Won't You Look at Our Buggies and Surries? They are fairly priced, buy not little priced, because good buggies cannot be bought for little figures, and we prefer to give you permanent satisfaction to temporary deception

A principle which is as good in retailing Hardware as in any other phase of life, is to try all things and hold fast to that which is good. In years of buggy seeking we have found a buggy that we know and have proven without equal. If you want the best you want the BROWN; if you get the best you must get the BROWN. They possess that peculiar something that stamps them as "it". They look, ride and wear like a buggy ought to look, ride and wear. They are the ideal creation of a perfect vehicle, they are guaranteed from end to end. WATCH THE MAN WHO SELLS THE "JUST AS GOOD"

Let us demonstrate our Money-Saving Power on Lawn Mowers, Screen Doors and Windows, Spray Pumps, Saddles, Collars, Paint, Oil and Varnish; Alabastine for the walls. In fact everything in Hardware and kindred lines.

### Foley's Orino Laxative

For Stomach Trouble, Sluggish Liver and Habitual Constipation. It cures by aiding all of the digestive organs—gently stimulates the liver and regulates the bowels—the only way that chronic constipation can be cured. Especially recommended for women and children. Clears blotched complexions. Pleasant to take. Refuse substitutes. Sold by Carson Drug Co.

It is worse than useless to take any medicine internally for muscular or chronic rheumatism. All that is needed is a free application of Chamberlain's Liniment. Sold by all dealers.

### FOR CONSTIPATION.

A Medicine That Does Not Cost Anything Unless It Cures. The active medicinal ingredients of Rexall Orderlies, which are odorless, tasteless and colorless, is an entirely new discovery. Combined with other extremely valuable ingredients. It forms a perfect bowel regulator, intestinal invigorator and strengthener. Rexall Orderlies are eaten like candy and are notable for their agreeableness to the palate and gentleness of action. They do not cause griping or any disagreeable effect or inconvenience. Unlike other preparations for a like purpose, they do not create a habit, but instead they overcome the cause of habit acquired through the use of ordinary laxatives, cathartics and harsh physic, and permanently remove the cause of constipation or irregular bowel action. We will refund your money without argument if they do not do as we say they will. Two sizes, 25c. and 10c. Sold only at our store—The Rexall Store.

### Emory News Notes.

Emory, Va., June 8.—Prof. P. A. Scott and daughter, Alice, principal and grammar-grade teacher in Montvale High School, of Bedford county, are home for the summer vacation. They had a very successful closing out on the 24th and 25th ultimo with appropriate exercises, Rev. E. F. Kable preaching the annual sermon.

Prof. Anderson Weaver, of North Carolina, who has been engaged as instructor at the Academy for some time, leaves with his wife and baby this week for Uruguay, Brazil, via New York city, sailing from the latter place on the 20th. Mr. Weaver is an excellent gentleman, a thorough and capable instructor, and has won the hearts of his pupils who greatly regret his departure. He will have charge of a Methodist school of about two hundred pupils in Brazil, and will doubtless do much good for the cause of Christian education in that country.

The Cole prize medal contest will be held at the Academy on Friday evening, June 9th.

Misses Ada and Nannie Bryant, of Bridle Creek, Va., were here this week visiting in the home of President Weaver.

President Chas. C. Weaver is away attending District conference and in the interest of the college.

Dr. J. P. McConnell left Thursday afternoon to attend the Big Stone Gap District conference to be held at Jonesville, Va. He will deliver a lecture before the conference on how "Education is Related to the Church."

President Chas. C. Weaver delivered an excellent address before the graduating class at Martha Washington College Monday of this week. His theme was "By Products of Education."

In the following we give Emory and Henry's commencement calendar for the 11th, 12th and 13th:

Saturday, 7:30 P. M.—Contest for Williams medal in declamation.

Sunday, 11 A. M.—Baccalaureate Sermon by Rev. T. S. French, D. D.

Sunday, 8 P. M.—Sermon before Y. M. C. A. by Rev. T. A. Baylor.

