A PLAIN REQUEST! PLEASE PAY UP!!

We have moved our printing plant into new quarters; we have bought new machinery that has cost us a big lot of money; we want to buy still more and better machinery, and to do this we must have the money that is due us for the work we have already done. We have trusted you and acted squarely with you, some for several years; now we are in need of only what is due us, and we ask you to act fairly with us and come in and pay us what you owe for the paper.

Please do not force us to mail out Statements of accounts: you know whether you have paid for the last year, or for the past two, three or even more years. We have found the people of Smyth County as fair and square lot of people as we have ever done business with, and believe, that now that we have called their attention to our need, that they will come right in and pay up back dues and a year in advance.

Your answer to this request will let us know whether we are mistaken or not.

Swarthmore Chautauqua Visits Marion

Marion is especially fortunate, in having the Swarthmore Chautauqua make its initial appearance in Marion, starting with its program last Friday, and will continue until Thursday, of this week when it will close with the night performance. All of the programs, thus far have been very creditable and of the Chautauqua standard. Enthusiasm and interest have been aroused with the varied programs of lectures and music as have never before been aroused in Chautauqua. The Marimba Band, composed of Guatemalians, on the opening date pleased the people of all classes of musical tastes. The instruments used by the members of the Marimba Band are made of specially selected rosewood, which under the mastery of the members of the band produced music of the highest quality and most beautiful tones. Frank Tannebaum's lecture on "Crime and Punishment" showed this author to be a master of the subject which he so ably discussed.

The second day's program by the Swarthmore Trio, composed of Miss Ruth Smith, Soprano, Fred Hufsmith, Tenor, and Alice Wightman, pianist and accompanist, measured up to the desires of the most discriminating lovers of good music. Superintendent J. Fred McMurray in his lecture, "Open Door Opportunities for Young Children," showed his mastery of the guiding principles of adolescent youth. Prof. McMurray, in a clear and concise manner laid down the premise that there has never been an age in the history of civilization in which youth should prefer to live as in the present age. He also stated that there is no country in the world where the opportunities are as great for them as in our own United States. He placed the responsibility of their success in a large measure on them declaring that the age and country in which they live are conducive to success. He left them with these words: "Your are; You can; You ought; Now determine your will. Its your battle, win it. Their Honor, The Mayor, a clever comedy, written especially for Chautauqua, received the praises of all who were fortunate enough to see it. Dr. George P. Bible, the humorist in his characteristic manner gave his lecture, Monday afternoon on "Life and Opportunity." Dr. Bible dealt extensively with the social and everyday problems. This close observer of people and events pleased his auditors with his interpretation of them. William Durieux, the Dutch Cellist, a graduate of the Royal Conservatory at the Hague, Holland, and Marion Carley, the pianist and accompanist, who toured with Mme. Frances Alda of the Metropolitan Opera of 1922, executed the desires of the most exacting music lovers and critics of good music.

Miss Louise Stallings, the Lyric Mezzo Soprano, assisted by the above mentioned musicians, gave an evening concert of Classical selections that enraptured her audience. Her audience was captivated almost as much by her gracious and pleasing manner as by the persuasiveness of her musical speech.

Tuesday afternoon Marchettis Swiss Yodlers presented a program of true Swiss mountain folk-lore. They were very picturesque in their mountain attire, singing their songs in English translation. They appeared again in the evening program with an entirely different group of selections. After the entertainment by the Swiss Yodlers, Dr. O. H. Benson very ably presented his subject, "Broadcasting Youth's Achievements." He has been deeply interested in club extension work and spreads the message of love for one's everyday work.

The first half of the program has been presented with great credit to the performers and the managers of the Chautauqua and has given fine entertainment for all of those who have attended. The program for the remainder of the week contains the features of the program with William C. Redfield, ex-Secretary of Commerce, as a lecturer, Francis Joyner, the great character artist, with national reputation as an actor on the stage and on the screen with Mary Pickford, Ethel Clayton, Lionel Barrymore and William Farnum. The Vivian Players, on Wednesday, will present, "As You Like It," and on Thursday the Oceanic Ladies Quartet appear and the Jolly Juniors present their work and Sultan the educated pony performs.

