

Baby Found in Stable.

A Graham exchange states: The news Monday morning about 11 o'clock that a living newly born infant had been found in an old unused stable on the premises of A. P. Phillips, who resides north of the railroad opposite the Norfolk and Western tower, created quite a little excitement in Graham and the news of the unusual discovery spread quickly over the town and became a matter of general discussion.

The find was made by Jim Lawson, a boy fifteen years of age and a nephew of Mr. Phillips, with whom he makes his home. The boy claimed to have visited the stable for the purpose of seeing about a muskrat skin he had there.

The baby is a male child and the little fellow was wrapped in a bunch of old sacks and tucked away in one corner of the stable.

The infant was moved to the home of Norman Cocks, a neighbor of the Phillips, where it was cared for by Mrs. Cocks. The baby appeared very hungry and took nourishment eagerly.

Dr. R. M. Witten was sent to the Cocks home by Mayor J. M. Smith, upon learning of the find, for the purpose of rendering any medical attention that might be necessary. Dr. Witten gave it as his opinion that the child was possibly from twenty-four to thirty-six hours old and had had evidently received nourishment before being deposited in the stable where it was found.

Several kind-hearted Graham citizens expressed a desire to adopt the baby as their own, but the mayor and his advisers deemed it best to make a thorough investigation of the matter before permitting the child to be adopted by any one, and every one, and every possible clue towards ascertaining who placed the infant in the stable will be run down, and it is possible prosecution of those responsible for the inhuman treatment of the baby will follow.

It is reported late Monday evening that the little fellow might not recover from the exposure and subjection to the cold. The citizens of Graham are very indignant over the brutal treatment of the tender baby.

Does Much Damage.

Most Severe Hail and Rain Storm in Many Years Visits Bristol.

The most severe hail and rain storm that has visited Bristol and this section in the memory of the oldest inhabitants, came Saturday night about eight o'clock and as a result incalculable damage was done vegetation of all kinds and particularly truck, wheat and fruit. It is believed that the damage, especially to wheat, will be tremendous and that it is widespread. In some places hail half an inch in diameter was a foot or more deep, while it moved the leaves from trees and felled vegetation.

The people of Bristol were terrorized by the storm and much damage was done in the way of trees blown down, windows blown out, etc. The spectacular electric flashes in the midst of the down-pour of hail made the storm appear all the more dangerous and many were badly frightened.—Bristol Herald Courier.

Lame shoulder is almost invariably caused by rheumatism of the muscles and yields quickly to the free application of Chamberlain's Liniment. This liniment is not only prompt and effectual, but in no way disagreeable to use. Sold by all dealers.

Census on the Churches.

Washington, June 4.—The aggregate number of communicants of all religious denominations in continental United States, in 1906, was 32,936,345; according to census report on religious bodies. Of this grand total, there were 20,287,742 Protestants. The Roman Catholic church showed 12,679,142.

Chamberlain's Stomach and Liver Tablets will brace up the nerves, banish sick headache, prevent drowsiness and invigorate the whole system. Sold by all dealers.

Shooting at Clintwood.

Henry Watson Reported Killed By John Dent. Old Grudge the Cause.

Bluefield, W. Va., June 6.—A report of a shooting affray at Clintwood, Va., the county seat of Dickinson county, in which a man by the name of John Dent, aged eighty-one years, shot and instantly killed Henry Watson, a young farmer and a neighbor to the old man, reached here several days ago. The trouble between the two men dates back several months when Watson is alleged to have secured possession of a piece of property belonging to the old man. At the time the property was acquired Dent is said to have sworn vengeance on the farmer, but they never met until one day last week, when the man and his wife went out to work on their farm. The old man accosted them on the road and opened fire. Watson then threw up his arm to keep the shot from his face and the bullet pierced his body under the arm—death resulting instantly. The report states Dent walked to the mountain, where he staid until the deputy sheriff arrested him. He was arrested and taken to the jail at Clintwood. Watson leaves a wife and five children.

A WOMAN'S GREAT IDEA—but, without health, it is hard for her to be lovely in face, form or temper. A weak, sickly woman will be nervous and irritable. Constipation and kidney poison show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a god-send to women who want health, beauty and friends. They regulate the stomach, liver and kidneys; purify the blood; give strong nerves; brighten eyes; pure breath; smooth velvety skin; lovely complexion, good health. Try them, 50c. at Carson Drug Co.

Colonel Brownlow to the Hospital.

The Johnson City Staff has the following to say with reference to the illness of Representative Walter P. Brownlow, of the First Tennessee district, who spent a few days at the National Soldiers' Home at Johnson City:

A report has been assiduously circulated that Congressman Walter P. Brownlow is critically ill at his apartments at the Mountain Branch Soldiers' Home.