Monday, 10 A. M.—Robertson prize contest for oratory.

Monday, 12 M.—Annual address before Alumni Association by Rev. J. B. Hutton, D. D.

Monday, 7:30 P. M.—Annual celebration of the Calliopean Literary Society.

Tuesday, 10 A. M.—Graduating exercises and awarding of medals and diplomas. Annual address before Literary Societies by Dr. C. T. Mellon.

Tuesday, 7:30 P. M.—Annual celebration Hermesian Literary Society.

Prof. Auel St. John will teach a class in Physics this summer, provided he can get a sufficient sized class.

Prof. Hunter left Thursday for the Bluefield District M. E. Conference.

### JUNE BARGAIN DAYS OF BRISTOL HERALD COURIER

An Excellent Opportunity is Offered Our People to Get The Bristol Herald Courier at a Remarkably Low Rate for One Year—\$2.67

Thursday, Friday and Saturday, June 8th, 9th and 10th, will be "Bargain Days" at The Bristol Herald Courier office, Bristol, Tenn., Va., at which time our people can get that excellent daily newspaper for one year for the small cost of \$2.67. The regular price is \$4.00 per year, their bargain offer therefore means an actual saving of \$1.33.

The Herald Courier carries the Associated Press service, has splendid city news features, and covers this entire section with its special correspondents. Checks or money orders must be received at the Herald Courier office on or before June 8th, 9th or 10th in order to get this cut rate made especially for the three named bargain days.

### New Arrangement of Stars

With Arizona and New Mexico in the American brotherhood of States, the flag will once more have a rearrangement of stars—six rows of eight stars each. The greatest addition to the stars in any one year occurred in 1889, when four were put on to represent Montana, Washington and the two Dakotas.

There is one medicine that every family should be provided with and especially during the summer months, viz: Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed, and it costs but a quarter. Can you afford to be without it? For sale by all dealers.

### Graduation Time.

It is coming—it is coming With its essays all sublime, And the solemn truths discovered Known to people from all time, With its wisdom overflowing, With its learning's flag unfurled, And its scientific cures For the ills of all the world.

But we listen to them mildly With, perhaps, indulgent smile, They're so very much in earnest, So emphatic, all the while; And we all of us remember We were just the same, in sooth, Held the wisdom of the ages In our own audacious youth.

And the girls they are so pretty, Fresh and lovable and sweet, And the boys, they look so manly, As truisms they repeat, That we cheer and applaud them, For life holds much in their eyes; Indeed, why should we waken them? Let them dream on they are wise?

Farmers, mechanics, railroaders, laborers rely on Dr. Thomas' Eclectic Oil—takes the sting out of cuts, burns or bruises at once. Pain cannot stay where it is used.

Rev. A. Blaine Brooks preached at Attoaway Saturday night and Sunday of this week, and will return there Saturday before the second Sunday in June to complete arrangements for building a belfry and a Sunday School room addition to the Baptist church at that place.

Mr. Gard, of The Chas. H. Moore Oil Co., with headquarters at East Radford and Cambria, Va., was here this week.

Mrs. E. S. Jones, of East Radford, is visiting Mr. W. P. Peters.

Dr. H. M. Brooks, cancer specialist, of near this place, is in Winston-Salem, N. C., practicing his profession.

Miss Virginia Harwood is home again from visiting her aunt, Mrs. Williams, in Morristown, Tenn. She stopped at Wyndale on her return and spent a few days with her friends Mrs. G. Lester Hester and Miss Rose Minnick.

The following is a list of the graduates from Emory and Henry this year: Eugene Cox, Virginia; J. E. Fisher, Millersburg, Ky.; C. R. Gardner, Chattanooga, Tenn.; B. H. Handy, Emory, Va.; John C. Kelly, Bristol, Tenn.; H. C. Maiden, Emory, Va.; E. G. Oglesby, Glade Spring, Va.; K. L. Rudolph, Paducah, Ky.; M. A. Smith, Lafollette, Tenn.; C. E. Smith, Lafollette, Tenn.; H. C. ### Back from "Tall Timber"

Clintwood Bank Cashier Caught By Two of Baldwin's Men.

