Farm Bureau Federation Meeting

A group of farmers from Smyth County will join farmers from all over Virginia in Richmond this Sunday, Monday and Tuesday for the 29th annual convention of the Virginia Farm Federation at the John Marshall Hotel. Smyth residents planning to

Telephone Board Is Knocked Out At Sugar Grove

The Sugar Grove switchboard of Inter-Mountain Telephone Company last Thursday evening was knocked out by a probable slow short which was too weak to blow fuses.

Repairmen were rushed to the plant shortly after 4 p. m. when the 30 line circuit went out. Working all night, service was restored by 8 p. m. Friday.

The new switchboard was completely out, and the old one was put into temporary service until new equipment can be secured.

STALEY TO SPEAK AT METHODIST MEETING

Dr. Stewart Staley of Marion will be guest speaker next Wednesday night at 7:30 o'clock at the closing study session of the Women's Society of Christian Service at Grace Methodist Church.

The group is concluding a series of studies on "That the World May Know." The public is invited to this final meeting.

attend are Mr. and Mrs. H. D. McClellan, Thomas Bridge; Mr. and Mrs. Paul McKee, Chilhowie; Harold Walker, Seven Mile Ford; C. T. DeBusk, Rich Valley, and Mr. and Mrs. C. B. Atwell, Nebo.

The program this year features Gustave Burmeister, association director of foreign agriculture service, USDA; Parke C. Brinkley, state commissioner of agriculture; M. R. Clarkson, agriculture research administrator, USDA; Walter Potter, publisher, Culpeper Star-Exponent; Mrs. Albert Paulsen, first vice-president of the Associated Women of the American Farm Bureau Federation, from Wilder, Idaho; and the annual banquet speaker for the night of Nov. 5, Roger Fleming, American Farm Bureau Federation secretary and treasurer.

Senator Warren

Holston and Claytor Lake of this area. However, Hungry Mother is under the control of the Division of Parks and it will be necessary to work out an agreement with this service for the year-round fishing idea.

Senator George W. Warren of Bristol wheel horsed the case for these proposals last Friday at the annual public meeting of the commission in Richmond.

The next non-resident license step to be taken will be the passage of a bill during the coming session of the General Assembly making it legal to issue the trip permit. With the commission going on record as approving such, it is highly probable that such will be done and the new law could be effective next fishing season.

Senator Warren headed up the group of spokesmen last Friday at the Richmond meeting, urging such a permit in order to "be able to take our friends out fishing without having to pay \$10 for just wetting their lines."

The senator, known to all the commissioners and an old hand in Richmond, also was given authority by the commission to seek a settlement of the Tennessee-Virginia reciprocal agreement whereby Tennessee fishermen could use their state license for fishing in Virginia waters of the South Holston and Virginia fishermen would be accorded the same privilege by Virginia.

"That body of water resulted from national improvements, with neither state spending any money on its upkeep and care,"

Bids for Work On Sugar Grove Road Slated for May

Bids for work on improvement of Rt. 16 between Marion and Sugar Grove probably will be received next May by the Virginia State Highway Department providing not too much trouble is experienced in securing rights of way, it was learned in Smyth County this week.

W. M. Sclater Jr., candidate for the House of Delegates, announced that he had received information from Commissioner J. A. Anderson concerning this project.

As a result of a number of inquiries about this road, Mr. Sclater stated that he had contacted Mr. Anderson directly with the request that the people of Sugar Grove community wanted to know about when the improvement would begin.

"As I traveled about in that area, most everyone asked me about the project," he said. "As a result, I called General Anderson about the matter, and he wrote that the bids probably would be let in May, providing securing of the right of way did not experience too much trouble."

The plan calls for the widening of the highway up Sugar Grove Mountain for about four miles.

WHEREAS, pursuant to the provisions of chapter 369 of the Acts of the General Assembly of Virginia, 1946, Section 15-779 of the Virginia Code of 1950, as amended, known as "The Virginia Land Subdivision Act," the Council is empowered to provide the regulations herein-after set forth for the subdivision of lands within the corporate limits of the Town of Marion, and within a distance of two miles therefrom, into lots, streets and alleys; to provide for making, approving and recording plats of such subdivisions; and making violation thereof a misdemeanor and fixing penalties for such violation.

WHEREAS, notice of the intention of the Council to adopt said regulations has been published, as required by said law; and

WHEREAS, the Board of Supervisors of Smyth County was duly notified in writing on Oct. 20, of such proposed regulations and of the intention of the Council to adopt the same, and requested to review and approve or disapprove the same, as provided by law; and

WHEREAS, said Board of Supervisors has approved (or disapproved) such proposed regulations; (or said governing body has failed to notify the Council of its disapproval of the same within the limit prescribed by law). Now therefore BE IT ORDAINED by the Council of the Town of Marion;

1. Plat required. Whenever the owner or proprietor of any tract of land lying within the Town of Marion or within a distance of two (2) miles from the corporate limits thereof desires to subdivide the same he shall submit two (2) copies of a plat of the proposed subdivision to the Town Engineer of the Town of Marion.

2. Contents of plat. Every such plat shall contain adequate and sufficient references to known or permanent monuments, the title or name under which the subdivision is to be recorded, date, north point, scale shown graphically and by lettering, street names and the exact width of all easements, streets and alleys.

3. Easements. In platting, Every such plat shall be prepared by a surveyor or civil engineer duly licensed by the State of Virginia, who shall endorse upon each such plat a certificate signed by him setting forth the source of title of the owner of the land subdivided and the place of record of the last instrument in the chain of title. When the plat is of land acquired from more than one source of title, the outlines of the several tracts shall be indicated upon such plat.

4. Statement of consent to subdivision, execution, acknowledgment and recordation. — Every such plat, or the deed of dedication to which the plat is attached, shall contain in addition to the surveyor's or civil engineer's certificate provided for in this ordinance, the effect that the above and foregoing subdivision of (here insert a correct description of the land subdivided) as appears in this plat is with the free consent and in accordance with the desire of the undersigned owners, proprietors and trustees, if any. This statement and the deed of dedication shall be signed by the owners, proprietors and trustees, if any, and shall be duly acknowledged before some officer authorized to take acknowledgment of deeds. When thus executed and acknowledged the plat and the deed of dedication to which the plat is attached, subject to the provisions of this ordinance, shall be filed and recorded in the Clerk's Office of Smyth County, Virginia and indexed under the names of the owners of such land and under the name of the subdivision. Within thirty (30) days after recordation such owner or proprietor shall file a copy of the approval plat with the Commissioner of Revenue of Smyth County, Virginia.

5. Extension of streets and street names. As far as practicable all streets shall be continued and made to connect existing and future streets into prospective subdivision without offset. Streets so extended shall bear the same name.

6. Street and alley minimum width. All streets shall have a minimum width of fifty (50) feet. Alleys at the rear and side of lots otherwise served by streets shall have a minimum width of twenty-four (24) feet.

7. Street and subdivision names. Existing local street and subdivision names shall not be duplicated.

8. Public Utility easements. Adequate and sufficient public utility easements upon reasonable and usable locations to permit service to the entire subdivision and to prospective subdivisions of adjoining lands shall be dedicated to public use by appropriate provision on the plat or by the deed of dedication to which the plat is attached.

9. Variances. Where a subdivision can show that a provision of this ordinance would cause an unnecessary hardship if strictly adhered to, and where because of topographical conditions peculiar to the site, in the opinion of the Town Engineer and the Street Committee of the Council of the Town of Marion, a departure may be made without destroying the intent of any provision of this ordinance, the Town Engineer and Street Committee may authorize and approve a variance. Such variance so authorized and approved shall be reported by the Town Engineer and Street Committee to the Council of the Town of Marion at its next regular meeting and entered in the minutes of the Council meeting.

10. Approval or disapproval of plat and deed of dedication. Within thirty (30) days after submission of such plat and deed of dedication to which the plat is attached, the Town Engineer and the Street Committee or the Council of the Town of Marion shall meet and approve or disapprove such plat and deed of dedication; such action shall be shown on the plat and deed of dedication by appropriate endorsement signed by the Town Engineer and by the chairman of the Street Committee.

11. Submission and approval or disapproval of plat and deed where Town Engineer is not available. In the event of a vacancy in the office of the Town Engineer or any other reason whereby he is unable to act, such plat and deed of dedication shall be submitted to and approved or disapproved by the Street Committee.

12. Filing and recording regulations. A certified copy of these regulations shall be filed in the Town Engineer's office and in the Clerk's Office of Smyth County, Virginia.

13. Approval of plat prerequisite to recordation. No such plat of subdivision shall be recorded unless and until it shall have been submitted and approved in accordance with the terms and provisions of this ordinance.

14. Violation a misdemeanor. Any owner or proprietor of land who subdivides that tract of land and who violates any of the provisions of this ordinance shall be guilty of a misdemeanor, punishable by a fine of not less than ten (\$10.00) dollars and not more than Two Hundred Fifty (\$250.00) Dollars, and each day after the first during which violation shall continue, shall constitute a separate violation.

15. Proceedings to prevent violation. In case of any violation or attempted violation of the provisions of this ordinance, the Town of Marion, in addition to other remedies, may institute any appropriate action or proceedings to prevent such violation or attempted violation to restrain, correct or abate such violation or attempted violation, or to prevent any act which would constitute such a violation.

16. Effective date. This ordinance shall be in effect from and after its adoption.

On motion duly seconded and adopted the foregoing proposed subdivision ordinance shall be given by publication of said proposed ordinance, and this notice, once a week for two successive weeks commencing October 22, 1953 in the Smyth County News; all persons affected may appear before the Council of the Town of Marion in the Council Room of the Municipal Building, Marion Virginia, at 7:30 P. M., November 20, 1953 and present their views.

H. P. GILLS, Recorder
On motion duly seconded and adopted, it is further ordered that the Board of Supervisors of Smyth County, Virginia be forthwith notified in writing with a copy of the foregoing proposed subdivision ordinance attached, by the Town Engineer and that the said Board of Supervisors be requested to review and approve or disapprove the same.

Shakers Will Face Leading Richlands

The annual Saltville High School homecoming football game with the attendant gay festivities will be held November 6, when the undefeated Shakers will face the district leading Richlands team in one of the biggest gridiron tilts of the district.

At the present the Shakers have won five games and have not been defeated, and the Richlands eleven is boasting of a standing of six wins and no defeats.

The parade will feature about 15 floats, and three bands are expected to be on hand for the occasion. Starting from the high school at 5:15 p. m. Friday afternoon, the parade will continue down through town. J. C. Smith has been appointed parade marshal.

At the half time of the football game a homecoming queen will be crowned, and her court will be presented. The queen will be chosen from the senior class as will her

Hospital Auxiliary In Saltville Makes Curtains for Nursery

The Thomas K. McKee Hospital Auxiliary held its October meeting at the town hall Wednesday.

The president, Mrs. C. C. Hatfield, was in charge. The meeting was opened with prayer and the treasurer, Mrs. Lloyd Watson, gave a report on the finances.