A Staff representative has found out from one who knows the nature of the trouble that it was a slight irritation of the bladder. Ten years ago he suffered from the same trouble and was promptly cured.

Against his wishes he has been taken to Johns Hopkins hospital at Baltimore, where Dr. Frank Young, a specialist, will look into the trouble. He was accompanied by Kyle M. King and Dr. J. C. Butler.

Ten years ago when he was bothered with the same trouble he was reported dead just before the election, but strange to say he was the first voter to appear at the polls.

SCARED INTO SOUND HEALTH Mr. B. F. Kelley, Springfield, Ill., writes: "A year ago I was troubled with a severe case of indigestion, and was unable to eat or sleep."

Passes U. S. Senate.

Administration Railroad Bill Ends After 12 Weeks of Focusing.

Washington, June 6.—The Senate passed the administration railroad bill last Friday. It has been under consideration for more than twelve weeks, and practically no other business except appropriation bills were considered in that long period. Only twelve votes, all of these by Democrats, were recorded against the bill.

Practical unanimity with which the measure was passed was due to the radical change made in the measure from the form in which it was drafted by Attorney-General Wickersham following numerous conferences at the White House on the subject of amendments to Interstate Commerce laws. All of the "insurgents" who opposed many features of the original bill voted for it.

Through the elimination of pooling and merger sections and by reason of the adoption of many amendments in the interest of shippers the progressive Republicans claimed to have won signal victory and most of the Democrats expressed themselves as favorable to large portions of the measure.

Had it not been for the retention of the sections to create a court of commerce it is likely the vote for the bill would have been unanimous.

Debate ceased when Senator Elkins, Chairman of the Interstate Commerce Commission, moved to take up the bill which was passed by the House and after striking out the body of that measure to the substitute matter agreed upon by the Senate. In that form the bill was voted upon with the result that it was passed by a vote of fifty to twelve. No Republicans voted against the bill, and six Democrats voted for it. They were Messrs. Chamberlain, Clay, Gore, Paynter, Simmons and Stone. Democrats recorded against it were Messrs. Bacon, Fletcher, Frazier, Hughes, Mooney, Newlands, Percy, Purcell, Rayner, Shiveley, Smith, of Maryland, and Smith, of South Carolina. The new law will take effect sixty days from date approved by the President.

Facts About the Great Baptist Church.

Among the Protestant denominations of the United States, says the Baltimore American, the Baptists rank second. They number 5,662,234. The Methodists are first, with 5,749,838.

The Baptists of the United States raised last year for church work \$22,813,864. This does not include their gifts to education.

They own and control ten Theological Seminaries, valued at \$1,327,000, with an endowment fund of \$4,000,000.

They own and control ninety-four Universities and Colleges, valued at \$26,212,869.

They have 36,000 students in their Colleges and Universities. This means that about one-seventh of all the University and College students in the United States are in Baptist institutions.

They own about one-eighth of all the University and College property in the United States, and control about one-eighth of all the endowment funds.

All To Be Crazy

In 265 Years, That is, if the Present Increase Keeps Up.—Cause Manner of Living.

Boston, Mass., June 6.—"If the increase in insanity keeps up at the present rate, we shall all be insane 265 years from now," said Dr. J. H. Kellogg, professor of surgical pathology and superintendent of the Battle Creek (Mich.) Sanatorium, addressing the graduating class of the college of physicians and surgeons.

"Physical degeneracy and chronic diseases are increasing," continued Dr. Kellogg. "Heart disease has increased 136 per cent. in the last thirty years. Kidney disease has increased in Massachusetts almost 167 per cent. We are not making the advance that we ought. Cancer is increasing—one-eighth of the adult women who die to-day, die from cancer."

"Insanity has increased 100 per cent. in the last fifty years—fifty years ago there were 9,000 insane people to every million—to-day there are 18,000. There are 34,000 idiots and lunatics to every million people in the world. It is due largely to the increased physical degeneracy originating from our manner of living."

"Women particularly are showing the results of this degeneracy in the decreased birth rate and the thriving of the concerns manufacturing infants' foods. Only three women out of four nurse their infants, owing to the physical degeneracy which makes it impossible.

"Seventy-five per cent. of the bottle-fed children die before they are a year old."

Tragedy in Dickenson County.

Freeling, Va., June 6.—Intelligence has been received here of the killing of Charles Newberry by Geo. Dutton, at Skeetrock, in this (Dickenson) county. The report says that the men had a dispute over a boundary line between their farms, which adjoined, when Dutton, who had his gun, became enraged and shot Newberry, killing him instantly. Dutton surrendered himself to the authorities, and was lodged in the county jail at Clintwood.