W. C. D. Sutherland, the absconding cashier of the Citizens' National Bank, of Clintwood, Va., was caught last Friday near Kimball, W. Va., by operatives W. W. Phaap and Walter Belk, who are connected with the Baldwin-Felts Detective Agency. The two detectives, who were working out of the Bluefield office, took Sutherland to the Bluefield jail, where he will be held until he is taken to Clintwood.

Sutherland made a shrewd getaway with the stolen \$10,000.00, and disappeared so absolutely that there was little hope of his ever being captured. He had planned his escape well, disappearing on Saturday, July 2, 1910. He hired a team at Clintwood and told his friends that he was going to Stratton about, fifteen miles distance, to spend the fourth of July.

The bank of course closed Sunday and also Monday, which was a holiday, and nothing was suspected by the bank officials until Tuesday morning, when Sutherland failed to report for duty. The bank officials immediately suspected that Sutherland had skipped with some money but when they made an inspection of the vault they found the doors locked and the time lock set. Sutherland had set the lock for ninety-six hours and the doors could not be opened until Wednesday afternoon.

The fears of the officials were confirmed for the cashier had cleaned out the safe with the exception of a small amount of silver. They found a note signed by Sutherland which read, "Gone to the Tall Timber."

The story of Sutherland's haul on the bank followed by an account of a young married woman of Clintwood, who had in some way become involved in the case, it appearing that she had been the cause of his leaving for the "tall timber."

Sutherland made a full confession after he was arrested by Detectives Phaap and Belk will likely get the \$500 offered by the bank for his arrest. Sutherland is about thirty-five years old and before he was cashier of the Clintwood bank had held many responsible positions. For a while he was in the Philippine Islands acting as chief of a corps of engineers. He is a member of one of the most prominent and best known families in Dickinson county.

It is not known where Sutherland spent all of his time after his departure from Clintwood, but for a while he was working as a miner in the coal fields of West Virginia, under an assumed name. However, it was thought he had gone to Nicaragua.

### LIGHTNING KILLS FEW

In 1906 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two a million. The chance of death from liver, kidney or stomach trouble is vastly greater, not that Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was then completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50c. at Carson Drug Co.

### VALUABLE MINING PROPERTY FOR SALE

Pursuant to an order entered on the 8th day of May, 1911, by D. F. Bailey, Referee, in the matter of the Chamberlain Mineral Co., Bankrupt, I will as Trustee, for the next sixty days, offer for sale privately the property of said bankrupt, located at Sugar Grove, Smyth county, Va., consisting of about 82 acres of valuable farming and mineral lands, the mineral rights on about 220 acres of other lands; a complete mining plant, equipped with the latest improved machinery, ready for operation, and two comfortable dwelling houses, near the plant. The property will be shown, or any information promptly given upon application to the undersigned.

### Wonderful Filipino Twins

Bound Together By a Ligament at the Base of Spine and Doctors Dare Not Cut Them Apart.

Many years ago, just prior to the Civil war, this country was astounded by the bringing to its shores the great Siamese twins, two boys of that far-away country, who were joined together at the sides by a ligament, which held them together through their entire lives. They remained in America, settled in North Carolina, each married and both raised good families. A similar and an unexplained wonder, is a gain with us. This time they came from our Philippines and their names are Lucio and Simplicio Galdino. They are three years old and very precocious.

Nature has so joined the flesh of these little fellows that even the greatest of human surgeons do not dare to part them. Back to back they will have to go throughout their whole lives. When one dies the other must of necessity follow him into eternity—nature has so decreed.

A compact but somewhat elastic mass of tissues joins them together at the base of the spine. Just like our "everyday" twins, the kind more or less common throughout the whole country, Lucio and Simplicio play with jumping-jacks, blow horns, bug their dollies and pound on their toy drums.