Mrs. J. A. Soyars, chairman of the production committee, reported that the nursery curtains and ruffles for the nursery baskets have been made. She also advised that much mending was needed to be done and it was suggested that the mending be taken to the homes of those willing to help.

The children's committee was asked to plan something for the hospitalized children at Halloween.

Mrs. Howard Sauls was appointed to buy five smoking stands for the hospital corridors.

A number of ash trays were donated to the hospital and several members reported taking magazines.

The finance committee was asked to plan a food sale for November.

Saltville Community Chest Goal to Be Reached This Year

E. E. Diggs, chairman of the Saltville Community Chest drive, stated this Thursday morning that the budget of \$5,200 would be met in the drive that ended Oct. 24.

Although all workers have not turned in their reports, Mr. Diggs said that the drive was a great success. He urged all workers to turn in their reports at the earliest possible date.

Mr. Diggs said that everyone had helped greatly to make the drive a success. He said that no definite figure could be given at this time.

Mrs. Doris Griffiths is hostess to UDC. The Saltville Preston Chapter, UDC, met last Wednesday at 3 p. m. at the home of Mrs. Doris Griffiths.

The meeting was opened in ritualistic form by the president. A letter was read from Mrs. Annie Allison, a delegate to the state convention in Alexandria. Her report will be given later. Miss Mary McNew reported that she had not as yet found a book suitable for the school essays.

A musical program was then given. A paper, "Songs of the War Between the States", was given by Mrs. Enoch Fry. Members sang a number of Southern songs, accompanied at the piano by Mrs. W. W. Brickey. A discussion followed on southern music. Members expressed the desire to try to have more southern music used in the Saltville schools.

The November meeting will be with Mrs. Mary Spence and Miss Claudine Cahill as leader. The hostess served refreshments. Eight members and one visitor were present.

Robertson Is Returned On Check Charge

1949 Case to Be Tried Nov. 4

Harry Benard Robertson, charged with forgery of a check for more than \$200 in 1949, recently released by federal authorities from time served on a bank robbery charge, will be among those tried in felony Circuit Court in Marion beginning Nov. 4.

Robertson is charged with giving a local business firm a forged state government payroll check. At that time he had just been released from the state penitentiary, where he worked in the print shop. Government payroll checks are printed at this plant.

He recently was released from the federal pen at Fort Leavenworth, Kan. He was brought to Marion by Sheriff Pat Jennings and is being held in jail here pending trial.

Another old case was cleared from the books this Monday. William Cole and Robert Cole, brothers, pled guilty to breaking and entering the store of Noah Pennington at Konnarock April 9, 1951.

Deputy Jim Richardson this past Sept. 28 arrested William at his grandfather's home at Konnarock. The next day he arrested Robert, the older brother, at Jefferson, N. C., where he was visiting his uncle. Both youths pled guilty and their cousin, Annin Cole, is still at large on the same charge.

The brothers were given three years each on the charges, with probable probation scheduled after investigation.

Other guilty pleas heard Monday included:

Sam Atkins, Saltville, charged with forgery. Atkins was charged with giving a check to Jennings Motor Co., Sept. 14, this year, amounting to \$20, signing the name of D. T. Wimmer. He told the court that he was drinking that night and didn't realize what he was doing. The payment was for a towing job. The man told the court that he would like to go straight and continue making a living for his family.

He was given one year, with probable probation, pending investigation by the probation officer.

Two juveniles, charged with breaking into Mathieson General Store at Saltville, pled guilty and will be sentenced Wednesday, Nov. 4.

All felony cases ready for trial will be cleared beginning next Wednesday, while misdemeanor cases are set to begin Thursday, Nov. 12.

Alc J. G. Buchanan Receives UDC Award

Alc John Gatewood Buchanan was recently awarded the UDC Service Medal for military service in the Korean conflict

while serving with the 49th Fighter Bomber Wing and the 49th Communications Squadron. Alc Buchanan is the son of the Rev. and Mrs. G. Sexton Buchanan, Waynesboro, and the grandson of John Gatewood Buchanan of Rich Valley.

After serving in Korea for one year, Alc Buchanan returned to Charleston, Maine, where he was honored by being chosen Airman of the Month. He was attending King College of Bristol when he enlisted.

Edwards to Speak In Marion Friday Night

Horace H. Edwards, democratic leader, will speak at a meeting this Friday night at 7:45 p. m. at the Smyth County Courthouse, says Brodie Thompson, Smyth Democratic chairman.

Mr. Edwards will also be a guest at the meeting of the Marion Rotary Club.

Mr. Edwards was a candidate for the democratic nomination for governor in 1949, mayor of the City of Richmond from 1946 to 1948, a member of the Virginia House of Delegates, 1934, 1936 and 1938 regular sessions and special session of 1936, chairman

of the state Central Democratic Committee from 1940 to 1948, campaign manager for Roosevelt in 1936, general director of the campaigns in 1940 and 1944, city attorney for Richmond 1938-1946 and has served on many advisory committees.

Democratic officials point out that he is one of the most able speakers in the Democratic party. He will be speaking in support of the state Democratic candidates and of the candidacy of W. M. Sclater Jr. for the House of Delegates. He is being sent to Marion by the State Central Committee.

Greear States That It Isn't Fair To Swipe His Pictures

Dave Greear of Marion thinks that there is a thief or thieves in this section who

Mr. Greear last Friday night had one of his high priced cameras stolen from his car while at the opening game at the new stadium in Marion. Valuable undeveloped film also was snatched.

"The camera was insured, but I lost my undeveloped film," Greear reported to police. "And they also took film of the District Lions Club meeting that afternoon here in Marion."

The theft all started from a request for a panoramic picture of the stadium, reproduced elsewhere in this issue of the Smyth County News. Greear took his regular camera and film to his car, parked in the parking lot, and picked up a special camera for the wide shot of the entire field. He was gone about 15 minutes. Upon his return he found that his regular camera and flash attachment, amounting to about \$500, and the exposed film was gone.

"The flash attachment was not insured and the pictures are gone forever," the unhappy photographer told officers.

The thieves also made away with a large amount of clothing from the car of Harold Louthen, former citizen of Marion, now living in Lebanon. Mr. Louthen and his wife had come over for the week end and left their clothing in their car, being anxious to see the kick-off. "They really cleaned us out," the visitor stated.

Officers are investigating and state that a roving patrol will be on duty at the parking area in the future.

175 Lions Gather In Marion For District Meeting

An estimated 175 Lions from District 24-A, Lions International, gathered in Marion last Friday for their fall conference.

The all-day meeting was climaxed by a banquet at the Community Center, where John L. Stickley of Charlotte, N. C., third vice president of Lions International, gave an address entitled, "What Is Stronger

than a Lion." Toastmaster was Wait Massey of the Marion club.

Other activities included a cabinet meeting held by District Governor Gordon F. Ruble of Pearisburg, a luncheon meeting for Lions at Hotel Lincoln and a luncheon meeting for the

Lionesses at the Virginia House Restaurant. The business meeting took place at 2:30, and a social hour was held at 6 p. m., both at Hotel Lincoln. The Marion Lions Club was host to the meeting. Fifty-four clubs in Western Virginia are in district 24-A.

VOTE REPUBLICAN FOR ... FAIR GOVERNMENT BY THE PEOPLE

We Tell The People Where We Stand!

TED DALTON
Candidate
for Governor

Among the points in our program we ask:

For repeal of the poll tax as a prerequisite to voting.

For election laws and Attorney General rulings which are fair to all—and not to favor "organization control."

For election of School Board Members either by the people or by the governing bodies of the Counties.

For removal of judges from politics by transferring their appointive powers to governing bodies of localities.

For a \$2,500.00 minimum salary for degree teachers with annual increments of \$150.00 per year for 8 years, and an increased teachers scholarship program.

For an optional rental system for school text books which will result in the approximate saving of \$8 or \$10 per pupil per year.

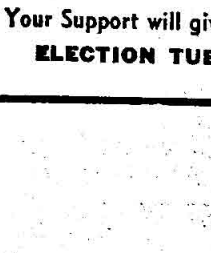

For measuring up to our responsibilities in the care of our mentally ill and those afflicted with tuberculosis.

For increasing and expanding the industrial development of Virginia, as a means of raising the per capita income in Virginia from 20% below the U. S. average to at least the National level.

For a progressive, yet sound program which will be responsive to the needs of the people, and we promise to measure every problem by one yardstick: IS IT GOOD FOR VIRGINIA?

ELECTION TUESDAY, NOVEMBER 3, 1953

LET'S GIVE THE PUBLIC A BREAK

Ted Dalton, candidate for Governor, and Ray Rouse, candidate for the House of Delegates, are better qualified to serve the interests of the people of Smyth County and Virginia than the candidates for the opposition party.

Ted Dalton and Ray Rouse will not go to Richmond committed to fulfill political obligations to an organization which for years has given the people the government the leaders desired instead of the government the citizens of the State wanted.

Let's put an end to this domination by a small group which makes all the decisions and then has rubber stamped candidates carry out these decisions, running roughshod over the desires of the General Public — which is you, MR. AND MRS. VOTER.

Support An Experienced Legislator W. RAY ROUSE

CANDIDATE FOR HOUSE OF DELEGATES SOLICITS YOUR SUPPORT

Smyth County has secured better roads while Ray Rouse has been in the General Assembly. Great improvements have been made in the hospital while Ray Rouse has been in the General Assembly. Has Smyth County accomplished any more under a Democrat? He is able, honest, conscientious and experienced. His record has been one of achievement. He is known and respected in Richmond. He will fight and work for Smyth County.

FISHING

(Continued from page 1)

Mr. Warren stated, "We who live near the state line in both states would like the privilege of having our friends from the bordering state fish with us.

It would be to the advantage of both states and would help us all. There is no need for my being confined to one section of the lake, while my friend who happens to live just across the state line is forced to fish on his side. We are not two nations, but two friendly states, with thousands living

along the state line as friends who like to go out for a day of recreation and healthful exercise."

The senator this week stated that he is going to work with Tennessee authorities in an effort to arrange for this agreement. Such a plan now exists between Virginia and North

Carolina in regard to the Buggs Island impoundment, which lies in both states.

Action on the \$1 permit for out-of-state fishermen came as the result of efforts on the part of several interested citizens of Smyth County.

Recently the Marion Chamber of Commerce called a meeting to make plans for appearing before the commission, inviting others from this section to participate.

Delegates from Bristol, Washington County and Smyth County attended the meeting at which time a committee was selected to present the recommendations.

Pulaski Chamber of Commerce and the Virginia State Chamber of Commerce were next contacted and in turn joined the group. Pulaski had been working for several months on the same proposition, holding that nearby Claytor Lake is a great tourist attraction, and would attract thousands each year if they could secure a trip permit to fish.

The State Chamber of Commerce supported the move. Dick Gillis, public information and tourist representative of that organization, at the Richmond meeting pointed out that Virginia's tourist business today is the third largest in the state.

"We today have a tourist business of more than \$600,000,000," he told the commission. "Some day within the near future we hope to build this up to a billion dollar business. Fishing is a great attraction and if we can offer our visitors a trip license it will be of great benefit in attracting other people to our state."