Newberry was about forty years of age and leaves a family. Dutton is seventy years old. The men had lived neighbors for several years. Considerable excitement prevails over the affair.

Is Ill of Pellagra.

Bristol, Va., June 6.—Wade Leslie, the young son of Rev. H. W. Leslie, a Cumberland Presbyterian minister here, has been pronounced ill of pellagra. Local physicians say there is no doubt that he has a genuine case of the disease. Young Leslie is demented, and has just been so adjudged by a commission of lunacy, with a view to sending him to the Southwest hospital for the insane at Marion, Va.

Leap from Train.

Two Women Among Injured in a Panic of Wreck Fear.

Roanoke, Va., June 6.—When two women on a Virginian Railway passenger train saw a freight train approaching from the rear near Mullens, W. Va., last Saturday, they cried "wreck!" and half the passengers in the rear coach plunged through the windows.

Louise Nauode, of Pembroke, was injured about the hip, and Lula Peters, of Saltville, was cut about the face. Others received minor injuries. The passenger train had come to a standstill because of a blown-out valve. The freight was flagged, and there was no danger of a collision.

MARVELOUS DISCOVERIES mark the wonderful progress of the age. Air flights on heavy machines, telegrams without wires, terrible war inventions to kill men, and that wonder of wonders—Dr. King's New Discovery—to save life when threatened by coughs, colds, la grippe, asthma, croup, bronchitis, hemorrhages, hay fever and whooping cough or lung trouble. For all bronchial affections it has no equal—it relieves instantly—its the surest cure. James M. Black, of Asheville, N. C., Route No. 4, writes it cured him of an obstinate cough after all other remedies failed—50c. and \$1. Trial bottle free. Guaranteed by the Carson Drug Co.

White Mrs. William Bundy, of Bainesville, Page county, was fastening her coop of little chickens during a storm lightning struck the umbrella she was holding over her and burned the cover off without injuring Mrs. Bundy.

The Conservation of Nature's Resources Applies as well as to our physical state as to material things. C. J. Budlong, Washington, R. I., realized his condition, and took warning before it was too late. He says, "I suffered severely from kidney trouble, the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy, and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late. Carson Drug Co."

Proved Beyond a Doubt.

The following facts contained in a recent speech made by the Hon. Seno E. Payne, of New York, the author of the New Tariff law, are stated so clearly and so forcibly as to leave not the slightest doubt of the proposition he lays down, which is that the present tariff law has nothing to do with the high cost of living.

There is not a single Democrat in Congress who will or can deny any fact he has stated though of course there are many who do not agree with his reasoning. Parts of Mr. Payne's speech were strongly argumentative, but he did not rely on mere argument, holding that a plain straightforward statement of the facts was also needed in order to correct the hundreds of misstatements that have been made about it.

We wish every voter in the United States, of both parties, could not only read the extract which we are about to give, but the whole speech. The following, which is only a small part of the speech, is what we have alluded to. He said:

"Duties were reduced on articles of necessary consumption, that is, those that are commonly called necessities of life, of which the amount consumed in a year represented a value of \$5,000,000,000.

"Consumption of articles on which duties were increased amounted in a year to \$579,000,000, and of these the greater part consists of wines, liquors and other articles to be classed as luxuries.

"Tradesmen have given as a reason for increases in prices to consumers, that the tariff on the goods in which they deal has been increased though it is a fact easily proved that in ninety-nine out of one hundred such cases the tariff was either left unchanged or else reduced.

"Investigation of prices shows that increases are the same, regardless of tariff changes or unchanged duties. All kinds of farm products, meats, butter, eggs, poultry, all food products, hides, leather, shoes and cotton show reductions in doubt but increase in prices.

"It is hardly possible," Mr. Payne takes a single item included in present tariff schedules and direct increased duty into food prices. The only way that has affected prices is the increase in wages in our people. Demand had the increase by the articles a-

A Correction Demanded.

The Freeing correspondent of the Herald-Courier recently stated that when the time for the payment of poll-taxes had expired fifty Republicans were unpaid and that "the Democrats were all paid."

The Clintwood Journal takes up this statement and says: "From a careful checking of the Treasurer's books, made since the 7th of May, the date closing the time for payment, shows that not a single Republican in the county failed to pay his poll-tax for the years required to qualify him to vote in November, and that one hundred and three Democrats were left off by Mr. Stuart's paymasters. So we will ask the Herald-Courier to call upon its Freeing correspondent for a supplementary report as to this, as well as the name of a single Republican in Dickenson county who will not support Mr. Slemp. Mr. Stuart's managers will learn that misstatements will not elect him, but that it takes votes to count."

