### Death of Mrs. Harrison.

Tazewell, Va., June 13.—Mrs. Margaret Harrison, widow of the late Col. Joseph Harrison, and one of the best women in the county, died at the home of Geo. W. McCall here last Friday night. Mrs. Harrison was in her 75th year, and is survived by two sons, W. G. Harrison and J. D. Harrison, prominent merchants here, and two daughters, Mrs. Geo. W. McCall and Mrs. H. Bage Harman.

The welcome to Roosevelt at his home coming on the 18th will be most fitting. The bay of New York harbor will be crowded with boats bearing his host of friends, while his greeting on land will be hearty and unprecedented. It will be a non-partisan welcome as it should be, and yet all will have in mind that it was a Republican Governor, Vice-President and President that he gained his fame. He will continue to be a loyal Republican, and give his unqualified endorsement to the present administration.

### HAPPY RESULTS

Have Made Many Marion Residents Enthusiastic.

No wonder scores of Marion citizens grow enthusiastic. It's enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Marion by Doan's Kidney Pills:

"W. R. Henegar, Farmer, R. F. D. No. 8, Marion, Va., says: 'Five years ago I suffered intensely from pains in the small of my back. The kidney secretions were unnatural, contained sediment and were so frequent in passage at night that my rest was disturbed. Being advised to try Doan's Kidney Pills, I procured a box at the Carson Drug Co., and after I had used them a short time there was a decided improvement. A complete cure finally resulted and there has been no return of the trouble. My experience plainly proves the merits of Doan's Kidney Pills.'"

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., agents for the United States. Remember the name—Doan's—and get no other.

### New Money Order Forms.

Design Accepted By Hitchcock Will Soon Be Put Into Use.

Washington, D. C., June 14.—By a change in the form of the postal money and the elimination of the mail advice to postmaster of the issuance of money orders, Postmaster-General Hitchcock expects to save to the Government approximately \$500,000 a year. The order making the changes was issued last Friday by the Postmaster-General.

The new money order form is two and a-half inches longer than the one now in use. It consists of a stub order with marginal check coupon, to be retained by the postmaster who makes the payment, and a receipt for the remitter to the person in whose favor the order is drawn. The new form will be put into use as soon as the Public Printer can obtain the necessary supply of "safety" paper.

If you fear hot weather and bad bowels, Dr. Fahrney's Teething Syrup is your friend and the baby's comfort.

### Will Build New Church.

Bristol, Va., June 14.—The membership of the first Baptist Church here Sunday voted unanimously to expend \$40,000 for the erection of a new edifice. Committees will be named at once to take the work in hand.

### A Reliable Remedy CATARRH

Ely's Cream Balm is quickly absorbed. Gives relief at once. It cleanses, soothes, heals and protects the diseased membrane resulting from Catarrh and drives away a Cold in the Head quickly. Restores the Senses of Taste and Smell. Full size 50 cts., at Drug-gists or by mail. In liquid form, 75 cents. Ely Brothers, 56 Warren Street, New York.

### Presidency Still Open.

Centenary Refuses to Release Dr. Charles C. Weaver.

Cleveland, Tenn., June 11.—Dr. Charles C. Weaver, of North Carolina, who was several days ago elected President of Emory and Henry College, Virginia, and recently elected Vice-President of Centenary Female College here, will not be released by the Trustees of Centenary. A meeting of the Board has been held and by unanimous vote it was decided to refuse to release Dr. Weaver. This action leaves the Presidency of Emory and Henry College still open.

Foley's Kidney Remedy may be given to children with admirable results. It does away with bed wetting and is also recommended for use after measles and scarlet fever. Carson Drug Co.

### Roosevelt to Pay Duties.

London, June 13.—Col. Theodore Roosevelt declared several days ago that he had neither asked for nor would he accept any favors from the New York Custom House upon his return to America on June 18.

In reply to questions concerning the reports from America that, in view of the fact that he had represented the United States as special ambassador at the funeral of the late King Edward, his baggage would be allowed the exemption from customs inspection that attaches to ambassadorial agents, the colonel said:

"I have not asked any courtesies of the New York port or any special consideration for my own baggage or that of my family. I expect to pass through the customs the same as any private citizen returning from a trip abroad. I expect to pay full duty on every article not exempted to the general traveling public."

