As Revenue Producer, Income Law Falls Short.

Washington, October 26.—Unless experts who aided Congress in framing the income tax law were greatly in error, 140,000 persons with taxable incomes have evaded the internal revenue collector. Figures made public last Thursday night at the Treasury Department show 357,598 returns, while Congress designed the law on estimates that there were 425,000 taxable incomes. These estimates did not include incomes between \$3,000 and \$4,000, on which 79,426 returns actually were made, so that the total discrepancy is 146,828.

The Internal Revenue Bureau's campaign to detect dodgers has been carried on vigorously, and it was understood that results soon might be forthcoming.

As a revenue producer the law has fallen considerably below expectations turning in about \$28,000,000 for the payable ten months of last year, instead of \$45,000,000 expected.

Not a single class of incomes lived up to expectations. In the \$5,000 to \$10,000 class, the discrepancy was greatest, the estimates being 178,000 and the returns 191,718.

Aronaut Falls to Death at Fincastle Fair.

Roanoke, Va., Oct. 26.—Walter Flaxton, thirty years old, an aeronaut, was dashed to his death last Thursday afternoon at 3 o'clock at the Fincastle fair, when his parachute failed to work and he dropped a distance of 3,000 feet in front of the grandstand.

The young man, who had been making the circuit of fairs, giving balloon ascensions, had planned to make a triple parachute descent, but they failed to work and when he came down he was grasping the bundle of cloth. His body was horribly mangled. Five thousand people witnessed the aeronaut's tragic death. Flaxton's home was in Gloucester, N. J., and the body was shipped there this afternoon.

Graham Man Dies After Taking Poison.

Bluefield, W. Va., Oct. 26.—Yesterday evening, about 5 o'clock Charles Witten, a prominent young citizen of Graham, and a son of Dr. R. M. Witten, went into a Bluefield restaurant, called for a cup of coffee, and placing the contents of a phial which he had in his pocket into the coffee, drank it. In a few minutes he was dead. He said to a restaurant waiter that he was taking some medicine.

After taking the poison, he called for a stew of oysters. Witten was addicted to the drink habit, and it is believed that he unintentionally took an overdose of the drug, which ended his life.

An officer was called when it was apparent that the man was in a serious condition. The officer hurried for a physician, who arrived in ten minutes, but Mr. Witten was dead.

Ownership of Grayson Co. Homes.

The United States Census Department has just issued a bulletin dealing with the ownership of Grayson county homes. The important facts contained in the bulletin relative to that county are as follows:

There are 3,803 homes in Grayson county. Of this number 2,599 are farm homes, 2,207 of the farm homes are owned by their occupants and are free of mortgaged incumbrance. The mortgaged farm homes number 131. Renters occupy 256 farm homes in the county. Out of a total of 3,803 homes in the county, 1,204 are urban homes. There are 242 urban home owners in the county. Of this number 26 are mortgaged 185 of the urban owned homes are free of incumbrance. There are 933 rented urban homes in that county.

Baptists to Meet in Bristol Nov. 17.

The Virginia General Association of the Baptist church will hold its annual meeting in Bristol, convention November 17. The meeting will bring to this city three hundred and fifty or four hundred delegates from all parts of Virginia.

The sessions of the association will be held in the splendid new First Baptist church auditorium, recently completed. Dr. J. L. Rosser, the pastor, who will be the host of the general association, together with his laymen, is busy making preparations for the coming meeting.

The general association will be probably the largest church meeting that has ever been held in Bristol. The delegates will be entertained in the homes of the city. The committee on arrangements will soon begin a canvass of the city to get the names of those who will entertain the visiting delegates.—Herald Courier.

Potatoes have gotten to be a cheap commodity now. E. M. Clem, of Edinburg, has sold three car loads or more of the fine Michigan variety. Mr. Clem will be pleased to fill all orders at 65 cts. per bushels.—Edinburg Sentinel.

Mayor George M. Warren, of Bristol, was married to Miss Ruby Lytton, of Dryden, Lee county, last Wednesday. Dr. D. S. Long, of Abingdon, performed the ceremony. The bride was educated at Martha Washington College. The groom has been mayor of Bristol for several years.

Death of Mrs. Sarah Davis

Abingdon, Va., Oct. 26.—Mrs. Sarah Davis, aged 88 years, died at her home at Emory last Wednesday. The funeral took place at Emory last Friday morning at ten o'clock. She was the widow of the late James A. Davis who for many years was professor of chemistry at Emory and Henry College and for a time at Martha Washington College. She is survived by two daughters, Mrs. E. M. Ball, of Emory and Mrs. Martin H. Honaker, of Abingdon.

