

BUGGIES and SURRIES

Won't You Look at Our Buggies and Surries? They are fairly priced, buy not little priced, because good buggies cannot be bought for little figures, and we prefer to give you permanent satisfaction to temporary deception

A principle which is as good in retaining Hardware as in any other phase of life, is to try all things and hold fast to that which is good. In years of buggy seeking we have found a buggy that we know and have proven without equal. If you want the best you want the BROWN; if you get the best you must get the BROWN. They possess that peculiar something that stamps them as "it". They look, ride and wear like a buggy, ought to look, ride and wear. They are the ideal creation of a perfect vehicle, they are guaranteed from end to end. WATCH THE MAN WHO SELLS THE "JUST AS GOOD"

Let us demonstrate our Money-Saving Power on Lawn Mowers, Screen Doors and Windows, Spray Pumps, Saddles, Collars, Paint, Oil and Varnish; Alabastine for the walls. In fact everything in Hardware and kindred lines.

Foley's Orino Laxative

For Stomach Trouble, Sluggish Liver and Habitual Constipation. It cures by aiding all of the digestive organs—gently stimulates the liver and regulates the bowels—the only way that chronic constipation can be cured. Especially recommended for women and children. Clears blotched complexions. Pleasant to take. Refuse substitutes. Sold by Carson Drug Co.

It is worse than useless to take any medicine internally for muscular or chronic rheumatism. All that is needed is a free application of Chamberlain's Liniment. Sold by all dealers.

YOU TAKE NO RISK.

Our Reputation and Money Are Back of This Offer.

We pay for all the medicine used during the trial, if our remedy fails to completely relieve you of constipation. We take all the risk. You are not obligated to us in any way whatever, if you accept our offer. Could anything be more fair for you? Is there any reason why you should hesitate to put our claims to a practical test?

The most scientific, common sense treatment is Rexall Orderlies, which are eaten like candy. They are very pronounced, gentle and pleasant in action, and particularly agreeable in every way. They do not cause diarrhoea, nausea, flatulence, griping or any inconvenience whatever. Rexall Orderlies are particularly good for children, aged and delicate persons.

We urge you to try Rexall Orderlies at our risk. Two sizes, 10c. and 25c. Remember, you can get Rexall Remedies in this community only at our store—The Rexall Store.

Carrie Nation Dead.

Leavenworth, Kan., June 12.—Mrs. Carrie Nation, the Kansas saloon smasher, died here last Friday night. For several months Mrs. Nation had suffered of nervous disorders and on January 22nd she entered the sanitarium in which she died.

The physician at the sanitarium informed Mrs. Nation several days ago that the end was near. She said nothing but smiled. She became unconscious at noon Friday and did not revive. Relatives had been telegraphed for, but only the doctor and a nurse were at her bedside when she died. Worry over law suits, which she brought against a lecture bureau for failure to pay for services, is said to have caused her breakdown.

The last five months of Mrs. Nation's life was in marked contrast to her former activity. Once she saw a physician at the sanitarium smoking a cigarette. She made no remonstrance, merely saying that she had done what she could to "eradicate the evil." The body was sent to Kansas City, where a nephew lives. Funeral services were held there Sunday.

MRS. NATION'S CAREER.

Carrie Moore was born in Kentucky in 1845. In early life she married a man addicted to intoxicants. This treated in her an intense aversion to saloons. When he died she determined to devote her life to the suppression of bar-rooms. Later she removed to Kansas and married Davis Nation, who sympathized with her temperance principles. After considerable peaceful labor to stop drinking of alcoholic beverages she decided to become militant.

Mrs. Nation's first saloon smashing was done in the bar-room of the Caryl Hotel at Wichita, December 27, 1900. She remained in jail several days as a result. On January 21, 1901, armed with her favorite weapon, a hatchet, Mrs. Nation made another attack in Wichita, and this time she smashed two saloons.

During the next three months Mrs. Nation surprised liquor dealers in various Kansas towns, appearing unheralded and leaving a trail of ruined bar room fixtures wherever she went. Few saloonists used violence in resisting Mrs. Nation, al-

A Hero's Tribute.