This puts an entirely different face on this matter, and if our Clintwood contemporary is correct, proves that the Republicans of that county mean business in this campaign.

Certainly the Republicans in no county of the Ninth district could have possibly done any better in the matter of paying up poll-taxes than Dickenson has done, and we doubt if any other county has done as well.

We think a correction is in order from the Herald-Courier's Freeing correspondent. Bristol News, May 26th.

Sugar Grove Nuggets.

EDITOR NEWS:—As the cold wind for the last few days has caused "Thin Legs" to take his little dog and go South for their health, we will proceed to give you some news from our thriving little town.

Mrs. S. F. Testerman was at home from Kimball, W. Va., the past week.

Mr. R. E. Hutton, of Fairwood, Va., was calling on his friends here last week.

Mr. J. W. Nelson returned Saturday from a trip to Eastern Va.

Mr. A. B. Pafford was sadly disappointed Sunday evening when he awoke on account of the rain. He couldn't take his best girl to the June meeting.

Mr. W. T. Slemp and Miss Mary Whisman, J. T. Pafford and Miss Annie Neff took in the June meeting at Handsdown Sunday.

Misses Georgie and Lizzie Neff visited Miss Dora Whisman on Sunday.

Mr. Dave Nelson, of Troutdale, is spending a few days in Sugar Grove.

Postoffice Inspector J. Irving, checked up Sugar Grove postoffice a few days ago and found everything alright, and complimented the R. F. D. Carrier's horses very highly.

Mr. H. S. Whisman, clerk in Look & Lincoln's store at Sugar Grove, has accepted a position with J. A. Wilkinson, of Bristol, Tenn.

Mr. Roy Horn returned home last Saturday from Williamsburg, Va., where he has been in school.

Policeman J. W. Keesling has been on the sick list for a few days.

Mr. William Currin is clerking in Look & Lincoln's store in place of H. S. Whisman. "Billie" is a very fine young man and has many friends in Sugar Grove.

R. L. Slemp has made a wonderful improvement on his property on a street by building a nice long and painting his house.

Chisenhall has made a great improvement on the roads in this

Whisman, an employee of the Southern railroad, returned the past few days.

Slemp and Littlejohn on Mr. and Mrs. Horn.

Slemp and Littlejohn on Mr. and Mrs. Horn.

Slemp and Littlejohn on Mr. and Mrs. Horn.

Wise Names Delegates.

Big Stone Gap, Va., June 6.—The Republicans of Wise county held their county mass-meeting at Norton Saturday with the largest attendance in the party's history. The meeting organized with L. R. Greer, of Pound as temporary chairman and Harry F. Whitehead, of Inman, as temporary secretary. Committees on resolutions and permanent organizations were selected.

The resolutions committee brought in a report strongly endorsing the Taft administration and the record of Congressman C. B. Slemp, and instructing the delegates to vote for the latter's nomination to succeed himself in Congress.

W. H. Horton, of Big Stone Gap, was made permanent chairman and L. S. Compton, of Coeburn, permanent secretary.

There was no note of discord throughout the entire proceedings, and the Republican party leaders claim that a threatened defection of some ninety votes has been so arranged that it will not amount to more than twenty, which, they claim, will be the least in ten years. They predict a better majority for their party in the county this year than in 1906, when R. P. Bruce, of Wise, was the democratic candidate.

The attendance was estimated at 500 voters, and among them was noticed many of the old leaders who have for some years past been occupying places in the rear. This was the subject of much favorable comment among the present leaders, who profess to see it in an omen of success.

Delegates were named to represent the county in the Abingdon convention on July 20.

If you are not satisfied after using according to directions two-thirds of a bottle of Chamberlain's Stomach and Liver Tablets, you can have your money back. The tablets cleanse and invigorate the stomach, improve the digestion, regulate the bowels. Give them a trial and get well. Sold by all druggists.

Righteous indignation against wrong-doing is always to be commended and all fair-minded persons must have commended the action of Mr. A. W. Buhman, a Democratic member of the Washington county Electoral Board, in exposing the high-handed action of Mr. Alex. Stuart in using his position to have Republican judges of election removed.

KEPT THE KING AT HOME
"For the past year we have kept the king of all laxatives—Dr. King's New Life Pills—in our home and they have proved a blessing to all our family," writes Paul Mathulka, of Buffalo, N. Y. Easy, but sure remedy for all stomach, liver and kidney troubles—only 25 cts at Carson Drug Co.

Supervising Principal.

Chas. E. Anderson, of This County, is Elected Over Bristol City Schools.