Sheriff Pat Jennings of Smyth County and Tindall also spoke on the matter, with Senator Warren making the opening and closing remarks.

Other delegates to the meeting included Cel. Robinson, Marion; Game Warden Ernest Yeatts and Wheeler Farris, Washington County, and Harold L. Grogan, manager, Pulaski Chamber of Commerce.

Price? Would You Believe It? You Can Own A Packard CLIPPER FOR

\$2633⁰⁸* delivered in Chilhowie and Marion

From the time it was introduced, the new CLIPPER made news

It made news because of quality—real Packard quality that thousands of buyers instantly recognized as meaning more fine-car features for their dollars. Ask the man who owns one! It made news because of modern contour styling that gives you a better view of the road—ahead, behind, and to each side.

It made news because of the sparkling, smooth-flowing stream of power from its famous Packard engine. Packard has a world reputation as a builder of fine engines. You've

heard of Packard engines ever since you took your first car to heart.

No power like this power
It made news because of power shifting. Packard-designed and Packard-built ULTRAMATIC is generally conceded to be the smoothest, sweetest, safest, surest power shifter available today. And it is used on Packard-built cars exclusively. (Optional at extra cost.)

The new CLIPPER made news for many other reasons, too—not the least among them: its spontaneous public acceptance. Don't let the big type about "best

deal in town" fool you. A best buy is another matter, and the best directions we can give you for finding such a buy is to look up your Packard dealer.

Do that, and you're where the "best deal" is!

Do that, and you'll see for yourself how the new CLIPPER gives you more fine car features per dollar because Packard builds it.

*CLUB SEDAN delivered in Chilhowie or Marion. Plus state and local taxes, if any. Optional equipment including white sidewall tires, extra. Prices may vary slightly in nearby communities due to shipping charges.

BBC Shows Profit Of \$157,238 For Nine Month Period

Net profits of the Brunswick-Balke-Collender Company and its Canadian subsidiary for the nine months ended September 30, after provision for Federal taxes on income, amounted to \$157,238, equivalent to 15 cents per share of outstanding common stock after deducting dividends declared on the preferred stock.

Net profits for the comparable period of 1952 were \$343,619, or 56 cents per share of outstanding common stock.

Consolidated net sales for the nine months ended Sept. 30, were \$23,062,190, compared with \$19,009,058 in 1952, an increase of 21 per cent.

Significantly higher sales under defense and other contracts accounted for most of the increased volume during the first nine months of 1953 as compared with the corresponding period of 1952. However, the margin of profit in these product lines is appreciably lower than that on regular commercial products and is reflected in the operating results for this period. Also contributing to the lower net profits for the nine months ended Sept. 30, were various expenses incident to the development and introduction of the new line of school furniture.

Wreck Victims Are Recovering

Roger Stone and Ray Hall, who were injured in an auto accident near Trout Dale last week, were reported to be recovering at the Marion General Hospital. Hospital officials reported that the Stone boy has greatly improved and that Hall can talk and eat. Stone suffered a liver injury in the accident, and Hall suffered a head injury.

Obituaries

Raymond Dandridge
 A graveside service was held Tuesday at the Round Hill Cemetery for Raymond Dandridge, brother-in-law of S. E. McClanahan of Marion, who died in a Bluefield, W. Va. hospital last Friday.

The Rev. C. A. Davis, pastor of John Steward Methodist Church of Bluefield was in charge of the service. He was assisted by the Rev. W. S. Golden, pastor of the Mount Pleasant Methodist Church of Marion.

John Henry Sims
 John Henry Sims, 68, died Monday morning at his home on Virginia Avenue in Marion.

Funeral service was conducted this Thursday at 2 p. m. at the Nazarene Church in Marion by the Revs. C. H. Strong and Raphaelse. Burial followed in Round Hill Cemetery, Marion.

He is survived by his widow; three sons, Edd, Fremont and James, all of Marion; five daughters, Mrs. Steve Sims, Pageton, W. Va.; Mrs. C. T. Hutton, Staunton; Mrs. R. E. Corvin, Denver, Colo.; Mrs. G. F. Umberger, and Mrs. J. D. McGrady, Marion; two brothers, W. A. Simms, Marion, and Robert Sims, Anawalt, W. Va.; one sister, Mrs. A. G. Groseclose, Marion; 33 grandchildren, and 17 great grandchildren.

Mrs. C. B. Wohlford
 Funeral for Mrs. C. B. Wohlford, 72, was held last Sunday at 2 p. m. at the Ebenezer Lutheran Church, Marion, with Dr. John H. Fray and Dr. Primitivo Delgado in charge.

Burial followed at St. John Cemetery, Wytheville. Mrs. Wohlford died last Friday morning at Marion General Hospital.

Mrs. Wohlford was the former Mattie Umberger, the daughter of the late Charlie and Sarah Umberger. She was born in Wythe County Sept. 7, 1881, and was a member of St. John Lutheran Church during her childhood.

Before her marriage she taught in the Wythe County schools.

She and Mr. Wohlford were married Dec. 24, 1905. She was a member of Holy Trinity Lutheran Church in Wytheville until the family moved to Marion 33 years ago. She became an active member of the old Marion Lutheran Church, which later became Ebenezer Lutheran, and continued to take a leading part in church affairs until she became ill about 12 years ago. She was made a life member of the Woman's Missionary Society of the United Lutheran Church in honor of her long and faithful service.

Survivors include her husband; four sons, Fred Wohlford, Marion; Clarence Wohlford, Randeman, N. C.; William Ellis Wohlford, Princeton, W. Va., and Ralph L. Wohlford, Christiansburg; two daughters, Misses Lillian and Pauline Wohlford, both Washington, D. C.; two brothers, Dr. Ellis Umberger, Bristol, and John W. Umberger, Wytheville; two sisters, Mrs. B. E. Petrea, Rural Hall, N. C., and Mrs. J. Frank Kinder, Rural Retreat, and eight grandchildren.

W. D. Branham
 W. D. Branham, prominent Southwest Virginia realtor, died unexpectedly at his home in Saltville Monday afternoon.

Funeral service was conducted at 2 p. m. this Thursday at the Madam Russell Methodist Church by the Rev. J. W. Hammer. Burial followed in Knollkreg Cemetery in Abingdon.

Mr. Branham had been a resident of Saltville since 1931. He was chief of the Saltville police for 18 years, after which he went into the real estate business. Before moving to Saltville, he was a deputy sheriff of Washington County and a farmer.

He is survived by his wife, the former Elizabeth Hayder; three daughters, Miss Reba Branham, Emory and Henry College; Miss June Branham, Radford College, Mrs. Rhea Moore Jr., Tazewell; two sons, S-Sgt. G. C. Branham, with the US Air Force in Alaska, and Leo H. Branham, Portsmouth.

Also surviving are his mother, Mrs. J. P. Colley, Bristol; four brothers, Horace Branham, Radford; H. S. Branham, Lake Arrowhead, Calif.; Guy and Noah Branham; four sisters, Mrs. Jack Newsome, Jacksonville, Fla.; Mrs. George Wynne, Brooklyn, N. Y.; Mrs. L. M. GIRLS JR. Y float showing the goddess of mercy turning thumbs down on the Midgets' homecoming parade in Marion.

THE FORENSIC CLUB'S "It's in the Book" float took first place in the high school division of the homecoming parade in Marion last Friday.

MARION HANDLE MILLS' Smoke Ring barbequed Midgets took second place in the town, civic and industry division of the Marion homecoming parade.

A record crowd of about 5,000 attended the opening night of the new Marion athletic stadium.

The stadium was made possible by donations from citizens of the community, with a group of civic leaders conducting a campaign to raise money for the \$45,000 plant.

Swarms of jubilant high school students and their friends filled the field for the opening night, the homecoming celebration beginning early in the afternoon and continuing through the game that night.

"This is what we have been looking forward to for years," Quincy Calhoun, one of the

leaders in the drive for the stadium stated opening night. "We now have an athletic plant which all Marion can point to with pride. It is a long step forward in providing our youth with wholesome entertainment and sports. And we old folks will enjoy the stadium also. We are proud of the citizens of Marion and their aid in building the stadium."

The seats and other permanent fixtures have not been completed. Dedication ceremonies will be held when this is done. The new stadium, with ample playing fields, parking space and plenty of room for future expansion, is located to the rear of the new school.

Float Winners Are Listed by Officials

Six float winners for the Homecoming Day parade last week have been announced by officials, with Burlington Mills, Marion Plant, taking first place in the town entries and the Literary and Forensic Club taking first in school entries.

Last week's parade was one of our most successful and I want to thank everyone who took part in the event," Joseph R. Ervin, band director of Marion schools and organizer of the parade, stated this week. Mr. Ervin said that he wanted to thank all entrants town, county and state police, judges and business firms donating prizes. Joe Stephenson was parade marshal.

Burlington received a huge loving cup from the Marion Chamber of Commerce for taking first place. Second prize, a loving cup donated by The Jewel Box, went to Marion Handle Mills. The VFW Auxiliary received honorable mention for its float bearing

a "Thank You, God, for Bringing My Daddy Home" slogan.

Other school winners were Junior Hi-Y, second, and D. E. Club, third.

DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

It's the RIGHT CAR!

What's the "right car" for you? It must be handsome, of course. A good performer, too. And dependable? Economical? For beauty, Pontiac offers the Silver Streak distinction that is admired everywhere. The power and stamina of Pontiac's rugged, high-compression engines are unmatched at anywhere near the price. Pontiac's dependability and long-life economy are a matter of record. For every important value extra Pontiac's your car!

It's the RIGHT PRICE!

The price of a Pontiac will never sway you from buying the right car. Pontiac engineers discovered long ago that—for very few extra dollars in price—they could build into Pontiac cars a great deal of extra quality. Come in, and let us prove how easy it is to own a big, luxurious, fine-performing Pontiac!

It's the RIGHT TIME!

Your present car will never be more valuable as a trade-in! So don't put off the pleasures of Pontiac ownership. "Dollar for Dollar you can't beat a Pontiac" never meant more than it does today! We're sure you'll agree it's the right car—the right price—and the right time.

GENERAL ELECTIONS

Next Tuesday will be election day in Virginia. Thousands of voters will go to the polls to cast their votes for their choices for governor, lieutenant governor and attorney general of the state.

Numerous local elections also will be held.

Aspirants to the various offices have been busy all summer and fall building up their appeals to the public in an effort to be elected.

Now that they have done their job, the next move is up to the public.

This newspaper has never sponsored any candidate for office. It has adhered to the policy that this is the public's prerogative. This same policy continues. We have not supported any candidate in this election.

But we do have one plea to make to the public. Get out and vote. Only by doing this can we assure a democratic form of government, with the public making the choice. It is the duty of every eligible citizen to vote. And those who do not vote have no right to yell when their choices are not elected or, conversely, crow when their men win.

MARION'S STADIUM

All Smyth County is proud of Marion's new stadium. Realization of a new athletic field for night games came as the result of the cooperative effort of thousands of citizens.