The special session of the Virginia Legislature will be called for January 13th to consider the reformation of the State tax laws, according to a resolution adopted by the last general assembly, and the Governor will soon issue his call for that date.

Even the Democrats have to admit that their tariff is a failure as a revenue producer when they resort to the income and war taxes.—Norwich (Conn.) Bulletin.

Equal Suffrage League to Meet in Roanoke.

The Equal Suffrage League of Virginia will hold its annual State convention in Roanoke, November 7-9, with headquarters in the Masonic Temple. There will be a meeting of the executive board Saturday, November 7, at nine a. m., in the parlor of Hotel Boanoke. The convention proper opens at 10 a. m., in the Masonic Temple, Mrs. B. B. Valentine, the State president, presiding over the sessions of the body.

This is the fourth annual convention. The first convention was held in Richmond in 1911, with only two leagues represented. The second convention was held in Norfolk in 1912, and the third convention in Lynchburg in 1913. At the convention last year in Lynchburg, 89 leagues were reported. This year, already fifty leagues in this State have affiliated with the State league, and the annual report may reveal many more additions to the State membership. Equal suffrage has grown with lightning-like rapidity. In 1913, the State secretary reported over four thousand enrolled members in Virginia. In Roanoke there are two leagues, the Equal Suffrage League, Mrs. Allen Watts, president, and the Equal Franchise League, Mrs. W. T. Barbour, president. These two leagues have a membership of nearly six hundred. Roanoke county has a thriving league, with an inspired president, Mrs. J. H. Whitner. Three years ago Miss Mary Johnston, author of "The Long Roll," "Po. Hays and Hold," "Lewis Rand," and Mrs. B. B. Valentine, spoke on the subject of woman's suffrage in Roanoke. This was the beginning of the suffrage work in Roanoke, and ever since that day new members are weekly being added to the membership list.—Roanoke World.

Good Prices for Wythe County Farms.

Wytheville, Oct. 27.—Two more farms were sold at auction last Friday. The first belonging to James M. Cassell, containing 508 acres, lying about two and a half miles northeast of Wytheville, brought an average price of \$113 per acre, while the second, belonging to R. K. Cassell, in the same vicinity, from \$110 to \$220 per acre. A valuable orchard is located on the latter place. More than two hundred thousand dollars worth of real estate has been sold in this way by the county during the past thirty days, and several fine estates are to follow shortly.

Tenn. State Senator Sued.

Bristol, Tenn., Oct. 26.—By direction of Comptroller Wooleh, of Tennessee, suit was entered last Thursday against State Senator J. Parks Worley, of this county, seeking to recover \$7,340 alleged due the State and representing collections. Worley made while back tax attorney for the State.

The bill avers that not one penny of these funds has been accounted for and that Worley is in default.

The defendant is the Democratic candidate for re-election for the State senate.

A Republican Congress will do more than anything else to restore good times. It will mean a tariff for the Protection of American workmen, American farms and American factories.—Chestertown (Md.) Enterprise.

Mr. Alfred Cliff, a well known citizen of Wytheville, died in that town one day last week. He was a native of England and was 86 years old. He had been in America about forty years, the most of which was spent in Wytheville. He had no known relatives either in this country or England.

Million Lost in Europe's Great War.

J. W. T. Mason, in Baltimore Evening Sun:

New York, Oct. 24.—Estimating the casualties among the eight hostile nations on the proportionate basis of British losses, the total number of killed, wounded and captured during the first weeks of the war is nearly 1,300,000.

The official report of British casualties from September 18th to October 8th, which has just been issued, places the number at 13,541. Previous reports have given the British casualties from the beginning of the war to September 10th as approximating 18,000. The total British land losses therefore, for the first ten weeks of hostilities aggregate about 32,000. The British forces fighting on the continent are understood to total not more than 200,000 combatants. The casualties represent 16 per cent of this number, and by using 16 per cent as the basis for estimating the losses of all the hostile powers, the total losses are, by minimum reckoning, almost 1,300,000.