They usually play sitting on the floor, as under the circumstances they cannot use chairs. Loosely fitting dresses make them look much like one big baby with two heads. But indoors they discard most of their clothing, and romp about with much of their bodies exposed. And just like ordinary twins, they quarrel, fight and go after each other with little fists and finger nails.

They both speak English as well as American children of about their age; besides that they speak a little Spanish and German—but of course they know Filipino best. It is nothing unusual for Lucio to be talking

### SAVED HIS WIFE'S LIFE

"My wife would have been in her grave to-day," writes O. H. Brown, of Muscadine, Ala., "if it had not been for Dr. King's New Discovery. She was down in her bed, not able to get up without help. She had a severe bronchial trouble and a dreadful cough. I got her a bottle of Dr. King's New Discovery and she soon began to mend, and was well in a short time." Infallible for coughs and colds, its the most reliable remedy on earth for desperate lung trouble, hemorrhages, la grippe, asthma, hay fever, croup and whooping cough—50c and \$1. Trial bottle free. Guaranteed by Carson Drug Co.

English while at the same time Simplicio will be speaking in another language.

They were brought to America in vain hope that they might be cut apart by skilled surgeons. A clinic was held in New Orleans with a number of America's best physicians in attendance. After a most thorough examination it was the unanimous decision that an operation that would separate the would be fatal to both.

The twins were born in Samar island in the Philippine archipelago, of native parents. They were found by J. R. Louis and M. A. Chark, two weal by Americans living in the islands. The American protectors of the twins say they will take the boys around the world in the interest of science, that they will be exhibited before medical clinics in the great hospitals of America and Europe, and that under no circumstances will they be exhibited in public.

The parents of the twins, who are also in America now, were at first immensely proud of their curious twins, and took great pleasure in showing them to strangers who happened to visit the little Filipino village.

Later on, as the parents became more civilized and Americanized, they looked forward with great joy to the separation of the children; but now that the surgeons have rendered their verdict against attempting an operation, both mother and father are once more reconciled.

If so, you will appreciate Ely's Liquid Cream Balm, the quickest and surest remedy for this disease. It all curative properties it is identical with the solid Cream Balm, which is so famous and so successful in overcoming catarrh, hay fever and cold in the head. There is relief in the first dash of spray upon the heated, sensitive air passages. All druggists 75-cents, including shipping tube, or mailed by Ely Bros., 56 W. Warren St., New York.

### Anti-Reciprocity Man is Elected.

Des Moines, Iowa, June 5.—Judge W. R. Green, republican, was elected to congress to fill the vacancy caused by the resignation of Judge Walter I. Smith, by an estimated plurality of 1,200. His opponent was W. S. Cleveland, of Harlan. The reciprocity was the issue, Judge Green declating against the pact.

**Wool Not a Yard Wide.**

That wool schedule adopted by the Democratic caucus is the most amusing proposition of the Head I-Win-Tails You-Lose order that has been germinated in the Democratic nursery since before the days of the earliest and endeavorful Bryan. It does not strike the Nebraska sage as being wool a yard wide. It was adopted against the insistence of the Bryan people that wool should at once be placed on the free list, or else be scheduled down year by year until it is landed in the free dump in approximately five years' time. But the Champ Clark people would not have it so. In consequence the Underwood wool schedule comes from the Democratic caucus as much adorned with settings and tags as anything that has ever been sent forth with the Democratic brand upon it.

The measure reads both ways. It says that the Democrats accept a protective tariff on wool and its advocates declare that this is due to Republican extravagance making a revenue tariff necessary, but that the Democratic party is not thereby committed to free wool in the future. To Mr. Bryan this is the merest trifle. He has declared that it will prove the rock on which the party will split at this session. As the party is already so split as to remind one only of splinters the prospect held out by the Nebraskan leader of the minority is not very appalling to his associates.