The Conservation of Nature's Resources. Applies as well as to our physical state as to material things. C. J. Budlong, Washington, D. C., realized his condition, and took time before it was too late. He said, "I suffered severely from kidney trouble, with the urine being hereditary. I had taken four bottles of Wilcox's, W. Va.; Milt's Remedy, and with Mr. Simon Gruber, thoroughly cured. I am now warning of the late. Carson Drug Co. with the bride."

### School Calendar with Mrs. J. Bristol.

The school calendar for Bristol, Va., has been compiled and shows 1,663 children of school age in the city, including 1,335 boys and 310 colored.

The census was taken five years ago and there were then 1,005 white children and 218 colored, showing an increase of approximately 33 1/3 per cent in school population in five years.

The present census was taken by Dr. J. E. Howell, as enumerator. He visited every house in Bristol, Va., making a house-to-house canvass and even visiting all tenements and houses in alleys and out-of-the-way places and 1,663 children of school age.

### Hon. C. B. Slemp

The Choice of the Republicans of Lee County, Virginia.

As the time approaches for the Republicans of the Ninth to nominate a standard bearer who will eventually represent the district in Congress, the sentiment is crystallizing altogether in favor of Lee County's favorite, but also Wise County's adopted son, the Hon. C. Bascom Slemp. His record, when reviewed, fairly and by the people that are unbiased, is all that could be hoped for, considering the arduous duties as representative, together with the additional burden of the referee of the Federal patronage of the State.

Lee County is proud to have given birth to such an illustrious son. Her people know him and have confidence in him. His character is above reproach, and he is one of the brainiest and most energetic young men in the Southland. Realizing this, it is no wonder that in connection with the nomination no one else is thought for a moment.

Mr. Slemp is the man who will eclipse the ambition of Mr. Stuart to "redeem the Ninth," and Mr. Stuart will realize then, if he does not already do so, that Republicans of the Ninth, too, indeed, worked wonders as well as the Democrats in the matter of organization. Given a fair election, the Republicans have nothing whatever to fear as to the result.

With Stuart down and out, perhaps the "dummies" will then be willing to concede that the Ninth is hopelessly Republican and cease the waste of time and energy on their part, which is altogether useless and uncalled for.

REPUBLICAN VOTER. Pennington Gap, Va., June 10th.

MAKE A NOTE NOW to get Ely's Cream Balm if you are troubled with Nasal Catarrh, hay fever or cold in the head. It is purifying and soothing to the sensitive membrane that lines the air passages. It is made to overcome the disease, not to fool the patient by a short, deceptive relief. There is no cocaine or mercury in it. Do not be talked into taking a substitute for Ely's Cream Balm. All drugists sell it—price 50c. Mailed by ELY BROS., 56 Warren St., New York.

### When to Marry.

Marry when the year is new, Always loving, kind and true. When February birds do mate, You may wed, nor dread your fate. If you wed when March winds blow Joy and sorrow both you'll know. Marry in April when you can, Joy for maiden and for man. Marry in the month of May, You will surely rue the day. Marry when June roses blow, Over land and sea you'll go. Those who in July wed Must labor always for their bread, Whoever wed in August be, Many a change are sure to see. Marry in September's shine, Your living will be rich and fine. If October you do marry, Love will come, but riches tarry. If you wed in bleak November, Only joy will come, remember. When December snows fall fast, Marry, and true love will last.

### Dissolution Notice.

This is to give notice that the partnership of Greer & Young has been dissolved. That W. E. Greer has no interest in the business of R. R. Young, and that R. R. Young has no interest in the business of W. E. Greer. All debts of the partnership shall be paid promptly and efficiently.

### Raided Four Stills.

Revenue Officer Destroyed 4,000 Gallons of Illicit Liquor.

Bluefield, W. Va., June 14.—Four stills raided, three thousands gallons of beer and mash destroyed, and two men in jail, is the record of United States Deputy Collector John Dailey who returned from Carroll and Bland counties Friday morning. Three of the stills were located in Carroll. The one in Bland county contained over a thousand gallons of the illicit goods. A man named Clark was arrested in Bland and lodged in the county jail at Wytheville. Two others escaped.

Joe Isaacs, a notorious moonshiner, was arrested accused of operating the stills in Carroll county. He was taken to the Hillsville jail.