Lincoln said of Washington: "Washington is the mightiest name on earth, long since mightiest in the cause of civil liberty, still mightiest in moral reformation. On that name an eulogy is expected. It cannot be. To add brightness to the sun or glory to the name of Washington is alike impossible. Let none attempt it. In solemn awe pronounce the name and in naked, deathless splendor leave it shining on."

M. N. George, Ironville, Ala., was bothered with kidney trouble for many years. "I was persuaded to try Foley Kidney Remedy, and before taking it three days I could feel its beneficial effects. The pain left my back, my kidney action cleared up, and I am so much better I do not hesitate to recommend Foley Kidney Remedy." Carson Drug Co.

though she was assaulted and hurt while wrecking a place at Enterprise, Kan.

Aroused by the acts of the dauntless woman, the people of Kansas began to demand that all saloons be closed. Smashing parties were organized all over the State. As a result of agitation bills were passed by the legislature strengthening the prohibitory law.

Mrs. Nation, after her activities in Kansas, became a lecturer and the editor of a paper called The Smashers Mail. She did very little smashing outside of Kansas. While lecturing in New York City she created excitement by appearing at a horse show in Madison Square Garden and demanding that the occupants of the Vanderbilt box contribute money for a home for drunkards' wives, founded by her in Kansas City, Kan.

Mrs. Nation made herself conspicuous in many cities by entering saloons and resorts and delivering talks on the evils of drinking.

SAVED HIS WIFE'S LIFE
"My wife would have been in her grave to-day," writes G. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery and she soon began to mend, and was well in a short time." Infallible for coughs and colds, it's the most reliable remedy on earth for desperate lung trouble, hemorrhages, jaundice, pneumonia, hay fever, croup and whooping cough—50c. and \$1. Trial bottle free. Guaranteed by Carson Drug Co.

FOLEY KIDNEY PILLS
FOR RHEUMATISM, KIDNEYS AND BLADDER

Butter Milk.

(Roanoke Evening World.)

Some of the soda water fountains now include butter milk among the refreshing drinks offered by them. If some of the booze gugglers would substitute butter milk for alcoholic drinks, it would soon take the bloom off their noses, and restore a healthy color to them and not addle their brains. "Drink more butter milk and less booze, especially during hot weather," is the sage and sane advice of the Evening Herald of Augusta, Ga., and it adds: "There are a good many things to commend such a program. It will help your digestion. It will give your stomach less work to do, as the butter milk has already been fermented and is more easily digested than the whiskey and other drinks, and incidentally you will save a considerable sum of money during the summer months." We can conceive of no drink more refreshing on a sultry day than a glass of fresh butter milk well cooled.

Doctors have prescribed butter milk as very effective in cases of Bright's disease. Certainly it is not bad medicine. Possibly it counteracts uremic poison. Whatever is its influence upon the diseased organ, it can do no harm. In a section abounding in this palatable, invigorating beverage, it is strange more of it is not drunk by the masses. It is far superior to any stimulant such as whiskey, beer or alcoholic mixtures.

The old soldiers, after a refreshing draught of butter milk used to sing:

If I had a cow that gave such milk,
I'd clothe her in the finest silk,
Feed her on the best of hay
And milk her forty times a day.
And then want more.

\$10,000 For a Hog.

Atlanta, Ga., June 13.—Ten thousand dollars was the value placed on a hog by a jury in the Supreme Court here last week in the case of J. D. Debow, of Nashville, Tenn., against the Vicksburg, Shreveport and Pacific R. R. The hog in question was "Premier Longfellow's Rival," a pedigreed porker, which was killed in a railroad accident, and on which Mr. Debow had set a valuation of \$20,000. The animal was nine feet long, three feet high and weighed more than 1,000 pounds.

Lightning Freaks.

Gate City, Va., June 12.—The two sons of William Lane, of Copper Creek, who were struck by lightning last week, are reported to be improving and apparently on the road to recovery.

During a severe thunder-storm Mr. Lane's house was struck by lightning and badly damaged. The electric current was conducted by the stovepipe into the room in which the family was assembled. Mrs. Lane was rendered unconscious by the shock, but soon revived. One of the boys was struck on the thigh and the clothing and the shoe on that limb were torn to pieces. The other boy had the flesh torn from both feet in a terrible manner, but no bones broken. The father, who was in the room was only slightly shocked.