Bristol, Va., June 6.—The action of the city school board Saturday night was evidently a disappointment to Superintendent S. Rhea McChesney and his friends. Mr. McChesney was defeated in the election for supervising principal of the schools, and although still superintendent, to which position he was elected by the State board, the principal part of his salary is gone. Prof. Charles E. Anderson, of Seven Mile Ford, Smyth Co., was elected to succeed him as supervising principal by a vote of five to two.

We congratulate our countyman on his preferment. He is well qualified to perform the duties of the responsible position. The salary is \$1,400 per year.

GLAD TO RECOMMEND THEM
Mr. E. Weakley, Kokomo, Ind., says: "After taking Foley Kidney Pills, the severe backache left me, my kidneys became stronger, the secretions natural and my bladder no longer pained me. I am glad to recommend Foley Kidney Pills." In a yellow package. Carson Drug Co.

Young graduates advertising the world to hitch its wagon to a star should be careful to warn it not to couple up with the comet, however. It would be too bad not to get back for seventy-five years!

Adwolfe Notes.

EDITOR NEWS:—I will send in a few happenings from Adwolfe.

Farmers are busy working their corn and potatoes. The rain the first of the week was badly needed.

Mr. Marion Copenhaver was visiting his mother, Mrs. Ella Copenhaver last Saturday and Sunday.

Mr. R. M. Parks, of Sugar Grove, was visiting his brother, Mr. N. R. Parks, last Sunday.

Mr. Robt. Sherwood was in Adwolfe last Saturday having his bicycle repaired.

Mr. J. I. Tate has been visiting his mother, Mrs. Andy Teester, for a few days.

Owing to the rain Sunday, the June meeting on South Fork was not very well attended from Adwolfe.

The Rev. L. L. Bean was in Adwolfe last week on business.

Mr. "Hence" Copenhaver was visiting his nephew, Victor, last Saturday.

Marvin Anderson, of Marion, was visiting relatives in Adwolfe Saturday and Sunday.

John Parks left here last Monday for Sugar Grove, where he will visit relatives. "SPECTACLES."

NOTICE!—All parties holding claims against the late D. W. Debord will present them either to J. J. Tilson or J. W. Debord, executors, May 30, 1910.

Barn Burned.

Mr. J. H. Coley, who resides south of Rural Retreat, lost his barn by fire last Saturday night. Shortly after the storm the fire was discovered and is supposed to have been set by being struck by lightning. Mr. Coley lost a fine horse and farming implements, grain and forage.

CONSUMPTION

In the cure of consumption, concentrated, easily digested nourishment is necessary. For 35 years

Scott's Emulsion

has been the standard, world-wide treatment for consumption. All Druggists

A Reliable Remedy CATARRH

Ely's Cream Balm is quickly absorbed. Gives Relief at Once.

It cleanses, soothes, heals and protects the diseased membrane resulting from Catarrh and drives away a Cold in the Head quickly. Restores the Senses of Taste and Smell. Full size 50 cts., at Druggists or by mail. In liquid form, 75 cents. Ely Brothers, 56 Warren Street, New York.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for free circulars. F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75 cents. Take Hall's Family Pills for constipation.

Mr. W. B. Calhoun was seen out making his regular trip Sunday—he wasn't by his self either.

Mrs. J. W. Nelson was calling on Mrs. J. W. Keesling Sunday.

Mrs. C. Whisman was calling on Mr. and Mrs. Horn.

Preparing for Battle.

Washington, June 8.—The Republicans in Virginia have made up their minds to nominate candidates for Congress in the First, Second, Third, Fifth, Sixth, Eighth and Ninth districts. George N. Wise, it is said, will be the man to oppose Representative Jones; D. Lawrence Groner, Mr. Maynard; John M. Parsons, Mr. Saunders; Col. James S. Browning, Mr. Glass, and Mr. Slemp, Mr. Stuart. The Fourth district will not have a candidate, and the Seventh and Tenth may not have any.

Dissolution Notice.

This is to give notice that the firm of Greer & Young has been dissolved—that W. E. Greer has purchased the interest of R. E. Young in the Livery business. All notes and accounts due the firm become the property of and are made payable to the said W. E. Greer, who assumes all obligations of said firm. W. E. Greer will continue the business and requests settlement from all parties. Signed: GREER & YOUNG.

Wreck on N. & W.

A Dozen Persons Injured but None Killed in Accident at Seven Mile Ford.

The Washington and Chattanooga limited train, known as No. 42, which passes Marion at 8:50 was wrecked a short while after 8:00 o'clock Sunday night while running at a high rate of speed. That no one was killed and only one seriously injured is almost miraculous.