Small donations here and there have made it possible to construct a stadium second to none in Southwest Virginia. And the possibilities of future growth are unlimited. With the natural slope for seats, the stadium can be expanded at a minimum cost to compare with any stadium in Virginia — colleges and universities included.

The appreciation was shown last Friday night, when the lights were turned on for the first time. Thousands of fans streamed into the stadium for the game. They came from all parts of the county, anxious to see what had been done and glad to pay their respects to the Smyth County town and its new athletic plant.

It was unfortunate that the Marion High School football team had to lose its opening game. But to those who complained about the loss — so what? It just so happens that there must be a winner and a loser. That's the game.

We are just as proud of our team when it wins as anyone else in Marion. We are glad to see them walk off the field with a victory. But we sincerely hope that a new stadium does not instill in some of the fans that desire to win at all times and at all cost.

That defeats the purpose of the sport in high schools — the teaching of the boys competitive spirit, coupled with the ability to accept defeat like men. If they do not learn this while young, either on the athletic field, at home or in school, they are in for rough going when they reach manhood and its many frustrating defeats.

If the new stadium brings on a hue and cry for victories at any cost, then let's quit right now and go back to the rock hill for our games.

BE CAREFUL

Thousands of dollars in natural resources are in danger of being destroyed. The prolonged drought has made our forests powder dry, and it will take more than one general rain to eliminate this danger.

Smyth County has a veritable fortune tied up in forest land. Jefferson Forest land in the county alone covers more than 62,000 acres. And there are additional thousands of acres owned by private citizens.

A careless gesture can start a fire capable of destroying thousands of dollars of timber which takes years to grow. In addition, the small trees and sprouts would be lost, making it necessary to replant if we are to have forest land for future generations.

All this adds up to one thing. Be careful. When in forest land, whether riding or walking, do not toss a lighted match or cigarette to the ground. By all means, do not walk off and leave a fire burning. And obey the recent ruling prohibiting anyone from entering national forest land, except those authorized. This was done as an emergency measure. Stay out until the danger of fire is over in order that thousands may enjoy the forest in future years.

VOTE NOVEMBER 3

Much has been said over the past number of weeks concerning the qualification of candidates, the merits of the Democratic and Republican parties, the evils of the present Democratic administration, all to influence the voters of Smyth County in the election November 3. Now the voters must make their selection, a selection that will vitally affect every man, woman and child in Smyth County. It is hoped the voters will consider the past, examine the present and think of the future in making this selection.

In the past Virginia has had one of the most efficient state administrations, if not the most efficient state administration, of any state of the 48. The capable men elected by the voters of Virginia to administer our government has made this true. Those officials elected have been experienced in administrative and business ability. They have served without expecting or receiving personal financial gain. They have served the people of Virginia. Can any other state equal the record of Virginia for honesty among its State officials of every description?

It is true that in Virginia we elect only a Governor, Lieutenant Governor, Attorney General, Member of the House of Delegates and Member of the Senate. However, in our Federal Government we elect only the President, Vice-President, Representative and Senators as our elected officials. These few elected federal officials through their millions of appointments appoint the individuals who spend the billions of dollars we pay in federal taxes each year. Thomas Jefferson was one of the fathers of this system. The Smyth County Republican Committee on Public Relations does not mention this. Why?

Every Virginian has a right to be proud of the present state administration. Much progress has been made over the past four years. Our school system has improved by leaps and bounds. This was due in a large measure to money which the present administration distributed back to the localities and rightfully designated it "Battle Money."

Our mental hospital facilities likewise have improved in the present administration. In September one of the most modern buildings in the country was dedicated here in Smyth County for the diagnosis and treatment of our mentally ill. It is regretted that every person in Smyth County did not attend the program and inspection of these new facilities. This great hospital was located here years ago through the efforts, energy and work of Democratic leaders.

Much has been said about our highway system which is one of the best in the country. It is true that Highway No. 11 needs work in Smyth County, and Smyth County is the last county in which construction was started between Bristol and Winchester. Why?

The United States Department of Commerce, Bureau of Public Roads in "Highway Statistics, 1950", reported that: although the area of Virginia is exceeded by that of 34 other states, only 13 states have more surfaced highway. Only six states in all the 48 built and surfaced more highway mileage than Virginia. Only two states of the 48 exceeded Virginia in divided highway mileage of 36 feet width and over. Only six states in the 48 exceeded Virginia in highway mileage of 27 feet width and over. And Voters, it's all paid for.

De we want a \$100,000,000 bonded indebtedness to pay back? Does our present Member of the House of Delegates endorse this program sponsored by his candidate? Where would this money be used? From one of the nearby local daily papers we can draw a logical conclusion, to connect the cities with super highways — not to connect Saltville and Chilhowie here in Smyth County.

Our present and past state administration have been responsible for this. And Virginia is one of the three states of the 48 without any indebtedness. Do we approve of this?

Mr. Stanley, Mr. Stephens and Mr. Almond have been closely associated with the present administration. They have openly advocated the continuance of its policies. When they are elected they will continue in the future this program of progress in schools, roads, mental hospitals and efficient state administration, and continue it without bonded indebtedness and increase in taxes.

Our candidate for the House of Delegates, Bill Sclater, will be in a position to help carry out this program of progress. As all voters know the work of any legislative body is carried on by its committees. With all due respect to Ray Rouse his committee assignment to the following committees: Executive Expenditures, Federal Relations, Mining and Mineral Resources, Retrenchment and Economy, none of which has a regular meeting day, affects Smyth County very little. Bill Sclater will be with the majority party, and as such will receive committee assignments to the interest of Smyth County.

Voters consider the past, examine the present and think of the future, then make your selection.

POLITICAL NOTATIONS

These will be the last articles appearing in the editorial column of this paper prior to the general State election on November 3rd.

We have tried to conduct this editorial campaign on a high level and free from personalities and mud-slinging. We hope the readers feel that we have accomplished this purpose. So far we believe that our opponents have also tried to conduct their editorial campaign with the same high ideals.

We would like to urge that every person in Smyth County and in the State of Virginia, who may read this column, go to the polls and vote on next Tuesday, November 3rd, for the candidates of their choice. It is the duty of every citizen to vote in every election, wherever possible. Each man and woman has a free and unhampered right to choose whichever political party or whichever candidate they see fit.

It is our opinion, without casting any personal reflections on any of the candidates of the opposition party, that the Honorable Ted Dalton, candidate for Governor, and the Honorable Ray Rouse, candidate for the House of Delegates from Smyth County, are both eminently better qualified to serve the interests of the people of this County and State, and better qualified to perform the duties that the respective offices they seek require than the candidates nominated by the opposition party. From time to time we have stated our reasons for holding these

beliefs. We earnestly and sincerely recommend to all of the voters that you seriously consider them when you go into the booth to cast your ballot. We feel that a vote for Mr. Dalton and Mr. Rouse will never be regretted.

If there has been any doubt in the minds of the voters of this State that Mr. Stanley was a hand-picked candidate of Senator Byrd and those who make up the Byrd organization or machine, those doubts may now be entirely vanished. According to State daily papers, Senator Byrd has condemned the Dalton road-improvement plan, and according to the press reports is going to take an all out active part in the campaign from now until the election. It appears that the Senator is very much alarmed over the prospect that his machine is falling apart.

We doubt that the efforts of Mr. Byrd will help Mr. Stanley to any great degree. Those who feel themselves so closely allied to the Byrd organization already have been told how to vote; those who have been luke warm or against the Byrd organization will now probably be driven to a more definite stand in the opposite direction.

To all those Democrats who have felt and now feel that the State would be better off without this powerful political machine, we would like to say that now is the time to come to the aid of their State government. This is the best opportunity the voters have ever had to return the Virginia State government to the people. If it is the desire of the people to continue as we have been going for a number of years and gradually, year by year, falling farther behind in our road-building program, our State hospital program and our public school program, then the best way to continue it is to vote for Mr. Stanley. If, on the other hand, the people feel that it is time for an awakening in this State, and to take a more progressive and aggressive view of these important public matters, then we counsel you to vote for Ted Dalton. Year after year, administration after administration, we continue to lag, according to the admissions even of some of the organization departments, in roads, schools and hospitals.

In the presidential election of 1952, several of the big-wig Democrats of the organization said that they could not support Mr. Stevenson and his fair deal, and that they felt it their duty to put country above party and support the opposition. Consequently, the Republican candidate for president carried Virginia by almost a hundred thousand majority. The organization Attorney General ruled that in so voting these Democrats who voted for a Republican candidate for president were not disloyal to the Democratic party because they did so for conscientious reasons.

Now, using the same line of reason, if there are Democrats who cannot any longer conscientiously go along with the machine, because they feel that it would be detrimental to the welfare of our State to continue it in power, and if they feel that they should put loyalty to their State above loyalty to their party, they have the same right and privilege to support Mr. Dalton for Governor, in preference to Mr. Stanley, as Senator Byrd, Governor Tuck and others had to support Mr. Eisenhower for president in preference to Mr. Stevenson.

During the last few days there has been considerable comment in the daily papers of this State concerning the fact that Mr. Sidney S. Kellam, the campaign director of Mr. Stanley, has been indicted in the Federal court concerning tax-evasion. This, of itself, should not have any great concern to the voters of this State in the coming election. However, the attitude that Mr. Stanley has taken as a result of this indictment should have great concern to all of the people.

As we understand the matter, a Mr. C. Leonard Fisher, of Virginia Beach, and probably one or two other witnesses, went before the Federal Grand Jury and caused this indictment to be made against Mr. Kellam and three or four other people. Mr. Fisher stated, according to the press, that for several years he had made complaints to the Federal Tax Department and that nothing was done and that any criminal procedure would have been barred by the statute of limitation in January 1954, after which time no prosecution could have been maintained. He went further to state that this was the last grand jury that would be held in that district prior to next January.

Mr. Stanley, although noticeably silent on all important issues of this campaign, as soon as this indictment was made, immediately proceeded to blast the courts and the witnesses and say that the indictment was made for political reasons. This is not, in our opinion, a very good attitude for Mr. Stanley to take. It will be remembered that Mr. Truman made the same kind of mistakes when he undertook to defend some of his appointees who had been accused of being Communists and other malfeasance in public office. He termed it a red herring. Since that time many of these so accused have been convicted and many others have been asked to resign their positions.

Mr. Stanley would have shown himself to be a much bigger man and much better qualified for Governor had he either kept silent on this matter, or, if he felt that he should say something, if he had merely said, "If Mr. Kellam is guilty, he should pay the penalty the same as anyone else. If he is not guilty, he should be acquitted." That would have been a fair, frank, honest and forthright position to take in regard to this matter.

According to an Associated Press article in the Roanoke Times, October 21, 1953, some of Mr. Kellam's friends instituted a damage suit for libel and slander against Mr. Fisher and witnesses who testified before the grand jury against Mr. Kellam, just prior to an election in 1946 in which the organization or machine candidates were being challenged. According to press dispatches this suit was never prosecuted, in fact, the declaration setting forth the grounds for the suit was never filed. Immediately after the election those friends of Mr. Kellam who instituted the suit had it dismissed without a trial. If these statements are true, it would seem that Mr. Stanley's charge of the indictments being politically inspired has seriously backfired on him.

