

THEY MOCK, BUT FAIL TO SATISFY.

Never has the country been visited with a greater business depression than is now prevailing. Never has there been a greater lack of employment for labor, and greater suffering from lack of food in the homes of our workmen.

For more than twenty years the American workingmen had been happy and prosperous under the operations of the Republican protective tariff. They had been able to feed and clothe their children, and send them to school to be educated.

Even Democracy and Democrats stand aghast at the ruin they have wrought. It has been a common thing to hear Democrats of the most hardened type inquire why things are so.

A daughter of Gen. Kearney is a favorite in Washington. She is a tall, attractive blonde, with a willowy figure, and is modest enough to give daily in an unpretentious dog-car.

DESTRUCTIVE FIRE.

EASTERN LUNATIC ASYLUM DESTROYED.

The Town of Suffolk Almost Swept Away by the Flames—Hurricane and Waterspout.

WILLIAMSBURG, Va., June 8.—At 12 o'clock last night a fire broke out in the right wing of the centre building of Eastern Lunatic Asylum here, and before it could be got under control everything was destroyed.

The other wards contained nearly 300 male patients. These wards were quickly emptied, and the unfortunates were turned loose, but did not wander off being generally tractable.

When it was found that the fire was getting beyond control aid was telegraphed for from Richmond, and a steamer reached here from that city at 3 o'clock this morning, but the fire had then done its worst.

PETERSBURG, VA., June 8.—At a late hour last night one-half of the town of Suffolk, on the Norfolk & Western railroad, was destroyed by fire.

NORFOLK, VA., June 8.—The Public Ledger has the following details of the fire at Suffolk: "Fire broke out shortly after 11 o'clock last night on the south side of Washington square, and spreading rapidly east, west and north, swept both sides of Washington square, the main business street of the town, leaving only three houses standing.

A Hurricane and Waterspout. BALTIMORE, June 8.—A special from Woodstock, Va., says: A hurricane, accompanied by a waterspout struck this place at 6:50 last night, unroofing the Methodist church and blowing down fences and trees.

NEW YORK, June 8.—Dr. Douglas remained at the Grant residence last night, and when he left this morning he said the General had suffered throughout the night and was suffering this morning with rheumatic pains, which resulted from the weather conditions attending the storm.

MONTREAL, June 8.—The Corpus Christi procession yesterday was the largest ever seen in this city, 10,000 persons taking part in it. Fifty societies marched in the procession. Monsignor Fabre gave the Benediction at St. Patrick's and Notre Dame.

The Secretary of the Treasury has been informed that Aufdemorte, the defaulting officer at the Sub-Treasury of New Orleans, has fled to Mexico, where he is interested in some mines.

A Kentucky Vendetta.

A Catlettsburg (Ky.) special says: A gentleman who arrived here last night brings the news of a neighboring war on the headwaters of Beaver creek, Knott county.

Each had from twenty to thirty desperate followers. The origin of the trouble is said to have been the killing of a man named Salyer some time last March, in Floyd county, when Jones charged Hall with being responsible for the murder.

On several occasions the Hall faction have made a sortie, but were driven back, and up to last accounts five men had been killed and several wounded.

A Good Fish Story.

A Greensburg (N.J.) special says: This little village is excited just now over Billy Benson's trained eel. Billy is the sixteen-year-old son of Farr Benson, who has a goodly tract of acres right along the bank of Delaware.

After the eel was fed it frantically followed the boy, and rubbed its head against his feet. It would wiggle and rub its head against his feet. It would wiggle and rub its head against his feet.

Without Home or Friends. BALTIMORE, June 8.—John Brown, aged fifty-four years, was struck last night by a freight train on the Philadelphia, Wilmington and Baltimore railroad, thirteen miles from Baltimore.

Kindling-Wood Establishment Burned. NORFOLK, VA., June 8.—A fire tonight totally destroyed the kindling-wood establishment of Nottingham & Wren, in Atlantic City. Loss about \$1,500. Insurance unknown.

Jail Improvements. Workmen are now engaged in making several changes and improvements to our county jail which will be of much more convenience than the old fashioned work done long ago.

Lecture by Dr. Lafferty. Rev. Jno. J. Lafferty, of the Richmond Christian Advocate, delivered a lecture in the Methodist church last Saturday night to a large number of our citizens. He gave us his lecture "The Old and the New." For nearly two hours he held the attention of a delighted audience. He is a remarkable man, full of pathos and humor, and with a mind teeming with information on all subjects. If ever he comes to Marion as a lecturer again, he will be greeted with a much larger crowd.