The train was on a smooth piece of track and was speeding at the rate of a mile a minute when the mail car spit the switch and separated from the engine. Jumping from the track, this car, followed by all others, ran about 60 feet into an open space, and came to a standstill in a zig-zag form with the mail, baggage and express cars partially overturned.

When the mail car left the track the mail catcher was torn from the side of the car. The baggage side-wiped a freight car loaded with telegraph poles and the entire side of the car was torn away. In the baggage car were two ponies owned by Brent Harding, of Ohio, and were en route to New Haven, Conn. Harry Smith, colored, was in charge and was perhaps the worst injured of any man on the train. One of the ponies was thrown out of the car over into a field, a distance of about 30 feet and escaped injury of any kind.

Considering the speed the train was making passengers and trainmen say it was one of the most remarkable in the history of the road. Engineer William Davis was in charge of the engine, while Capt. David Copenhaver was conductor in charge of the train.

There were 52 passengers on besides the train crew. Not a single trainman was injured with the exception of one brakeman and two dining car employees. About twelve passengers were more or less injured.

A new train was sent out from Bristol which passed here about 4 o'clock Monday morning.

Dr. P. W. Atkins, the company physician at this place, was called and with the aid several other doctors did what was necessary to alleviate the pain of the injured.

If you want to burn up that nice cook stove, why just iron on it the old way. If you wish to save it for many years, buy a Portable Ironing Stove. For sale by Marion Hardware Co.

WANTED AT ONCE—Salesman and Collector for Marion and surrounding country. Good opportunity for right man. Apply or write with references SINGER SEWING MACHINE CO., Bristol, Tenn. Va.

Marion Female College.

At a meeting of the Board of Trustees of Marion Female College, held at an earlier date and preliminary to the annual meeting, a committee was appointed to nominate a successor to President Scherer at the close of his term of office. Knowing his declining health, and to suggest improvements in the buildings, also plans for the future conduct of the College. This committee reported to the regular meeting May 23rd, and its suggestions were deferred to a future meeting which was held on the 2nd instant when the resignation of President Scherer, previously offered, was accepted on the ground of ill health. Rev. J. C. Peery, pastor of the Lutheran Church in Lynchburg, Va., was present and accepted the office of president to which he had been elected, and also the position financial secretary. His work secretary is to begin July 1st of this year and as President in 1911.

The Board resolved to raise \$1000 for improvement of the building.

Memorial Exercises.

Memorial exercises were held here last Friday, June 3rd, under the auspices of Holston Chapter, U. D. C., with a good sized crowd in attendance. There were about seventy-five Confederate veterans present. They assembled at the Court House about twelve o'clock and marched to the Odd Fellows Hall, headed by the Marion Concert Band. There a sumptuous luncheon was served by the Daughters of Holston Chapter. During the dinner hour the Band rendered a number of delightful selections. After the luncheon the Veterans and Daughters returned to the Court House when addresses were delivered by Messrs. Robt. A. Anderson, B. E. Copenhaver, Robt. L. Williams and Rev. J. Tyler Frazier. Judge G. H. Fudge was Master of Ceremonies and introduced the first speaker. Mr. B. F. Buchanan presented Supt. Copenhaver, and Mayor J. P. Sheffey introduced Mr. Williams. After the addresses Crosses of Honor were to have been presented to fifteen Veterans, but only three of the number, Messrs. Geo. R. Rider, W. M. Copenhaver and Frank Hawks were present to receive them. After adjournment at the Opera House, the Daughters went to Round-Hill cemetery where the graves of the old soldiers were strewn with flowers and evergreens. The old soldiers present expressed themselves as delighted with the day, and the excellent music furnished by the Band added much to the pleasure of the large audience.

Did you hear about it? Why the Portable Ironing Stove for sale by W. M. Weaver Hardware Co. Just ask them to show and explain to you the many saving qualities it has, viz: labor, time and fuel.

A large number are looking forward with much anticipation to the lecture to be given Tuesday night by W. S. Buchanan at Court Square Theatre. His theme is "Mother," the grandest that any lecturer has ever chosen; for who is not touched when reminded of the tender care and undying love of a mother? No one is better prepared to discuss this subject than Mr. Buchanan, for he has felt the power of a mother's love; his character has been moulded by a mother's counsel and by her tender care he has been lifted into a realm of glorious recreation. He is now by his lofty and ennobling sentiments and clean life lifting the people, who come in touch with him, to a higher plane of brotherhood and the world back to heaven and to God. The recital of the lecturer's own life's tale and the tender and beautiful tribute he pays to a true mother are most impressive.