There is one medicine that every family should be provided with and especially during the summer months, viz: Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed, and it costs but a quarter. Can you afford to be without it? For sale by all dealers.

Four Killed by Cars.

Bluefield, W. Va., June 10.—Four persons were killed and one fatally injured at Iaeger when they stepped out of the way of a passenger train into the path of a fast freight. The dead are: James Payne, Iaeger; John D. Ashworth, Iaeger; Edward Jones, Jackson, Ohio; Martha Noel, Lexington. Injured: Chas. Oedes, Coalwood. The bodies were not discovered for several hours after the accident.

Payne was a constable and had deputized Ashworth and Jones to assist him in guarding Oedes, charged with murder, and Martha Noel, charged with misdemeanor. They were on the way from a magistrate's office to the jail when the accident occurred.

LIGHTNING KILLS FEW

In 1906 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two to a million. The chance of death from liver, kidney or stomach trouble is vastly greater, not if Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50c. at Carson Drug Co.

Government Crop Report.

Washington, June 12.—The promise that this year's wheat crop will be the greatest ever produced is given in the June crop report issued by the department of agriculture. Estimates by the department experts indicate that approximately 764,291,857 bushels of wheat will be harvested in this country this summer and autumn, an increase of about 68,848,857 bushels over last year. Of winter wheat, the indicated yield is almost 480,000,000 bushels and of spring wheat 84,000,000 bushels. The acreage of oats was not quite so large as it was last year, but the one-tenth of one per cent reduction is substantially immaterial. The crop prospects are not so promising as a year ago. Last year's production was the largest ever recorded. The condition of the crop indicates a yield per acre of 27.7 bushels as compared with 31.9 last year and 28 for the average of the last five years. This would make a total production of about 133 less than last year, a 48 per cent more than the average of the last five years.

The woman of to-day who has good health, good temper, good sense, bright eyes and a lovely complexion, the result of correct living and good digestion, wins the admiration of the world. If your digestion is faulty Chamberlain's Stomach and Liver Tablets will correct it. Sold by all dealers.

Twins Marry Twins.

Austin, Tex., June 12.—Two Missouri twins married two Texas twins at San Marcos, thirty miles south of here, several days ago. The brides were Misses Alma and Alta Moore, and the grooms were Leland and Loran Tabler, of Adrian, Mo.

The most interesting feature of the double wedding is that the brides resemble each other so closely that their most intimate friends cannot tell them apart, and the twin grooms also look as much alike as two peas. The twin brides were dressed alike, as were the two grooms. To distinguish one from the other different colored flowers were worn. The two couples left together on a bridal trip to St. Louis, and will be at home in Adrian, Mo., in about two weeks.

The circumstances of the marriage are quite romantic. The young men were informed about a year ago of the two ladies, this leading to a correspondence and an exchange of photographs. Last Christmas the young men came to see the young women, and this led to the marriage.

You can do a lot with very little

Says the Little Paint Man.

Do a lot of "Brightening Up" in a very little time and at small expense. A pot of paint, a can of varnish and a brush and you soon make the worn floors clean and fresh, the old furniture bright and new, the dingy cupboards sweet and sanitary. Just look around the house, see what is showing wear and tear and come to us. We'll tell you what to use and how to use it. Here are a couple of suggestions.

YOUR FURNITURE:

Pick out the dingy pieces, give them a coat of Sherwin-Williams Floorlac Oak or Mahogany or whatever color you wish. What a change is wrought in a short time! Old chairs, tables, bedroom furniture no longer worn and shabby, but bright and new, and all at such a small expense. Just try your hand. With Floorlac you stain and varnish at one operation. Easy to apply. Ask us for color card.

YOUR CUPBOARDS:

The spotted, dusty cupboard shelves, the worn doors and out-sides, are changed indeed after a coat of Sherwin-Williams Family Paint has been applied. Family Paint is a durable oil paint, made in a variety of pleasing colors, for painting woodwork, cupboards and the hundred little things around the house that need a coat of good paint occasionally. It wears well, stands scrubbing and washing.

Don't you think there's something about your place that needs a little fixing up? Just consult us—we like to help folks.