The following table gives as nearly as possible the number of men actually engaged on the firing line. This does not represent the total under arms, but only the actual offensive strength in use. There are perhaps 50 per cent more men now with the colors who are being employed for other work than actual fighting or are being held back in reserve. The following figures are approximately the number of combatants among whom casualties can be reckoned:

Germans.....	2,500,000
Russians.....	2,000,000
France.....	1,500,000
Austrians.....	1,000,000
Servians.....	400,000
Belgians.....	300,000
British.....	200,000
Montenegrins.....	50,000
Total.....	7,950,000

The total British losses are the only ones that have an official basis. The 16 per cent of casualties among the British, therefore, may be said, as nearly as possible, to represent an official estimate. If this proportion prevails among all the combatants, the following is the distribution of casualties:

Germans.....	400,000
Russians.....	320,000
French.....	240,000
Austrians.....	160,000
Servians.....	64,000
Belgians.....	48,000
British.....	32,000
Montenegrins.....	8,000
Total.....	1,272,000

It is not possible to proportion the killed, wounded and captured on any common basis for each of the eight na-

Biggest Lumber Plant in the South Burns

The big lumber plant of the Honaker Lumber Co., Honaker, Va., was destroyed by fire Monday of last week, causing a loss of \$200,000. The plant was the largest of its kind in the South and cost in the neighborhood of a million dollars while there was a half million dollars' worth of lumber on the yards. It was a triple band mill with a capacity of 120,000 feet per day. The loss was covered by insurance. As soon as the fire was discovered the work of saving the lumber was undertaken. An engine was used to pull away the stacks of lumber.

Gets Long Term in Prison.

Freeling, Va., Oct. 26.—Harmon Mullins, who shot and killed his 19-year-old son in September, entered into a compromise with the Commonwealth, taking a term of fifteen years in the penitentiary. Mullins is 73 years old. He is a peculiar character, and by many is considered as mentally unbalanced. He would take a Bible and go to schools or other places of gatherings and give talks on the Scriptures and morals, while at other times his profanity was almost shocking.

Wednesday evening, Miss Gay Umberger, of Mt. Pleasant, near Wytheville, was united in marriage to Mr. Arthur Boul, of Williamson, W. Va. Rev. J. R. King performed the marriage.

The Austro-Germans have undoubtedly suffered more heavily in killed and wounded, while the allies have lost the greater number in prisoners. As far as the total official figures can be used as a basis for estimating, the average proportion of casualties among all the countries is 1 killed, 8 wounded, 10 captured. On this basis, the casualties have been—

Wounded.....	272,572
Captured.....	918,571

Congress Adjourns After Long Session.

Washington, Oct. 26.—After being in continuous session since the inauguration of Woodrow Wilson, a period of nearly nineteen months, the Sixty-third congress adjourned its second session Saturday when prolonged efforts to procure cotton relief legislation finally collapsed. Leaders in this movement agreed to adjourn only on condition that pending cotton measures would have right of way when congress reconvenes December 7.

Not more than fifty members of the House and less than a quorum of the Senate were present when the gavels fell on adjournment without date. The end was accomplished through passage of a concurrent resolution ending the session at 4 p. m., but clocks were turned ahead in both chambers, actual adjournment in the House occurring at 3:22 and in the Senate at 3:27.

Invitations are out announcing the approaching marriage of Mr. F. M. Cox to Miss Ruth Halsey, which will take place in the Methodist church at Bridle Creek, Grayson county, on Nov. 4th, at nine o'clock.

Mrs. J. W. Neikirk, of Bel Air, Md., after an absence of two years is on a visit in the neighborhood to the delight of her numerous friends and relatives. Before the return to her adopted State she will spend some time with her two daughters in West Virginia.—Grayson Gazette.

Grayson County Cattle.

The cattle market in this section has been very active for the past few weeks. Stockmen have been disposing of their heavier stock and are now re-stocking for next year. Many thousands of dollars have changed hands and the stockmen of the county have considerably enriched their bank accounts owing to the splendid prices paid for cattle by the cattle grazers of other sections. Gov. Stuart purchased some eight hundred cattle in this, Ashe and Alleghany counties for his farm in Russell county on which he grazes some 4,000 each year.—Grayson Gazette.

Floyd Planting Big Wheat Crop.

Farmers are doing all they can to take care of the crops, and are putting out the biggest crop of wheat ever sown in this county. If the war continues in Europe, and every indication now points in the direction of a long-drawn-out war, the price of wheat will soar skyward, and the bigger the crop next year the more money will be received for it.

Dog Law for Grayson County.

The Board of Supervisors at their meeting here last Monday transacted very little business. They audited a few claims, shortened the bird season and approved the Lewis Dog Law for the county. The bird hunters were given from November 25th to December 10th—fifteen days—in which to hunt birds. The Lewis Dog Law approved by the Board is as follows: "Whereas, the general assembly of Virginia, on March 21, 1914, passed an act to prohibit the running of large dogs, and to provide a penalty for the violation thereof, but not to be effective until adopted by the board of supervisors of each county. Be it resolved that the board of supervisors of Grayson county adopt said law to be effective and in force on and after the 1st day of January 1915."—Grayson Gazette.