### Postal Savings Bill Passed.

Washington, June 13.—By the overwhelming majority of 195 to 101 the House last Friday passed the postal savings bank bill as recently agreed upon by the Republican caucus of the House. Not a single Republican voted against the measure on the final roll call.

Prior to this action the House by 113 to 196 rejected the Democratic substitute for the bill proposed by the minority. The large defection among the Democrats was shown when the Democratic vote was rejected. Twenty-one of them joined the Republicans in voting against the measure, most of whom were opposed to a postal savings system of any kind. Among these Democrats was Brantley, of Georgia; Broussard, of Louisiana; Burgess, of Texas; Carlin, of Virginia; Flood, of Virginia; Garrett, of Tennessee; Gillespie, of Texas; Hay, of Virginia; Lamb, of Virginia; Moon, of Tennessee; Slayden, of Texas, and Turnbull, of Virginia.

A WOMAN'S GREAT IDEA is how to make herself attractive—but without health, it is hard for her to be lovely in face, form or temper. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a god-send to women who want health, beauty and friends. They regulate the stomach, liver and kidneys; purify the blood; give strong nerves, bright eyes, pure breath, smooth velvety skin, lovely complexion, good health. Try them, 50c. at Carson Drug Co.

### The Ohio Returns.

A great "to-do" was made over the returns from the Fourteenth Massachusetts district and those from the Rochester district, where, on the face of the election results, the tariff and the regular Republicans had sustained a "crushing" defeat on their merits. But those same papers which shouted so loudly over these results—really brought about by personal and local considerations and issues—have had little if anything to say of the returns from Ohio, where for the first time the voters of a whole State and not merely an isolated by-election district, had the opportunity of expressing their convictions. The voters of Ohio gave a rousing vindication of the President's policies and of the Payne tariff.

### Children Cry FOR FLETCHER'S CASTORIA

While officers from Arkansas were en route to Mastodon, Miss., with Elmer Curl, a negro, they were overpowered by a mob near Como, Miss. Monday and took the negro to Mastodon, and lynched him. He was charged with shooting W. P. Miller.

### BEST FOR THE BOWELS

There is no such thing as a regular, healthy movement every day, you're ill or you're not. You can't be well. Forcible evacuations will not do.

### Dying by Hundreds.

Smallpox Raging in Mexico—Is Depopulating Towns.

El Paso, Tex., June 14.—An epidemic of smallpox has been raging in the district of Ozumba, Northern Chihuahua, Mexico, for several months, and the people have been dying by the hundreds. The presence of the disease has been known for some time, but the extent of the epidemic was not learned until several days ago, when the people made an appeal to the Federal government for medical officers and soldiers to enforce quarantine laws.

It is stated in the appeal that the civil register of Ozumba shows 600 deaths from the disease in six months. Mormon colonies are situated in this region, but not a single Mormon has died, showing the results of proper treatment and sanitation, it is said, for many Mormons have had the disease, but recovered.

Have you used Dr. Fahrney's Teething Syrup? It is the whole thing—babies like it—cures all stomach troubles.

### Three Times Married at 17

Sergeant, Ky., June 15.—Three times married at the age of 17 is the record Sara J. Craft, of near here to Tada Adams, of Glamorgan, Va. She was twice divorced having married when 13 years old. They are from the best families in Southwest Va. and Kentucky.

A Lie Well Stuck To.

It does not matter how often or how clearly it is shown that the rise in prices is world-wide, that it is the same in Free-Trade England and Protected Germany, that in the United States the increase is as great on articles on which the duty has been reduced or entirely removed as on highly protected articles, still the assertion is made with the utmost assurance that the cause of high prices is the robber tariff. It seems to be based on the old adage that "a lie well stuck to is as good as the truth."—Boulder (Colo.) "News."

WHAT A SUMMER COLD MAY DO A summer cold if neglected is just as apt to develop consumption into bronchitis or pneumonia as at any other season—do not neglect it. Take Foley's Honey and Tar promptly. It loosens the cough, soothes and heals the inflamed air passages, and expels the cold from the system." Carson Drug Company.

A Sensible Letter.