**Reception in Honor of the
 Rev. F. T. McFaden.**
 Thursday night of this week Rich-
 mond witnessed a reception such as
 seldom falls to any city. On that
 evening the Supreme Regent of the
 Royal Arcanum, the Rev. Frank T.
 McFaden, was the guest of honor at
 a reception at the Masonic Temple,
 and at the same time several of the
 other officers of the Supreme Lodge
 were here. The Grand Regent of
 Virginia and practically all the offi-
 cers of the Grand Council were on
 hand, and the membership of the
 city attended in large numbers.
 There were speeches and music and
 many features to make the occasion
 memorable. The matter was in
 charge of a committee from the sev-
 eral councils of the city, and the
 evening was one to live long in the
 memory of the members of the or-
 der.—Richmond Journal.

The Law of the Road.
 It is strange that so few people,
 who use the public highways, wheth-
 er in the city or country, pay any at-
 tention to the law of the road. If
 they would observe it, much confu-
 sion and annoyance would often be
 avoided, and some times personal in-
 juries. The law is that when two
 persons meet upon a public highway
 each should turn to the right, so
 that each may pass the other with-
 out interference. If one is already
 on the right, he should keep his
 course and the party meeting him
 should turn out and give the right
 of way to the other. If one should
 overtake another vehicle on the high
 way, which is keeping to the right,
 and the party overtaking desires to
 pass the other, he must turn to the
 left in order to pass and after pass-
 ing may take the right hand side of
 the road again. Failure to observe
 this rule subjects the offender to a
 fine of two dollars. Users of auto-
 mobiles or other vehicles driven by
 other than animal power, when meet-
 ing a vehicle drawn by a horse or
 other animal, shall check their speed,
 keep the vehicle under thorough and
 careful control, give ample roadway
 to the other, and if signalled by the
 driver of the horse, shall bring his
 automobile, bicycle or tricycle to a
 full stop and allow ample time to
 the horse or other animal to pass.
 Failure to observe this law subjects
 the offender to a fine of not less than
 ten, or more than one hundred dol-
 lars.—Roanoke Evening World.

**Senators to Be Elected By
 the People.**
 Washington, June 13.—The Sen-
 ate yesterday, by 64 to 24, passed
 the resolution amending the constitu-
 tion to provide for election of sen-
 ators by a direct popular vote. The
 Bristow amendment giving to the
 Federal government supervision of
 such elections was adopted 44 to 44,
 the vice-president casting the decid-
 ing ballot. The house already has
 passed the resolution.
 Senator Reed, of Missouri, pro-
 tested against the vice-president cast-
 ing the deciding vote. An amend-
 ment by Senator Bacon qualifying
 the Bristow amendment to prohibit
 Federal supervision of the elections
 unless the State legislatures refuse
 or fail to act, was defeated 44 to 43.
 The resolution as amended was then
 finally adopted 64 to 24.

Lee - Shannon.

A beautiful church wedding took place at Saltville, Va., at the Methodist church, at four o'clock June 7, 1911, when Miss Pearl Shannon, eldest daughter of Mr. and Mrs. C. M. Shannon, became the bride of Mr. Thomas Gilmer Lee, of Hatchinson, Kan. Rev. J. B. Bittinger officiating.

The church was beautifully and tastefully decorated with evergreens, mountain laurel and potted plants. Mrs. William Ingles, of Radford, presided at the organ and dispensed sweet music as the bridal party entered the church. Miss Lula Shannon, sister of the bride, was the maid of honor, and Mr. Martin Stuart Hall the best man. Bridesmaids: Misses Margaret Spratt and Susie Lee. Groomsmen: Messrs. Geo. C. and Robt. Shannon, Ushers: Messrs. Henry Miller and John Edwards.

The bride, who was given away by her father, was dressed in a traveling suit of Aero-blue, with hat to match, and carried a bouquet of Brides roses. The maid of honor and bridesmaids were costumed in white Lingerie dresses and carried pink carnations. The groomsmen and ushers wore black coats, gray trousers and gloves.

The popularity of the bridal couple was attested by many beautiful and useful presents. The bride is a young lady of pleasing appearance and charming personality, and possessed of the graces and accomplishments that are appreciated everywhere, and while Saltville will lose by her departure, Hutchinson will, we are sure, give her a glad welcome.