The whole matter has been very badly handled, in our opinion, by Mr. Stanley. We do not think that he should have taken the attitude he did in challenging the right of these witnesses to go before the grand jury, and in criticizing the courts for returning this indictment for the alleged offense. Whenever Mr. Stanley, or any of us, challenge the courts to make indictments for alleged offenses against us or our friends, it does not create a wholesome atmosphere conducive to law-enforcement and good government.

It should be remembered that several others were indicted, by the same grand jury, on the same evidence, given by the same witnesses, and for a similar offense, but only the indictment of Mr. Kellam was politically inspired, according to Mr. Stanley.

The case will doubtless be handled, as it should be, like all other such cases. Mr. Kellam will be accorded all his constitutional rights. However, because he is a friend of Mr. Stanley and happened to be his campaign director does not immunize him from indictment and prosecution, nor does it imply that the witnesses who testified before the grand jury, or the court, were politically inspired. On the other hand, to be fair, the indictment is not evidence of guilt and all of us should with-

hold our opinion as to the guilt or the innocence of Mr. Kellam until we know all of the facts and until the case has been tried in court.

We feel that to let the law and the courts take their uninterrupted course, without making severe critical comment, is much better for all concerned.

Again we urge every qualified voter to go to the poles and vote next Tuesday. The Democrats who are supporting Mr. Sclater and Mr. Stanley are spending large sums of radio time and are telling the listeners that our candidates cannot accomplish anything in Richmond. Ray's and Ted's records in Richmond stand as irrefutable denial of this statement. Let's send them back to prove it again and to express our belief that what Virginia needs is a strong Two Party system rather than a powerful One Party system that has tried to take the government away from the people.

Vote for Dalton for Governor and Rouse for the House.

Dear Mr. Tindall:

As the director of the Saltville and Chilhowie High School Bands I would like to express my heartfelt thanks through the columns of your much appreciated Smyth County News to the State Theatre of Chilhowie and to the Saltville Theatre for their public expression in honoring the Saltville and Chilhowie High School Bands at the theatres last Wednesday, Oct. 14, 1953.

I personally wish to extend my sincerest thanks to the Saltville business men for their very fine gift and also wish to thank the Salt Theatre, the State Theatre, the Chilhowie Band and the Saltville Band for their fine remembrances to me at the same occasion.

Sincerely yours,

Dear Mr. Tindall:
I would like to have a small space in your paper this week, please, just to answer a question asked by the Supreme Council, Knights of Columbus Religious Information Bureau in last week's paper.

The question was — But can it be found in the Bible? He or she said there was no Bible in anything resembling its present form until nearly 400 years after Jesus had died on the Cross, and the widespread

distribution of the Bible as we know it today was impossible until the invention of printing some 1400 years after the Savior's death.

Well, bless your heart, this is my answer — Yes, ybs, yes, in the Book of Acts, Chapter 8 verses 30-31. Well, bless your soul, in this scripture a colored man was reading the Book of Esaias, the prophet which we have in the Old Testament, the 53rd Chapter, verses 7-8. So Philip began at this same scripture and preached unto him Jesus.

Yes, yes, yes, I can find it in the Bible and this scripture was being read AD 34, about six months after the death of our Lord. A man and Paul told Timothy to bring the books when he came. See II Timothy 4:13.

Angus Cattle Sell

George Wheeler and D. D. Query, purebred Angus breeders and owners of Hickory Cove Farm in Wythe County, both residents of Marion, have in the past few weeks had considerable interest focused on their Angus cattle.

Their largest transaction was the sale last week of a herd sire to a breeder in Alabama for \$10,500. In another sale last Friday they sold nine females for an average of \$1,700. One of these went for \$4,800. In the recent annual capitol sale held at Richmond these breeders had the top buy that brought \$1,075.

These breeders are to be congratulated on the quality of cattle being produced.

Enoch Horne, his daughter, Nancy, and I attended the East Tennessee Angus heifer calf sale in Knoxville last Saturday.

Nancy purchased an eight months old heifer as the first female for a future Angus herd. Nancy will exhibit this heifer at the special heifer show in Bristol next May and at the Atlantic Rural Exposition next October.

The registered heifer calf project for any breed makes a very practical 4-H project for any boy or girl. I would like to see many others get interested in this project.

From where I sit... by Joe Marsh

It's the Principal of the Thing!

Every autumn our High School has a contest to see who can get the most ads for The Recorder — the school magazine. The winner becomes honorary Principal for a day.

Skip Roberts won last week, and his first (and only) official act as "Principal" of the school was to announce in a loud, clear voice: "I hereby declare today a school holiday!"

Knowing Miss Gilbert, the real principal, it was no surprise to me that she laughed as hard as anybody else... and said to go right ahead.

From where I sit, it's no wonder our youngsters think Miss Gilbert's such a wonderful person (even though they know they'll have to make up that day). Her tolerance, her friendly way with people of all ages reflect in everything she does. For instance, at my house Miss Gilbert prefers tea but always respects my preference for a glass of beer. As a real person... in any community, Miss Gilbert belongs at "the head of the class."

ASSEMBLY — The band played while the students came into the auditorium. George Thompson had the devotions, and David Prose led the salute to the flag. Mr. Ervin led the group in singing, and then he turned the program over to the cheerleaders. They led the students in cheers, preparing for the homecoming game Friday night.

VARIETY SHOW — Many of the high school students entertained a full auditorium of friends and classmates Thursday evening. There were songs, dances and jokes. Also the teachers gave a version of the "bunny hop."

HOMECOMING DANCE — The queen, Margaret Williams, reigned over the homecoming dance Saturday night in the MHS gym. The gym was decorated with red, green and yellow streamers around the dancing space and a huge white fluffy football hanging down in the center. The queen, followed by her court, led the grand march after which refreshments were served to all. One of the highlights of the dance was when all of the couples got in a line and did the "bunny hop" around the dance floor.

TO THE VOTERS OF Smyth County

I am taking this means of requesting the support of those voters I have not been able to contact personally during this campaign. I have tried to see as many of you as possible, but as you know, it is almost an impossibility to contact each and every one of you.

I most earnestly beg for your vote and support in order that our county have a representative in Richmond who can adequately represent Smyth County there. With a majority held in the House of Delegates by the Democrats of 94 to 6 Republicans, my opponent is not able to get recognition necessary to represent Smyth County properly. I know and have known personally a great many of the leaders in the General Assembly and feel that through these contacts, and a great desire to serve my county, that I can give to you the representation so necessary for the welfare of Smyth County.

If elected, I promise you, the people of Smyth County, that I shall keep in close contact with you and always be available for your advice, and sympathetic to all your reasonable requests. It is on this basis that I sincerely beg for your support and vote on November 3rd.

Sincerely,
W. M. Sclater, Jr.

Mr. and Mrs. Howard McClure and son P. D. and grandson, Roger Gene Brown, spent the week end in Norfolk visiting their son-in-law and daughter, Mr. and Mrs. Herbert Jarvis. They took Miss Minnie Bishop as far as Pamplin to visit Mrs. Lauretta B. Cole.

Mr. and Mrs. G. W. Hopkins and sons, Willard, Millard and Carl, went to War, W. Va., Sunday to visit Mrs. Sally Surber, who is in poor health. Mrs. Charles Tucker was dinner guest Sunday of Mr. and Mrs. Virgil Tucker. In the afternoon they all took a drive through North Carolina.

Mr. and Mrs. Joe Childers had as guests Sunday Mr. and Mrs. G. Johnston and Gary Donald.

BEYOND THIS PLACE by A. J. Cronin. Little. A story of injustice and a long fight to correct it. A young man discovers his father, long supposed dead, is alive and in prison, serving a life sentence for murder. Coming upon evidence that indicates his father's innocence, he takes up the battle to have him cleared and finds opposition in the highest offices of the law. As he sinks to new levels of degradation under the pressures of

his opposition, he desperately struggles to accomplish his cause and is finally victorious — only to be faced with the problem of his father's accumulated bitterness after long years of imprisonment. Literary Guild selection for August.

THE DEEP SIX by Martin Dibner. Doubleday. As temporary gunnery officer aboard the cruiser Atlantis in the waters off the Aleutians, Lt. Alec Austin assigns Fowler, a Negro mess boy, to one of the guns in a crisis. When a sadistic ensign taunts the young Negro into striking him, a situation of strain arises on the ship, and when Fowler loses his head and shoots down a friendly plane the crew is completely demoralized. Then a superior enemy force is met in unfriendly waters. An exciting tale of tension and violence.

THE EMPRESS'S LADY, Kenyon, F. W. Crowell. The Napoleon-and-Josephine story from Josephine's point of view. From her childhood in Martinique, where she listened to a Gypsy prophesy her brilliant future, to France and marriage to aristocratic Alexandre de Beauharnais, who died on the guillotine she narrowly escaped, and then into the romantic and political intrigue of the tumultuous revolutionary period, she followed an ambitious path to a position of power. At the height of the Paris social season of 1795, she met the obscure Corsican general with whom she was to enact her colorful and historic role as Empress Josephine. A long, first-rate historical novel about a fascinating woman. A Literary Guild selection.

THE SHIPWRECKED by Graham Greene. Viking. An earlier novel by the author of

THE HEART OF THE MATTER, long out of print. The story of three people-made industrialist Krogh; his lovely, intelligent mistress, and her foot loose, beloved brother — worldlings caught in the web of their ambitious, trapped by their unsentimental grasping for material advance. A swiftly-paced novel of emotional tension, top-notch storytelling.

THE DART PLAYERS by Gerard Tickell. Doubleday. With the suspense and humor of his recent ISLAND RESCUE, Mr. Tickell relates the hilarious story of the Hand and Darts Club's outing to Boulogne, France. In the merry group of dart players are two with serious motives: Higrove, who had a secret appointment with a French black marketer and Carver, who was to be involved in a whirlwind romance.

THE FAIR BRIDE by Bruce Marshall. Houghton. Don Arturo was a young Spanish priest whose horror at the cruelty of men drove him from faith in God to faith in Communism during the Spanish Civil War. But he found the same self-seeking among his new comrades. In agony of mind and body, Don Arturo seeks a new faith in God to

bring him compassion for all his fellow men and peace for himself.

MURDER MUST WAIT by Arthur W. Upfield. Doubleday. A case of obvious neglect brought Detective-Inspector Napoleon Bonaparte to Mitford to find five stolen babies and a murderer. He trailed the clues back to an eerie legend of the Bushmen and almost lost his life because he realized that stolen children had priority, and murder must wait.

THE CORPSE WHO HAD TOO MANY FRIENDS by Hampton Stone. Simon. Asst. D. A. Gibson has a tough job on his hands when the vice-president of a chain of New York banks is murdered during the employees' semi-annual get-together.