Regarding Mr. Buchanan, Miss Anna Jarvis wrote him the following: "I regret very much I did not get to hear your lecture. From what I learn you have a fine lecture and will do much good wherever delivered."

Mammoth (Ill.) Times: W. S. Buchanan gave his lecture on "Mother" in the large Auditorium to a crowded house. Few lectures have stirred the people as this beautiful address. Mr. Buchanan's voice is rich and full of pathos. Steps were taken for a return date.

A DREADFUL WOUND from a knife, gun, tin can, rusty nail, fireworks or any other nature, demands prompt treatment with Bucklen's Arnica Salve to prevent blood poison or gangrene. It's the quickest and surest healer for all such wounds, as also for burns, boils, sores, skin eruptions, eczema, chapped hands, corns or piles—25c. at Carson Drug Co.

"Had dyspepsia or indigestion for years. No appetite, and what I did eat distressed me terribly. Burdock Blood Bitters cured me."—J. H. Walker, Sunbury, Ohio.

A Double Marriage.

Bristol, Va., June 7.—The Rev. A. H. Burroughs officiated at a double marriage at his Gretna Green this noon at 11 o'clock, making the double event this week. The brides were: Edward L. Burgees, of Holston, Smyth county, and Miss Mintie Maynard, of Meigs, the same county, and James Ritter, a machinist, and Miss Lake Blackwell, both of Va. These young couples accompanied to the mecca by Mrs. William Mockler, John and S. C. Farris.

A Beautiful Church Wedding.

On Wednesday at 8:30 p. m., a beautiful marriage was solemnized at the Methodist church, when Miss Nell Tomlin Copenhaver became the bride of Dr. William Morton Selater. Pastor R. R. Sutherland said the beautiful and impressive ceremony that made them man and wife, before a very large audience of admiring friends. The church was artistically decorated, pink and green being the prevailing colors, while the altar and chancel were banked with evergreens, ferns and palms. Pink candles were interspersed among the palms and ferns, giving a most pleasing and charming effect. The bridal couple stood beneath a wedding bell suspended from a pink and green arch brilliantly lighted with pink candles.

The bride was attired in white chiffon over taffeta, the wedding veil was caught up with orange blossoms and in her hand she carried a shower bouquet of pink and sweet peas. The bridesmaids were attired in pink silk and each carried a basket of pink sweet peas. The gentlemen of the party were dressed in conventional black. Just before the bridal party entered Mrs. D. D. Staley sang softly and sweetly, "Because I Love You." The bridal party entered to the strains of Lohengrin's wedding march rendered by Mrs. Jno. B. Huffard. The ushers were John Brosius, F. W. Selater, John P. Sheffey and Geo. A. Collins. The bridesmaids were Misses Ruby Dickenson, Mary Ellen Miles, Katie Rives Carlock and Ethel Selater. The groomsmen were Messrs. Frank Copenhaver, Edward Coleman, Walter Hull and Frank Eubanks. Miss Kate Copenhaver, sister of the bride, was maid of honor, and Mr. D. M. Smith, uncle of the groom, was best man. The bride entered upon the arm of her father, Mr. Jno. S. Copenhaver. Standing before the altar the picture was a charming one.

Following the wedding a delightful reception was given by the brides father to the wedding party and a few friends. Many useful and beautiful presents attested the popularity of the bride couple. The bride and groom left Thursday morning for New York and other Eastern cities, where they will spend their honeymoon.

Marion Female College.

Resolutions Adopted by the Board of Trustees:

WHEREAS, The Rev. J. J. Scherer, D. D., has presented his resignation as President of Marion Female College, and

WHEREAS, Dr. Scherer has been associated with this institution as President ever since its inauguration thirty-seven years ago, and

WHEREAS, The Board of Trustees desires to put on record its high esteem for Dr. Scherer and its appreciation of the work he has done for the cause of Christian education—having sent out from this College not less than one hundred and seventy-five graduates, and several thousand other students who have received instructions here for a year or more, therefore be it

RESOLVED, 1st, That the Board accepts his resignation at his earnest request, with profound regret.

RESOLVED, 2nd, That we appreciate the character of the work he has done, the difficulties with which he has had to contend and overcome, and the sacrifices he has made; also that we realize the difficulty of securing a successor who is so well adapted to continue the work he has established and carried on so successfully without any interruption for the past thirty-seven years.

RESOLVED, 3rd, That we as a Board cherish a high regard for him as a Christian minister and eminently successful educator, and pray that his remaining years on earth may be spent in quiet, peaceful contemplation of the noble work he has accomplished for the church and country, and that we do hereby make him President Emeritus of the institution for life without any official duties.

RESOLVED, 4th, That these resolutions, with the preamble, be spread upon our minutes, published in the county and church papers, and copy be presented to Dr. Scherer.