OVERLAND!

\$850

Electrically Lighted & Started

The unexpected!—An Overland—electrically started, stream-line body, powerful, large, five-passenger touring car—priced at only \$850.

This is the first car of its size, capacity, power and electrical equipment to sell below \$1000!

Certainly never before has such big and exceptional value, at such an unusually low price, been offered.

Though the price is lower than ever, the quality is maintained throughout. All materials, metal and workmanship are of the very best.

We could not purchase nor produce with more precision and precision. This new car is as fine and as finished internally as it is externally.

This newest Overland has the genuine fashionable stream-line body design. Its snappy, superb and stylish lines are the work of our master designers.

The body color is Brewster green—always so rich and attractive. It is neatly trimmed with fine hair-line striping of pure ivory white.

The electric starting and electric lighting equipment is one of the most reliable and best established on the market.

This car rides just like it looks—beautifully. The new, long, improved underslung rear springs give maximum riding comfort. No jolting or larring on the road—just absolute ease and smoothness at all times.

There is also a high tension magneto which is independent of the starting and lighting system and requires no dry cells.

It seats five adults comfortably, without crowded. It is a big, spacious five-passenger touring car.

It has the famous Overland 30-horse-power motor of remarkable strength, speed durability and economy developing more power than you will ever require.

With left-hand drive, center control, electric horn, top, top cover, robe rail, speedometer and ventilating, rain-vision type windshield; this car at this price is destined to be known as the greatest motor car achievement of the season.

Orders are now being taken for immediate delivery.

Following are a few of the many high-grade features—features that are usually found on cars costing considerably more money:

REPUBLICAN TICKET FOR CONGRESS C. BASCOM SLEMP OF WISE COUNTY

Go out next Tuesday to the election and vote for the election of Bascom Slemp. If every Republican will do this his election is assured.

Let every Republican voter come out next Tuesday and cast his ballot for Bascom Slemp. He is entitled to your support and we feel sure Smyth county will give him a handsome majority.

Democratic campaigners talk about everything now but the high cost of living. This is one they can't hide behind the war. It was here before the war and has thoroughly proved the republican position that the high cost of living was not caused by the tariff.

Some of the Democratic dailies which give so much space to the Ninth District just before every congressional election are closing up with these head lines in box car letters—"Ninth District Whirlwind Week Barbecue Oratory Etc." We reply by saying this week our friends are sowing to the wind. Next week they will reap the whirlwind.

If the Republicans of the Ninth District do their duty Slemp's majority will be far greater than two years ago. See your neighbor and get him to the polls. Write your friend who is away and have him come to the election. You can afford to go to some trouble to have the country rid of the policies and free trade theories of the democratic party. They never have worked well in this country and are not doing so today.

In a recent address before directors of the Federal Reserve Banks, President Wilson stated that "confidence is the only thing needed to restore business prosperity." The president admits that business prosperity is lacking, but to hear a democratic campaign orator in the 9th District you would think the country was now enjoying the greatest era of prosperity ever known. The president, however, knows what he is talking about and he would not be talking about restoring some thing we already had.

The Roanoke Times in a recent editorial would try to disgruntle Republicans of Ninth District by the action of the National Committee in reducing Southern representation in the National convention. And also charges the reduction to the leadership of Bascom Slemp. If we mistake not the great body of Ninth District Republicans agree with the National Committee in this reduction plan. No criticism whatever to offer against "our brilliant young leader." The News does not believe in giving large representation to States which can furnish but few votes as a basis.

The Roanoke Times accepts the estimate of the New York World, of the next House of Representatives as about right. That estimate gives the Republicans one Congressman in Virginia. It don't even put the Ninth District in the doubtful column. Still in the face of its admission the Times fills its editorial columns with claims of Irvine's election saying "it can be done." We assert it cannot be done by fair means for the Ninth District as well as the big forecasters claim is safely republican. The President's letters, the Governor's and Senator's speeches will not swing it in the democratic column. All these forces have been tried before. The only time we had a very close call was in 1910 when the democrats put a great sum of money in the district. Surely the Roanoke Times does not mean to repeat the 1910 tactics when it says

Congressman Slemp.