All in all Marion has been very successful with its first Swarthmore Chautauqua. The crowds have been large showing the interest by all people in these excellent programs. The activities of the children in their jolly junior meetings every morning have been viewed by many parents who were surprised at the varied activities in which the children have been guided and directed. Parents are looking forward to securing the Swarthmore Chautauqua for the coming year. We congratulate the citizens of Marion who had the vision to initiate this character building community influence in Marion and hope they may secure it for 1925.

MARRIAGE

On June 30th, at 5 P. M., Mr. Larson Crouse, son of Mr. and Mrs. W. H. Crouse, of Marion, was united in marriage to Miss Oka Irma Atwell, the beautiful and accomplished daughter of Mr. and Mrs. J. E. Atwell, of Bland, County. The wedding took place at the home of Rev. C. T. Rouse. The bride was attired in a beautiful gray suit with accessories to match.

A Handsome New Sidewalk

Through the endeavors of the Womans Club, the Town of Marion and the County a handsome new granolithic sidewalk has been laid along side of the Court House Square on Main Street leading from Main Street. The work has been done under the direction of Morgan Stewart, and is a good and substantial piece of work, well put down, even and smooth. Old Morgan has been doing a good deal of this work in and around Marion, and to his credit be it said that his work is always creditable. The new walk leads right up to the News Office so all of our good friends can come right in to see us without getting their feet dirty. We must congratulate the Womans Club on this great improvement in one of the most prominent points in the Town. This side of the Court House Square has in the past been used as a tie-rack, and was muddy, dirty, with a very uninviting aspect; the ladies have been working on the project of having this walk laid and this side of the Square improved in looks for a long time, and the completion of the work is due very largely to the zeal and energy of the members of the Club.

The Kiwanis Club Meets.

The weekly meeting of the Marion Kiwanis Club occurred Tuesday night with a very good attendance. Owing to the Chautauqua that evening, which many of the members desired to attend, the program for the evening was omitted, and the evening's entertainment was confined to a very appetizing supper served by mine host Greer, and two addresses; one by the manager of the Chautauqua, Mr. William C. Redfield, and the other by Mr. Benton, of Springfield, Mass. Both of these addresses were of a high order of merit, especially that of Mr. Benton on the necessity of providing both boys and girls with a practical training that would enable them to be self-sustaining. He also gave a history of the work of the Rotary Club of his city, of which he is a member, and the great work it is and has accomplished in aiding the under-privileged boy.

The Attendance Prize was won by Rev. H. E. Brown, presented by Mr. Dent Staley of the Staley Hardware Company, a handsome pocket knife. It is expected that the program for the meeting of the coming week will be a very entertaining one, and should not be missed by any member.

Resolution of Respect.

Whereas, in the dispensation of his providence, God our father has saw fit to remove from this world, the infant child of Brother Ike Phipps, therefore be it resolved,

1. First, That we members of Sugar Grove Lodge I. O. O. F. No. 215, desire to extend to brother Phipps and family our sincere sympathy in the loss of their baby, and while they cannot see now why the little one was taken from them, they will be able to understand it better by and by. Christ said "suffer the little children to come unto me and forbid them not for of such is the kingdom of heaven."

2nd That a copy of these resolutions be forwarded to brother Phipps and that they be published in our county papers.

Mrs. Grace King Sayers.

Mrs. Grace King Sayers, wife of Early Sayers, quietly passed away in her home on Cherry Street Tuesday May 27th after a long and distressing illness. She had been ill for weeks and early in her illness had felt a conviction that she could never get well. Her friends and family, doing all in their power to for her comfort and cheer, often tried to dissuade her from this feeling but she seemed to know that her time was coming and nothing could shake her conviction. While awaiting the end with certainty she was not afraid nor concerned for herself, but was agonizingly concerned for her children, about to be left motherless. As she had lived unselfishly devoted as wife and mother with little thought of herself but for her loved ones, so she died. Trusting implicitly in her Savior she passed to the mansion prepared in her Fathers house, distressed at leaving her little ones but entrusting them to the care of Him who is faithful to every trust. Her last prayer was for her children; her last request of them that they so live by faith in Jesus as to meet her in heaven.