MISS FOR MOTHER by Marjorie Riddell. Longmans. A zany story about a doting mother, British, with a sparrow

brain and a warm heart, and her daughter, a self-sufficient girl in business in the big city. Father looms up in the pages "not liking the sound of the place where you're living," accompanied by a relative who is a doctor or lawyer, depending on the crisis at hand. Aunts and cousins come and go, but Mother plays the lead, knowing she knows best about holidays abroad, visits home, or friends to be made or romances to be hoped for. Warmth and wit in an entertaining novel.

Its V8 puts new ROAD MASTERY at your hand

You must have heard about it. But have you tried the greatest Buick yet built? Have you sat behind the wheel of a 1953 ROADMASTER and felt the wondrous new road command that is yours? If you haven't—if you have yet to know the rich exuberance that flows through you when a toe touch releases just a fraction of the velvet power-Niagara of the world's newest V8 Engine—then you are cordially invited to be our guest at this new experience.

We promise you these:
A new and wonderful mastery of hills, of distance, of traffic tangles—from the almost effortless power of this master Buick's advanced new V8 Engine—the highest horsepower and compression ratio in Buick history.

A new and instantly responsive getaway—with new quiet and completely infinite smoothness—from the drive magic of Twin-Turbine Dynaflo.
A new and exquisite handling ease—from the superb ride-engineering of this automobile, and the as-needed hydraulic assistance of Power Steering, standard equipment here at no extra cost.
A new and gracious luxury of interior styling and comfort—from a tasteful blending of deep foam rubber, lustrous nylon, rich broadcloths, sparkling colors.

But you need to experience firsthand the performance and the pleasure and the abiding satisfaction you will find here.
So we repeat a most cordial invitation to you—to drive a 1953 ROADMASTER—

to prove to yourself that new motoring thrills come to flower in the greatest Buick in fifty great years.

WHAT DO YOU THINK?

REPUBLICANS

THIS IS WHAT HE SAYS

Hits the Nail on the Head-

The following quotation is the last verse of a poem written by W. Ray Rouse and read to the legislature on the closing day of the last General Assembly:

So we come to the end of our sixty-days;
A delightful sentence in so many ways.
I am glad I'm among the Republican few;
I'm still fresh as a daisy, laden with dew.
Now what Democrat could make this rhyme,
For committee work would deny them the time.

--- W. Ray Rouse

DEMOCRATS

THIS IS WHAT WE SAY

We in Smyth County are vitally concerned about our highway conditions. We fully realize that the highway department is now taking steps necessary to remedy these conditions. We of Smyth County are vitally concerned over some of our secondary or farm to market roads. We are concerned over the crowded conditions of our schools and mental hospitals. I am concerned with Grade C Milk producers in our county and feel that they should have a price guarantee and contract under the milk commission such as are our Grade A producers.

Most of us who are familiar with the functions of our General Assembly know that most of their work is planned and organized in the caucus. Mr. Sclater's opponent, if elected, will be excluded from this body. It is therefore impossible for him to adequately represent Smyth County, regardless of his qualifications.

With Stanley, formerly from Rural Retreat, as governor, George Warren who is held in high esteem by everyone in this county as senator and Bill Sclater in the House of Delegates I feel this threesome will, be in a position to help direct legislation which will be of benefit to Smyth County, a progressive government based on sound business-like principles.

Even though we call ourselves Democrats and Republicans I sincerely believe we are all Virginians first, and many times we cross party lines in state and county elections to place the interest of our state and county above political considerations.

The governor's election will undoubtedly be hard fought, as it should be, but even the staunchest Republican leader will admit that Thomas B. Stanley will be overwhelmingly elected. It is the belief of the Democratic Party of Smyth County that the interest of the county can be best served by sending to Richmond a member of the majority party.

The United States Department of Commerce, Bureau of Public Roads, in "Highway Statistics, 1950," reported that:

Although the area of Virginia is exceeded by that of 34 other states, only 13 states have more surfaced highway. Only 6 states in all the 48 built and surfaced more highway mileage than Virginia. Only 2 states of the 48 exceeded Virginia in divided highway mileage of 36 feet width and over. Only 6 states in the 48 exceeded Virginia in highway mileage of 27 feet width and over.

One fact, however, is clear... The Dalton road plan means the end of the pay-as-you-go system which has made Virginia preeminent. Today Virginia stands as the foremost exponent in America of the pay-as-you-go plan of State operation. The Dalton plan, if once started, would simply be the beginning of greater and greater bond issues.

NEWS of CHURCHES

Lutheran Churches to Have Reformation Service Sun.

The Lutheran churches of the Marion conference, comprising congregations lying between Pulaski and Damascus, will hold a joint Reformation Service in Grace Lutheran Church, Rural Retreat, this Sunday at 7:30 p. m.

The Rev. George Frederick Schott Jr., professor of systematic theology, Lutheran Theological Seminary, Columbia, S. C., will deliver the address. The Rev. John H. Fray, D.D., president, Marion College, will serve as liturgist, and the Marion College choir, under the direction of Paul G. Peterson, will have charge of the music.

The Rev. Mr. Schott was born in Newport News in 1913 and was graduated from Hampton High School. He received his A. B. degree at Lenoir Rhyne College, Hickory, N. C. in 1937 and remained at Lenoir Rhyne for two years as instructor in Bible. He was graduated from the Lutheran

Theological Seminary in Columbia with a B. D. degree, magna cum laude, in 1942 and was ordained by the North Carolina synod the same year. He also has done graduate work at Chicago Seminary.

He served as pastor of St. Michael's Church, Columbia, S. C., for two years and then was called to Calvary Lutheran Church, Spencer, N. C., in 1944. He served as pastor at Calvary until he was called in 1952 to the chair of systematic theology at the seminary in 1952.

Although a comparatively young man, the Rev. Mr. Schott has occupied many important positions in the work of the North Carolina synod and of the United Lutheran Church in America. He is a member and vice-chairman of the Board of Trustees of Lenoir Rhyne College.

The public is cordially invited to unite in this joint Reformation Service.

Broadford Charge WSCS Meets at Union Church

The Broadford Charge WSCS held its regular monthly meeting last Friday evening at Union Church at 7:30 p. m.

The devotionals were conducted by Mrs. V. H. Neel. The women of Wesleys and Crabtrees Chapels presented the program, with Mrs. Oscar Taylor in charge.

During the business session there was discussion on the \$10 from each of the local WSCS's for the education of the nursing student in India. Mrs. June DeBord reported that she had bought and mailed the Christmas gift, a sweater and fountain pen, for the student.

Mrs. Shuler, chairman of the committee for the sale Saturday, completed plans for this event. There was \$123.00 cleared at the sale.

The next meeting will be held at the Chatham Hill church on November 20 with the women from Union in charge of the program.

Circle 7, Mrs. Eugene Warren, chairman, will meet the same day at 8 p. m. with Mrs. William Bishop.

The Wesleyan Service Guild of the church will meet Thursday evening, Nov. 5, at 7:30 with Mrs. B. T. Sells. Co-hostesses will be Mrs. Joseph Stephenson and Mrs. Coy Anderson. Mrs. George Kirk is chairman.

Adventists to Observe World Temperance Day

"Americans are spending twice as much for alcoholic beverages as for gasoline and oil for automobiles," the Rev. John W. McGraw will tell his congregation this Saturday as the Seventh-Day Adventist Churches in the United States have World Temperance Day.

Another comparison, the pastor said, will show that Americans are spending three times as much for intoxicating beverages as for all the religious life of the nation.

The pastor states that the nation now has 4,000,000 alcoholics and more than 3,000,000 excessive drinkers. He says the alcoholic beverage industry is now spending \$250,000,000 a year in "the most deceptive and glamorous advertising of liquor, wine and beer ever conceived by the mind of man".

The offering will be used to help finance sociological and scientific research in problems of alcoholism. Another part of the offering will go toward educating youth on the dangers of alcohol.

Seventh-Day Adventists are apt abstainers from all alcoholic beverages.

Services of the Adventist church are as follows:

Wednesday at 7:30, prayer meeting; Saturday at 8:30 a. m., Sabbath School; 11:00 a. m., the Church Service; Saturday afternoon at 3:30, Young People's Meeting.

Regular Services Are Planned for Sunday

The Rev. C. H. Strong, pastor of the Church of the Nazarene, 229 Coyner Avenue, Marion, announces regular services to be held this Sunday at the church.

Sunday School with Howard Carter, superintendent, will begin at 10 a. m. followed by the morning worship service at 11. The pastor will speak on "When They Had Prayed".

At 7 p. m. the young people's meeting will be held. The evening worship service will be conducted by the pastor at 7:45 when he will speak on "Walking with God."

"Scatter the Good Seed" Is Topic Of Mt. View Group

Mrs. R. M. Widner was hostess to the WSCS of the Mountain View Methodist Church Wednesday evening at her home near Chilhowie.

"Scatter the Good Seed" was the subject of the program led by Mrs. Hurley Martin. Those having part were Mrs. Herbert Catron, Mrs. G. N. St. John, Mrs. Y. R. Love, Mrs. J. B. Brewer, Mrs. Bradley Duncan and Mrs. Edward Brewer. Mrs. J. B. Brewer was in charge of the business session.

Plans were made for a special program in observance of the Week of Prayer. The meeting was to have been held Wednesday of this week at the home of Miss Hazel Bishop with Mrs. David Rouse in charge of the program.

During the social hour the hostess served refreshments to the 14 members present.

The November meeting will be held at the home of Mrs. F. W. Berry with Mrs. Bradley Duncan as program leader.

Special Services Planned at Church Of God in Marion

The Rev. James Stephens, overseer of the Churches of God in Canada, will be in charge of special services at the Church of God on Spruce St., Marion.

These services will be held this Saturday night and Sunday.

The Rev. J. L. Hathcock, pastor, invites the public to attend.

Roland's Creek Church Group Elects Officers

Officers were elected to head the CBYF at Roland's Creek for the coming year recently.

They are president, Pearl Pennington; vice, president, Franklin Mize; secretary, J. C. Perkins; treasurer, Ray Mize; adult adviser, Hattie Pennington.

Committees are faith, chairman, Franklin Mize; citizenship, chairman, Vinton Ray Pennington; witness, chairman, Mary Lee Parsons; outreach, chairman, J. C. Perkins; and fellowship, chairman, Pearl Pennington.

One of the projects is to help keep the church clean. The members are planning a Thanksgiving program to be given at the church. This program will also be given at Little Pine Brethren Church, Glade Valley, N. C.

THE FAITH OF A CHILD

Are you one of the millions who think wistfully of the faith of a child and wish they could believe so implicitly?

And are you also one of those who have assumed that it's impossible to go back to religion, once one has drifted away?

Wait! What accounts for the faith of a child?

A child wants to believe! That's the first step. The first step for YOU too...

And a child is taught to believe! That's the next step. Start attending Church next Sunday...

And a child practices believing. That's the final step, and it begins the continuing adventure of faith. It is that final step that looks so hard. But how easily and naturally it comes... after we have taken the first two!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Homemakers Items

Sandwiches in the Freezer

Sandwiches in the freezer! They are a handy aid when it comes to packing lunch boxes or when entertaining at parties or picnics.