The place which Congressman C. Bascom Slemp holds in the good will and affections of the people of the Ninth District is unequalled in Virginia. His remarkable ability impresses everyone, regardless of politics. His manifold services to all the people of the Ninth District as representative in Congress, has caused constantly increasing warm regard and esteem for him on the part of all the people alike, and his pleasant, likeable personality naturally increases the great friendly sentiment for him.

In some parts of the Democratic campaign, and especially on the part of a Democratic paper outside the District, there was earlier effort to cast some sort of ridicule on Congressman Slemp. This served to rouse the fighting spirit of Republicans higher than ever, and make thoroughly ashamed the great majority of good honest Democrats over the District, who know Mr. Slemp well for a clean, honorable, able, splendid man, and admire and respect him accordingly.

Congressman Slemp bids fair to equal the record of Mr. Brownlow, of the First Tennessee District, who by sheer ability and good service, did so much for his district. Good men admire and to an able and efficient man, who stands by them and does for them. They naturally do the same for him. Go out next Tuesday and vote and work for his reelection.

Watch the Democracy lay all the consequences of its own short comings in Administration policy since March 4, 1913, to the European war crisis. The Titanic struggle across the seas makes a fine cloud of battle smoke to obscure Democratic incompetency just before election. The question for the thoughtful voter to answer for himself, however, has nothing to do with the war. It is, simply, what was happening to the country in the way of business and financial depression as the result of Democratic mis-government for months before the war broke out? And, answering that the voter may ask again, how much worse off will this land of ours be along this same direction now that the war is on and the revenues of a boasted "competitive tariff," that were fast diminishing during a time of peace, must decrease still further because foreign "competition is stifled by the conflict of arms abroad.

If this country had been enjoying the benefits of a Republican protective tariff for the past year and a half, instead of being under the Underwood Democratic makeshift, it would not now be confronted with the necessity for imposing the always hated internal revenue war tax in order to meet the expenses of government, and that, too, all because of a war in which we have no part.

Democrats Using Money.

As we go to press we receive the following from Republican Headquarters in Bristol: "Evidence is accumulating on every hand that the Democrats are violating the pledge and agreement of their candidate, and are using money to influence a certain class of voters. This word comes from almost every point in the District during the past three or four days. "A prominent Democratic leader of Pulaski, and a thoroughly liked gentleman outside of politics, was the first and boldest along this line. He joined the Democratic candidate at Bristol a few days ago, together with other Democratic leaders, and immediately upon his return to Pulaski the evidence of money became apparent. Like instances are now cropping up in various parts of the District.

"All Republicans must be on guard at every precinct. Keep the sharpest lookout for any kind of fraud on election day. No one has forgotten Irvine's part in the Stuart campaign. A great many suspect that the Democratic candidate has long been the brains behind election frauds in this District. There is such thing as honor. Every Republican must fight against fraud and trickery on election day. If any judge of election works fraud and trickery, make him stop. Good, honest Democrats everywhere will uphold you."

"My attention was first called to Chamberlain's Colic Cholera and Diarrhoea Remedy as much as twelve years ago. At that time I was seriously ill with summer complaint. One dose of this remedy checked the trouble," writes Mrs. C. W. Florence, Rockfield, Ind. For sale by all dealers.

Slemp in Buchanan County.

Congressman Slemp, accompanied by Hon. J. C. Noel, Col. D. F. Bailey and Hon. J. F. Griffith, spent two days campaigning Buchanan county last week, Friday and Saturday. The entire time was beyond question the greatest demonstration ever known there. Four thousand people attended the various speaking during the two days, and their enthusiasm at all points was unbounded. A barbecue was held at Contrary last Friday, and another at Grundy on Saturday. Over a thousand people came out at Contrary, and nearly two thousand came to Grundy. The weather was threatening both days, but that did not bother the people a moment from coming either to the two barbecues or the three other speaking. All the speakers made magnificent addresses, and the enthusiastic greetings extended to Mr. Slemp were remarkable to see and hear. Buchanan is an industrial county, and has been hard hit under the present administration, whence the people there intend to give Mr. Slemp by far the biggest vote he has ever received in that county.

Adwolfe Notes.

Adwolfe, Virginia, Oct. 27. Quite a number of people have been visiting friends and relatives at this place within the last few days. On last Sunday Mr. and Mrs. S. T. Copenhaver, of Bristol, accompanied by their son and daughter, John Gilbert and Miss Hattie Anderson, motored up and spent the day with Mrs. E. J. Anderson, who is Mrs. Copenhaver's mother.

Mr. R. M. Gollehon, wife and family, of Seven Mile Ford, spent Sunday with Mrs. E. J. Anderson. Prof. C. E. Anderson, who is the Principal of Saltville High School, spent the week end at his home in this place.