She was born forty three years ago near Mt. Carmel in Smyth County, the daughter of John W. and Mary Hubbell King. She leaves to mourn her loss, besides a host of friends who honor her memory, her husband, Early Sayers, and four children, Roxie, aged 22, Richard, 12, Marigold, 8, and Albin, 5; one sister Mrs. T. K. Sayers, of Marion, and four brothers, James, Charles and Jake King of Saltville, and Oscar King of Tamm, W. Va.

The funeral services the first to be held in the new building of the Presbyterian church of which she had long been a faithful and valued member, was conducted by her pastor Rev. G. A. Wilson, Jr., on the afternoon of Wednesday May 28th. Her brothers and the brothers of Mr. Sayers acted as pall bearers. Interment was in the cemetery near Ataway, where her body lies beside the bodies of two of her sons both of whom died at different times by drowning one as little baby and the other as a young man just entering upon a business career.

A good woman, a devoted mother, a true christian she lived and toiled for others and laid down her life on the altar of service.

STILL LOVES TO HEAR FROM HOME

A subscriber living in the far-away state of Idaho, when sending in her subscription this week for another year (and by the way it was for a year in advance) has the following to say:

"After an absence of 22 years from the old county the Democrat comes as a familiar old friend, and I sure have enjoyed the reading."

And it is always thus; no greater pleasure can be given an absent friend and loved one than to see the old county paper weekly; we know what we are talking about for we are away from home, the place that no matter where we roam we never forget. It's a letter each week, and brings to mind long-ago friends, places and events that no letter will do.

Have you not a friend or relative that you would like to remember and give them the pleasure of a "letter from home" 52 times in a year? The home paper will do this, and only costs \$1.25 for the year.

CARD OF THANKS

Mr. Alma Cox and family wish to thank the friends and relatives far and near for the many acts of kindness shown them during the illness and death of their wife and mother, may God bless each of you.

The News Office was greatly pleased on Monday of this week to receive a call from Dr. Thomas Sexton, of Fremont, Nebraska, who has been visiting for several weeks his old home in this county. Although the doctor has been for many years a resident of the great West he has not forgotten the old home of his boyhood, and was delighted to meet with many of his old friends. The doctor spoke in high praise of the growth and development of Marion.

FOR CONGRESS

Election, November 4th 1924.

The Platform of 1924

As Adopted by Republican National Convention at
Cleveland, June 12

II—Situation In 1921 and Thereafter

When the Republican administration took control of the government in 1921 there were four and a half million unemployed; industry and commerce were stagnant, agriculture was prostrate; business was depressed; the securities of the government were selling below their par value. Peace was delayed; misunderstandings and friction characterized our relations abroad. There was a lack of faith in the administration of the government resulting in a growing feeling of distrust in the very principles upon which our institutions are founded.

Today industry and commerce are active; public and private credits are sound. We have made peace; we have taken the first step towards disarmament and strengthened our friendship with the other powers. Our relations with the rest of the world are on a firmer basis our position was never better understood, our foreign policy never more definite and consistent. The tasks to which we have put our hands are not completed. Time has been too short for the correction of all the ills we received as a heritage from the last Democratic administration, but the notable accomplishments under Republican rule warrant us in appealing to the country with entire confidence.

We demand, and the people of the United States have the right to demand, rigid economy in government. A policy of strict economy has been enforced by the Republican administration since 1921 that has made possible a reduction in taxation and has enabled the government to reduce the public debt by \$2,500,000,000. This policy rigorously enforced has resulted in a progressive reduction in public expenditures until they are now \$2,000,000,000 per annum less than in 1921.

The tax burdens of the people have been relieved to the extent of \$1,250,000,000 per annum. Government securities have been increased in value more than \$3,000,000,000. Deficits have been converted into surpluses. The budget system has been firmly established and the number of federal employes has been reduced more than 100,000. We commend the firm insistence of President Coolidge upon rigid government economy and pledge him our earnest support to this end.