Pulaski, Va., June 8, 1910. Editor Roanoke Times: I notice in this morning's issue a most gratifying piece of news under the caption, "Postmasters to Get More Money," in which you state that the receipts at postoffices are accepted as the best barometer of business. In view of the editorials appearing in the past issues of your paper in which you bemoan the fate of the Nation and State that under the Republican administration the country is going to the dogs, I would be glad if you will inform me to what you attribute this general prosperity. Not only in Virginia, but in every State in the Union and at every office with very few exceptions the postoffice receipts have shown a healthy increase.

In our bustling little city every man that wants work can readily find employment at good wages, and I think this condition prevails over the entire State. The working man can find employment for every day. He receives good wages and gets it in cold cash. The farmer receives the highest market price for his products and is fast growing rich. True, the cost of living (over which the Democrats raise such a howl), has increased slightly, but only in proportion to the cost of production. Remember that the farm laborer is paid more to-day than during Democratic administration when he received fifty cents per day and had to take that in flour and meat.

Can this era of prosperity which is shared by the whole country be attributed to any cause other than the wise administration of the Republican party? With Bryan as president, using the platform of free trade and low tariff, do you think prosperity would be flowing over this country? The voters of the old Ninth are wise to the situation and will see that Slemp is returned to Congress to help the party carry out the present policies. GEO. T. SWAIM.

Rural Carrier's Meeting. The Smyth County Letter Carrier's Association held their fourth annual meeting in the annex to the Treasurer's office at Marion on May 30th. This association has been rather dormant for the past year, but through the earnest efforts of its presiding officer, H. E. Some people seem to think that newspapers are run for fun, glory or something else. With us it is a business proposition. It may surprise you, but type-setters don't work for nothing and no amount of persuasion will make them do it. The paper mills do not give us our paper; type foundries do not furnish us type free and pay the freight. We pay our employees every week the cold cash, and other creditors for material at least every thirty days. Where do we get it? Some of our subscribers who haven't paid us a cent in three years have a right to wonder why we are not in the poor-house.

If a man did a day's work for you would you want him to wait five years for his pay? We work every day in the year, except Sunday, for our subscribers and only charge one dollar. Des Moines, June 13.—President Taft was endorsed by Iowa Republicans in the primry of last Tuesday by the stand-patters who demonstrated their strength by nominating Governor Carroll over Warren Garst, the protege of Senator Cummins, and controlling six of the eleven districts. So in the coming State convention the stand-patters will control every committee of the convention, will endorse Carroll and his State administration, President Taft and will denounce the attempted dictation from Senators in Washington, as to Iowa elections.

More Money for Ninth District.

The press dispatches state that Congressman Slemp has secured an appropriation of \$45,000 for a public building at Wytheville, and \$5,000 to purchase a site for a public building at Pulaski. This shows the influence and standing of our representative, as it is much more difficult to get appropriations for small towns than for the larger towns and cities where the demands and necessities are greater. These are substantial benefits that no Democratic congressman has ever been able to obtain for the district. In addition to the above he has already secured \$100,000 appropriation for a public building at Big Stone Gap. Mr. Slemp is just getting his hand properly on to the job in Washington and the people of this great district will be slow in turning him out for a new and untried man.

One of the most beautiful and fashionable weddings of the season was solemnized at Fulton Methodist church last Wednesday at 5 p. m. when Miss Carrie Lee Dutton, the eldest daughter of Mr. and Mrs. A. Lee Dutton, became the bride of Mr. Daniel Grubb, Rev. J. T. Guy officiating.

The bride was beautifully attired in cream liberty satin garnished with aplequid lace.

The bridesmaids and groomsman were Miss Alice Grubb with Mr. Harry Mills, of Wilcoe, Va.; Miss Stella Davis with Mr. Simon Grubb, and Miss Mable Dutton, sister of the bride who acted as maid of honor, entered with the bride and was joined at the altar with Mr. Earnest Grubb who acted as best man.

The bridesmaids wore white suseine silk and carried white carnations. The bride and maid of honor carried a bouquet of LaFrance roses and pink sweet peas.

The church, was artistically decorated with potted plants and cut flowers—the color scheme being white, pink and green.

**Marries in Memphis.**

F. C. Neikirk, son of our townsman, Mr. J. W. Neikirk, and Miss Janette Pierce, of McLean county, Ill., were united in marriage by Rev. Lewis Powell in Memphis, Tenn., last Saturday at high noon. Immediately after the ceremony was performed the happy couple departed for this place where they arrived on Sunday evening. Mr. Neikirk and Miss Pierce had been engaged for some time and agreed to meet in Memphis to be married. The groom has been in the far west for several years but for some months has been located near Chicago. They will be at the home of relatives in this and Grayson county for several weeks before returning to Illinois their future home.