Miss Beulah Anderson is on an extended visit at the home of friends and relatives in Greyson county.

Mrs. Mary Copenhaver and her son Burton, of Nebraska, who have been visiting their parents and grandfather at this place, are now visiting friends and relatives at Meadow View and Lodi, Va. Mrs. Copenhaver will go back to Nebraska some time next week.

The community has been excited very much by a "murder" which occurred here last Saturday. Miss Mae Trundle, who is a teacher in the school here, willfully shot a rabbit and killed it instantly.

The Oak Point Civic League met in its regular session on last Saturday night and after rendering a very interesting program the following officers were elected: W. N. Hurler, president; Willie Addison Wolfe, secretary; Ralph Daniel, vice president; Mrs. Jennie Blankenbecker, treasurer, and Miss Mae Trundle, critic. The next meeting of the League will be held Nov. 6, at 7:00 o'clock p. m. The program will be as follows:

Reading, Mrs. C. E. Anderson; Recitation, George Franklin Britton; Recitation, Mary Pearl Moore. Debate—Resolved that in as much as the present day songs are immoral and demoralizing, that they should be passed by a national board of censors before being allowed to be brought before the public. Affirmative, Mr. Duke Britton, Miss Sallie Wolfe. Negative, Mr. Ralph Daniel, Miss Mae Trundle.

Song, Little Inez Bean; Community Jokes, Prof. C. E. Anderson; Recitation, Myrtle Martin.

All persons whether members of the League or not are cordially invited to attend this meeting. Our prospects for a good school this year are fine. So far we have enrolled over eighty pupils and the attendance averages about seventy. The boys, encouraged by their teachers, have started a basketball team and have issued a challenge to the Marion team for a game this week.

Watch babies bowels till the frost come. Dr. Fahrney's Teething Syrup keeps them in good shape. Sample free

GOOD SUGGESTION TO MARION PEOPLE.

It is surprising the amount of old foul matter the simple mixture of buckthorn bark, glycerine, etc known as Adler-Lika, drains from the system. This remedy became famous by curing appendicitis and acts on BOTH the upper and lower bowels so thoroughly that ONE DOSE relieves sour stomach, gas on the stomach and constipation almost IMMEDIATELY. We are mighty glad we are Marion agents for Adler-Lika, Marion Drug Co.

President and His Cabinet on the Stump.

Washington, D. C., Oct. 27.—Only two members of the President's Cabinet, Secretary of the Treasury McAdoo and Attorney General Gregory, are in Washington today. The other eight are out on the stump making political speeches in the last week of the campaign.

Secretary of State Bryan and Postmaster General Burleson are in the Middle West; Secretary of War Garrison is in Springfield, Mass., today Secretary of the Navy Daniels left last night for Missouri; Secretary of the Interior Lane is speaking in his home State, California; Secretary Houston is in Chicago; Secretary Redfish is stumping in New York for Gerard and Glyn, and Secretary Wilson is in his home State, Penn., aiding Representative Palmer in his fight against Senator Pezrose.

Several assistant secretaries also are on the stump.

Apply Sloan's Freely For Lumbago

Your attacks of Lumbago are not nearly so hopeless as they seem. You can relieve them almost instantly by a simple application of Sloan's Liniment on the back and loins. Lumbago is a form of rheumatism, and yields perfectly to Sloan's, which penetrates quickly all in through the sore, tender muscles, limbers up the back and makes it feel fine. Get a bottle of Sloan's Liniment for 35 cents of any druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

Your Fall Cold Needs Attention.

No use to fuss and try to wear it out. It will wear you out instead. Take Dr. King's New Discovery, relief follows quickly. It checks your Cold and Soothes your Cough away. Pleasant, Antiseptic and Healing. Children like it. Get a 50c. bottle of Dr. King's New Discovery and keep it in the house. "Our family Cough and Cold Doctor" writes Lewis Chamberlain, Manchester, Ohio. Money back if not satisfied, but it nearly always helps.

MOTHERS OF DELICATE CHILDREN

Should Read the Following Letter—Mrs. Slack's Story About Her Child's Recovery Is Entirely Reliable.

Palmyra, Pa.—"Three years ago my little girl had black measles which left her with a chronic cough and so awfully thin you could count all her ribs, and she coughed so much she had no appetite. Nothing we gave her seemed to help her at all until one day Mrs. Neibert told me how much good Vinol had done her little girl, so I decided to try it for my little one, and it has done her so much good she is hungry all the time, her cough is gone, she is stouter and more healthy in color and this is the first winter she has been able to play out in the snow, coasting and snow-balling without any ill effects."—Mrs. ALFRED SLACK, Palmyra, Pa.