DEATH OF MRS. ALICE COX

The many friends and family of Mrs. Alice Cox was deeply saddened Monday morning, June 23 about five o'clock, when they learned that our Heavenly Father had seen fit to call her to be with Him. Mrs. Cox had been confined to her bed for the past eight months and during her entire illness she was not heard to utter a complaint but was always found patient, loving and kind in her affliction. She was never too sick to smile and her Savior was her constant hope and companion. She leaves behind a beautiful testimony first of all that she is safe in the arms of Jesus. She was a faithful wife and mother. In addition to a host of friends to mourn her loss. She leaves a mother, husband and five children; Willie Mae, Agnes, Elizabeth, Neal and Marion.

Mrs. Cox was born in Merion, Va. She was 35 years old. For many years she had been a member of the Baptist church. Rev. James R. Edwards conducted her funeral service which was held from her home. The spirit of quietness and cheerful hopefulness with which she met death was symbolized in the abundant and beautiful floral contribution. Her body was laid to rest in the Marion cemetery beneath those flowers of many friends.

This Bottle protects You against substitutes

Here is why Orange-Crush is deliciously different from all imitations: (1) The natural fruit oil of oranges; (2) The natural fruit acid of citrus fruits (oranges, lemons and limes); (3) Orange juice; (4) Pure carbonated water; (5) U. S. Certified food color; (6) Pure cane sugar. That's all. My, what a drink!

THE UNIVERSAL CAR

You can buy any model by making a small down-payment and arranging easy terms for the balance. Or you can buy on the Ford Weekly Purchase Plan. The Ford dealer in your neighborhood will gladly explain both plans in detail.

That knock's way back here!

"YOU can't always tell where the knock is from the seat," says the old-time Fleet Boss. "We traced this one back to the rear axle. There's a tooth chipped off and every time it passes the pinion you hear a knock up front. A differential or transmission gear that isn't hardened right will often shed a tooth, especially if you don't keep it well lubricated. Your motor isn't the only place where oil or grease kills noise. And remember, noise usually means trouble."

There are hundreds of car models and almost every one has a spot or two at which experience says to watch lubrication with particular care. You'll have less to watch if you standardize on "Standard" Polarine Motor oils and greases. Fifty-four years of lubricating experience have made the "Standard" Polarine line the last word in quality. You can be sure of the finest lubrication all around—at a very reasonable price—by insisting on "Standard" products.

\$54,000,000 CASH IS RAISED BY BAPTISTS

RETURNS ON 75 MILLION CAMPAIGN REPORTED TO CONVENTION—\$21,000,000 MORE NEEDED.

NEW PROGRAM PROJECTED

Dr. C. E. Burts of South Carolina Named General Director—Dr. McDaniel Heads Convention.

Dr. GEORGE W. McDANIEL, New President Southern Baptist Convention.

Up to May 1 Southern Baptists had contributed in cash on their Million Campaign, the five-year program for the extension of their general missionary, educational and benevolent work, the sum of \$53,322,852.79, leaving a total of \$21,107,147.21 to be raised between now and the end of 1924 if the original goal of \$75,000,000 is attained, it is announced by the general headquarters.

When the status of the Campaign was reported to the Southern Baptist Convention at its recent session in Atlanta, the Conservation Commission was instructed to lay plans to complete the raising of the \$75,000,000 by the close of the present calendar year in order to clear the way for another forward program that will claim the support of the denomination during 1925.

Dr. L. R. Scarborough, general director of the Campaign, has been called back to Nashville to lead in the task of raising the \$21,000,000 additional needed to complete the Campaign goal. He will undertake with the assistance of the various state and associational boards, to effect an organization that will enlist every Baptist church in the South, representing a combined membership of 3,500,000, in a definite share in the completion of this forward program.

Approximately 6,000 messengers from every state in the South attended the Atlanta session of the Convention and the entire body voted unanimously to get behind the effort to raise the full amount of money needed to complete the Campaign.

Where Money Came From
Here are the sources from which the \$54,000,000 collected so far on the Campaign has come: Alabama \$2,429,331.08; Arkansas \$2,022,747.90; District of Columbia \$266,267.91; Florida \$883,408.56; Georgia \$4,878,524.26; Illinois \$629,736.03; Kentucky \$6,036,800.32; Louisiana \$1,451,935.84; Maryland \$668,718.61; Mississippi \$2,739,708.78; Missouri \$2,249,746.14; New Mexico \$648,818.26; North Carolina \$4,511,014.81; Oklahoma \$1,349,086.42; South Carolina \$4,327,974.00; Tennessee \$3,746,261.52; Texas \$8,171,762.80; Virginia \$5,733,141.38. Specials: Home Board \$15,340.00; Foreign Board \$56,103.00; raised by foreign churches and expended by them on work there \$1,003,390.88.