The groom, we understand, is a young man of fine character and attainments, and is assistant superintendent of an Alkali Plant at Hutchinson, Kan.

The happy couple left at once for a bridal tour of ten days, after which they will be at home in Hutchinson.

The out-of-town guests were Miss Susie Lee, of Midland, Va.; Miss Margaret Spratt, of Richland, Va.; Mr. and Mrs. R. M. Richardson, of Emory, Va.; Mr. and Mrs. William Ingles, of Radford, Va.; Mr. and Mrs. E. H. Buchanan, Mr. and Mrs. C. Lee Richardson and Mr. and Mrs. Geo. W. Wassum Valley News.

We had a nice rain Monday morning, which was badly needed, as vegetation was suffering from the extremely hot dry weather. Oats and meadows look very short, but corn is growing nicely.

We are having a very good Sunday School at Wassum Valley now. Attendance is not so large, but all seem interested, which is still better.

Rev. J. B. France, of Louisville, Ky., was with us last Sunday afternoon, and while he said he could not make us a talk at that time, he made some very interesting remarks and all present enjoyed having him with us.

Mr. France is just from the Theological Seminary at Louisville, and is, with his wife and children, spending a part of his vacation his wife's parents, Mr. and Mrs. George Robbins. We are glad to welcome these good people in our midst.

Quite a number of our Valley people, and others, turned out to see the Wassum Valley and Ebenezer baseball teams cross bats last Saturday afternoon, but owing to the absence of a part of their team, Ebenezer failed to show up.

Death of an Aged Woman

Mrs. Sarah A. Settle, one of the oldest ladies of Smyth county, (being ninety years old) died at Chilhowie, Va., June 10, 1911.

She was the daughter of Thomas and Elizabeth Caldwell, of Wythe county, Va. In 1841 she was married to Sanford Settle, who died many years ago. She was the mother of ten children. Six of them with nearly fifty grand children and almost as many great grand children survive to mourn the loss of a good christian mother.

Early in life she professed faith in her Savior and united with the Methodist church and remained a member until the close of a long and consistent christian life. She said she was ready to go and when the summons came we laid her care-worn body to sleep in the old Sulpher Springs grave yard waiting for the Savior to call her in the morning of the resurrection to live with the Angels and the redeemed of earth in their heavenly home. So good-bye mother 'til we meet in that good house above. A FRIEND.

ATERRIBLE BLUNDER to neglect liver trouble—never do it. Take Dr. King's New Life Pills on the first sign of constipation, biliousness, nervousness or inactive bowels and prevent virulent indigestion, jaundice or gall stones. Mr. Roy Horne returned home from college last week. He will now make a hustling farmer if the sun doesn't get too hot.

Mr. Will Currin calls at Dr. Carson's quite often. We fear Will has a very severe case of heart trouble.

In a fast and spectacular game of ball last Friday the Sugar Grove boys defeated the Marion High School team by the score of four to three. Wright and currin were the battery for the home team, and both played almost perfect ball. Owing to inability to hit the ball in pinches Sugar Grove was unable to score until the eighth inning, when Ward scored the first run. In the ninth with Wright on first and Dutton on second, Currin drove the ball into deep left field for a three bagger, tying the runs; when with two out, Wright singled, safely stole second, when the little catcher of the home team hit the ball on the nose for two bags, and Wright scored safely, thus winning one of the hottest contested games ever played at Sugar Grove. The game was interesting from the very first, with many brilliant plays, such as Horne's work on second and Dutton's wonderful catch of a high fly; while Wright's pitching was superb, passing only one man and hitting one. Look, boys, when you cross bats with Sugar Grove. BLUE BELL.

YOUR NEIGHBOR'S EXPERIENCE and how you may profit by it: Take Foley Kidney Pills. Mrs. E. G. Whiting, 360 Willow St., Akron, O., says: "For some time I had a very serious case of kidney trouble and I suffered with backaches and dizzy headaches. I had specks floating before my eyes and I felt all tired out and miserable. I saw Foley Kidney Pills advertised and got a box and took them according to directions and results showed almost at once. The pain and dizzy headaches left me my eye sight became clear and to-day I can say I am a well woman, thanks to Foley Kidney Pills." Carson Drug Co.