Two Ladies Injured.

The Grayson Gazette says: Last Saturday morning two daughters of Mr. S. F. Clark, who were visiting at the home of Mr. Mr. On the Hill Ward, Spring Valley, were driving a pair of spirited mules on the mountain, near Jerusalem church, when they became frightened and ran away throwing the young ladies out and seriously injuring the eldest, Miss Flora. The younger sister sustained a few bruises. They had been out gathering wild flowers for the decoration at summerfield.

Mr. Clark, father of the young ladies, was formerly Sheriff of Wythe county and removed to Cedar Springs, this county, some four years ago.

WHAT EVERYBODY OUGHT TO KNOW That Foley Kidney Pills contain just the ingredients necessary to tone, strengthen and regulate the action of the kidneys and bladder. Carson Drug Company.

The fruit crop in the counties of Southern Virginia is the largest known for years. This is particularly true of peaches. In some sections the trees are so heavily laden with fruit that the limbs have to be held up with props.

Elect New President.

Dr. C. A. Weaver, of N. C., Succeeds Bishop Waterhouse of Emory and Henry.

Emory, Va., June 7.—Dr. C. A. Weaver, of North Carolina, was today elected by the Directors of Emory and Henry College here as President of that institution to succeed Bishop R. G. Waterhouse, who was elevated to the episcopacy of the Methodist Episcopal Church, South, at the recent Asheville conference.

Emory and Henry College has graduated four of the present bishops of the church and the presidency of the institution is considered an important step to the bishopric of the church. The new President is a Ph. D. from Johns Hopkins University.

MAKE A NOTE NOW to get Ely's Cream Balm if you are troubled with Nasal Catarrh, hay fever or cold in the head. It is purifying and soothing to the sensitive membrane that lines the air passages. It is made to overcome the disease, not to fool the patient by a short deceptive relief. There is no cocaine or mercury in it. Do not be talked into taking a substitute for Ely's Cream Balm. All druggists sell it—price 50c. Mailed by ELY BROS., 56 Warren St., New York.

The Kind You Have Always Bought

In Use For Over 30 Years.

THE CENTAUR COMPANY, 77 MURRAY STREET, NEW YORK CITY.

Railroads Kill an Employee Every Two Hours.

It is difficult to realize that in the fiscal year 1908 the railroads of the United States killed, in addition to passengers, 3,470 of their own employees. When three or four hundred persons perish in some steam-boat disaster or theatre fire, the world stands aghast at the calamity. Yet our railways have brought about an average of 328 deaths each month since 1903. Many a tiny little city has fewer adult male inhabitants than the 4,534 employees whom our railroads killed in 1907.

Injuries are twenty times more numerous than deaths. Whereas once in two hours, month in and month out, a conductor, brakeman, switchman, or railway laborer perishes by accident, one is maimed every six minutes. Last year six and four tenths per cent of all the railway employees in the United States were injured; thus the chances are that no man can escape accident for nine years. No wonder that most of the life insurance companies refuse to insure a railroad man on any terms, while in any sort of company a switch can be insured only at a rating twenty years in advance of his actual age.

Worst of all, matters are not improving. As appears from the statistics appended to this article, in which are summarized the facts for the last twenty-one years, the proportion of employees killed outright remains nearly constant, at about a quarter of one per cent each year. Not so the proportion of injured. The absolute number of accidents should have just about doubled with the expansion of the industry. As a matter of fact, it has quadrupled. — McClure's Magazine for June.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations. It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak," the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper. Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

HAPPY RESULTS

Have Made Many Marion Residents Enthusiastic.

No wonder scores of Marion citizens grow enthusiastic. It's enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Marion by Doan's Kidney Pills.

W. R. Henegar, Farmer, R. F. D. No. 3, Marion, Va., says, "Five years ago I suffered intensely from pains in the small of my back. The kidney secretions were unnatural, contained sediment and were so frequent in passage at night that my rest was disturbed. Being advised to try Doan's Kidney Pills, I procured a box at the Carson Drug Co., and after I had used them a short time there was a decided improvement. A complete cure finally resulted and there has been no return of the trouble. My experience plainly proves the merits of Doan's Kidney Pills."

For sale by all dealers. Price 50 cent box. Foster-Milburn Co., Buffalo, N.Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Marion and Rye Valley Railway Virginia-Southern Railroad.

Electric Bitters

Succeed when everything else fails. In nervous prostration and female weaknesses they are the supreme remedy, as thousands have testified. FOR KIDNEY, LIVER AND STOMACH TROUBLE it is the best medicine ever sold over a druggist's counter.