Matrimonial.

We omitted in our last issue to mention the marriage of L. B. Henrize, of Marion, Va., to Miss Lou E. Wilbar, of Alexander county, N. C., which was celebrated on the 27th of May, at the residence of the brides father, in Alexander. Rev. J. B. Poole performed the ceremony.

Killed by Lightning.

On last Friday afternoon two men were killed by lightning on the Sanders farm near Saltville. A storm came up while they were at work in a corn field, and they sought shelter under a tree. They were named Granville Walker and Thomas Slate. The first named had a wife and five children, and the other had a wife and two children.

Lunatics About.

On Monday night several gentlemen were closeted in an upper room of one of our excellent hotels, the whole night, figuring upon bids to be submitted for contracts on the Asylum, and about daylight, an old colored woman who is in the employ of the landlord, reported that the room No.—was full of lunatics all night. We wonder who they were.

Death of V. M. Williams, Esq.

On last Saturday evening, just before dusk, V. M. Williams died at his home in Marion. The deceased had been in ill health for more than a year, with consumption, and had suffered a great deal. He was a printer by trade and learned his trade in the HERALD office. He leaves a wife and five children, a mother, four brothers, and three sisters. A short service was held on Sunday afternoon at the home of the deceased, and the remains were taken to Roundhill Cemetery and buried.

Work will be commenced in about 15 days.

"Permanent."

There are medicines which give only temporary relief and then leave the sufferer worse off than before, especially in cases of dyspepsia. Remember that this is not the way with Brown's Iron Bitters. See what Mr. J. M. Gaines, of Gaines, S. C., says about this principle of tonics. "My wife has been greatly benefited by it; she had been troubled with dyspepsia for year, and now I believe she is permanently cured." It also cures liver and kidney complaints.

What S. S. S. is Doing for Me.

I have suffered a long time with cancer and skin eruption. The best physicians tested their skill, but said they could do nothing more for me. I have taken less than a half dozen bottles of Swift's Specific, and to my surprise as well as to the wonder of all my friends, my face has peeled off, the skin is smooth and clear, my eye is almost well, and the cancer on my neck is drying up. I have gained five pounds in flesh during last month, and am now in better health than I have been in eleven years. A terrible load has been lifted off of me.

Free from Malaria.

In the fall of 1884 I was taken with a case of malarial fever which prostrated my both body and mind. I was dragged after the old fashion with mercury and other mineral mixtures, but with no good results. My health was shattered and my energy gone. My legs were full of sores, and I had what everybody thought was dropsy. These symptoms alarmed me, and I was ready to grasp at any remedy suggested. A friend advised me to try Swift's Specific. I procured three bottles and commenced its use. The swelling soon subsided. I have taken the three bottles, which I have made a perfect cure, and I feel like a new man to-day. There never was a more meritorious medicine offered to suffering humanity. It has wrought wonders for me.

Wythe Locals.

At a meeting of the Republicans of Wythe county held on last Monday at the court house to select delegates to the State Convention. The following were passed by a unanimous vote: WHEREAS the Republican party of Virginia will be called upon next November to measure arms with the Bourbon Democracy, in a contest for control of the State government; and WHEREAS, We, the Republicans of Wythe county are deeply impressed with the conviction that the best interests of the Commonwealth demand that the Republican party shall prevail and the Democracy be overthrown, therefore, Resolved 1st, That we pledge ourselves to do all we can to contribute to the success of the Republican cause, upon which success depends, to a great extent, all the vital interests of our party.

Resolved 2nd, That we denounce the Democracy for its shifting and dishonest record on the debt question, its false and destructive treatment of the free schools, its bitter and constant assaults upon free suffrage, its opposition to the protection of American industries and labor, its partisan support of a partisan administration, its friendship for the Internal Revenue, for endorsing the most revolutionary and partisan Legislature that ever assembled in Virginia; and for its general warfare upon free government and Republican institutions.

Resolved 3rd, That we endorse most heartily our distinguished fellow-citizen, the Hon. F. S. Blair, for his efficient work as Attorney-General of Virginia; and express our profound contempt for those men, who by the meanest persecution or prosecution, sought to detract from his standing as an official and citizen.