We know Vinol will build up your little ones and make them healthy, strong and robust, therefore we ask parents of every frail and sickly child in this vicinity to try a bottle of Vinol, our delicious cod liver and iron tonic without oil. If we can induce you to try a bottle of Vinol as a body-builder and strength-creator for your child, and you do not find it is all we claim, we will return your money on demand.

61 Killed in An Illinois Mine.

Royaton, Ill., Oct. 27.—A total of 61 dead is shown on the casualty list issued late tonight by officials of the Franklin Coal and Coke Company, at whose mine near here three hundred men were entombed at the going to work hour this morning.

Fire followed a gas explosion in the mine. Deadly fumes prevented rescuers from reaching the men on the lower floor level. Of the hundred and fifty taken from the mine more than eighty had been overcome by the gas. Two died later.

A mine rescue car from Benton, Ill., arrived nearly four hours after the explosion with a supply of oxygen helmets. The work of rescue then was pushed with vigor, but only dead bodies were found. Experts said tonight it would be impossible to subdue the fire in the lower level until the burning sections were sealed.

The great medium priced clothes which we feature—STYLEPLUS—are in the spotlight all the time.

They have to be good to live up to their reputation—and they are.

The makers advertise them as \$3 to \$8 better than they would be if made the old unscientific way.

We say they are the best clothes we have ever seen at or near the price. Every man who wears a suit brags about it to his friends.

And STYLEPLUS make good all down the line. They will for you. Try a suit or an overcoat this season.

Mr. John Brosius received a car load of Overland Automobiles this week. They are among the classiest cars we have seen on the market. One of them a fine roadster goes to our townsmen, Dr. Z. V. Sherrill. A fine passenger car goes to Mr. R. P. Kelly, of Saltville and another to Grayson county. These are fine machines and Mr. Brosius is placing a number of them over the country.

Mrs. Geo. W. Richardson most delightfully entertained the Tea Club last Thursday afternoon from 3 to 6 o'clock. Forty-two was played at several tables, the score being kept by Miss Miriam Sheffer. At the conclusion of the games, Mrs. Richardson, assisted by Misses Ella, Mamie and Thelma Richardson, served a salad course with coffee. Miss Sue Fell will be the next hostess of the club.

Rev. E. K. Sutherland, financial agent of Emory and Henry College, came up Sunday and filled the pulpit at the Methodist church at the morning service in the absence of Pastor Jackson, who has been in Florida since the adjournment of Conference. Mr. Sutherland will also preach here this Sunday as Mr. Jackson will not arrive here with his wife and family, who are visiting at Knoxville and Cleveland, Tenn., until the middle of next week.

Young Man Killed by Train.

Mr. W. E. Aker, who lived near Atkins, was killed at Groseclose on Sunday morning early by a freight train on which it is supposed he was going to Wytheville where he has two sisters living—Mrs. C. O. Williams and Mrs. Geo. Suthers—and in some manner fell under the wheels of the moving train at the siding, having his head ground off.

Mr. Aker in company with several of his friends were in Marion Saturday evening and at a late hour at eight left in an automobile, and instead of going home, got out at the Nick's creek crossing, and there being a freight train at Atkins, boarded it and was soon on his way east when the accident occurred which cost him his life.

The deceased was 35 years old and is survived by a wife and four children; also father and mother, Mr. and Mrs. Robert Aker, all residents of Atkins.

Interment was made Monday afternoon near Atkins, and services were conducted by Rev. J. A. H. Shuler, of Rural Retreat.

Slemp and Shaw at Marion and Saltville.

Hon. Leslie M. Shaw filled his appointment here Thursday and spoke for one hour and thirty minutes to a large and representative crowd representing every section of the county. He was gracefully introduced by Attorney Geo. F. Cook. Mr. Shaw and Congressman Slemp spoke at Saltville Thursday night to the largest and most enthusiastic audience that has assembled at that place for some time to hear political speaking. Col. W. C. Pendleton opened the meeting by introducing Mr. Slemp, who greatly pleased his large audience. We regret we have not the space or time to give a full account of these splendid meetings.

Rev. E. M. Harris will occupy his pulpit here Sunday morning and evening instead of going to Saltville as he usually does on the first Sunday in the month.