His brother, Brown, who has been with him since he left, accompanied them to Marion.

**The Chilhowie Horse Show, July 4th.**

At a meeting of the committee on last Saturday, the following program of events was laid out and the various managers of the events are enthusiastically going to work to make each a good one.

Persons desiring to enter one of the contracts can phone or write the respective managers, or to Wm. H. Wren, who has the entry book, and who will receive and receipt for the entry fees.

This is an excellent opportunity to prove just how fine the Smyth county horses are, and it is hoped that there will be many entries and from all part of the surrounding country.

The program begins with a parade which will include all the participants in the days' events; a rag-muffin band, and a trades parade. This latter feature will be a series of floats or decorated vehicles, representing the various industries of the neighborhood, not only of Chilhowie alone. These will be gotten up by the firms themselves and will be something great in the way of advertising, to say nothing of the beauty of the things. Mr. Will Smith has entire charge of the parade in all its features. It will start from the M. E. Church at or near nine a. m., reaching and passing the grand stand by ten o'clock.

Immediately following will come the "horse-back drill" by gentlemen and ladies in costume. Dr. J. G. HARRIS is working this up.

It is expected that the Hon. A. H. Dean, of South Carolina, will deliver a short Independence day oration.

The remainder of the program is as follows:

- 4 Foot Race, 100 yard dash, Claiborne Bonham manager.
- 5 Saddle Horse Contest, mare or gelding, John Stephenson, manager, Marion.
- 6 Sack Race, Claiborne Bonham manager.
- 7 Single Harness Contest, R. W. Scott manager.
- 8 Colt Show, light and heavy, J. Balfour Vance and John R. George managers.
- 9 Pole Team, Dr. T. K. McKee manager.
- 10 Combination Horse, Joe Roberts manager.
- 11 Tug of War, while the change in harness is being made, Claiborne Bonham manager.
- 12 Dinner—Inter-mission.
- 13 Bicycle Tournament, boys, Fred Greever manager.
- 14 Draft Stallions, Dr. Carson manager, Marion.
- 15 Saddle Stallions, (not yet chosen.)
- 16 Gentlemen's Riding Contest, Marion Sanders manager.
- 17 Ladies' Riding Contest, Robert Buchanan manager.
- 18 Riding Contest for Boys and Girls, fifteen years and under, J. Tyler Frazier and Ballard McGinnis managers.
- 19 Tournament, J. M. Pratt manager.
- 20 Greasy Pig.
- 21 Base-Ball, F. P. McCready, manager.

The Committee hopes every farmer or citizen in the county will lend every energy to make the occasion a good one. The people of Chilhowie are very enthusiastic and a good time is expected.

The election passed off quietly. The six names showing the highest vote will compose the next Council, with a tie between J. M. Brisco and W. A. Tarter. This will be decided by casting lots for the position. Dr. G. W. Sprinkle is the only member of the old council that will serve on the new. Mr. R. L. Williams, the Mayor-elect, will not be initiated into office until the first of September. The records of Messrs. A. P. Snider and J. B. Richardson for Recorder and Sergeant were indorsed, the former by a small and the latter by a very decisive majority. The new Council is the chosen will of the majority of the people and we hope will give the town a wise and progressive administration.