VPI nutritionists say to plan to make a supply for a week or two at a time. Choose a time of day when the kitchen table can be cleared for action. Set up a sandwich assembly line. Make and wrap a week's supply and put them in the freezer. Each morning take out enough for the lunch boxes.

To help avoid soggy, keep sandwiches away from side walls and bottom of freezer. When placed in contact with metal freezing surfaces, ice crystals form on the cold surface of the bread, which then becomes soggy when defrosted. This recommendation for sandwiches is contrary to the general recommendation that food be frozen in contact with the side walls of the cabinet.

It takes about 3 to 3½ hours for frozen sandwiches to thaw. Wrap lettuce or other vegetables separately — to be added to sandwiches just before eating.

As for sandwich spreads, try beef and catsup; beef gravy and onion; ham and pickle; beef, relish and onion; chickpea, cream cheese and horseradish; peanut butter, olive and bacon; cream cheese, date and orange, or honey and peanut butter.

Adequate storage can reduce the amount of cleaning necessary in your home.

Good storage for clothing helps keep garments in place and encourages cleanliness and orderliness. Shelves for children to put away toys when play is over cut down on extra cleaning. Shelves or racks for magazines present clutter. A waste basket in every room encourages the immediate disposal of scraps and waste. One

or more hampers for soiled garments helps keep rooms free of soiled clothing.

While it is not possible to have each piece of major cleaning equipment stored where it is used, it is usually possible to have a centrally located storage space for these pieces, with duplicates of the less expensive articles kept near the places where they are used.

For Young Fry

The "young fry" may be interested in this information. An easy way to freshen up hair ribbons, after washing and rinsing, is to wrap each ribbon around a smooth glass. Dry thoroughly and unwind — it's pressed and ready to wear.

LET'S STICK TO MOSES!

When they were preparing to produce the motion picture "The Ten Commandments," the director and the author of the story consulted a professor who had been recommended as an authority on the Law of Moses. They expected a scholarly explanation, but when the professor had finished, there was little left of the Ten Commandments—and no story.

After the interview, when they were alone again, the disgusted director remarked: "We'll stick to Moses."

Yes, let's stick to Moses! There may be those who would abolish the Ten Commandments, but let's stick to the Commandments as God gave them to us through Moses.

And there is no better way of doing so, than by sticking to Jesus Christ, Who gave us the Commandments of love—the love of God and the love of our neighbor. All other Commandments are contained in these two.

"Thou shalt love the Lord, thy God..." The observance of Christ's first Commandment will establish in us a strong, dignified personal relationship to God. If we love the true God, we will give Him the honor that is His due... we will respectfully use His Holy Name... we will not think it too much to spend one day of the week in His company.

"Thou shalt love thy neighbor as thyself," said the Savior. Who should hold first place among our neighbors, if not our parents... or our own children?

And it should be obvious that if we love our neighbor, we will not take his life, or damage his health. Decent human love surely excludes the burlesque of love called adultery and the fierce attack which this lust makes upon the innocent and unprotected.

We would never steal from the ones we love; nor would we rob them of their good name. Certainly we would not lift a covetous hand to deprive them of the things intended to make their lives full and contented.

Let's stick to Moses, whose Commandments forbade human beings to break the bonds and destroy the relationships that preserve human dignity, develop character and guarantee human safety.

Let's stick to Christ, Who, in a more spiritual way, pointed out that if we love rightly and well, we will obey the law of God... protect all the relationships that guarantee our own happiness and make life safe and happy for the people who are our neighbors.

The Ten Commandments are God's design for human living. Are you familiar with them? Do you understand how important they are in your daily life? Write today for our free pamphlet on this subject. Ask for Pamphlet No. 12-KC.

Scarlet Hurricane Drops First Tilt at New Stadium

Midgets Take 20-6 Victory From Marion

The visiting William King Mighty Midgets, after drowning an early first period drive by the Scarlet Hurricane, scampered on the ground and filled the air to outscore Marion 20 to 6 in the annual homecoming in the first game in Marion's new stadium.

An estimated 6,000 thronged to see the first game in the recently lighted stadium.

A handoff to Query, after a 20 yard return of the kick-off by Lindsey, was good for a first down on the Abingdon 39. Thompson moved to the Abingdon 10 yard line before he was stopped by Knisley. A fumble recovered by Abingdon changed the ball game and ended the scoring threat. After three unsuccessful plays Lawrence went into punt formation, and Marion drew a 15 yard penalty for roughing the kicker to give the Midgets a first down on the Abingdon 18. The change of the field at the end of the first quarter found Abingdon on the Marion 25 yard line. A Clark to Otey pass moved to the Marion eight. Abingdon lost the ball on downs, and Marion took over on its own 15. Marion kicked out to the Marion 47, and Abingdon set up the first score of the game. Plays later Clark went over from one foot out with Otey adding the extra point.

Taking the kick and Abingdon's drawing a 15 yard penalty for clipping moved Marion to the Abingdon 38. At the end of the half Marion had moved to the Abingdon 16 yard line, with the Midgets leading 7 to 0.

Marion's only tally came in the third period when Query capped a long Marion drive with a 50 yard scamper to pay dirt. The running play for the extra was no good.

On the return kick by Lindsey, Bowman moved to the Marion 15 before he was stopped by Kirby. On the next play Otey lost 10 yards, and Clark completed a pass to Otey for the remaining ground to pay dirt. Otey's kick for the conversion was blocked.

Lindsey returned the kick to the Marion 38 yard line, and the 15 yard penalty set Marion back on its 23. A few plays later Query was forced to kick for Marion, and Abingdon was downed on its 47 yard line. A five yard penalty called back a 25 yard run by the Midgets. Otey scampered to the Marion 32 for a first down. Abingdon moved to the

Marion eight yard line, and Bowman legged the remaining distance to the end zone. A running play for the conversion was good.

The game ended with Abingdon on its 38 yard line in control of the ball.

Marion 0 0 6 0 6
Abingdon 0 7 6 7 20
Marion, first downs, 9; punts, 2; penalties, 2 for 30 yards; yards rushing, 163; passes, 4, completed 1 for 13 yards, 2 intercepted; fumbles, lost 1. Abingdon, first downs, 10; punts, 3; penalties, 5 for 25 yards; yards rushing, 129; passes, 10, completed 4 for 74 yards, none intercepted; fumbles, lost none.

Warriors Tie 6-6 Game With Glade

The Chilhowie Warriors were knocked out of their second victory by a clipping penalty late in the fourth period in a hard fought game with Glade Spring that ended in a 6-6 tie at Glade last Saturday night.

Chilhowie was trying to control the ball for the minutes to go with a 6 to 0 lead as a clipping penalty moved the team back to its own five with 25 yards to go. Later in the game a short punt set up the Glade tally. Glade Spring took over deep in Warrior territory and moved to pay dirt to tie the game.

The Chilhowie score came to cap a long drive. After a pass had moved to the Glade Spring three yard line, Mickey Maust scampered to pay dirt on an off-tackle play in the third period for the first tally of the game. The kick for the conversion by Walton was missed.

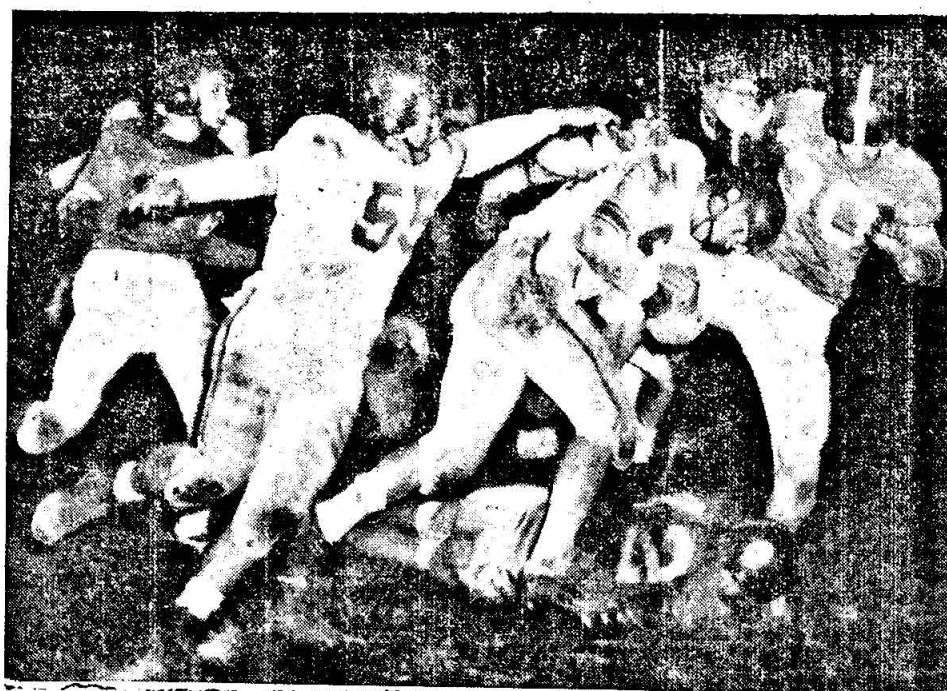

During the first half both teams fought a hard battle and missed good chances to score.

Shakers Top Lebanon For 46-19 Victory

The Saltville Shakers, hanging another victory onto their four game winning streak, completely outmaneuvered the Lebanon Pioneers at Lebanon in a 46 to 19 tilt last Friday night.

The Shakers made an early start when Floyd Lawrence raced over 54 yards of Pioneer territory to pay dirt for the first score of the game. Plays later Percy Lee moved the same distance to make the second Shaker tally early in the first period. Lawrence kicked the extra point after the second TD.

The final tally in the first period came from a 19 yard scamper by Johnny Cregger. The conversion was missed.

The first tally for the Pioneers came in the second period when a Buddy Dickenson pass went for 12 yards into the waiting hands of George Munsey in the end zone. The extra point was missed.

The most thrilling run of the evening was Cregger's 75 yard punt return in the early minutes of the third period. Lawrence's conversion made the score 26 to 6 with the high

flying Shakers in front. Junior Campbell received his first taste of pay dirt when he drove over from the three yard line. Ted Maiden kicked the extra point.

The Pioneers tallied for the second time when another Dickenson to Munsey pass was good for 35 yards. Dickenson ran the extra point try.

In the first minutes of the fourth period Bob Booth raced 49 yards for another Shaker score. After a Colley to Shipp pass was called back because of a penalty, Shipp scored from 12 yards out for the final Shaker tally. Lawrence kicked the conversion.

Driving hard to cut the Shaker lead, the Pioneers made a final tally when Dickenson scored from the one-yard line. Saltville 19 0 14 13 46

Rich Valley Steers vainly seeking a second district win went down before the Pocahontas Indians 27 to 7, at the Saltville ball park last Friday night.

The Pocy Indians, sparked by Ted Clark, scored in the first period when Clark scampered over and fumbled in the end zone with the ball being recovered by Dickson. Tom Butner's try for the extra on a running play failed.

The Indians came back in the second quarter to score on a 48 yard run by Dickson from a pass by Clark. Butner smashed the line for the conversion. Clark again scampered to pay dirt on a 64 yard touch-down cruise. Butner again smashed the line for the conversion.