Patrons' Day Exercises of Marion High School

The Annual Patrons' Day Exercises Marion Free School will take place at 8 o'clock Friday evening, November 6th, in the Court Square Theatre, and the High School Auditorium.

Owing to the immense enrollment of the school it is impossible for all of the pupils, patrons and friend of the school to be entertained in the Court Square Theatre, so to relieve the congestion that usually takes place at the public school entertainments, the faculty has decided to give two programs at the same time, one in the Court Square Auditorium and the other in the High School Auditorium. The two programs will be equal in interest and quality and a great many of the songs and pantomimes will be given at both places.

The town authorities will insist that the two buildings shall entertain no larger crowd than the seating capacity of each will comfortably hold. All patrons are urged to come early and get good seats as there will be no reservations made.

The program will consist of songs, pantomimes, drills, recitations and dialogues.

The faculty and student body cordially extend a most hearty invitation to all patrons and friends to be present.

Don't fail to see Kathryn at the Picture Show each week. Nine more shows yet.

Mr. J. W. Cook, Supt. of the Radford division of the N. & W. R. R., and Miss Sadie L. King, of Bristol, were married in Roanoke last Tuesday.

Mrs. Caroline Leedy, who resides near Crockett, was taken to Roanoke Friday for an operation. She was operated on Saturday and died shortly after the operation.

Marion Loses a Valuable and Popular Citizen in the Death of Mr. E. A. Rhoades.

Mr. Edward A. Rhoades, who was taken to the Jefferson Hospital at Roanoke about three weeks ago for an operation for appendicitis, died Monday morning.

Mr. Rhoades had about recovered from the operation and was thought to be getting along fine Sunday night just a few hours before he was taken suddenly ill and died in a short time.

Mrs. Rhoades was with her husband during his stay there, but his death was so sudden that he expired almost before she could be summoned from her boarding house nearby.

The deceased was 39 years old and a native of Nansemond county, Va. He with his wife and little daughter came to Marion a little more than two years ago from Norfolk, Va. Since that time he has been superintendent of the Virginia Table Works and under his management the plant has been doing a large and successful business. He was a good citizen and fine business man and had grown quite popular with our people. His death is a distinct loss to the business life of Marion.

The remains were brought to Marion Monday night on No. 13 and taken to the home of Mr. O. C. Lincoln, president of the Table Works.

On Tuesday at 3 p. m. the funeral took place from the Presbyterian church, being conducted by Pastor Sedgewick, assisted by Rev. E. M. Harris.

The esteem in which the deceased was held was evidenced by the large number of friends present, the beautiful floral decorations, and especially the sixty employees of the Table Works who attended in a body and acted as honorary pall bearers.

The funeral was in charge of Marion Lodge of Masons and the remains were laid to rest with the impressive rites of the order.

He is survived by his wife and little daughter, who have the sympathy of the entire town.

The Marion Clothing Co. have been receiving their big Fall and Winter line of Clothing, Shoes and Furnishings. Call and examine them.

Both teams are in excellent condition and the game Saturday promises to be one of the most interesting in this section this season.

What Would You Do?
There are many times when one man questions another's actions and motives. Men act differently under different circumstances. The question is, what would you do right now if you had a severe cold? Could you do better than to take Chamberlain's Cough Remedy? It is highly recommended by people who have used it for years and know its value. Mrs. O. E. Sargent, Peru, Ind., says, "Chamberlain's Cough Remedy is worth its weight in gold and I take pleasure in recommending it." For sale by all dealers.

English Opera Singers.

The English Opera Singers, the first number in the Marion Lyceum course, will appear at the Court Square Auditorium, Tuesday evening at 8:15.

This attraction is composed of mixed quartet and piano accompanist Walter W. Flora, tenor; Charlotte Simpson, dramatic soprano; Rhea Foster, contralto; Harry C. Lombard baritone; Edith Adams, pianist.

The company presents scenes from grand and light opera (in costume); sailor songs, (in costume); selection from the oratorios, and popular selections.

The people of Marion and community ought to help to make a great success of this lyceum course. This series of attraction has been secured jointly by the Woman's Club and Marion College, for the benefit and pleasure of the community, and there is no profit in it for anybody.

Season tickets entitling to a reserved seat for all four attractions can be secured for \$2.00. If two hundred season tickets are sold in advance a fifth attraction will be secured without any extra cost to season ticket holders. Single seats for this first attraction will cost, \$1.00, .75, and .50. Reservations of seats will be made at Carson's Drug Store, beginning at two o'clock Monday November the 2nd. Mail orders will be given attention by Mrs. J. C. King or President Henderson N. Miller.