Future Program Authorized
At the same time Southern Baptist forces will be completing their 75 Million Campaign they will be

launching the next program to follow the Campaign. At a session in Nashville the Commission on the future program designated it as "The 1925 Program of Southern Baptists" and elected Dr. C. E. Burts of Columbia, S. C., as general director, and Frank E. Burkhalter, Nashville, publicity director. The canvass for subscriptions for the 1925 budget, which will be for at least \$15,900,000, will be taken in the local Baptist churches the week beginning November 30.

Dr. George McDaniel of Richmond, Va., is the new president of the Southern Convention. Actions by that body include the taking over of the Southwestern Baptist Theological Seminary at Fort Worth, Texas, decision to defer for a year any action looking to a reorganization of the work of the general boards of the convention, instruction to the Education Board to continue negotiations looking to recovery to the Baptists of George Washington University at Washington, decision to give larger consideration at next year's session to the interests of the country churches, and the adoption of a vigorous protest, which will be forwarded to the president and secretary of state at Washington, against the persecution of Baptists in Russia and Rumania.

Sick Headache

"I have used Black-Draught when needed for the past 25 years," says Mrs. Emma Grimes, of Forbes, Mo. "I began taking it for a bad case of constipation. I would get constipated and feel just miserable—sluggish, tired, a bad taste in my mouth, and soon my head would begin hurting and I would have a severe sick headache. I don't know just who started me to taking

Thedford's BLACK-DRAUGHT

but it did the work. It just seemed to cleanse the liver. Very soon I felt like new. When I found Black-Draught so easy to take and easy-acting, I began to use it in time and would not have sick headaches." Constipation causes the system to re-absorb poisons that may cause great pain and much danger to your health. Take Thedford's Black-Draught. It will stimulate the liver and help to drive out the poisons. Sold by all dealers. Costs only one cent a dose. E-104

WATER CUT OFF AGAIN.

In order to "cut in" to the large water mains circling the Fire District of the town, the water will be cut off Tuesday night about 8:30. The Water Committee think it advisable to thoroughly wash the new mains, as well as the old ones, before water is in permanently therefore it will necessitate depriving the citizens of water for a few hours. The new system is not completed as yet, though we are informed that practically all of the high points are now getting water all through the day, and the pressure is strong enough to afford much better fire protection than we have had for several years. We are promised a full report of the water system in the near future.

STYLE

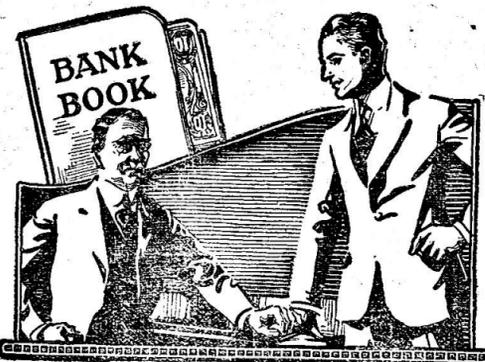

IT isn't so easy to explain style. The jazz ideas don't make style. On the contrary, style is that something in clothes that gets over the impression of correctness. You see it in the lines. In the cut. In the position of the buttons. In the shape of the lapels. In the width of the trousers.

When we say that Griffon Clothes have style, we mean good style—dignified style—dressy style.

Why don't you take a look at the suits styled in the Griffon manner?

Avoid Using Castor Oil

—W. L. Hand

Nobody likes to give or take castor oil. There is really hardly any need for it since the invention of Liv-o-lax.

And Liv-o-lax fills a double need. It has a marked action on the liver as well as the digestive tract, and so it can be used in cases of bilious attack, and when a cold is coming on, it takes the place of calomel and castor oil. Literally hundreds of mothers have earnestly thanked me for putting this good remedy on the market.

Children love to take Liv-o-lax and it is just as good for the same conditions in adults.

A bottle of Liv-o-lax costs but 30c at any drug store.