**In Memory of Mahlon Anderson.**

Lone and dreary, deep in mourning,  
Do our lonely memories sway;  
To that awful sadly morning,  
When our father passed away.  
O! how greatly do we miss him,  
Still we know he is no more;  
Here on earth we'll no more see him,  
But he has gained that happy shore  
I can almost hear him calling,  
For dear mamma to come near;  
While with tears so fastly falling,  
Soothing back his dying fears.  
While on earth he greatly suffered,  
But he'll suffer here no more;  
For his soul he gladly offered,  
And God took it to His throne.  
Yes, he's now at rest with Jesus,  
In that blessed and sweet abode;  
While we wait for death to seize us,  
Take our souls to rest with God.  
There we'll meet him; will we know him?  
As we knew him here below;  
O! how sweet to hope to meet him,  
On that blessed peaceful shore.  
O! I feel so safe in saying,  
That our loss is Heaven's gain;  
Then let us cease from grief and sighing,  
Till we meet on Heaven's plain.  
Then dear mama cease from weeping  
And dear brothers, grieve no more;  
For we see him sweetly sleeping,  
Where we may shortly go.  
O! dear suters, let's be brave,  
Try to meet each stroke in life;  
Then we'll hope to gain the battle,  
With that awful sin and strife.  
Then we'll join to sing and praise Him,  
Join the Angel's Heavenly band;  
Where dear papa joins in phases,  
Of yond's bright celestial land.  
He has sweetly joined little brothers,  
O! how happy they must be!  
Cease from all their earthly labors,  
Would their places change with me?  
He would not wish them back again,  
But say, dear ones, with God remain;  
Until we all can join you there,  
Then your joys we hope to share.  
MYLLE MAE ANDERSON.

**Death from Pellagra.**

William Wade Leslie died of pellagra in the Southwestern State Hospital here Sunday night. He had been ill of the new disease for about four years, but it assumed a dangerous form only about a year ago. So much did the young man suffer from the ailment that his mind became affected, and it deemed advisable to send him to the State hospital, which was done about three weeks ago. He was a son of Rev. H. W. Leslie, of Bristol, and his body was taken there on No. 13 last Monday night.

"It cured me," or "It saved the life of my child," are the expressions you hear every day about Chamberlain's Colic, Cholera and Diarrhoea Remedy. This is true the world over where this valuable remedy has been introduced. No other medicine in use for diarrhoea or bowel complaints has received such general approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea Remedy is that it cures. Sold by all dealers.

**Tariff Cost of Living.**  
Democratic members of Congress, new and old, stale and fresh, are holding an unusually lively talk-fest on how the American tariff system is entirely and wickedly responsible for the high cost of living. In this matter the people of the United States are all from Missouri, and it is up to some of the orators, therefore, to show why and how, through the workings of our tariff, potatoes, which in the State of New York, are delivered by the farmers at the freight train for thirty cents, increase in price by the time they reach the consumer in this city to \$1.30 or \$1.50.

One more: Why and how, through the workings of the tariff, cotton is so high—there being no duty upon cotton—that cotton goods cannot be made, or sold, for a price that consumers will pay to maintain their usual consumption.

Again: The duty on beef, mutton, lamb, veal, pork, etc., being only 1½ cents a pound, how and why, through the workings of the tariff, the price of meats in this country should be from 6 to 15 cents a pound more than in Canada, as the orators tell us, there being plenty of beef and mutton and pork just across the line anxious to come into this country if it could get in. The consumers would like to know just by what economic miracle a duty of 1½ cents keeps a pound of Canadian meat from coming here to a market that is from 6 to 15 cents better for the man producing meat than his own.

Still another: Coffee, upon which there is no duty, is sold here in the raw as imports at about 6½ cents a pound. A full explanation is due as to how and why, through the workings of the tariff, this coffee reaches the consumer at the price paid by him of from 18 to 45 cents a pound, according to where he buys his supplies and under what name he insists upon having the coffee labeled.

To continue: The price of shoes not having gone up, as it happens, when there was a duty upon hides, why and how, through the workings of the tariff, the price of shoes now is rising.

Perhaps it will be easy for the Democratic orators to explain all of these things to the satisfaction, not only of themselves, but of the American people. If they haven't the time, being so busily engaged in producing political noise, to explain all, they ought to explain at least one. Perhaps they will; perhaps not.—New York Press.

**Woman's Power Over Man**  
Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive, specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.  
**IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.**  
Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

**Woman's Beauty**  
Some women retain their beauty to an advanced age. But women, who regularly endure pain, age rapidly, for suffering leaves its lasting marks on them. Nearly all women suffer more or less with some form of female trouble. It should not be neglected. Avoid the pain—treat yourself at home by taking Cardui, as thousands of other women have done. Begin at once and give Cardui a fair trial.  
**TAKE CARDUI**  
It Will Help You  
Mrs. Katie Burlison, Goreville, Ill., tried Cardui and writes: "I suffered with female troubles, and was so sick I could not stand on my feet. Finally I began to take Cardui, and soon began to mend. Now I am able to do all my household and am in much better health than I was before." Try it.