At the halftime the Pocy Indians held a big 20 to 0 lead. The Indians capped a long down field drive when Reynolds legged across from the one yard line. A Carter to Dickson pass was good for conversion.

The Rich Valley Steers got up steam in the final period to start a 61 yard drive to the Indians' five yard line. Tom Bise passed to Jack Fullen in the end zone for the score. Bise cracked the line for the extra.

The Marion bowling team rested in sixth spot as the first quarter of the Tennessee Open Scratch League of Bristol ended.

The Marion team Tuesday night knocked out the team that had been riding in first place for the most of the season. Marion captured top honors for the high team series with a 2,696. The Marion group also took top place for high team game with a 936. Charles Catron took top honors for high individual series with a 921.

The second quarter of the league begins Tuesday.

Marion Junior Varsity Takes Mighty Midgets In Tough 12-7 Battle

The Marion Junior Varsity after dropping its first tilt with the Midgets, came back to top the Midgets in a tough 12 to 7 hard fought game Monday night.

Early in the first period Charles Blevins scampered 50 yards to pay dirt. This was the most thrilling run of the evening. Later in the second period Bill Williams smashed across from the three yard line to cap a long, hard drive by the little Hurricane. Both extra points were missed.

The lone Abingdon tally came in the final period. The try for the conversion was good.

Earlier in the season the Midgets sent the Hurricane back with an 18 to 0 defeat.

A game was scheduled for Wednesday night with Bristol; however it has been called off.

In the Peanut game the Abingdon team walloped the Marion team 20-0. This was the second defeat for the Peanuts at the hands of the Abingdon club.

Sports Chatter

By Charles Martin

The baseball future for Marion is still a big question in the minds of many. The big thing to be considered, if the Bristol club folds, is can Marion support a team in the Appalachian League?

According to some figures given by Chauncey DeVault it would take about \$40,000 to pull a club through one year in this league. With such a figure as this before the Marion club it would take an attendance of some 900 fans at each game. This could be curbed some if a major league club would back the Marion club.

From all indications it seems that the best bet would be to bring in a few good ball players from some other section and then fill out a team with home talent to join the Burley Belt League. The team Saltville backed this year should be enough to show that the Burley Belt has the type of ball the people want to see and the type of ball that Marion could support.

The response received at the opening of the new stadium in Marion should be the grounds for the future of Marion with a new slant on sports. At present not enough emphasis is being placed on sports or the players. When the stadium is completed, it will give the people of Marion and the county a good, clean type of entertainment.

THE OUTLOOK

SALTVILLE-MARION, the big game of the week, will match the Shakers and the Scarlet Hurricane. Regardless of wins or defeats the Hurricane always tries to blow up enough wind to handle the Salt Shakers. The only set back for Marion will be that George Thompson was injured in the Marion-Abingdon game. Saltville came through the Lebanon game with flying colors.

CHILHOWIE-RICH VALLEY will be another big tilt in the county slate of games for the week end. Rich Valley will be trying to knock Chilhowie out of seventh place in the standings. Rich Valley will be crippled with the loss from action of Charles Keese and Joe Penland. Penland has an injured knee and will not be able to play this week end. The only set back for Chilhowie will be the loss of services of Johnny Phipps, who was injured in the Glade game.

When you know your beer ... IT'S BOUND TO BE BUD

There's something about the taste of Budweiser that always earns a big, broad smile of welcome. That something is the result of the exclusive Budweiser process... the costliest brewing and ageing process on earth. And the best proof of its taste appeal is the fact that more people have enjoyed more Budweiser than any other beer.

Education and Fine Arts Department Meets Thursday

Mrs. Leonard Sells was hostess to the education and fine arts department of the Marion Junior Woman's Club Thursday evening at her home on the Chatham Hill Road.

Mrs. James Scott presented three scenes from Jan de Hartog's comedy on married life, "The Fourposter". Mrs. Scott toured with the Barter Theatre players one season under the direction of Owen Phillips and is now coaching the Marion College dramatic productions.

It was announced that the education and fine arts department is responsible for the November club program. Mrs. Virginia Tate, elementary supervisor, will be the guest speaker, and there will be an exhibition of Madonnas on loan from the Virginia Museum of Fine Arts.

Three Members Of Pilot Club Attend State Fall Council

Three members of the Marion Pilot Club attended the fall council meeting of Pilot Clubs in District 11, which was held at the Portsmouth Hotel, Portsmouth, Saturday and Sunday, Oct. 24 and 25.

Those attending were Mrs. Burchell Cornett, Miss Ruby Allen and Miss Annie Francis. Mrs. Cornett, as president, gave a report of accomplishments of the first months of the year's work and plans for the remainder at a business session following breakfast Sunday morning. Reports of district chairmen were heard at the opening session Saturday.

District 11 of Pilot International had as its special guest at this meeting the president of Pilot International, Mrs. Marguerite E. Dimerling, of Beaumont, Texas, who is a practicing attorney in that city. She was guest speaker at the dinner Saturday evening and was honored by a reception following the banquet, both of which were held at the Portsmouth Hotel.

About 150 guests from Pulaski, Bristol, Grayson County, Marion and Seven Mile Ford called during the afternoon.

Receiving with Mrs. Anderson were her children, Robert O. Anderson, Charlottesville, Byron Anderson, Marion, Mrs. Lewis Jarrett, Marion, and Mrs. Grace Houston, Adwolve.

Mrs. Frank Goodpasture and Mrs. Sam Gollehon presided over the punch bowl.

Mrs. Anderson has 14 grandchildren and four great grandchildren.

PIZZA PIE

When Mrs. L. S. Crane of Anchorage, Alaska, came to see her brothers, Cecil and George Greer, and their families, she brought this recipe for pizza pie with her. Everyone who has eaten it has been delighted and wanted the recipe, so here it is.

Yeast dough, not so rich or sweet as for rolls, but stiffer. (Two cups of milk will make three or four large pizzas.) Let dough rise once, push down and roll very thinly to fit large cooky sheet. Place on greased cooky sheet, grease top with olive or cooking oil. For each pizza pie use about 1/4 lb. cheese, sliced, one small can tomato sauce, 1/4 lb. ground beef, about 1/2 tsp. crushed hot red pepper, about 1/2 tsp. (or more) crushed oregano, sprinkle of salt, grated Parmesan cheese. Dampen sliced cheese with cold water, put slices here and there over dough on cooky sheet. Spread one can tomato sauce evenly over it and put meat on it in small pieces all over pie. Sprinkle with salt, red pepper and oregano, then sprinkle generously with Parmesan cheese and bake at about 450 degrees for 15 or 20 minutes.

The wedding will take place some time in December.

Miss Jones Is Bride of Ray Osborne

Mr. and Mrs. Roy Jones of Saltville announce the marriage of their daughter, Bernice, to Ray Osborne, son of the late Mr. and Mrs. Thomas C. Osborne, of Saltville.

They were married at the home of the bride's uncle, the Rev. B. H. Brewer, of Bristol.

The candlelight ceremony was performed before an improvised altar of ferns and baskets of chrysanthemums scattered with snapdragons.

The bride wore a dress of aqua velvet, scattered with rhinestones and a hat of white velvet.

After a reception given by the bride's aunt, Mrs. B. H. Brewer, at the parsonage, the couple left for a southern wedding trip.

The bride and groom will make their home in Saltville, where both are employed by the Mathieson Chemical Corporation.

hogs. Hog prices are rela-tively high, and many factors indicate satisfactory prices for several months. Hog numbers are down from a year ago; dressed pork supplies are lower; employment is higher, and consumers' incomes are still rising.

Farmers who have good breeding stock, use sound man-agement practices and control diseases can feed corn to hogs along with the right amount of balanced supplement and realize a labor profit over feed costs of \$3 to \$4 per bushel. Prices of grain and supplement differ in various parts of the country, but you can do your own figuring using local prices.

Here's an example, when five bushels of corn and 45 pounds of a balanced supple-ment are fed to thrifty grow-ing hogs, 100 pounds of pork can be produced. Today, hogs are actually selling for con-siderably more than \$20 per hundred. However, here's the way to figure your labor prof-it when hogs sell for \$20 per hundred and supplement costs six cents per pound.

100 pounds pork sells for \$20.00.
45 pounds of supplement costs, \$2.70.

Balance after paying for supplement \$17.30.
Labor income per bushel of corn, \$3.77 equals \$17.30 plus 5.

Certainly there are quite a few hog production costs other than feed. If feed makes up about 80 per cent of the total cost of producing pork, the five bushels of corn fed to hogs to make 100 pounds of pork is still worth about \$3 per bushel.

Smyth Father Is Given 10 Days For Taking Child
A Smyth County father who took his three months old baby from its mother has 10 days to think it over.

Gene Thomas was fined \$10 and costs and given 10 days in jail Saturday in Trial Justice Court as a result of charges of unlawful assault on

the child, in that he took it away from its mother and left the infant with his own mother, with no means of feeding. "A few drinks and an argument is no excuse for such action. That is cruelty to your own child," Judge W. V. Birchfield stated, in giving the young man the jail sentence. Archie Boardwine of the Saltville community was told by the judge that he was flirting with a jail sentence if he didn't quit driving in a reckless manner. Boardwine was fined \$25 and costs on reckless charges and \$10 and costs on charges of driving while his license was revoked. Trooper S. M. Norris testified that he had received numerous complaints about Boardwine's driving and that Sunday night he caught him in the McCready Gap area gunning his vehicle and driving in a reckless manner. The officer testified that this makes the third time charges of reckless driving had been lodged against the young man in about nine months and that his license was revoked, effective Oct. 2. However, he said, he did not believe that the man knew of the license's being revoked after the latest arrest. Boardwine stated that he received a registered letter from Richmond but that he did not open it, giving it to his sister to take home. He said that he opened the letter, which notified him that his license had been revoked, after the latest arrest. Judge Birchfield told him that there is no question about his license's being revoked now and that any more complaints about his driving would result in a jail sentence. Trial of Doris Eugene Mercer of Marion on reckless driving charges was postponed until Feb. 3. Gayle Warren, also of Marion, was seriously injured in a wreck which resulted in the charges and will not be able to testify until that time, the court was told. A Sugar Grove youth, under 18, was fined \$10 and costs and given 30 days, time suspended, as a result of a license plate mix-up. The youth had purchased a car from another young man. Trooper Norris, on a routine check-up, found that the license plates on the car, a late model Mercury, were for a 1940 car in another person's name. It developed that the car was in the name of the mother of the other young man, who also was too young to own a vehicle. The father of the youth must take over the car and get the license plate real straightened out before the vehicle can be driven, the judge told the boy. A. J. Fair of Elizabethton, Tenn., was fined \$150 and costs, his driver's license revoked for 12 months and was given 60 days, suspended, on driving drunk charges. He also was fined \$30 and costs on hit and run charges, as a result of hitting the porch to a house. Fair was tried in his absence. A bond of \$15 and costs on reckless driving charges was forfeited, as was one for \$10 and costs for speeding.