The gist of the whole question is that the Democratic conservatives are trying to pull the wool over the eyes of their radical brethren. To the Republicans they appear the most woeful lot of wool-gathered politicians that ever tried to tinker the tariff for campaign purposes. Anyone who indulges the notion that the Democratic majority stands for free trade or anything approximating thereto is indulging a fallacy Mr. Bryan is not one of these. He is full of fire that the caucus should have flatfootedly placed the party upon a protectionist basis. Even the plea of expediency does not move him. Hence the plight of the party that vaunted that its banners have been waving in the breeze of success with such evenness that none was cut of live with the other. Now, the harmony is at an end and the ineradicable differences have come to the fore with a vehemence that gives promise of nothing better than the normal state of Democratic discord.—Baltimore American.

If you fear hot weather and bad bow-Dr. Fahey's Teething Syrup is the best and the body's comfort.

**Roosevelt Will Support Mr. Taft.**

Washington, June 7.—President Taft in his candidacy for the presidential nomination in 1912 will receive the unqualified endorsement of former President Theodore Roosevelt, which will be uttered just as cordially as it was prior to the campaign of 1908. This is the best political news Mr. Taft has received in many months, and it comes to him in a manner that leaves no doubt as to its authenticity.

The information that Col. Roosevelt, under no circumstances, will allow his own name to be presented to the Republican national convention was conveyed to the White House several days ago, but it did not become known until last night. That Col. Roosevelt feels that the Taft administration should be continued was brought out partly as the result of a cordial greeting between the two men at the Cardinal Gibbons jubilee in Baltimore yesterday.

**A PECK INTO HIS POCKET**  
 would show the box of Bucklen's Arnica Salve that E. S. Loper, a carpenter, of Marilla, N. Y., always carries. "I have never had a cut, wound, bruise or sore it would not very soon heal," he writes. Greatest healer of burns, boils, scalds, chapped hands and lips, fever sores, skin eruptions, eczema, corns and piles.—25c. at Carson Drug Co.

**Still Bound to Bryan.**

In the opinion of the Hon. Robt. Lee Henry, a Congressman from Texas for fourteen years, "if Bryan should declare against any Democratic candidate or nomination or election that candidate could hardly carry the State of Texas." This is a remarkable statement. Mr. Henry thinks his State is rather inclined to Wilson, but believes if Wilson cannot obtain the "O. K." of the Nebraska he would not be able to carry Texas. Better lose the nomination for President, however, than to depend upon Mr. Bryan for election. If nobody can get the nomination and the office without Mr. Bryan's approval, manifestly Mr. Bryan ought to run for it himself. He can stand defeat better than any body else, and defeat is assured if he shall control the nomination, whether be run in person or by proxy.—Richmond Times Dispatch.

**DEAFNESS CANNOT BE CURED**  
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Washington, D. C., June 7.—Each American citizen should have fifteen cents more to jingle in his pockets this month in excess of last month. **Bristol to Celebrate the 4th**

The people of Bristol are arranging to have probably the greatest Fourth of July celebration ever attempted in this section of the country. It has been definitely decided that in the forenoon the Bristol Gun Club will hold a trophy shoot and all the sportsmen in and around Marion are especially invited to be in Bristol that morning and take part in this shoot. At one o'clock the big military and flower parade will move from a certain point along the business streets, headed by Wilson's Greater Bristol Band and a platoon of mounted police. An invitation is extended to any fraternal order or civic organization in Marion to take a position in this parade. At four o'clock in the afternoon there will be a game of ball between the Bristol and Johnson City teams, and at night at eight-thirty there will be the greatest fire works display ever seen outside the grounds of one of the great expositions.

Excursion trains, it is expected, will be operated over all roads entering Bristol. These trains will arrive before the hour of the parade and will be held here until after the night fireworks display so that the people from the surrounding country coming into Bristol will be able to see every attraction offered and witness the greatest celebration of its kind to mark the history of East Tennessee and Southwest Virginia.