Resolved 4th, That we endorse the Hon. F. S. Blair for the nomination of our party for Governor of Virginia; and we pledge him not only the united support of the party Wythe county, but of the South-west, if he is selected as our candidate.

Resolved 5th, That we call all good men, irrespective of party or leadership, who are convinced of the evil effect and result of Bourbon Democratic government, with us in this fight, and to win a victory for free suffrage, education, an honest government and a proper settlement of the Whig and other Republican claims, be requested to publish their resolutions.

The Republicans of Wythe will meet at their several places on Saturday, May 1885, at 12 M. and appoint to a Convention to be held at Court House on the 8th of July next.

Obituary.

Died Monday May father's residence, near Ford, Va. George W. the of Jesse Jennings, aged about sixteen years. Yes, George, and it is hard to give up other dear children bless presence the shadowed by.

Yet none can take his place that was mortal of George W. signed to the tomb, there to rest till God shall bid it arise. About two months ago the deceased returned to his home from Petersburg where he had been attending the Virginia Normal and Collegiate Institute. Quiet in manner, amiable in disposition and of studious habits he was beloved by his teachers and schoolmates, respected by all who knew him. But alas! consumption that terrible enemy to weak constitutions was preying upon his vitals; and everything that could be done by his attending physician, devoted parents, faithful, loving sisters and kind neighbors was done to relieve his sufferings. But death had come to claim his victim, and nothing that human skill could do would stay it. During his illness and some weeks previous to his death the deceased experienced hope in Christ, and said he was not afraid to die; also asked his parents, sisters and brother to meet him in Heaven. To the writer he said "tell my friends at school I have made peace with my Savior and am prepared to die." So patiently did he bear his affliction that none knew how much he suffered.

A devoted son and an affectionate brother has been taken from us. We deeply sympathize with parents, brother and sisters. May they not mourn as those who have no hope, but as pilgrims who expect to meet him in that happy land.

Call for Republican Convention.

The Executive and State Committees of the Republican party of Virginia, at their meeting held this 30th day of April, 1885, issue the following call for a delegated State Convention of the party to be held at Richmond on Wednesday, the 15th day of July, at 12 M.

I. That the Republican voters of the counties for each precinct in the State assemble at their respective polling places on SATURDAY, the 30th day of May, at 12 M., and there appoint such number of delegates as they may see fit to a County Convention to be thereafter held at such time and place as the County Committee, by its chairman, shall designate; and the Republican voters of each city of the State assemble at their respective polling places SATURDAY EVENING, the 30th day of May, at 8 P. M., and likewise appoint delegates to a City Convention to be thereafter held at such time and place as the City Committee, by its chairman, shall designate.

Such precinct meetings shall be called to order and for the same a temporary chairman and secretary designated by any member of the County or City Committee present; or, in the absence of such, by any voter of such precinct or ward.

The delegates so appointed shall be certified by the chairman and secretary of the meeting to the county or city chairman, as the case may be.

II. The County and City Convention delegated as heretofore provided will be called to order and a temporary chairman and secretary designated by the county or city chairman, and these Conventions will appoint to the State Convention to be held at Richmond, Va., on Wednesday, the 15th day of July, 1885, delegates and alternates as given by the schedule annexed. The delegates and alternates so appointed to be certified to C. C. Clarke, Secretary, Richmond, Va., by the chairman and secretary of such meetings.

III. It is recommended to county and city chairmen, where the city or county is entitled to elect one or more members of the Legislature, that the County or City Conventions assembled as provided in section I of this call shall nominate them, or at an adjourned meeting for that purpose, the candidates of the party for the Legislature, and where any city and county, or any two or more counties are entitled to elect a Senator or one or more members of the House of Delegates, or both, that in such cases the delegates and alternates to the State Convention appointed as provided in section I, or such other delegates and alternates as such County or City Convention may choose to appoint, shall constitute a Convention for the nomination of a Delegates, and Senator, the same to be thereafter assembled at such time and place as may be designated jointly by the chairmen of the counties or county and city composing the election district; and the chairman of the county or city wherein such convention assembles shall call the same to order and designate a temporary chairman and secretary, and lay before the Convention so organized a roll of the delegates and alternates as certified to him.

IV. In all such conventions for the appointment of delegates and alternates to the State Convention, or for the nomination of candidates for the House of Delegates and the Senate of Virginia, each precinct by the delegates representing the same shall be entitled to a vote equal to that cast for the Coalition candidate for Governor in November, 1881.