Along the shore-line of time with burning tears and aching hearts the last good bye has been spoken to Carl Leper and now his ship is lost to our vision on the great infinite seas. Earth's anchors cannot hold when the string of the infinite awake within us. Little Carl, though a child of less than nine years of age, was unquestionably a child of faith. When God's call reached him, quickly, fearlessly he made ready to go. He said to his weeping parents "I am going to live with Jesus." With his arms clasped about his father's neck said: "Papa I am not afraid—I am going now—meet me in heaven." How precious, how sublime a faith such as this. Said the God-man: "Suffer little children to come unto me and forbid them not for of such is the kingdom of heaven. Carl's sickness was but of few days' duration but severe and occasional suffering which he bore with fortitude. Our deepest and truest sympathy goes out to the father, mother and brothers who loved him so tenderly. Be faithful to God my friends and you will see Carl again.

**You can do a lot with very little**  
*Says the Little Paint Man.*

Do a lot of "Brightening Up" in a very little time and at small expense. A pot of paint, a can of varnish and a brush and you soon make the worn floors clean and fresh, the old furniture bright and new, the dingy cupboards sweet and sanitary. Just look around the house, see what is showing wear and tear and come to us. We'll tell you what to use and how to use it. Here are a couple of suggestions.

**YOUR FURNITURE:**  
 Pick out the dingy pieces, give them a coat of Sherwin-Williams Floorlac Oak or Mahogany or whatever color you wish. What a change is wrought in a short time! Old chairs, tables, bedroom furniture no longer worn and shabby, but bright and new, and all at such a small expense. Just try your hand. With Floorlac you stain and varnish at one operation. Easy to apply. Ask us for color card.

**YOUR CUPBOARDS:**  
 The spotted, dusty cupboard shelves, the worn doors and outside, are changed indeed after a coat of Sherwin-Williams Family Paint has been applied. Family Paint is a durable oil paint, made in a variety of pleasing colors, for painting woodwork, cupboards and the hundred little things around the house that need a coat of good paint occasionally. It wears well, stands scrubbing and washing.

Don't you think there's something about your place that needs a little fixing up? Just consult us—we like to help folks.

**Marion Farmer Lost in Roanoke.**

Mr. W. T. Humphrey, of Marion, Va., who left home about three weeks ago and came to Roanoke, said to be looking for a farm in this section of the country which he desired to lease, has not been heard from by his family, and they are very much alarmed and fearful that some serious mishap has befallen him. Two of his sons are in Roanoke making inquiries about their father. The young men say they have information that their father was seen in Roanoke last Friday, but no one could tell them where he went or what were his intentions. He has not written home, though on previous occasions when he was absent he was very careful to write frequently. The members of the family are very much alarmed by his disappearance and ask that any information concerning his whereabouts be communicated to them at Marion.—Roanoke Times.

**Observes Davis' Birthday.**  
On June 3rd exercises commemorating the birth of Jefferson Davis were held in the auditorium of the Court House under the auspices of the Ladies of Holston Chapter U. D. C., of Smyth county. The meeting was opened with prayer by Comrade Rev. J. B. Greiner. The address of welcome was delivered by Judge Fudge. Mr. J. Ellis Dickenson and his band quartette then rendered one of Senator Bob Taylor's Southern melodies to the delight of all present. It was a piece of fine sentiment which was given in a very effective manner by Mr. Dickenson. Mr. B. F. Buchanan then introduced the Hon. H. G. Peters, of Bristol, the orator of the day. He delivered a most appropriate address, which was well received by those present. Mr. Peters is a strong, forceful speaker and did credit to himself and the cause he represented. Recitations appropriate to the occasion were delivered by Miss Carrie Wright and Eleanor Copenhaver, while the Marion Concert Band enlivened the exercises with excellent music.

After the address the old soldiers, sixty in number, formed a line in front of the Court House and were led by the band to Odd Fellows Hall where a bountiful dinner was served to all present. The day was bright and everything confided to make the occasion a success. The old soldiers were enthusiastic in their praise of the treatment and entertainment provided for them by the Daughters of Holston Chapter.
